Zipline to the Falls

It doesn't matter if you are 7 or 97, this magical experience is truly for everyone. For both the thrill seekers and the hesitant, the Zipline to the Falls represents a hands-free, worry-free, and fully-guided experience like no other in the world.

Whirlpool Adventure Course Park

The Whirlpool Adventure Course is a tremendous place for a group outing for families, students, youth, and corporate team building groups where guests get to challenge themselves on our aerial rope courses. Our elements allow guests to explore problem-solving, collaboration, initiative, and resilience on a series of games and obstacles from 20 to 40 feet above the ground.
