Such notice shall contain the name of the first party's recommended Sole Arbitrator. Where such written notice is post-marked within twelve calendar days after the above forty (40) calendar day period, it will be deemed to have been received within the time limits. The recipient of the notice shall, within ten (10) calendar days, inform the other party of its agreement or propose an alternate Sole Arbitrator in writing. If the parties are unable to agree on an Arbitrator, the appointment of the Arbitrator shall be made by the Minister of Labour for Ontario upon the request of either party.

Extensions under this clause shall not be unreasonably withheld.

- 8.08 The Arbitrator shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement. The Arbitrator may take such decision as it may, in the circumstances, deem just and equitable and may vary or set aside any action relating to the grievance in question.
- 8.09 The Arbitrator shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.
- 8.10 Each of the parties shall pay its own expenses including pay for witnesses and one-half of the expenses and fees of the Arbitrator.
- 8.11 Any grievance which has been disposed of hereunder or settled between the Employer, the Union or the employee(s) concerned shall be final and binding upon the Employer, Union and employee(s) involved.
- 8.12 It is understood and agreed that the parties may choose to utilize a Board of Arbitration instead of a Sole Arbitrator. In such cases each party will be responsible for their own nominees' expenses.

Where the parties agree, they will exchange names of nominees within ten (10) calendar days. The two appointees so selected shall within ten (10) calendar days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the parties' nominees are unable to agree on a Chairperson, or one of the parties fails to appoint a nominee, the appointment of the chair shall be made by the Minister of Labour for Ontario upon the request of either party.

All references in Article 8 to a Sole Arbitrator shall be taken to include a Board of Arbitration.

- 8.13 At the time formal discipline is imposed or at any stage of the grievance procedure, an employee is entitled to be represented by a union representative. Probationary employees and employees in a trial period need not be considered for further job postings.

Permanent employees will not be considered for posted positions with a duration of 6 months or less. Permanent employees in a temporary assignment need not be considered for subsequent temporary assignments.

Where an employee has transferred or posted into a position within a classification within the past 12 months, the Employer may exclude that employee from consideration for any further job postings within that same classification except, where an employee is applying for a position which would result in a change of status from temporary to permanent, or part-time to full-time.

An employee may advise the Employer in writing prior to leaving on vacation or any extended leave, indicating his/her interest in a particular position. This expression of interest will then be considered as application for a posted position.

Temporary vacancies of less than six (6) months need not be posted however consideration will be given to qualified employees in the job classification on the basis of seniority.

The Bargaining Unit President will be advised electronically of the name of the successful applicant once a position is filled.

- 10.04 The successful candidate will be provided with a trial period of three (3) months from the date he/she commences working in the new position. If either the employee or the Employer chooses to discontinue the trial period, the employee shall be returned to their former position or to a comparable position. Other employees who have been promoted or transferred to other positions as a direct result of the above employee's transfer will be returned to their position and salary except where that position no longer exists in which case the employee will be placed in a comparable position.

The last person employed as a result of such changes may be terminated if other employment for which he/she is qualified cannot be found for her or him.

- (d) The employee's anniversary date for salary increases shall be adjusted by the period of time in excess of the thirty (30) continuous calendar days, and the new anniversary date shall prevail thereafter.
- (e) Seniority, service, vacation credits or any other benefits under any provision of the collective agreement or elsewhere will not accumulate, but will remain fixed at the amount held at the commencement of the leave.
- (f) Notwithstanding the above, the Employer shall continue to pay its share of the premium for the Group Insurance Benefit plans for employees who are on paid leave of absence, paid Sick Leave, or WSIB, and will continue to pay its share of the premium for the Group Insurance Benefit plans in accordance with the *Employment Standards Act*. It is understood that the obligation of the employer to pay its share of the Group Insurance Benefits while an employee is on WSIB shall continue only so long as the employment relationship continues or twenty-four (24) months, whichever occurs first unless prohibited by legislation.
- (g) It is understood that an employee who chooses to continue Group Insurance Benefits under (a), (b) or (f) above shall provide the employer with payments for the amount required on or before the first day of the month in which payment is due.
- (h) In cases of absence for pregnancy and parental leave under the *Employment Standards Act*, seniority and service shall accrue for the duration of the leave and the Employer will maintain its share of the insured benefit premiums provided the employee issues a cheque to the Employer covering her portion of the premiums each month in advance.

The Union and the Employer agree to abide by the *Human Rights Code*.

ARTICLE 14 – PROFESSIONAL DEVELOPMENT

14.01 The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which will significantly change the status of the employee within the bargaining unit.

Where new computer technology is introduced into the workplace that employees are required to utilize in the course of their duties, the Employer will provide training at no cost to the employees involved.

Employees who are subject to layoff due to technological change will then be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of Article 11 will apply.

14.02 The parties recognize the importance of supporting the confidential nature of the Peer Feedback component of the Quality Assurance Programs of the

professional regulating Colleges. For further clarity, the above referenced Peer Feedback will not be used as a performance evaluation under Article 12.01.

