ARTICLE 1 – PURPOSE

- 1.01 The purpose of this Agreement is to establish a mutually satisfactory employment relationship, an orderly collective bargaining relationship and to provide for the prompt resolution of grievances, to establish and maintain satisfactory working conditions, hours of work, and wages for all employees within the bargaining unit.
- 1.02 It is recognized that the employees wish to work together with the Employer to secure the best possible care and health protection for residents within the resources of Ina Grafton Gage Home.

ARTICLE 2 – RECOGNITION

- 2.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for all Registered Nurses including those with a Temporary Certificate of Registration employed by Ina Grafton Gage Home in Toronto save and except Infection Control Coordinator, Nurse Managers and persons above the rank of Nurse Manager.
- 2.02 The Employer recognizes the following categories of nurses:
- (a) A "full-time employee" is an employee who is regularly scheduled to work seventy-five (75) hours in a two (2) week period.
 - (b) A "regular part-time employee" is an employee who is regularly scheduled to work less than seventy-five (75) hours in a two (2) week period and a commitment to work at least four (4) shifts per pay period.
 - (c) All other employees shall be considered casual.
- 2.03 A registered nurse is a nurse who holds a General or Extended Certificate of Registration with the College of Nurses of Ontario in accordance with the Regulated Health Professions Act, and the Nursing Act and who provides proof, annually by January 1 or each year of current registration.
- 2.04 A nurse who holds a Temporary Certificate of Registration in accordance with the Nursing Act, 1991 and its Regulations must obtain her Certificate of Registration prior to the expiry of her Temporary Certificate. If the nurse fails to obtain her Certificate of Registration prior to the expiry of her Temporary Certificate of Registration, but in any case not longer than one year from her date of hire, she will be deemed to be not qualified for the position of registered nurse and she will be terminated from the employ of Ina Grafton Gage Home. Such termination shall not be the subject of a grievance or arbitration.
- 2.05 A nurse is required to present to the Director of Care or designate on or before January 1 of each year, evidence that her or his Certificate of Registration is in good standing and currently in effect. Such time will be extended for reasons where the College of Nurses of Ontario permits the nurse's Certificate of Registration to remain in effect.

If the nurse's Certificate of Registration is suspended by the College of Nurses of Ontario for non-payment of the annual fee, the nurse will be placed on non-disciplinary suspension without pay. If the nurse presents evidence that her or his Certificate of Registration has been reinstated, she or he shall be reinstated to her or his position effective upon presenting such evidence. Failure to provide evidence within 90 calendar days of the nurse being placed on non-disciplinary suspension by the Employer will result in the nurse being deemed to be no longer qualified and the nurse shall be terminated from the employ of the Employer. Such termination shall not be the subject of a grievance or arbitration.

- 2.06 The word "employee" when used throughout this Agreement shall mean persons included in the above-described bargaining unit. Any reference to a specific classification will be stated in the provision.
- 2.07
- (a) In order to protect the standard of care, the Employer agrees that no one outside of the above-mentioned bargaining unit shall perform the work normally performed by members of this bargaining unit except for the purpose of instruction, experimentation, in the event of an emergency situation, or situations when there are no bargaining unit employees who have made themselves available prior to the work being done. The above will not apply to special nurses employed by the residents.
 - (b) The Union recognizes staffing is an exclusive management function. The Employer agrees that when it is decided to not fill a position following an employee's resignation, termination or layoff, the Employer will advise the Union of the decision. The Union may request a meeting to make representations on this matter.
 - (c) Effective March 31, 2013, the Employer will ensure that bargaining unit registered nurses will work at least 172.5 hours per week (excluding the RAI Coordinator if that position becomes part of the bargaining unit), based on funding levels as of March 31, 2012. If the beds or occupancy levels within the Home are materially increased or funding is otherwise materially increased above the levels in effect as of March 31, 2012, the guaranteed number of hours will increase proportionately. If the beds or occupancy levels within the Home are materially reduced or funding is otherwise materially reduced below the levels in effect as of March 31, 2012, the guaranteed number of hours will decrease proportionately. If the failure to staff is a legitimate recruitment issue, despite the employer's best efforts to find a replacement, there is no violation of this provision. In the event of any dispute between the parties as to the guaranteed hours, the matter may be referred to arbitration. The arbitrator will have authority to determine whether the reduction in staffing hours, or the failure to increase staffing hours, was appropriate and shall have jurisdiction to award an effective remedy.
- 2.08 The Employer agrees to employ sufficient registered staff and health care aides to meet the staffing needs that may be set from time to time by statute and/or regulation and undertakes to maintain the standard of nursing care required by Provincial Regulatory Authorities.

- 2.09 Whenever the feminine pronoun is used in this agreement, it includes the masculine pronoun, where the context so requires and visa-versa. Where the singular is used, it may also be deemed to mean the plural and vice-versa.
- 2.10 For purposes of this agreement and the benefits contained herein, including insurance coverage, dependant coverage is available to the employee to cover her or his same sex partner and their dependants, in accordance with the terms and conditions of the plan.
- 2.11 This combined agreement contains provisions applicable to full-time and part-time nurses unless written otherwise.

- 8.08 Discharge Grievance

This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

18.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, CH P-5 as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.
