D-2 Regular Part Time Commitment

A regular part time employee is an employee who has made a commitment in writing to the Hospital and who shall be available as follows:

- (a) Be available to work up to three (3) tours per week, six (6) tours per pay period as determined by the hospital. When extra tours are available, they shall be first offered to regular part time nurses in order to bring them up to their commitment of three (3) tours per week.
- (b) Available to work one (1) weekend in two. The Employer will endeavour to work with the nurses' submitted availability prior to the schedule being posted.
- (c) Available three (3) holidays per year, in addition to either Christmas or New Year's.
- (d) Casual employees are expected to be available for and accept occasional tours as requested by the hospital. Any casual employee who is not available for work and has not accepted work offered in a period of greater than six (6) months, unless they are on an approved leave of absence, may be contacted by the Employer and asked if they wish to continue their employment relationship or be removed from the casual call-in list.
- (e) The Hospital agrees to equitably distribute a unit's available tours based upon seniority, amongst all of the unit's regular part time employees up to their commitment, prior to the posting of the schedule providing that the work is available, under Article D-2 (a).
- (f) Laid off employees shall be provided first opportunity to work extra tours after all regular part time employees are scheduled as per (a) above and in accordance with Article 10.09(b).
- (g) The following conditions in offering extra tours to regular part time nurses shall apply following the posting of work schedules:
 - i) Employees who wish to be considered for additional tours must indicate, in writing, their availability in the manner prescribed by the Hospital;

- ii) A tour will be deemed to be offered whenever a call is placed; to the preferred contact number provided by the employee.
- iii) Tours will be offered by seniority to:
 - a) a unit's regular part time nurses up to full time hours.
 - b) a unit's casual part time nurses up to full time hours.
 - c) any qualified regular part time nurse up to full time hours.
 - d) any qualified casual part time nurse up to full time hours.
- iv) It is understood that the Hospital will not be required to offer tours which would result in overtime premium;
- v) When a regular part time employee accepts an additional tour, she or he must report for that tour unless arrangements satisfactory to the Hospital are made;
- vi) Provided they are qualified to, employees may submit their availability, in writing, to work additional tours to more than one unit, if to do so is in accordance with existing Hospital practice.

D-3 (a) Employees will not be scheduled to work more than seven (7) consecutive days, to be followed by at least two (2) consecutive days off. Part time employees may request a single day off.

(b) Schedules will be posted at least two (2) weeks in advance and will cover a period of six (6) weeks. An employee may be permitted to exchange her scheduled tours of duty with another employee, provided the arrangement is submitted in writing and approved by the immediate supervisor and such approval shall not be unreasonably withheld, is co-signed by the employee willing to exchange tours, and such arrangements shall not result in the requirement of any premium payment by the Hospital.

Requests for specific days off shall be submitted two (2) weeks in advance of each posted schedule. Requests after the posting of the schedule will be subject to the approval of the Nurse Manager and will be filled in accordance with the short notice time off procedure.

At the time that schedules are posted in the units, an electronic copy shall also be provided to the Bargaining Unit President.

(c) The Hospital will not schedule split tours.

(d) There will be at least sixteen (16) hours off between tours, and at least forty-eight (48) consecutive hours off following night duty (prior to being scheduled for a tour of evenings or days). It is understood that there will be at least fourteen (14) hours off between shifts in the Operating Room or where there are other nurses providing casual relief. It is understood that staggered shifts will occur no more than once in a week. A shorter period of time

between changes of tours may be agreed upon by mutual consent. However, such agreement shall not disentitle an employee to premium payment under Article 14, save and except where:

- i) such time has been worked by the employee to satisfy specific days off requested by such employee; or,
 - ii) such employee has requested in writing to work less than the required number of hours off duty between tours. The employee may rescind this request in writing with two (2) weeks notice prior to the next posted schedule; or,
 - iii) such time is worked as the result of an exchange of tours with another employee.
- (e) Full time employees employed on the evening, night or day tours on a permanent basis will not be rotated except by mutual consent. Notwithstanding the above each full time permanent employee may be required to do a tour of duty on days, for inservice requirements and evaluation every six months not to exceed two weeks in each 6-month period.
- (f) An employee may not be required to change tours of duty more than once during a work week, unless otherwise mutually agreed.
- (g) The Hospital will attempt to schedule employees to rotate two (2) tours of their preference, subject to staffing requirements of the individual nursing unit. However, it is understood that this may not always be possible, in which case nurses shall be required to work all three (3) tours.

When master schedules are to be changed, every effort will be made to offer rotations on the new master to present full time bargaining unit members working in the area/unit on the basis of seniority.

- (h) The Hospital shall schedule full time employees alternate weekends off work unless otherwise mutually agreed between the employee and the hospital.
- (i) If the employee is required to work on a third (3rd) subsequent and consecutive weekend, she will receive premium payment as per Article 14.03 for all hours worked on that weekend and subsequent and consecutive weekends, until she receives a weekend off duty, save and except where:
- i) such weekend has been worked by the employee to satisfy specific days off requested by such employee; or
 - ii) such employee has requested weekend work in writing. Discontinuance of such request will be provided in writing by the employee; or
 - iii) such weekend is worked as the result of any exchange of tours with another employee after a posted schedule. Third weekend premium will not apply following an exchange tour.