ARTICLE 15 – PAID HOLIDAYS

15.01 The following will be recognized as paid holidays under this Agreement:

New Year's Day	Civic Holiday
Family Day	Labour Day
Good Friday	Thanksgiving Day
Victoria Day	Christmas Day
Canada Day	Boxing Day
Float Holiday (2)	

and any other day proclaimed as a public holiday by the Government of Canada or Ontario.

The float holidays shall be taken on a date mutually agreeable to the Employer and the employee, shall not be cumulative from year to year, and are only available to employees who have completed their probationary period prior to July 1st.

15.02 In order to qualify for pay for a holiday, an employee shall complete her or his full scheduled shift on each of the working days immediately preceding and following the holiday concerned unless excused by the Employer or the employee was absent due to:

- a) Legitimate illness or accident which commenced within a month of the date of the holiday;
- b) Vacation granted by the Employer;

- c) The employee's regular scheduled day off;
- d) A paid leave of absence provided the employee is not otherwise compensated for the holiday.

15.03 Holiday pay will be computed on the basis of the employee's regular straight time hourly rate of pay multiplied by the number of hours for a normal day's work.

15.04 An employee who is required to work on any of the above holidays shall be paid at the rate of time and one half (1½) of his/her regular straight time hourly rate of pay. In addition, an employee shall receive either a paid day off or a regular day's pay, at the employee's request, in lieu of such holiday.

15.05 A paid holiday occurring while an employee is on vacation shall not be deducted from the employee's vacation entitlement.

ARTICLE 16 – VACATIONS

16.01 All regular full-time employees will receive vacation with pay according to the following schedule;

- a) Each full time regular employee will accrue vacation with pay on the basis of 1.67 working days for each full month of service to a maximum of 20 days per year in each of the first fifteen (15) years of employment.
- b) At least fifteen (15) completed years of service but less than twenty-three (23) years of service: five (5) weeks.
- c) At least twenty-three (23) years of service: six (6) weeks.

Note: Employees receiving entitlement greater than the above (on date of ratification) will be grand-parented at the higher entitlement level until such time as they meet the requisite service level.

16.02 All part-time, casual and temporary employees shall be entitled to vacation pay based upon the applicable percentage provided in accordance with the vacation entitlement of full-time employees. Vacation pay will be paid in each pay period as a percentage of biweekly wages.

4 week entitlement	-	8%
5 week entitlement	-	10%
6 week entitlement	-	12%

Equivalent years of service, calculated pursuant to the formula set out in Article 9, shall be used to determine vacation entitlement.

16.03

Vacation Scheduling

- a) Vacations may be requested at any time of the year, subject to the restrictions below. The supervisor, or designate, will grant requests subject to operational requirements and in accordance with such vacation quotas as the Employer may set from time to time. Employees shall be advised of vacation quotas one month prior to the employees being required to submit their requests. Such quotas will not be unreasonably restrictive.
- b) Requests for vacation time from the Monday immediately following June 20th to the Sunday immediately following Labour Day (summer period) shall be made in writing to the Employer not later than March 1st in that year. The Employer will respond to such requests in writing by April 1st. An employee may be approved for a maximum of three (3) weeks of vacation during these peak times.
- c) Requests for Christmas/New Year's vacation time between the Monday immediately following December 15th and the Sunday immediately following January 1st shall be made in writing to the Manager or designate

not later than August 1st in that year. The Employer will respond to such requests in writing by September 1st. An employee may be granted a maximum of one (1) calendar week (or part thereof) over this period.
- d) March Break vacation requests shall be submitted to the immediate Manager or designate not later than November 1st of the preceding year. The Employer shall respond in writing by December 1st.
- e) In the event that the number of employees in each department or team requesting vacation for or during any part of the above peak periods exceeds the number which the Employer has determined might be permitted vacation at that time, priority will be given based on seniority as per the posted seniority list.
- f) Notwithstanding e) above, in granting vacation requests during peak periods, the Employer will grant requests for full weeks of vacation prior to granting requests for partial weeks of vacation, so that a request for less than one week's vacation cannot prevent another employee from taking a full week of vacation. A full week of vacation shall be defined as Monday through Sunday.
- g) Requests for vacation for other periods outside of peak times shall be submitted by the employee to their immediate supervisor not less than three (3) weeks prior to the first day of the vacation period. The immediate supervisor shall reply within one (1) week from the date of the request. These requests shall be considered on the basis of first come first served.
- h) If a request is submitted outside of the time period outlined above or additional vacation time becomes available, it may be approved at the

Employer's discretion provided no employee, who submitted in compliance with the above timelines, was denied the same time period.

16.04 Where changes in scheduled vacations are permitted by the Employer, a senior employee will not be permitted to bump a more junior employee whose vacation has been previously scheduled.

16.05 Vacation must be earned before it can be taken.

16.06 Vacation pay for part-time employees will be paid out each pay.

16.07 It is important that employees use the vacation time they have earned. An employee may not exceed thirty (30) days of accumulated vacation in his/her bank at any point in time. When an employee has reached twenty (20) days, they will be approached by their Manager to discuss a plan to schedule vacation. Such vacation requests will not be unreasonably denied. If the employee fails to respond to the Employers notification, the Employer will schedule the employees vacation time to ensure the bank does not exceed thirty (30) days, subject to operational requirements.

