8.06 Before any grievance is submitted to arbitration, the parties may meet with a Grievance Mediator in order to attempt to resolve such grievance. The parties may refer any number of outstanding grievances to the Grievance Mediator for possible resolution. Each party shall pay one-half (1/2) of the fees and expenses of the Grievance Mediator.

- 9.02 New employees shall be on probation for a period of four hundred and fifty (450) hours worked. The employment of probationary employees may be terminated at any time at the discretion of the Employer. The Employer in exercising this right, however, shall not act in a discriminatory, arbitrary or bad faith manner. On completion of the probationary period, the employee shall be credited with seniority back to the date he or she was hired. Subject to the above, a probationary employee may grieve their termination.
- 9.03 The Employer will keep up to date seniority lists for full-time and part-time employees, post the same in a conspicuous place, revise same semi-annually (January and July) and supply copies of the current list to the Union.

- (a) Seniority and service for nurses shall be retained and accumulated when an employee is absent from work under the following conditions:

The rate of accumulation of seniority and service for part-time nurses will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the nurse is not absent due to vacation, pregnancy/parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

(b) Seniority Retained and not Accumulated

Seniority shall be retained but not accumulated when an employee is absent from work under the following conditions:

Sub-Sections 9.05, 9.06, and 9.07 apply to Job Posting

- 9.05 (a) In the case of all vacancies, the Employer will post notice of such vacancy for seven (7) calendar days prior to making an appointment to any such position in order that any interested employee may apply. Copy of such notice shall be sent to the Union. If no qualified employee from either the full-time or part-time categories applies, the Employer may then hire a new employee. The name of the successful applicant shall be posted by the Employer.

Notwithstanding the level of entry to practice (baccalaureate degree in nursing) which became effective in 2005, the Employer will not establish qualifications, or identify them in job postings, in an arbitrary or unreasonable manner.

- (b) An application for transfer system will be established. Under such a system, any employee will be able to fill out an appropriate form indicating his/her interest in working elsewhere, and his/her application will be considered as

though he/she had made it at the time of posting, when a permanent vacancy occurs and has been posted.

- 9.06 A temporary vacancy shall not exceed the time required to complete the specific circumstances which gave rise to the temporary vacancy. An employee who is absent due to illness not exceeding six (6) consecutive months or a leave of absence not exceeding six (6) consecutive months shall have the right to return to his/her former position. The temporary position must be posted as per Article 9.05.

If a temporary position resulting from the implementation of a special task or project is to be extended beyond 6 months then the employer will meet with the union to discuss the reasons for the extension. The parties may agree to extend the position for up to an additional three (3) months. Should the position be required beyond three (3) additional months the position shall be reposted.

A "long-term layoff" shall mean any layoff which is not a short-term layoff.

The layoff of employees shall be in reverse order of seniority providing that employees remaining are qualified to perform the available work. Probationary employees shall be laid off first.

Full-time lay-offs shall be separate from Part-time lay-offs. Notwithstanding this provision, when Full-time or Part-time employees choose to bump and there are no employees with less seniority on the applicable Full-time or Part-time seniority list as the case may be, then the lists will be merged for purposes of bumping.

Consistent with the opportunity to bump, all employees who are potentially impacted will be given notice of lay-off at the outset of the process.

The decision of the employee to choose to bump must be given to the Employer in writing within 7 calendar days following the notification of lay-off. Employees failing to do so will be deemed to have accepted the lay-off.

No agency or new hires will be used when there is an employee on lay-off provided that the employees on lay-off are qualified to perform the available work.

Recall to a regular Part-time or Full-time position shall be in order of seniority. Notice of recall will be sent by registered mail. An employee will respond within 7 calendar days and shall be available for work within an additional 14 days unless otherwise agreed.

The Employer and Union will meet and discuss the layoffs at the earliest opportunity. This discussion will include the service which the Home will undertake after the lay-off.

- (d) Severance pay will be in accordance with the provisions of the Employment Standards Act.
- (e) Nurses who are on layoff may continue to participate, for a maximum period of the earlier of one (1) year or re-employment, in the extended health care and dental benefits plan in which they were enrolled prior to layoff, provided the nurses make arrangement satisfactory to the employer for the pre-payment of 100% of the cost of the premiums necessary to maintain such enrolment.

9.09 Positions Outside the Bargaining Unit

- (a) A nurse who is transferred to a position outside of the bargaining unit for a period of not more than three (3) months, or is seconded to teach for an academic year shall not suffer any loss of seniority, service or benefits.

