ARTICLE A – RECOGNITION

- A.1 By virtue of the certificate issued by the Ontario Labour Relations Board, dated April 30, 1974 and June 19, 1974 and the accompanying decisions with respect to the composition of the bargaining units, the Hospital recognizes the Association as the exclusive bargaining agent of all its registered and graduate nurses who are engaged in a nursing capacity, save and except Head Nurses (Patient Care Manager) and those above the rank of Head Nurse (Patient Care Manager).

ARTICLE B – MANAGEMENT RIGHTS

- B.1 Except as specifically abridged, delegated, granted or modified by this Agreement, all the rights, powers and authority of management are retained by the Hospital and remain exclusively and without limitation within the rights of management.
- B.2 Without limiting the generality of the foregoing, the Hospital's rights include:

Where the Hospital requests such meetings and the meetings are scheduled outside of the Bargaining Unit President's scheduled hours of work, then the Hospital will

compensate the Bargaining Unit President for time spent at such meetings. Such compensation shall be in the form of payment at the Bargaining Unit President's straight time hourly rate. Such payment, however, shall not exceed a cumulative total of ten (10) hours per month. To qualify for such payment, the Bargaining Unit President will submit, at the end of each month, a record of times and dates of these meetings to Human Resources. Payment will be issued on the Bargaining Unit President's next payroll cheque, subject to all applicable taxes. The return to work program will not be delayed due to the inability to schedule a mutually agreeable meeting time. Upon commencement of a nurse's return to work program, the details of the program will be provided to the ONA representative and the parties will meet as soon as possible to review the modifications established.

H.3 The Hospital agrees to provide the nurse with a copy of the Workers' Compensation Board Form 7 at the same time as it is sent to the Board.

H.4 The nurse agrees to provide the Hospital with a copy of the Workers' Compensation Board Form 6 at the same time that it is sent to the Board.

- (ii) A paid rest period of fifteen (15) minutes will be granted during each four (4) hour tour.

 - (iv) Nurses working six (6) hour tours shall not be scheduled to work more than seven (7) consecutive tours. Premium pay as per Article 14.03 will be paid for the eighth consecutive and subsequent tour until a day off is scheduled.

L.15 For the purposes of clarity on units where nurses are scheduled both 7.5 hour and extended tours, the following will apply:

- (a) If the majority of the nurse's regularly scheduled tours are 7.5 hour tours, then the nurse is governed by the scheduling regulations as they apply to nurses working 7.5 hour tours.
- (b) If the majority of a nurse's regularly scheduled tours are extended tours, then the nurse is governed by the scheduling regulations as they apply to nurses working extended tours.

L.16 Commitment of Regular Part-Time Nurses

A regular part-time nurse agrees to work a pre-determined schedule and her or his commitment will include:

- (a) (i) Nurses working 7.5 hour tours must be available for a pre-scheduling of twelve (12) tours in six (6) weeks;
- (ii) Nurses working extended tours must be available for a pre-scheduling of eight (8) tours in six (6) weeks.

- (b) Being available to be scheduled to work two (2) weekends in four (4). For clarity, nurses currently working on staff as of the date of ratification, must indicate in writing their willingness to be scheduled extra weekends over and above their current fixed rotation before extra weekends are scheduled.
- (c) Being available to work twelve (12) months of the year when not on vacation or approved leave.
- (d) Being available to be scheduled for five (5) paid holidays during the year, including Christmas and New Year's.
- (e) Being available to be scheduled for tours during March school break on an alternating basis from year to year.

L.17 Distribution of Part-Time Available Tours

The Hospital will endeavour to schedule a regular part-time nurse up to his/her commitment in each six (6) week schedule.

(a) Prior to the Posting of the Schedule

- (i) If a regular part-time nurse is scheduled for less than his/her commitment, then additional tours will be first offered to them by seniority, in order for them to meet their commitment.
- (ii) When all regular part-time nurses have been given the opportunity to work up to their commitment, the Hospital will offer additional tours to regular and casual part-time nurses on the basis of seniority subject to the following:
 - (1) Nurses who wish to be scheduled for additional tours must indicate their availability in the manner prescribed by the Hospital. For clarity, job-sharers may only indicate their availability for any tours which their partner is not currently scheduled on their full-time rotation.
 - (2) It is understood that the Hospital will not be required to offer tours which would result in premium pay.
 - (3) When a regular part-time or casual part-time nurse accepts an additional tour, she or he must report for that tour unless arrangements satisfactory to the Hospital are made.
 - (4) Nurses who submit their availability to work additional tours will be considered, by seniority, for any available tours in the units where they are qualified.
 - (5) Nurses who have not submitted their availability to work additional tours beyond their commitment, need not be scheduled in order of seniority for available tours.

