**ARTICLE T – JOB SHARING**

- T.1 The introduction of job sharing arrangements in a Unit will be subject to mutual agreement between the Union and the Employer. The Employer and the Union shall not arbitrarily or unreasonably refuse to implement job sharing.
- Job sharing requests with regard to full-time positions shall be considered on an individual basis. Such approval will not be unreasonably withheld.
- T.2 The employees involved in job sharing are entitled to all the terms of the part-time Collective Agreement except those which are modified as follows:
- (a) Schedules will conform with Article G of the Collective Agreement which sets out scheduling.
- (b) Total hours worked by the job sharers shall equal one (1) full-time position. Job sharers will have the option of determining between themselves which partner will work on a scheduled tour, however, all scheduled tours must

be covered. Such schedules will not be unilaterally imposed or changed by the Employer, but once the schedules are posted they will not be changed without notice being given to the staffing office. Such permission will not be unreasonably withheld.

- (c) Employees will be granted at least five (5) consecutive days off over either Christmas or New Year's. When one or both job sharers work over Christmas, neither can be required to work over New year's, and vice versa unless mutually agreed otherwise. Should employees be assigned to work either Christmas or New Year's, unless mutually agreed, they will be expected to work on at least five (5) consecutive days, if required for normal tours, and at least three (3) consecutive days for extended tours, if required. Where both job sharers request to work Christmas or New Year's or request to have either off and a conflict exists, then seniority shall be the deciding factor.

- (d) Paid Holidays

Job sharers will not be required to work, in total, more paid holidays than would one (1) full-time employee, unless mutually agreed otherwise.

- (e) Each job sharer may exchange tours with her or his partner as well as other employees as provided by the Collective Agreement. A job sharer may exchange with employees other than her or his partner only when neither of the job sharers are scheduled to work.

- (f) Coverage

- i) It is expected that both job sharers will cover each other's incidental illnesses and approved vacation. If, because of unavoidable circumstances one cannot cover the other, the unit supervisor must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences. Job sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on tours when neither job share partner is scheduled and where such would not result in premium payment.

- ii) Vacation, Maternity Leave and other Leaves pursuant to Article 11 of the Central Agreement

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's tours for the duration of the absence and will declare their availability to the Nurse Manager at the time of the request. If the employee cannot cover for her or his partner, the vacancy will be offered to the most senior regular part-time employee on that unit.

- (g) Implementation

Where the job sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that

there are no successful applicants, then both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

- (h)
  - i) An incumbent full-time employee wishing to share her or his position, may do so without having her or his half of the position posted. The other half of the job sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
  - ii) It is understood and agreed that the arrangement is for a trial period of three (3) months for the full-time employee originating the request. Once the trial period is over, the employee cannot revert to her former position except under (i) below.
  - iii) Where two (2) full-time employees on one Unit wish to job share one (1) position neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the Collective Agreement.
- (i) If one of the job sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee will have the option of continuing in the full-time position or reverting to an already posted but unfilled Regular Part-time position or a casual part-time position for which she/he is qualified. If she or he does not continue full-time, the position must be posted according to the Collective Agreement.
- (j) Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) day's notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation and attempt to agree on reassignment. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

Failing an agreement, on discontinuation the two job sharers, in order of seniority, will have the option of continuing in the full-time position. If neither job sharer takes the full-time position, the vacant full-time position will be posted.