In the event the nurse is returned to a position in the bargaining unit, she or he shall be credited with seniority held at the time of transfer and resume accumulation from the date of her or his return to the bargaining unit.

The union will be provided with notice prior to the commencement of the transfers mentioned above.

A nurse must remain in the bargaining unit for a period of at least five (5) months before transferring out of the bargaining unit again or she or he will lose all seniority held at the time of the subsequent transfer.

- (b) In the event that a nurse is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, she or he will lose all seniority held at the time of transfer. In the event the nurse is returned to a position in the bargaining unit, the nurse's seniority will accrue from the date of her or his return to the bargaining unit.

- (a) The scheduling of four hour tours shall fall within the scheduling regulations as set out in Article 15.04.
- (b) A rest period of fifteen (15) minutes will be granted.
- (c) All other regulations of the Collective Agreement shall apply as set out in this document.

15.11 Effective April 1, 2010 an employee shall be paid a weekend premium of one dollar and eighty cents (\$1.80) per hour for each hour worked between 2300 hours Friday and 2300 hours Sunday. Effective April 1, 2011, such premium shall be increased to one dollar and ninety cents (\$1.90). Effective April 1, 2012, such premium shall be increased to two dollars (\$2.00). If an employee is receiving premium pay under Article 15 with respect to consecutive weekends worked he/she will not receive premium under this provision. This weekend premium will not be part of the hourly rate for overtime purposes under Article 15.

15.12 Job Sharing

- (a) Job Sharing is defined as an arrangement whereby two (2) or more employees share the hours of work, of what would otherwise be a full-time position.
- (b) The Home agrees that it will not unreasonably refuse a request from the Union:
 - i) on behalf of one or more of its full-time employees who wish his/her position to be job shared;

- ii) on behalf of one or more of its part-time employees who would like to see a vacant full-time position job shared.
- (c) The other half of the job sharing position in (a) above and both halves of the job sharing position in (b) above, will be posted under the Collective Agreement.
- (d) Job sharers who previously were full-time and participating in OMERS will receive 10% in lieu of benefits and continue to be a member of OMERS. The Employer will continue to pay its share of OMERS contributions on behalf of said employee.
- (e) Total hours assigned on the posted schedule to the two job sharers shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) employees and Management.
- (f) The above schedules shall conform with scheduling provisions of the full-time scheduling regulations of the Collective Agreement. Aside from scheduling provisions, job sharers will be governed by the Collective Agreement provisions applicable to part-time employees. Job sharers will have the same access as other part-time employees to additional shifts that need to be assigned.
- (g) Each job sharer may exchange shifts with his/her partner, as well as with other employees as provided by the Collective Agreement.
- (h) The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers shall only be required to work the number of paid holidays that a full-time employee would be required to work. The job sharers between them shall not be entitled to un-worked holiday pay for any greater number of holidays that are part of the full-time employee's entitlement.
- (i) Coverage
It is expected that both job sharers will cover each other's incidental illnesses and scheduled vacation. If, because of unavoidable circumstances, one cannot cover the other, the supervisor must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.
- (j) The job sharers in this agreement shall be entitled to all the terms and conditions as contained in the Collective Agreement between the parties, subject to the limitations in this Agreement.
- (k) Discontinuation
Either party may discontinue the job sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

- (l) If one of the job sharers leaves the arrangement, his/her position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee will have the option of filling the full-time position or reverting to a part-time position for which he/she is qualified. If he/she does not become full-time, the position must be posted in accordance with the Collective Agreement.

15.13 Individual Special Circumstance Arrangements

The Employer is willing to accept requests from full-time Nurses to work below ten (10) shifts but no less than eight (8) shifts bi-weekly. Approval is subject to operational requirements as determined solely by the Employer. Those Nurses that are granted approval by the Employer agree to pay a percentage of the monthly insurance premiums for benefits that are not dependant on salary (i.e. EHC, Dental, etc.). The percentage paid by the Nurse shall correspond with the reduction in the percent of working days per pay period (i.e. a Nurse is approved to work nine (9) days per pay – this represents a ten (10) percent reduction therefore the Nurse shall pay ten (10) percent of the monthly premiums). OMERS provisions shall be administered on behalf of the Nurse in accordance with OMERS Regulations etc.

- (a) Such an arrangement shall be established by mutual agreement of the Home and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position.
- (b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid holidays and benefit coverage will be determined by the Home and the Union. The employee will retain full-time status, including but not limited to seniority and service.
- (c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.
- (d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

15.14 Prior to altering the starting or finishing times of existing tours, or prior to introducing different tours, the Bargaining Unit President shall be notified and the employees consulted for input and comments. The normal tours of duty will not be changed without the express agreement of both parties. Such agreement will not be unreasonably withheld by either party.

