 - (iv) available to work at least forty-five (45) hours per pay period.

- (c) When the schedule is posted, a part-time employee can be unavailable to work additional hours above the identified commitment and as such, the employer cannot count this unavailability for additional tours towards her commitment.

F-5

- (a) The Employer agrees to schedule regular part-time employees according to their commitment on the posted schedule on that Unit.
- (b) Where extra tours become available, they will first be offered on the basis of seniority to regular part-time employees on that unit provided that no employee exceeds her/his commitment as a result of being offered such extra tours where there are regular part-time employees who have not been offered their commitment of tours and provided that this extra tour does not create a premium situation.
- (c) Where all regular part-time employees have been given the opportunity to work up to their committed tours, extra tours will then be offered to regular

- (b) It is understood that any extra tours that are required to be filled after the posted scheduled is up and approved, must be filled in accordance with F-5. F-8 Casual employees shall not be pre-booked unless there are no regular part-time employees available at straight time.
