G - 2 A full time or regular part time nurse will receive premium pay as provided for in Article 14.03 for all hours worked on the third (3rd) and subsequent consecutive weekend. It is agreed that an employee's availability for additional tours and/or overtime does not waive the employee's right to premium payment provided for in the Article save and except for:

- (a) Such weekend has been worked by the nurse to satisfy days off requested by such nurse; or
- (b) such nurse has requested weekend work; or
- (c) such weekend is worked as the result of an exchange of shifts with another nurse.

G - 3 Full-Time Only

A nurse who elects to take time off in lieu of payment for overtime as provided for in Article 14.09 will have the overtime lieu bank capped at seventy-five (75) hours. Such accumulated excess overtime hours will be paid out. Lieu banks will be paid out in their entirety by the last pay in March. The scheduling of the time off will be by mutual agreement between the nurse and her/his Manager. The nurse may request that lieu time be used instead of scheduled vacation within the time period. Such request shall not unreasonably be denied. If the time off cannot be scheduled within the said time period, the nurse will be paid for the time.

G - 4 The following language – Articles (a) to (c) applies to pre-scheduled shifts only. Where additional shifts are worked the following language – Articles (a) to (c) will not apply and will not trigger premium pay requirements on prescheduled shifts.

(d) A nurse will be scheduled off work for five (5) consecutive days at either Christmas or New Year's season on an alternating basis.

The Christmas holiday will include December 24th, Christmas Day and Boxing Day. The New Year's holiday will include December 31st and New Year's Day.

The Master rotations and weekend premiums shall be waived to accommodate this special arrangement during the two (2) pay periods surrounding Christmas and New Years. Requests for time off must be submitted in accordance with Article H-2 (c).

This waiver of weekend premium shall not result in employees working more than a third (3rd) consecutive weekend without a weekend off. Where

a nurse is requested to work a fourth (4th) or subsequent weekend, weekend premium will apply.

- (e) Scheduling arrangements in lieu of the above may be made upon agreement of an employee(s), the Union and the Employer.
- (f) Requests for changes in posted time schedules must be submitted in writing in advance unless agreed otherwise and be co-signed by the nurses willing to exchange days or tour of duty and must be approved by the Nursing Manager or her/his designate. It is agreed that changes in posted schedules initiated by the nurse and approved by the Hospital shall not result in the payment of any overtime or premium payment to either the nurse requesting the change or the nurse willing to exchange shifts or tours of duty. Such requests shall not be unreasonably denied.
- (g) There shall be no split shifts.
- (h) Time schedules shall be posted on the first of every month for the following month such that a minimum of four (4) weeks are posted at any one time in advance of being worked. Requests for specific days off shall be submitted to the Manager two (2) weeks in advance of the posting of the time schedule.

The schedule for July 1st to Labour Day will be posted by June 1st of each year.

If a delay in posting the schedule is anticipated, the manager will advise staff in advance.

- (i) It is understood that a weekend consists of fifty-six (56) consecutive hours off work during the period following the completion of the last shift Friday until the commencement of the first shift Monday unless otherwise mutually agreed. The Hospital will endeavour to schedule full-time and regular part-time nurses to be off the Friday evening before their weekend off and not to return to work on Sunday night of their weekend off.
- (j) When the Hospital plans major alterations to existing master schedules or develops new ones, then such alterations or new rotations shall be brought to the attention of the staff on the unit involved before implementation so that they can review, discuss and where mutually agreed make modifications. For clarity, alterations include changes to the start and stop times of shifts on the existing schedule. Where there is no mutual agreement, the Hospital reserves the right to make a final decision. The Hospital's decision shall be neither unreasonable nor arbitrary.
- (k) No employee shall be required to be on-call/standby on a normally scheduled day off or weekend off.

(l) Full-Time Only

(B) inability to provide a workable staffing schedule; or

(C) the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary, states its intention to discontinue extended tours in the schedule.

(c) When notice of discontinuation is given by either party in accordance with paragraph (b) above, then:

(i) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and

(ii) where it is determined that the extended tours will be discontinued, affected nurses shall be given sixty (60) days notice before the schedules are so amended.

(d) The following regulations shall govern the scheduling of work for nurses working extended tours:

(i) The Employer shall ensure each nurse every second [2nd] weekend off.

- (ii) Nurses shall not be required to work more than four (4) consecutive tours.
- iii) All other scheduling regulations which apply except where amended in this provision.

(b) When regular part-time nurses on the unit have been given the opportunity to work up to their commitment, the Hospital will endeavour to offer additional tours to regular part-time nurses on the unit on the basis of seniority, prior to offering tours to casual nurses subject to the following:

- i) Nurses who wish to be considered for additional tours must indicate their availability in the manner prescribed by the Hospital.
- ii) A tour will be deemed to be offered whenever a call is placed.
- iii) It is understood that the Hospital will not be required to offer tours which would result in overtime premium pay. The employee will disclose when an offered shift will put them in an overtime position.
- iv) When a regular part-time nurse accepts an additional tour, she/he must report for that tour unless arrangements, satisfactory to the Hospital, are made.