(b) After Posting of the Schedule

- (i) If a regular part-time nurse is scheduled for less than her or his commitment, then additional tours will be first offered to them by seniority in order for them to meet their commitment.
- (ii) When all regular part-time nurses have been given the opportunity to work up to their commitment, the Hospital will offer additional tours to regular and casual part-time nurses on the basis of seniority, subject to the following:
 - (1) It is understood that the Hospital will not be required to offer tours which would result in premium pay.
 - (2) When a regular part-time or a casual part-time nurse accepts an additional tour, she or he must report for that tour unless arrangements satisfactory to the Hospital are made.
 - (3) If no part-time nurse is available at straight or premium pay, then the tour may be offered to a full-time nurse by order of seniority.
 - (4) For clarity, it is understood that job-sharers may only make themselves available for additional tours when neither job-share partner is scheduled on their full-time rotation or when staffing needs continue to exist after the conditions of Article L.17 (a) (ii) and L.17 (b) (ii) have been satisfied.

L.18 A request list for scheduled time off at Christmas/New Year's will be posted on each unit by October 1st. Nurses must indicate their preference for days off at either Christmas or New Year's by October 15th. The Hospital will post the schedule referred to above on each unit by November 15th. The Hospital will endeavour to accommodate such requests, but where there is a conflict, the nurse who received Christmas off last year will receive New Year's off this year and/or the nurse who received New Year's off last year will receive Christmas off this year. If both nurses received the same time off last year, then seniority shall prevail. For the purposes of this Article, seniority shall mean combined seniority of full-time and part-time nurses.

The Hospital will endeavour to schedule at least five (5) consecutive days off at either Christmas or New Year's except in areas where nurses work Monday to Friday. Time off at Christmas will include Christmas Eve, Christmas Day and Boxing Day unless a nurse requests otherwise. Time off at New Year's will include New Year's Eve, New Year's Day and January 2nd unless the nurse requests otherwise. Time off shall include the day, evening and night shifts.

L.19 Where a full-time nurse rotates on at least two (2) of the three (3) tours of duty, the Hospital will endeavour to schedule at least fifty percent (50%) of her or his tours, in accordance with the unit's schedule, on the day tour.

L.20 Any call-in or extra shifts will be offered to available part-time nurses according to seniority, subject to R.6, provided the nurse is qualified to do the work available. If no part-time nurse is available, then the shift may be offered to a full-time nurse.

A part-time nurse is considered to be available if she or he is not already scheduled to work that day and has indicated to the Hospital in writing that she or he wishes to be considered for such additional shifts.

It is further agreed that the Hospital will not be obligated to first offer a shift to a more senior nurse if that offer would result in payment of a premium.

ARTICLE M – PAID HOLIDAYS

- M.1 For the purposes of this Agreement, the following shall be recognized as paid holidays each year:
- | | |
|---|--|
| New Year's Day (January 1 st) | Civic Holiday |

| Good Friday | Thanksgiving Day |
| Victoria Day | Remembrance Day (November 11 th) |
| 2 nd Monday in June | Christmas Day (December 25 th) |

- M.3 Lieu days as provided in Article 15.04 and 15.05 shall be taken at a mutually agreeable time within one hundred and twenty (120) days after the day on which the actual paid holiday falls. The Christmas, Boxing and New Year's lieu day may be taken within two (2) weeks prior to the date earned. The nurse will reimburse the Hospital for any used but unearned lieu day.
- M.4 For the above holidays, the twenty-four (24) hour period of the holiday will be from 2330 hours the evening before the holiday until 2330 hours the evening of the holiday.

ARTICLE N – VACATIONS

- N.1 A vacation request notice shall be posted on each department bulletin board by February 15th of each year. Requests for vacation time off for June 1st to Labour Day shall be submitted by March 15th. The Hospital shall endeavour to post a working schedule indicating shifts requiring coverage as a result of such requests on each ward for pre-viewing April 15th to May 1st. The final vacation schedule shall be posted by May 15th.

Vacation quotas shall not be unreasonably restrictive. However, the Hospital will endeavour to accommodate the wishes of nurses with respect to the choice of vacation dates, subject to the needs of the Hospital. Each nurse within the bargaining unit shall be allowed at least two (2) weeks' vacation (consecutive, if desired) during the period from June 1st to Labour Day, if the request is submitted by March 15th. Any vacation requests submitted after March 15th for the above time period will only be considered in extenuating circumstances.