Article 16.07 shall not be used by any employee to circumvent Article 16.03 or to gain access to vacation that would not otherwise have been approved.

16.08 Vacation credits will not accrue during leaves of absence without pay. For greater clarity, leaves of absence without pay include:

- a) Long-Term Disability;
- b) Workplace Safety and Insurance Benefits in excess of six (6) months;
- c) Personal Leaves;
- d) Other unpaid leaves.

It is agreed that this provision will be interpreted in a manner consistent with the *Ontario Human Rights Code* and the *Employment Standards Act*.

16.09 Transfers from Full-Time

An employee who transfers from Full-Time to Part-Time or Casual will be paid the value of her vacation outstanding as of the date of the transfer based on regular straight time pay.

ARTICLE 17 – HOURS OF WORK

17.01 The normal daily tour shall be seven (7) consecutive hours exclusive of an unpaid one (1) hour meal break.

All employees working the normal daily tour shall be entitled to two (2) paid rest periods of fifteen (15) minutes each.

The normal extended tour shall be either eight (8), nine (9), ten (10) or eleven (11) hours exclusive of an unpaid one (1) hour meal break.

EXTENDED TOURS				
Scheduled Shift Duration	Hours Paid	Unpaid Meal Break	Paid Rest Periods	Overtime After
9 hours	8 hours	1 hour	2 x 15 min	8 hours
10 hours	9 hours	1 hour	2 x 15 min	9 hours
11 hours	10 hours	1 hour	3 x 15 min	10 hours
12 hours	11 hours	1 hour	3 x 15 min	11 hours

Should it become necessary to establish shift durations other than as provided in this article, or shifts that extend beyond 9:00 p.m. The Employer will advise the Union work cooperatively to negotiate any amendments to the hours of work or scheduling provisions as contained herein and such an agreement shall not be unreasonably withheld.

17.02 Overtime

Overtime is defined as work that is authorized and worked in excess of the employee's scheduled tour that day or seventy (70) hours per bi-weekly pay period. Overtime will be compensated at the rate of one and one-half (1½) times the regular straight time hourly rate. An employee who is required to work on her or his scheduled day off shall receive overtime premium of one and one-half (1 1/2) times her or his regular straight time hourly rate. Overtime may be taken as pay or as time in lieu at the rate of time and one-half (1 ½) at the employee's request. Employees may only accumulate time in lieu of overtime up to three (3) days maximum. Any time off must be scheduled by mutual agreement.

17.03 Flexible Work Schedules

The normal hours for employees who work flexible work schedules will consist of thirty-five (35) hours per week. Employees shall have the ability to work in excess of the normal daily tour referred to in 17.01 above without entitlement to daily overtime but shall retain the entitlement to overtime premium for all approved hours worked in excess of thirty-five (35) hours per week.

- 17.04
- a) The Employer will make every reasonable effort to provide employees with three (3) out of every four (4) weekends off but in no circumstance, unless agreed to by the employee, will an employee working the normal daily tour or a combination schedule be required to work more than two (2) weekends out of every four (4) weekends in which case 17.04 c) will apply.
 - b) No employee working the eleven (11) hour tour will be required to work anymore than every second (2nd) weekend.

- c) An employee will receive premium pay of time and one-half (1½) for all hours worked in excess of those referred to in a) or b) above save and except where:
- i) such weekend had been worked by the employee to satisfy days off requested by the employee; or
 - ii) such weekend is worked as a result of an exchange with another employee.
- d) An employee will not be required to work more than six (6) consecutive normal tours. An employee will be paid time and one-half (1½) for their seventh (7th) and subsequent consecutive tours until a tour is scheduled off.
- An employee working a combination of normal and extended tours shall not be required to work more than five (5) consecutive tours. An employee will be paid time and one-half (1½) for their sixth (6th) and subsequent consecutive tours until a tour is scheduled off.
- An employee who works a schedule where the majority of their shifts are extended tours shall not be required to work more than four (4) consecutive tours. An employee will be paid time and one-half (1½) for their fifth (5th) and subsequent consecutive tours until a tour is scheduled off.
- e) There shall be no split shifts unless specifically requested by the employee and so long as the schedules of other employees remain consistent with the scheduling provisions contained herein.
- f) Work schedules covering an eight (8) week period will be posted four (4) weeks in advance.
- g) Full time staff will have a minimum of eight (8) days off in any four (4) week cycle. Where staff are scheduled off on a weekend, they shall be scheduled off no less than two consecutive days.
- h) A mutual change of a scheduled shift shall be requested in writing by an employee and co-signed by a suitable exchange employee and submitted for approval by the Employer. The exchange of shifts between employees shall not result in overtime or other additional compensation not otherwise payable. Employees must immediately be able to perform the full duties of the shift independently.
- i) Requests for lieu days and float holidays shall be made in writing at least three (3) weeks prior to the posting of the schedules. Such requests shall be taken into consideration. Requests with shorter notice may be considered.
- j) Not less than 12 hours off shall be scheduled between shifts.

