

## Update for Nurse Practitioners

### Nurse Practitioner Teleconnect

- Date:** Tuesday, October 25, 2016
- Time:** 16:30 – 18:00 EST (Eastern Standard Time)
- Topic:** This teleconnect is an opportunity for Nurse Practitioners (NP) to hear an update on the government announcements regarding new funding for primary care and long-term care. It will also provide an update on bargaining throughout the province, especially the recent hospital award. We will discuss NP issues in long-term care and ONA's activity to represent NPs in this sector. We will conclude the session with an update on Medical Assistance in Dying and NP scope of practice issues.
- Audience:** The target audience is NPs in all practice settings, as well as ONA leaders who represent NPs in ONA Bargaining Units.
- Format:** Co-hosting this teleconnect are: ONA First Vice-President Vicki McKenna; Region 3 Vice-President, Labour Relations Portfolio, Andy Summers; and Senior Director, Labour Relations Beverly Mathers.

Following the updates on funding, bargaining, NPs in long-term care and NP practice issues, there will be an interactive question-and-answer session. A recording of the teleconnect will be available for 48 hours after the session has ended. This recording will also be available online in the Executive section of ONA's website at [www.ona.org](http://www.ona.org) approximately two weeks after the session.

- Registration:** ONA members can register for the teleconnect by sending an email to [NPTeleconnects@ona.org](mailto:NPTeleconnects@ona.org), or by calling (416) 964-8833 and asking for extension 2365. Members will be required to provide their full name, ONA ID number and the name of their employer. Members should register using a personal email address or an ONA sponsored email address if they have one as materials and dial-in information will not be sent to an employer-sponsored email account to ensure confidential information is secure.

If you aren't able to participate in the teleconnect while it takes place, please indicate in your registration email that you would like to listen to the replay. Members will receive an email acknowledging their registration request. Registration will be on a first-come, first-serve basis. ONA reserves the right to limit the number of registrations.

- Materials:** All registrants will receive an email closer to the date of the teleconnect that will include instructions on how to join the teleconnect and any materials that will be used during the session. These materials, along with a recording of the session, will be posted in the Executive section of the ONA website approximately two weeks after the session. We recommend registrants take some time to review the provided materials in advance of the teleconnect to maximize their learning experience.

- Questions:** After registering for the teleconnect, members may pre-submit any questions they would like to have addressed during the presentation. These questions should be sent to [NPTeleconnects@ona.org](mailto:NPTeleconnects@ona.org).