- (j) The Hospital will not change a full time employee's posted schedule with less than forty-eight (48) hours' notice, unless by mutual agreement.
- (k) A weekend off shall consist of fifty-six (56) consecutive hours off work during the period following the completion of the employee's Friday tour until the commencement of the employee's Monday tour.
- (l) The day tour is the first shift of the day.
- (m) An employee will be scheduled off work not less than five (5) consecutive days at either Christmas or New Year's season, except in areas which are not normally required to work on weekends and paid holidays. The normal scheduling conditions may be waived to accommodate this special arrangement between December 15th and January 15th. The waiving of the normal scheduling conditions shall not disentitle employees from receiving premium payment for violations of the scheduling regulations under these clauses in Article D, save and except Article D-4 (d) (ii) where an employee schedule has been adjusted to accommodate their holiday period off. The employee will be scheduled two weekends on followed by two weekends off.

The Hospital together with the employees on a unit, will endeavour, based upon staffing requirements, schedule employees to work eight (8) hour tours during the Christmas and New Year's holidays as defined below.

For the purpose of this schedule, Christmas shall be defined as December 24th, December 25th and 26th, and New Year's shall be defined as December 31st and January 1st. For clarity, if a nurse is to work Christmas, s/he will be scheduled to work December 24th, 25th and 26th. If s/he is to be off Christmas, s/he will be scheduled off December 24th, 25th and 26th. Similarly if s/he is to be working New Years, s/he will be scheduled to work December 31st and January 1st. If s/he is to be off s/he will be scheduled off December 31st and January 1st.

Time off for Christmas and New Year's shall be posted by November 15th. The Hospital will endeavour to continue with the past practice of ensuring that nurses who are scheduled off work during the Christmas or New Year's time frame in one year, will be scheduled to work the alternate period, the following year. Where it is possible for a nurse to have both Christmas and New Year's off in the same year, the Hospital will endeavour to schedule this opportunity on a equitable basis commencing with the most senior nurse using a combined full-time and part-time seniority list provided those who remain are qualified to perform the work. The intent of this article is to ensure that the opportunity to have both holidays off is not provided to the same nurse year after year. If the most senior nurse declines to have both holidays off, the employer will continue down the combined seniority list until the offers have been accepted. If a nurse is given both Christmas and New Year's off, she is not required to be scheduled for 5 consecutive days during this period, she must be scheduled off December 24th, 25th, 26th, 31st and January 1st.

- (n) In the event that the Hospital introduces a permanent new tour, with different starting and stopping times, such tour shall only be introduced after eight (8) weeks written notice to and discussion with the Union.

For purposes of Article 14.10 the normal evening tour shall be defined as 1500 hours to 2300 hours and the normal night tour will be defined as 2300 hours to 0700 hours.

- (o) A full time employee, who normally rotates to different tours, shall not be required to work more than two (2) consecutive weeks on either the evening or night tour without being scheduled for a period of day tours, unless otherwise agreed.
- (p) Head Nurses shall receive at least every second weekend off provided that such existing Head Nurses who are presently receiving every weekend off shall continue to do so.
- (q) The present practice of granting every weekend off to employees working solely in the Operating Room shall continue.
- (r) The present practice of employees not being scheduled to work more than five (5) consecutive nights without days off shall continue. This provision shall not apply to permanent night employees.
- (s) Time off in lieu of overtime shall be scheduled at a mutually agreeable time between the employee and his/her immediate supervisor.
 - i) When a nurse elects to accumulate overtime hours, under article 14.09, as equivalent time off, she shall be allowed to bank sixty (60) hours at time and one half or the equivalent of ninety (90) straight time hours.
 - ii) Upon request of the nurse, banked time may be paid out. Such requests must be submitted to payroll in writing and the hospital will endeavour for payment to be paid out in the current pay period.
 - iii) If required and by written agreement of their manager or designate, a nurse may carry forward up to forty-five (45) straight time hours to be taken no later than June 30th at a mutually agreeable time.
- (t) The Hospital will endeavour to equitably distribute tour work assigned to full time employees who are rotating tours.
- (u) Failure of the Hospital to comply with the above scheduling regulations, unless waived by mutual agreement, will result in the affected employees being paid premium rates as specified in Article 14.03 of the central document.

- (i) If one of the job sharers leaves the arrangement her or his position will be posted. If there is no successful applicant to the position, the remaining employee will revert to her or his former status. If the remaining employee was previously full time, the shared position will become her or his position. If the remaining employee was previously part time and there is no part time position available on the same Unit, she or he shall exercise her or his layoff bumping rights to obtain a part time position. The shared position would then revert to a full time position and be posted according to the collective agreement.

(j) Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation.  - C) When a job offer is made for the vacancy, the successful applicant will be clearly advised of the temporary status of the position and of its potential permanency.
 - D) Filling of a disabled employee's home position does not remove the Hospital's duty to accommodate that employee.