- k) An employee's schedule may contain shifts that are of differing tour lengths but only to the extent that two (2) different tour lengths are worked in one (1) week.
- l) Employees will not be scheduled to work both December 25th and January 1st in a Christmas/New Year Holiday period unless requested by the employee.
- m) The parties recognize the intricacies that apply to standard rotation schedules and to scheduling overtime and therefore agree when issues arise to discuss them at the Union/Management Committee.
- n) Casual employees shall submit their availability four (4) weeks prior to the posting of each eight (8) week schedule. Once the schedule is posted, casual employees shall work the shifts for which they are scheduled unless they provide a reason that is acceptable to the Employer. After the schedule is posted casual employees who have not been booked may decline additional work offered by the Employer.

In the event a casual employee does not make herself available at a time when training sessions are offered, the Employer at its sole discretion may require the employee to take the necessary training prior to commencing her work. In this case the Employer will endeavour to make the employee aware of when training is available and afford every reasonable opportunity to the employee to take such training.

- o) After the schedule is posted, opportunities to work additional shifts will be offered to available regular part-time employees prior to being offered to casual part-time employees. Regular part-time employees will be offered such shifts to a maximum of thirty-five (35) hours per week or seventy (70) hours bi-weekly. Such additional shifts will be offered to the most senior employee who responds by the established deadline.
- p) Notwithstanding Article 17.02, for employees working schedules that include weekend shifts, hours will be averaged over the scheduling period for the purposes of determining entitlement to bi-weekly overtime.

17.05

The Employer will schedule full-time employees using a standard rotation. The Employer will endeavour to provide a minimum of six (6) weeks' notice of any change in the standard rotation.

When posting the schedule for each scheduling team, the Employer shall:

- i) Providing there is work available, all regular part-time employees will be scheduled equitably by seniority up to seven (7) tours or 49 hours biweekly.
- ii) If there are still tours to be scheduled after the procedure in i) above, such tours will be offered on a tour by tour basis to all regular part-time employees, including employees in job sharing arrangement, on the basis of rotating seniority and in accordance with 17.04.

- iii) Where a part-time Employee does not want to be scheduled tours over and above the minimum part-time commitment, or where a part-time Employee wants a limited number of tours over and above the minimum part-time commitment, she/he will indicate this in writing to her Manager.

17.06 It shall be the responsibility of the employee to consult posted work schedules. The Employer will provide as much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedule shall be brought to the attention of the employee. Where less than forty-eight (48) hours' notice is given personally to the employee, time and one-half (1 ½) of the employee's regular straight time hourly rate will be paid for all hours worked on the employee's next shift worked.

Notwithstanding the above, a regular part-time or casual part-time employee who agrees to work an additional shift, regardless of the amount of notice given, will not be entitled to time and one-half (1 ½) unless the employee works more than seventy (70) hours in the pay period or the additional shift is worked in addition to a shift already worked within the same calendar day.

Where an employee's shift is cancelled without the required notice on two (2) or more separate occasions prior to working her or his next shift(s), premium pay under this provision will be extended to subsequent shifts worked, such that the number of premium paid shifts equal the number of such separate occasions.

Where a shift that attracts premium pay pursuant to this provision is otherwise a premium paid tour, he/she or he will be paid two times her or his straight time hourly rate for all hours worked on that tour.

17.07 Nothing in this Article is to be construed as guaranteeing work or any number of hours of work.

ARTICLE 18 – PREMIUM PAYMENT AND OTHER ALLOWANCES

18.01 Shift Premium

- a) An employee who works a shift which begins at or after 1200 noon, shall receive an evening shift premium of \$1.35 for each hour worked on that shift.

Weekend Premium

- b) Employees working a weekend shift, being defined as all hours between 2400 hours Friday and 0800 hours Monday, shall receive a weekend premium \$1.70 per hour for all weekend hours worked.

It is understood that for Care Coordinators assigned to the regional

hospitals the hours to which this premium applies will be 2400 hours Friday until 0700 hours Monday.

18.02 On-Call

An employee who is required to remain available to conduct the work of the employer remotely shall receive on-call pay in the amount of \$3.50 per hour for the period of standby scheduled by the Employer. Where such standby duty falls on a paid holiday, the employee shall receive on-call pay in the amount of \$4.50 per hour.

In the event an employee is required to respond to any calls or contact during the on-call shift the employee shall be paid at one and one-half (1.5) times her regular hourly rate for all hours worked. It is understood that this payment shall be paid in increments of fifteen (15) minutes.

18.03 Call-back

Where an employee has completed her or his regularly scheduled tour and is called in to work outside her or his regularly scheduled working hours, or is required to leave their home under 18.02 above, such employee shall receive time and one-half (1 ½) her or his regular straight time hourly rate for all hours worked with a minimum guarantee of four (4) hours' pay at time and one-half (1 ½) her or his regular straight time hourly rate except to the extent that such four (4) hour period overlaps or extends into her or his regularly scheduled shift. In such a case, the employee will receive time and one-half (1 ½) her or his regular straight time hourly rate for actual hours worked up to the commencement of her or his regular shift.

An employee shall be paid the call back/call in rate effective upon receiving the call.

All call back/call in compensation may be taken as pay or lieu time off at the employee's request. Any time off must be scheduled by mutual agreement.