Once a nurse has indicated a preferred vacation period, she or he may not exercise seniority rights to change this stated period.

Subject to Article 16.05, if a vacation request has been granted and coverage has been arranged, a nurse may not cancel her or his vacation.

Requests for vacation at other times of the year will be made, in writing, at least two (2) weeks prior to the requested vacation period. Wherever possible, nurses will endeavour to make written requests three (3) weeks prior to the vacation period. The Hospital will endeavour to cover this vacation absence as soon as possible, having regard for the efficient operation of the Hospital. The nurse must make it known in writing if a request requires an immediate response due to special circumstances (i.e., travel arrangements) and the time period in which the response is required. The Hospital will respond in writing to these special circumstances within the time period specified.

- N.2 The vacation year shall extend from January 1st to December 31st.
- N.3 A regular part-time nurse will be entitled to vacation time on a pro-rata basis of the full-time nurse.
- N.4 A part-time nurse who is entitled to three (3) weeks vacation shall not be scheduled to work for three (3) calendar weeks and similarly, for four (4) weeks vacation, she or he shall not be scheduled to work for four (4) calendar weeks and similarly, for five (5) weeks vacation, she or he shall not be scheduled to work for five (5) calendar weeks. Such vacation time shall consist of any seven (7) consecutive day period(s). In every case, the provisions of Article N.1 will apply.
- N.5 A nurse will be permitted to hold over from one (1) year, one (1) week of unused vacation entitlement to be taken within the first three (3) months of the New Year.

ARTICLE O – PRE-PAID LEAVE

- O.1 Two (2) full-time and two (2) part-time nurses may be absent at any one time as provided in Article 11.11 (c) but no more than one (1) full-time nurse and one (1) part-time nurse from the same duty area of the Hospital.

ARTICLE P – EXTENDED TOURS

- P.1 (a) Introduction

Extended tours shall be introduced into any unit when:

- (i) seventy percent (70%) of the nurses in the unit so indicate by secret ballot; and
- (ii) the Hospital agrees to implement extended tours, such agreement shall not be withheld in an unreasonable or arbitrary manner.
- (iii) there is sufficient and suitable staffing complement (the complement shall be neither unreasonable nor arbitrary) available to enable the extended tour program and the resultant work schedules to function.

(b) Trial Period

The parties agree that a trial period for introduction of extended tours on a unit will be no more than twenty-four (24) weeks. During or before the end of the trial period, the schedule and the system will be evaluated separately by both the nurses and Nursing Administration. Extended tours will be continued when seventy percent (70%) of the nurses affected indicate agreement by secret ballot cast at the end of the trial period and upon agreement by the Hospital and such agreement shall not be withheld in an arbitrary or unreasonable manner.

P.2 Participation

All full-time and part-time nurses working in a unit with extended tours will, as a condition of employment, be required to work extended tours on a rotating basis in accordance with the unit's posted schedule.

P.3 Scheduling

- (a) Nurses on extended tours will not be scheduled to work more than four (4) consecutive shifts. Regular part-time and full-time nurses shall receive every second weekend off or two (2) weekends off in four (4), if the nurses on the unit and the Hospital agree to this scheduling.

This provision may be waived for nurses between December 15th and January 10th inclusive, if the Hospital can show that a schedule cannot be developed without exercising the waiver.

- (b) Where practical, not less than twenty-four (24) hours time off shall be scheduled when tours of duty are changed.
- (c) Articles K.1, K.2, K.3, L.2, L.3, L.5, L.6, L.7, L.8, L.9, L.10, L.12, L.13, L.15, L.16, L.17, L.18, L.19 and L.20 will also apply to nurses working extended tours.

(d) Definition of a Weekend Off

A weekend off is defined as at least sixty (60) consecutive hours off work from the completion of the Friday tour until the beginning of the Monday tour.

P.4 Shift Alterations

To deal with unusual circumstances which result in a disruption of normal scheduling such as the Christmas/New Year's period, the Hospital shall have the right to convert to 7.5 hour days for a maximum four (4) week period. Nurses on a unit may also request such. Such a request will not be unreasonably denied if the nurses submit a mutually agreeable schedule which does not violate any Collective Agreement provisions.