- v) Provided they are qualified, nurses may submit their availability to work additional tours to more than one (1) unit.

**LETTER OF UNDERSTANDING FOR INNOVATIVE SCHEDULING 2D2N CONCEPT
ROTATIONS**

Between:

THE GREY BRUCE REGIONAL HEALTH CENTRE

And:

ONTARIO NURSES' ASSOCIATION

The parties agree that in order to support a variety of scheduling needs based on differing unit and staffing models that the units may develop a rotation based on the concept of the Two (2) Day, Two (2) Night model (hereinafter referred to as 2D2N).

The parties agree that all Units that are currently working 2D2N will adhere to the provisions set out forthwith or will be amended within thirty (30) days of signing of this agreement to ensure all 2D2N schedules comply. The parties agree that all units that are currently working 2D2N will not be required to have a vote for implementation. The parties agree that current 2D2N rotations and parameters will continue as the employer and union work towards developing and signing appropriate LOUs to reflect current practice. (save and except for discontinuation language below).

2D2N schedules will only be entered into where both the Union and the Hospital agree.

The 2D2N schedule will be offered to nurses in order of seniority, where disputes arise.

All full-time nurses will be scheduled nineteen hundred and fifty (1950) hours per calendar year to fulfil their obligation to the Hospital. Nurses must make themselves available to work their required additional shift(s) on both day and night shifts. The scheduling of required additional shifts will be scheduled to provide direct patient care prior to the scheduling of regular part time nurses. The process of scheduling additional shifts will be determined at the unit level. To reach the one thousand nine hundred and fifty (1,950) hours per calendar year, staff will be scheduled extra available shifts and can use stats, vacation or banked hours as mutually agreed upon.

There will be a trial period of at least six (6) months for all new 2D2N rotations on any unit. If mutually agreeable by management and the employees by vote sixty-six percent (66%) the 2D2N will become permanent.

A finalized Letter of Understanding (LOU) will be signed for each unit working a 2D2N rotation. All provisions of the collective agreement apply to employees working 2D2N rotations unless expressly amended in the Letter of Understanding.

Common provisions outlined in the LOU in order to support a 2D2N rotation may include, but are not limited to:

Re: Innovative Scheduling 2D2N Concept Rotations
Page Two

Nurses will not be required to work more than four (4) shifts in a row. If a nurse works a fifth (5th) shift, the nurse will receive premium pay. The nurse will not receive premium payment if the fifth (5th) shift is requested by the nurse as a required additional shift to maintain full time hours or where such shift is worked as the result of an exchange of shifts with another nurse.

Article G – 2, third and subsequent language will be waived.

Vacation time will be requested as per the Collective Agreement.

All other provisions of the Collective Agreement apply.

Discontinuation

The 2D2N schedule may be discontinued in any unit when:

- (a) Fifty-one (51%) of the nurses in a unit so indicate by secret ballot; or
- (b) The Hospital decided to do so because of:
 - i) Adverse effects on patient care, or
 - ii) Inability to provide a workable staffing schedule, or
 - iii) Where the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary, and states its intention to discontinue the 2D2N rotation in the schedule;
- (c) When notice of discontinuance is given by either party in accordance with number (b) above, then :
 - i) the parties shall meet within four (4) weeks of the giving of notice to review the request for discontinuance; and
 - ii) where it is determined that the 2D2N rotation will be discontinued, affected nurses shall be given sixty (60) days notice before the schedules are so amended.

Between

GREY BRUCE HEALTH SERVICES
(hereinafter referred to as the "Employer")

And

ONTARIO NURSES' ASSOCIATION
(hereinafter referred to as the "Association")

The Parties acknowledge that in accordance with the Employer's right to manage and direct its operations, it may be necessary from time to time to reassign Nurses to other nursing units within the Hospital.

The Parties acknowledge that the need to ensure safe, quality care on both the sending and receiving unit will be the primary consideration in all reassignment decision making. Where it is determined that a nursing unit is in an overstaffed situation or where a reassignment is necessary to meet operational requirements, the Hospital will reassign the affected Registered Nurse(s) to another suitable assignment. The selection of the nurse to be reassigned will be made in the following order:

- (a) ask scheduled nurses if they wish the opportunity to work on the unit to which assignment is required.
- (b) Casual Part Time nurses on a unit, starting with the most junior would be reassigned.
- (c) The most junior regular part time nurse including Job Sharers would be reassigned.
- (d) Then the most junior full time would be reassigned.

Reassignment to another nursing unit shall not be construed to be a change in the Nurse's work schedule.

Requests for vacation or leave of absence on a unit requiring a nurse to be reassigned will be considered once it is determined assignment to another unit is not necessary.

Registered Nurses not required to be reassigned would include those nurses who are in their orientation.

In all cases of reassignment the nurse must be qualified for the type of work for which she is being assigned.