18.04 An employee who is called in or reports for work as scheduled, where there is no work available, and/or accepts a request to work on a scheduled day off, shall receive a minimum of four (4) hours pay, it being understood that such employee may be assigned to work elsewhere in the LHIN during such four (4) hour period. Such reassignment will be within reasonable proximity of the employee's office.

18.05 When an employee is required to perform the full duties of a higher paid bargaining unit classification, for a full shift or longer, he/she shall be paid at the level on the grid for the higher paid classification that represents an increase for the employee of at least thirty-five cents (\$0.35) per hour for all time spent performing the duties of the higher classification. A higher paid classification is a classification whose maximum hourly rate exceeds the current maximum hourly rate of the employee's regular classification. The Employer agrees that it will not make work assignments which will violate the purpose and intent of this provision.

18.06 Responsibility Payment

Whenever an employee is formally assigned additional team leader responsibility to direct, supervise or oversee work of employees, the employee shall be paid a premium of one dollar (\$1.00) per hour in addition to her or his regular salary.

18.07 An employee required to work two (2) hours overtime or more immediately prior to or following the normal shift shall be provided a meal allowance of \$7.50.

18.08 Nothing in this agreement shall allow for any pyramiding of premium pay provisions.

18.09 Transportation Allowance

- a) Effective April 1, 2012, those employees who are required to use their automobile to perform their duties for the Employer, shall be reimbursed at the rate of 53¢/km for the first 5000 km per year and 46¢/km for each subsequent kilometer.

- c) The Employer will reimburse an employee who uses their vehicle in the performance of their duties all costs incurred for parking, excluding parking costs at the employee's primary assigned office.

The Employer agrees to maintain all existing parking arrangements in place with existing lease agreements. In the event of any changes the Employer will provide affected employees with 6 weeks' notice.

For clarity, for parking purposes only, hospitals shall not be considered primary offices for employees assigned to the regional hospitals.

The Employer will not be responsible for reimbursing employees for costs incurred as a result of parking violations or fines.

- d) Where an employee in the course of his/her employment travels from his/her residence to a destination which is not her primary assigned office as a first business-related visit or meeting, the employee shall claim as reimbursement the distance which is in excess of the distance travelled from the employee's home to the employee's primary assigned office. The same shall apply to the return trip. Only travel which exceeds the employees regular drive time to or from his/her residence and the primary assigned office, will be eligible to be calculated as work time.

- e) Where an employee is required to travel between offices of the employer in the course of their day's work the employee shall be paid the kilometrage reimbursement for all travel from their assigned office to the other offices. Travel time will also be included. In the event the employee incurs additional parking expenses for this travel these expenses shall be reimbursed.

Such employee shall receive LTD benefits if the employee becomes disabled due to a condition for which the employee did not receive treatment in the 6 month period prior to employment.

19.02 It is understood and agreed that the only obligation of the Employer under Article 19 is to pay the appropriate premium for the particular coverage listed. 20.01 Sick leave is payable when a full-time employee is unable to perform his/her job duties due to legitimate personal illness or injury which is not compensable under the Workplace Safety and Insurance Act. It is understood that payment of sick leave benefits is for the sole and only purpose of protecting employees against the loss of income during such time of disability.

20.02 Sick leave for regular full-time employees shall be paid from the first (1st) day of disability for up to fifteen (15) weeks for every unrelated incident of disability. The amount of sick leave benefit payable is based on service according to the following:

In the case of LTD benefits, this will be administered in accordance with the terms of the LTD plan. The Employer has no obligation with respect to the LTD plan beyond the payment of premiums.
- 20.09 Where an employee is determined by the LTD carrier to be totally disabled from performing the duties of any occupation, the employee shall be required to apply to HOOPP and CPP for available disability pension coverage.
- 20.10 An employee absent due to illness or disability shall notify her Supervisor or designate of her inability to report to work and shall, at the time of notification, indicate the probable duration of the absence. Such notification shall be made no later than one (1) hour before the start of the employee's scheduled shift.

An Employee will execute any and all documentation necessary to give effect to this provision and ensure repayment to the Employer.
- 20.13 It is agreed that whenever an employee shall recover from a third party (save and except any self insured benefits) any amount claimed for loss of wages or sick leave in accordance with 20.01 and 20.02 above, he/she shall repay to the employer forthwith. The equivalent amount of any sick leave which may have been deducted shall be restored to such employee. It is understood that this article constitutes a written authorization within the meaning of Section 13(3) of the Employment Standards Act and provides a formula for determining the specific amount that may be subject of the authorization within the meaning of Section 13(5) a) of the Employment Standards Act.

- 20.15 Early and Safe Return to Work

The Employer and the Union agree that ongoing and timely communication by all participants in this process is essential to the success of the process.

The Employer and the Union agree that all participants will use electronic communication and other communication processes where possible to expedite communication.

It is agreed that employees will be entitled to Union representation at all times during the Return to Work process. The Employer will advise the employee of this right. If the employee wishes to waive their right to union representation, the employee shall advise both the Employer and the Union.