P.5 Discontinuation

Extended tours may be discontinued in any unit when:

- (a) fifty percent (50%) of the nurses in the unit so indicate by secret ballot; or
- (b) the Hospital states its intention to discontinue extended tours in the schedule because of
 - (i) adverse effects on patient care,
 - (ii) inability to provide a workable staffing schedule,
 - (iii) where the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary.

P.6 When notice of discontinuation is given by either party in accordance with paragraph P.5 above, then:

- (a) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
- (b) where it is determined that extended tours will be discontinued, affected nurses shall be given sixty (60) days' notice before the schedules are so amended.

ARTICLE Q – VIOLENCE IN THE WORKPLACE

- Q.1 The Hospital agrees that no form of verbal, physical, sexual, racial or other abuse of nurses will be condoned in the workplace. Any nurse who believes the situation to be abusive shall complete an incident report and notify their immediate Supervisor who will make every reasonable effort to rectify the abusive situation.
- Q.2 The parties agree that if incidents involving aggressive action occur, such action will be recorded and reviewed at the Joint Occupational Health and Safety Committee. Reasonable steps within the control of the Hospital will follow to address the legitimate health and safety concerns of nurses presented in that forum.

The parties further agree that suitable subjects for discussion at the Hospital-Association Committee will include aggressive incidents.
- Q.3 The Hospital, with the nurse's consent, will inform the Association within seven (7) days of any nurse who has been assaulted while performing her or his work. Such information shall be provided in writing to the Association as soon as possible.
- Q.4 The Hospital will pay for damages incurred to the nurse's personal property such as eyeglasses, ripped uniforms, personal clothing, as a result of being assaulted while performing her or his work. Such payment will not result in double payment under existing benefit plans. The nurse will endeavour to present notice of her or his claim to the Hospital within seven (7) days after the event.
- Q.5 The Hospital agrees to provide training and information on the prevention of violence to all nurses. This training will be provided to new nurses during their orientation.

ARTICLE R – JOB-SHARING

The parties mutually agree to implement job-sharing. It is agreed that a full-time job will be shared by two (2) nurses on the following basis:

- R.1 Job-sharing requests with regard to full-time positions shall be considered on an individual basis and the Hospital shall reserve the right to determine the appropriate number and location of each shared position.
- R.2 Total hours worked by the job-sharers shall equal one (1) full-time position. The schedule of this position will be mutually agreed between the Hospital and the two (2) nurses.
- R.3 The above schedule shall conform with the full-time scheduling provisions of the Collective Agreement.
- R.4 Each job-sharer may exchange shifts with her or his partner, as well as with other nurses as provided by the Collective Agreement.
- R.5 Job-sharers shall only be required to work the proportionate number of paid holidays that a full-time nurse would be required to work.
- R.6 It is expected that both job-sharers will be prepared to cover each other's incidental absences including vacations. If, because of unavoidable circumstances, one cannot cover the absence of the other, the Unit Manager or designate must be notified to book coverage.

In the event that one (1) member of the job-sharing arrangement goes on extended absence, the other job-sharer will be prepared to cover the absent partner's shifts. However, for an absence in excess of one (1) month or where the covering nurse experiences circumstances which prevent her or him covering the extended absence, the coverage will be provided by the Hospital. This will not prevent the Hospital asking the covering nurse to work some of the available shifts.

For clarity, it is understood that job-sharers may only make themselves available for additional tours when neither job-share partner is scheduled on their full-time rotation or when staffing needs continue to exist after the conditions of Article L.17 (a) (ii) and L.17 (b) (ii) have been satisfied.

- R.7 All other provisions covering job-sharing are contained in the Central Agreement.
- R.8 Implementation
Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- R.9 An incumbent full-time nurse wishing to share her or his position, may do so without having her or his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

R.10 If one of the job-sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position and the remaining job-sharer will be required to work the full-time position.

R.11 Discontinuation

Either party may discontinue the job-sharing arrangement with ninety (90) days' notice. Upon receipt of such notice, a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

- 10. These scheduling guidelines may be altered to accommodate the Christmas/New Year's period and to accommodate requests for vacation and coverage for incidental absences. Management will discuss with staff on a yearly basis.

4. It is understood that any full-time nurses, working a combination of these schedules, will be scheduled to work 1950 hours in a year.

5. Hours of Work for 9.375 Hour Tours

- (a) For nurses working 9.375 hour tours, a regular tour shall be 9.375 consecutive hours in any twenty-four (24) hour period, exclusive of a total of thirty-seven and one-half (37 1/2) minutes unpaid mealtime.
- (b) Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour of a total of thirty-seven and one-half (37 1/2) minutes.
