For clarity, failure to provide five (5) days off will result in premium pay. Such premium payment will not be required where the nurse requests to waive the five (5) consecutive days.

After the Christmas schedule has been posted, where a part time nurse works additional shift(s) and remains under seventy-five (75) hours in the pay period, premium pay will not apply. Once seventy-five (75) hours has been worked in the pay period, premium payment will apply.

The Hospital will endeavour to schedule the nurse(s) to work alternate Christmas and New Year's each year on a Hospital wide basis, subject to the individual Unit's requirements.

A part-time nurse shall be scheduled a minimum of two (2) consecutive night shifts followed by no less than six (6) consecutive shifts off. This provision does not apply to nurses who work the extended tour schedule. This provision does not apply to nurses who work a single night tour.

- (k) Any of the above provisions may be waived by mutual agreement between a nurse or a group of nurses, the Local Union, the Hospital and the Labour Relations Officer, where it is necessary to do so to allow alternate scheduling.
- (l) Proposed changes to current unit schedules will be developed jointly by the Unit Supervisor and the Nursing staff on the Unit. The proposed new schedule will be submitted to the Hospital-Association Committee for review prior to implementation.
- (m) Where no regular part-time nurse is willing to perform the work available after the schedule is posted, the tour(s) available will first be offered to laid off nurse(s) per Article 10.09 and then to casual part-time nurses on the basis of seniority. It is understood that such available work would be offered based on the laid off nurse(s) having completed an availability sheet.

E – 4

Part-Time Commitment

In return for the Hospital's commitment to schedule according to the regulations in article E, a regular part-time nurse will make a commitment to the posted schedule in each nursing unit, in accordance with Articles 2.05 and E-4 of the Collective Agreement.