 - c) A disabled employee who has obtained medical clearance from their treating physician to return to work will provide the Occupational Health Specialist with this verification of their ability to return to work including information regarding any restrictions. The Occupational Health Specialist will advise the manager when the employee is cleared to return to work. It is understood that the Occupational Health physician is not the treating physician for the disabled employee. The Employer shall have the right to require the employee to undergo an independent medical evaluation at the Employer's expense.
- Note: It is understood that, should the Employer no longer retain the services of an Occupational Health Specialist, the reference in this Article will be deemed to refer to the appropriate Human Resources designate. It is further understood that this Human Resources designate will adhere to any and all privacy legislation.

Leave for Medical Appointments

Planned absences for an employee's personal medical, dental and other professional appointments may be taken as vacation, time off in lieu of overtime, flex time or as an approved leave with or without pay. Such absences must be approved in advance of the time required; approval will not be unreasonably

denied. It being understood that every effort will be made to schedule such appointments so that they do not conflict with working hours.

ARTICLE 21 – JOB SHARING

- 21.01 Two employees may request to job share one of their full-time positions. Such job sharing requests, submitted in writing, shall be considered on an individual basis. Such requests shall not be unreasonably denied.
- 21.02 Total hours worked by the job sharers shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) employees and their Supervisor.
- 21.03 The above schedule shall conform with the scheduling provisions of the Collective Agreement.
- 21.04 The job sharers involved will have the right to determine which partner works on a scheduled paid holiday and job share partners shall only be required to work the number of paid holidays that a full-time employee would be required to work.
- 21.05 Should one job sharing partner be absent for any period the remaining partner shall be offered the opportunity to cover the additional hours. Should the absence be greater than three (3) months duration, and should the partner choose not to fill the remaining hours, that portion of the job share position shall be posted. In the event the Employer is unable to fill the vacant job share position, the Employer may suspend the job sharing arrangement until the position can be filled.
- Job sharers are expected to co-ordinate their vacation requests and will endeavour to cover each other during planned absences.
- 21.06 The job sharing arrangement shall not result in additional costs to the Employer which would not have been required in the absence of the job sharing arrangement.
- 21.07 Job sharers shall be treated as regular part-time employees for the purposes of benefits, overtime, paid holidays, vacation pay, and sick leave.
- 21.08 The Employer, the Union, or either of the job sharers may terminate the arrangement by giving one (1) month's written notice to the other parties.
- 21.09 In the event the Employer, the Union, or one of the employees terminates a job sharing arrangement.
- a) If the Employer or the Union is terminating the job share arrangement, the more senior of the two job sharers shall assume both parts of the previously shared position and the job sharing arrangement shall be terminated. The more junior employee will revert to a vacant comparable position if there is one available or if there is no vacant comparable position available be laid off according to the Collective Agreement.

- b) In the case of one of the job sharers terminating the job sharing arrangement, the employee who did not terminate the job sharing arrangement shall assume both parts of the previously shared position and the job sharing arrangement shall be terminated. The employee who terminated the job sharing arrangement will revert to a vacant comparable position if there is one available or if there is no vacant comparable position available be laid off according to the Collective Agreement.
- c) If one of the job sharers leaves the arrangement by way not contemplated by a) or b) above, her position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee will have the option of continuing the full-time position or reverting to an available part-time position for which he/she is qualified.

21.10 When a full time position becomes available and no internal full time or regular part time candidates apply for the position, the employer may consider, at time of posting, an Expression of Interest made by existing job share partners.

ARTICLE 22 – MISCELLANEOUS

22.01 The Employer shall print sufficient copies of the agreement as soon as practicable after signing. The cost of printing the collective agreement will be shared equally by the Employer and the local Union.

22.02 Proof of Employment – Financial Disclosure

Upon request, the Employer will provide the employee, within fourteen (14) days, with a letter detailing her or his employment dates, length of service and position occupied with the Employer.

Proof of Employment – Recent Related Experience Disclosure

Upon request, the Employer will provide the employee, within thirty (30) calendar days, with a letter detailing her or his employment dates, length of service and position occupied with the Employer. In the case of part-time employees such experience shall be expressed as hours worked, if available.

22.03 Should an employee, who is a Health Professional under the *Regulated Health Professions Act*, be required to provide her or his Regulatory College with proof of the Employer's liability insurance, the Employer, upon request from the employee, will provide the employee with a letter outlining the LHIN liability coverage for Health Professionals in the employ of the LHIN.

It is understood and agreed that the provision of the above noted letter in no way obligates the employer to amend, alter or augment existing insurance coverage or to obtain or maintain insurance coverage beyond what is required by applicable legislation or regulation.

