Where a nurse has no dues deducted during the payroll period from which dues are normally deducted, that deduction shall be made in the next payroll period provided the nurse has earnings in the next payroll period.

If the failure to deduct dues results from an error by the Home, then, as soon as the error is called to its attention by the union, the Home shall make the deduction in the manner agreed to by the parties.

- 7.02 The Employer shall provide each employee with a T4 supplementary slip, showing the dues deducted in the previous year for income tax purposes.
- 7.03 The Home agrees that an officer of the Union or Union representative shall be allowed a reasonable period during regular working hours to interview newly hired nurses during their probationary period. During such interview, membership forms may be provided to the nurse. These interviews shall be scheduled in advance as determined by local negotiation and may be arranged collectively or individually by the Home.

ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURE

- 8.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or

alleged violation of the Agreement including any question as to whether a matter is arbitrable.

8.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, an employee is entitled to be represented by her employee representative. In cases of suspension or discharge, the Home shall notify the employee of this right in advance.

8.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with the Director of Nursing nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days, it shall be then taken up as a grievance in the following manner and sequence:

Step No. 1

Within nine (9) calendar days of its receipt of the answer at its complaint stage, the employee may submit a written grievance signed by the employee to the D.O.N. or designate. The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement, which are alleged to be violated. The Director of Nursing or designate will deliver her decision in writing within nine (9) calendar days following the day on which the grievance was presented to her. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the employee may submit the written grievance to the Administrator or her designate. A meeting will then be held between the Administrator or her designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Administrator or her designate may have such counsel and assistance as she may desire at such meeting. The decision of the Administrator shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of the second step grievance reply will be provided to the Labour Relations Officer.

8.04 A complaint or grievance arising directly between the Home and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Employer shall be filed with the Bargaining Unit President or her designate.

8.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Director of Nursing or her designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2

and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

- 8.06 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of the Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as herein under provided. If no written request for arbitration is received within thirty (30) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty (30) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.
- 8.07 All agreements reached under the grievance procedure between the Employer and the Association will be final and binding upon the Employer and the Association and the employees.
- 8.08 Time limits fixed in complaints, grievances and arbitration procedures may be extended by mutual consent of the parties.
- 8.09 The time prior to referral to arbitration may be utilized by the Association and/or the Home to suggest and possibly agree to a dispute resolution other than a three (3) person board of arbitration and either party may request the appointment of a grievance settlement officer that will be selected by mutual agreement.
- When either party request that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two (2) nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within the period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 8.10 No person may be appointed as an arbitrator who have been involved in an attempt to negotiate or settle the grievance.
- 8.11 No matter may be submitted to arbitration, which has not been properly carried through all requisite steps of the Grievance Procedure.
- 8.12 The arbitration board may make such decisions as in its circumstances it deems just and equitable, consistent with the provisions of the Collective Agreement and within the jurisdiction provided by applicable legislation.
- 8.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.

- 8.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any of the chairman of the Arbitration Board.
- 8.15 All agreements between the representatives of the Employer and the representatives of the Association will be final and binding upon the Employer and the Association and the employee(s).
- 8.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.
- 8.17 The Home agrees that where a nurse is required to attend a meeting that may lead to disciplinary action, as a good labour relations practice, it will inform the nurse of the purpose of the meeting and her or his right to union representation.
- 8.18 All investigations related to a nurse's employment will be completed in a timely manner.
