

NURSING WEEK 2024

Sample Letter to Employers

Date

To [Employer],

Dear Sir/Madam,

I am requesting your support in helping your staff nurses celebrate Nursing Week this year, being held May 6-12, 2024.

Every year, the Ontario Nurses' Association (ONA) commemorates Nursing Week in recognition of the hard work and dedication of nurses and their contributions to the lives of many community members by caring all day, every day.

This year's Nursing Week theme is:

We are not an option. We are a necessity.

Nous ne sommes pas une option. Nous sommes une nécessité.

We will be celebrating the contributions of the many nurses who work in hospitals, long-term care facilities, public health, industry and clinics in our community and across the province. We hope you will support us.

Please contact me to discuss how you can help.

Yours truly,

ONTARIO NURSES' ASSOCIATION