- 22.04 If a Regulated Health Professional or Registered Social Worker is advised or notified that he/she is not a member in good standing with her College for any reason, including non-payment of the annual fee, the employee will notify the Employer immediately and will be placed on non-disciplinary suspension without pay. If the employee presents evidence that her or his Registration has been reinstated, he/she shall be reinstated to her or his position effective upon presenting such evidence. Failure to provide evidence within ninety (90) calendar days of the employee being placed on non-disciplinary suspension by the Employer will result in the employee being deemed to be no longer qualified and the employee shall be terminated with cause from the employ of the Employer unless there are extenuating circumstances beyond the control of the employee. Such termination shall not be the subject of a grievance or arbitration subject to the provisions of the Ontario Human Rights Code.
- 22.05 Payroll will be issued by direct deposit on a bi-weekly basis. The Union will be notified six (6) weeks in advance of any changes to pay dates. Pay stub information will be provided electronically to each employee and will include the balance of vacation time and compensating time up to date. Where there are pay errors equal to or greater than four (4) hours pay caused by the Employer, employees will be reimbursed within three (3) working days. Such request is to be submitted through the immediate supervisor.
- 22.06 Wherever the feminine pronoun is used in this Agreement, it includes the masculine and non-binary pronoun and vice versa, where the context so requires. Where the singular is used, it may also be deemed to mean plural and vice versa.
- 22.07 The Employer will not require employees to utilize their personal equipment (i.e., cellular phones) when conducting out-of-office business for the Employer such as but not limited to home visits. For greater clarity, this does not apply to personal vehicles.
- 22.08 Influenza Vaccine
- The parties agree that influenza vaccinations may be beneficial for clients and staff. Upon a recommendation pertaining to a facility or a specifically designated area(s) thereof from the Medical Officer of Health or in compliance with applicable provincial legislation, the following rules will apply:
- a) Employees shall, subject to the following, be required to be vaccinated for influenza.
 - b) If the full cost of such medication is not covered by some other source, the Employer will pay the full or incremental cost for the vaccine and will offer vaccinations during regular working hours. In addition, employees will be provided with information, including risks and side effects, regarding the vaccine.
 - c) The Employer recognizes that employees have the right to refuse any required vaccination.

- d) If an employee refuses to take the vaccine required under this provision, he/she or he may be placed on an unpaid leave of absence during any influenza outbreak in the community or hospital until such time as the employee is cleared to return to work. If an employee is placed on unpaid leave, he/she or he can use banked lieu time or vacation credits in order to keep her or his pay whole.
- e) If an employee refuses to take the vaccine because it is medically contra-indicated, and where a medical certificate is provided to this effect, he/she or he will be reassigned during the outbreak period, unless reassignment is not possible, in which case the employee will be paid.
- f) If an employee gets sick as a result of the vaccination, and applies for WSIB, the Employer will not oppose the claim.
- g) Notwithstanding the above, the Employer may offer the vaccine on a voluntary basis to employees free of charge.
- h) This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code*.

- 22.09 The Employer agrees to provide a minimum of five million (\$5,000,000.00) per incident liability insurance at no cost to the employees.
- 22.10 The Employer agrees to provide and maintain WSIB coverage for all Employees.
- 22.11 In recognition of the importance of protecting the interests of the vulnerable client population we serve, all employees are required to submit evidence of satisfactory criminal reference check on hire and every three years thereafter. The employee is responsible for paying the cost of the initial criminal reference check on hire and the Employer will pay the cost of any subsequent criminal reference checks.
- 22.12 A bulletin board will be made available for the sole use of the Union at each main office.

ARTICLE 23 – SALARIES AND CLASSIFICATION

- 23.01 Salaries in present classifications are set forth in Schedule "A" and remain in effect for the duration of this Agreement.
- 23.02 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed within seven (7) calendar days following

any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitrator shall be limited to establishing an appropriate rate based on the relationship existing amongst other classifications within the bargaining unit and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by an Arbitrator shall be made retroactive to the time at which the new or changed classification was first filled.

- 23.03 Employees with related experience which in the opinion of the Employer adds to the value of the employee's service will be credited by the Employer with one (1) annual service increment for each year of experience up to the maximum of the salary grid. Such opinion shall not be exercised in an unreasonable or arbitrary manner.

Claim for previous experience, if any, shall be made in writing by the employee at the time of hiring on the application for employment form or otherwise. Once established consistent with this provision, credit for recent related experience will be retroactive to the employee's date of hire. The employee shall co-operate with the Employer by providing verification of previous experience so that her or his previous experience may be determined and evaluated during her or his probationary period.

ARTICLE 24 – PROFESSIONAL RESPONSIBILITY

- 24.01 The parties agree that client care is enhanced if concerns relating to professional practice are resolved in a timely and effective manner.

When meeting with the Manager, the employee(s) may request the assistance of a Union representative to support/assist her/him at the meeting.

- 24.02 The following principles shall govern the resolution of issues:

- (a) The parties will utilize a problem-solving process focusing on collaborative solutions at the earliest possible opportunity.
- (b) Circumstances arising more than six (6) months prior to the issue being raised with the employee's supervisor shall not be considered unless a pattern has been established.
- (c) It is understood that professional practice/workload issues do not constitute a difference between the parties as to the interpretation, application, administration or alleged violation of the provisions of the Collective Agreement and, accordingly, are not subject to Article 8 (Grievance and Arbitration Procedure).

- 24.03 The following process shall be followed:

- (a) In the event that a professional practice or workload issue arises that affects an individual employee or a group of employees, such that there is

cause to believe that they are being asked to perform work of a quality, or in a manner, that is inconsistent with applicable professional standards, the employee(s) shall discuss the issue with their Manager or designate within five (5) working days of the issue arising. If the issue remains unresolved, the employee(s) shall within five (5) work days document their professional practice issue in writing (using the form set out in Appendix 2) and forward it to their Manager.

