

**NURSING WEEK 2024**

# **Sample Letter to Local Businesses**

Date

Dear Sir/Madam,

I am requesting your support in helping our community's nurses celebrate Nursing Week this year, being held May 6-12, 2024.

Every year, the Ontario Nurses' Association (ONA) commemorates Nursing Week, which honours the hard work and dedication of nurses in our community, across the province and nation-wide. Through your contribution of prizes, coupons or services, you can help many nurses feel like a special part of our community while simultaneously promoting your business.

This year's Nursing Week theme is:

**We are not an option. We are a necessity.**

**Nous ne sommes pas une option. Nous sommes une nécessité.**

We will be celebrating the contributions of the many nurses who work in hospitals, long-term care facilities, the community, public health, industry and clinics in our community. We hope you will support us.

Please contact me to discuss how you can help.

Yours truly,

ONTARIO NURSES' ASSOCIATION

(Name of Bargaining Unit or Local Rep)
