Topic: This teleconnect will focus on providing information to Bargaining Unit leaders regarding bereavement leave. Please send any questions you have prior to April 26 so that we can ensure a fulsome discussion on our issues. Send to: ContractInterpTeleconnect@ona.org.

Audience: The target audiences for this teleconnect are Hospital Sector Bargaining Unit leaders and members of Bargaining Unit Negotiating Committees.

Format: Co-hosting this teleconnect are: Linda Haslam-Stroud, ONA President; Beverly Mathers, Manager, Negotiations; and Andy Summers, Vice-President Region 3, Labour Relations Portfolio. A question-and-answer period will follow the education. A recording of the teleconnect will be available for seven days after the session has ended. The recording will also be available online in the Executive Section of ONA's website at www.ona.org approximately two weeks after the session.

Registration: ONA members can register for the teleconnect by sending an email to ContractInterpTeleconnect@ona.org providing their full name, ONA ID number and the name of their employer. Members should register using a personal email address or an ONA-sponsored email address (if they have one) as materials and dial-in information will not be sent to an employer-sponsored email account to ensure confidential information is secure.

If you are not able to participate in the teleconnect while it takes place, please indicate in your registration email that you would like to listen to the replay. Members will receive an email acknowledging their registration request. Registration will be on a first-come, first-served basis. ONA reserves the right to limit the number of registrations.

Materials: All registrants will receive an email closer to the date of the teleconnect that will include instructions on how to join the teleconnect and any materials that will be used during the session. These materials, along with a recording of the session, will be posted in the Executive Section of the ONA website approximately two weeks after the session. We recommend registrants take some time to review the provided materials in advance of the teleconnect to maximize their learning experience.
