8.05 Group Grievance

Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Manager of Human Resources or designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurses. The grievance shall then be treated as being initiated at Step 1 and the applicable provisions of this article shall then apply with respect to the processing of such grievance.

8.06 The release of a probationary nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary nurse is released for:

grievance shall be deemed to have been abandoned. The party referring the matter to arbitration shall suggest possible arbitrators at the same time.

The parties fail to agree upon an Arbitrator within a period of thirty (30) calendar days, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party. The Arbitrator shall hear and determine the difference or allegation and shall issue a decision, and the decision is final and binding upon the parties and upon any nurse affected by it.

- 9.06 Time limits may be extended by mutual agreement of the parties.
- 9.07 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issue(s) in dispute and assist the parties in resolving grievances.

It is understood and agreed that any extension to the probationary period will not exceed thirty (30) paid tours. The Employer will advise the nurse and the Union of the basis of such extension with recommendations for the nurses' professional development. If necessary, using established lines of communication as identified by the home, seek immediate assistance from an individual(s) (who could be within the bargaining unit) who has responsibility for timely resolution of workload issues.

Failing resolution of the workload issue at the time of occurrence or if the issue is ongoing the nurse(s) will discuss the issue with her or his Manager or designate on the next day that the Manager (or designate) and the nurse are both working or within ten (10) calendar days whichever is sooner.

When meeting with the manager, the nurse(s) may request the assistance of a Union representative to support/assist her/him at the meeting.

- (c) Failing resolution of the complaint within five (5) calendar days of the meeting of the Labour Management Committee the complaint shall be forwarded to an independent assessment committee composed of three (3) Registered Nurses; one (1) chosen by the Ontario Nurses', one (1) chosen by the Employer, and one (1) chosen from a panel of four (4) independent registered nurses who are well respected within the profession. The member of the independent Registered Nurses shall act as Chairperson.
- (d) The Assessment Committee shall set a date to conduct the hearing into the complaint within fourteen (14) calendar days of its appointment and shall be empowered to investigate as is necessary and make what findings as are appropriate in the circumstances. The Assessment Committee shall report its findings in writing to the parties within thirty (30) calendar days following completion of its hearing.
- (e) A list of Chairpersons (Assessment Committee) is attached to and forms part of this Agreement.
- (f) The parties agree that should a chairperson be required, the chairperson will be the top name on the list of chairpersons who has not previously been

- (g) Each party will bear the cost of its own nominee and will share equally the fee of the Chairperson and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

### **ARTICLE 23 – JOB SHARING**

23.01 Job sharing requests with regard to full-time positions shall be considered on an individual basis. There will be a maximum of two (2) job sharing positions allowed at any time.

Total hours worked by the job sharer shall equal one (1) full-time position. The division of these hours or the schedule shall be determined by agreement between the two (2) nurses and Management.

Where the job sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

An incumbent full-time nurse wishing to share her position, may do so without having her half of the position posted. The other half of the job sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

23.02 Job sharers who were previously full-time and participating in OMERS will receive 9% in lieu of benefits and continue to be a member of OMERS. The Employer will continue to pay its share of OMERS contributions on behalf of said employees.

23.03 The above schedules shall conform with the scheduling provisions of the full-time nurses. In all other respects job sharers shall be considered part-time.

23.04 It is anticipated that each job sharer will endeavour to maintain the continuity of care to the residents by covering the tours of the job sharing partner arising through absence, including vacation. Where a job sharer is going to be absent she will first contact her job sharing partner to determine her availability to work the tour.

Each job sharer may exchange shifts with her partner according to the Shift Change Policy in place. It is understood such exchanges shall not result in the application of overtime premiums. Where the job sharing partner is unavailable for such exchange, the shift may be exchanged with another part-time nurse upon request.

23.05 If one of the job sharers leaves the arrangement, the position will be offered to the remaining job sharer as a full-time position. If the job sharer does not wish to accept the full-time position, the vacant position will be posted. If there is no successful internal applicant for the posted shared position, the Employer may in its discretion advertise the posting externally or the shared position will revert to a

full-time position which shall be posted in accordance with the Collective Agreement.

Either party may discontinue the job sharing arrangement with sixty (60) calendar days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

#### **ARTICLE 24 – DURATION OF AGREEMENT**

24.01 This agreement shall run from April 1, 2018 to March 31, 2020 and shall continue in force from year to year thereafter unless written notice shall have been given by either party within the period of ninety (90) days prior to March 31, 2020.