15.15 Self-Scheduling

Where the parties agree to the use of self-scheduling for full-time and part-time employees, in the Home, the following will apply.

Eighty percent (80%) of the full-time and regular part-time employees of the Home must indicate by secret ballot their willingness to participate prior to commencement of a trial of self-scheduling. The vote will be conducted by both the Union and the Employer.

A trial of self-scheduling shall run for a six (6) month period after which full-time and regular part-time employees will indicate by an 80% vote, by secret ballot their willingness to continue using self-scheduling.

When the Home adopts self-scheduling as a trial or on a permanent basis, all employees of the Home will be required to participate in self-scheduling.

Employees participating in self-scheduling shall be responsible for scheduling their hours of work, including paid holidays and lieu days.

The completed schedule shall be submitted to the Director of Care of the Home for review and approval, to ensure that appropriate coverage is maintained, at least two (2) weeks in advance of the required posting time. The Director of Care must approve the schedule and such approval shall not be unreasonably withheld.

Self-scheduling, including all scheduling guidelines, shall comply with all the provisions of the Collective Agreement in all respects

Re: 12 Hour Extended Tours and Hybrid Scheduling

The Employer and the Union may agree to implement extended tours or hybrid schedule (mix of extended and normal tours). For clarity, a hybrid schedule may include extended tours on weekends and normal tours during the week. The following will apply:

- (a) There must be sixty-six and two thirds percent (66 $\frac{2}{3}$ %) agreement of the full-time and part-time employees who work in the facility/unit.

Must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66 $\frac{2}{3}$ % agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The Extended Tour/Hybrid Schedule may be cancelled by either party on giving ten (10) calendar weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for cancellation.

Extended tours may be discontinued by the Union when sixty percent (60%) of the full-time and part-time employees in the facility so indicate by secret ballot to the Union.

- (c) With the exception of the specific variations set forth in this Article, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

- (d) Hours of Work

- i. Where employees are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.
- ii. The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid meal time. For hybrid schedules, there will be scheduled normal daily tours of seven and one-half (7 ½) hours and 11.25 consecutive hours per day.
- iii. Employees working an extended tour shall be entitled, subject to the exigencies of resident care, to paid relief periods during the tour of a total of forty-five (45) minutes.

For hybrid schedules, there will also be shifts that provide for relief periods in accordance with Article 15.01.

iv. Where the union and employer have agreed to or agree to an extended daily tour or hybrid schedule that differs from the normal daily extended tour, the proportion of unpaid time to hours of work shall maintain the same ratio as set out in paragraph ii) and iii) of this Article.

v. Scheduled days off

The Employer will endeavor to provide schedules of not more than three (3) consecutive days. In any event, schedules will not provide for more than four (4) consecutive days.

(e) For hybrid schedules, the payment for bereavement leave shall be based on the length of scheduled shift.

(f) Payment for vacation and paid holidays for full-time employees is based on the equivalent to 7.5 hour entitlement. For clarity, payment for lieu days as a result of a paid holiday for full-time employees is paid at 7.5 hours.

(g) Shift and weekend premiums as per Schedule "A" will be paid for the same hours as applied to seven and one half (7.5) hour tours, the intention being that the total amount of shift or weekend premium will not change because of the move to extended tours or hybrid schedules.

(h) Overtime premium as set out in Article 15 shall be paid for all hours paid in excess of 11.25 hours on a scheduled extended tour or 75 hours bi-weekly averaged over the duration of a four (4) week schedule.

For a hybrid schedule, the overtime premium as set out in Article 15 shall be paid for all hours in excess of the scheduled shift length on that day or 75 hours bi-weekly averaged over the duration of the scheduling period unless otherwise agreed between the parties.

(i) Should the Employer refuse to grant a request under this Article, it shall provide to the Union its reasons in writing.

(j) A meeting may be called, by either party, as circumstances warrant, to discuss any necessary changes to the terms and conditions outlined above. Both parties must be in agreement before changes are made to the terms and conditions of this Letter of Understanding.

Re: Letter of Understanding – Supplementary Employment Benefit (SEB)

Without prejudice or precedent

An employee who decides to take an extended parental leave of up to 18 months will be entitled to a SEB payment equal in dollar value to the SEB payment for an employee, in the same classification at the same grid step, who takes the normal 35 week parental leave. For greater clarify, the total value of the SEB payments to an employee on parental leave will be identical for all employees (in the same classification as the same grid step), taking parental leave, whether the leave is 35 weeks or longer.