- (b) Within ten (10) work days of receiving a form, a meeting to discuss the professional practice issue shall be held with the employee(s), a Union representative, the Manager, and the Director and/or designates. Within five (5) work days of the meeting, a written response shall be provided to the employee(s) with a copy of the response provided to the Bargaining Unit President. The parties may mutually agree to proceed directly to (c) below.
- (c) Failing resolution in (b) above and within five (5) work days of the written response or no response in (b) above being provided to the employee, the Union shall forward the Form to the Union-Management Committee. This issue will be discussed at a meeting of the Union-Management Committee or at such other meeting that the Co-Chairs may mutually agree to convene at a later date to discuss the issue(s). The parties shall consider and attempt to resolve the professional practice issue to the satisfaction of both parties.
- (d) At any time during this process, the parties may agree to the use of a mediator to assist in the resolution of the issues arising out of this provision.
- (e) Timelines outlined in the above article can be extended by mutual agreement of the parties.

ARTICLE 25 – ORIENTATION AND IN-SERVICE

- 25.01 Employees who displace other employees in the event of a long-term layoff, employees recalled from layoff, and employees who are transferred on a permanent basis may be provided any orientation determined necessary by the Employer for the purposes of allowing the employee to assume satisfactorily the duties of such position. A request by such an employee for orientation shall not be unreasonably denied.

ARTICLE 26 – DURATION AND RETROACTIVITY

- 26.01 This Agreement shall continue in effect until March 31, 2022 and shall remain in effect from year to year thereafter unless either party gives the other party written notice of termination or desire to amend the agreement.
- 26.02 Notice that amendments are required or that either party desires to terminate this agreement may only be given within a period of ninety (90) days prior to the expiration date of this agreement or to any anniversary of such expiration date.

PROFESSIONAL RESPONSIBILITY REPORT FORM**

GUIDELINES AND TIPS ON ITS USE

The parties agree that client care is enhanced if concerns relating to professional practice are resolved in a timely and effective manner. The parties will utilize a problem-solving process focusing on collaborative solutions at the earliest possible opportunity. This report form provides a tool for documentation to facilitate discussion and to promote a problem solving approach. ONA may use this information for statistical purposes and noting trends across the province.

THE FOLLOWING IS A SUMMARY OF THE PROBLEM-SOLVING PROCESS. PRIOR TO SUBMITTING THE PROFESSIONAL RESPONSIBILITY REPORT FORM, PLEASE FOLLOW ALL STEPS AS OUTLINED IN YOUR PROFESSIONAL STANDARDS (e.g. CNO or other regulatory college(s)) AND/OR APPLICABLE COLLECTIVE AGREEMENTS.

STEPS IN PROBLEM SOLVING PROCESS

1. **At the time the issue occurs**, discuss the matter within the Team/Site/Program to develop strategies to meet client care needs using current resources. If necessary, using established lines of communication, seek immediate assistance from an individual identified by the employer (e.g. supervisor) who has responsibility for timely resolution of professional responsibility issues.
2. Failing resolution of the issue at the time of the occurrence, discuss the issue with your manager (or designate) on the manager's or designate's next working day.
3. If no satisfactory resolution is reached during steps (1) and (2) above, then you may submit a LHIN professional responsibility report form within the timeframes outlined in the Collective Agreement in Article 24.
4. The Employer-Union Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.

TIPS FOR COMPLETING THE FORM

1. Review the form before completing it so you have an idea of what kind of information is required.
2. All dates required need to be in the following format: dd/mm/yyyy.
3. If using the electronic form, wherever the form requires descriptions, the grey field will expand as you type. Print legibly if using the hard copy of this form.
4. Use complete words as much as possible – avoid abbreviations.
5. Report only facts about which you have first-hand knowledge. If you use second-hand or hearsay information, identify the source if permission is granted.
6. Identify the Professional Standards of practice/policies and procedures you feel you were unable to meet.
7. Do not, under any circumstances, identify clients.
8. Provide a copy to the employer.

RE: SELF SCHEDULING GUIDELINES FOR HOSPITAL SITES

The Union and the Employer support the concept of self-scheduling in hospital sites. Should the Employer or the employees wish to implement self-scheduling in a particular hospital site, they shall do so according to the following criteria, initially on a pilot basis:

- a) Eighty percent (80%) of the employees must indicate to the Employer their willingness to participate in self-scheduling prior to the commencement of the pilot.
- b) If eighty percent (80%) of the employees indicate a willingness to participate in self-scheduling, all employees in that hospital location will be expected to participate in the pilot for the six month period.
- c) The pilot period shall be for six (6) months, after which the full-time and part-time employees will again indicate by an eighty percent (80%) vote their desire to continue or discontinue self-scheduling. This will form part of the evaluation of the self-scheduling pilot.
- d) Employees participating in the self-scheduling shall be responsible for scheduling their hours including paid holidays and lieu days. This activity must not interfere with the performance of the employees' duties.
- e) The prepared schedules must comply with the scheduling requirements of the collective agreement and shall be submitted to the manager for review and approval to ensure that appropriate coverage is maintained.
- f) Self-scheduling may be cancelled by either the Employer or the Union upon a minimum of eight (8) weeks written notice to the other party.
- g) Self-scheduling shall comply with all the provisions of the collective agreement.
