- The presumptive confirmed case in British Columbia has now been confirmed by NML.
  - Several health units continue to be involved in case and contact management for the two confirmed cases in Ontario.

- The Government of Canada has updated its travel advice encouraging all travelers to delay non-essential travel to China, and to avoid all travel to Hubei province.
- The Government of Canada is preparing a repatriation flight for Canadians. No further details have been confirmed at this time.

Actions Taken:

- Initial guidance documents for Hospitals and Acute Care, Home and Community Care, and Long-Term Care are under final review. One page summaries are under development for each of the guidance documents.
- The ministry’s website for health workers and healthcare employers will be updated with these new documents in the coming days.
- Guidance documents for other sectors continue to be developed.
- The ministry continues to provide guidance and answer a high volume of stakeholder questions.

Next Steps:
• The ministry will continue to finalize guidance documents and create simplified one page summaries.
• The ministry will confirm any repatriation plans with the federal government.
