ARTICLE 1 – PURPOSE

1.01 The general purpose of this Agreement is to establish mutually satisfactory employment relations between the Employer and the employees covered by this Agreement. It provides the means for prompt settlement of grievances and establishes salaries, hours of work and other conditions of employment.

1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for residents.

1.03 The Employer undertakes that he will not enter into any other agreement or contract with those employees for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this Agreement.

ARTICLE 2 – SCOPE & DEFINITIONS

2.01 The Employer recognizes the Ontario Nurses’ Association as the bargaining agent for all registered nurses and nurses with a temporary certificate of registration engaged in a nursing capacity at Saint Luke’s Place in the City of Cambridge, save and except Education Coordinator, Infection Control Coordinator, Assistant Director of Care and persons above the rank of Assistant Director of Care.

2.02 (a) A full-time employee shall mean an employee covered by this Agreement who is committed to and regularly works the full work period of seventy-five (75) hours in a biweekly period, exclusive of overtime.

(b) A regular part-time employee is one who is committed to and regularly works less than the full prescribed bi-weekly hours of work.

(c) A casual part-time employee means an employee who is called to work on a call-in basis, but who does not work a regular schedule, or does so only for a specified period. Such employee has the option of refusing work when it is made available to her, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.

2.03 Whenever the feminine pronoun is used in this agreement, it includes the masculine pronoun, where the context so requires and vice-versa. Where the singular is used, it may also be deemed to mean the plural and vice-versa.

2.04 Work of the Bargaining Unit

(a) In order to protect the standard of nursing care, the Employer shall not contract out the work normally performed by members of this bargaining unit except:

i) for purposes of instruction,

ii) in the event of an emergency situation,
iii) when performing developmental or experimental work, or
iv) when employees are not available due to an employee not reporting for work as scheduled or not being available for work.

(b) Reassignment to other employees of work normally performed by members of the bargaining unit shall not result in the termination, lay-off or reduction in hours of any member of the bargaining unit.

(c) When it is decided to not fill a position following an employee’s resignation, the Home will provide the rationale in writing for this decision to the Union. The Union may request a meeting to make representations on this matter.

2.05 Minimum Staffing

The Employer agrees to employ sufficient registered staff and health care aides to meet the staffing needs that may be set from time to time by statute and/or regulation. In the event that there is insufficient staffing to meet this undertaking, the Employer will post vacancies so that any unmet care undertaking will be satisfied.

2.06

(a) The Employer will assign at least the same number of total bargaining unit RN hours that are equal to those hours that were scheduled in the last week ending prior to June 30, 2012. For clarity, this includes existing vacancies.

(b) In the event the Employer cannot meet their ongoing obligation for scheduled RN hours in part (a) above, it shall so notify the Union and fully disclose the reasons thereof.

(c) If the failure to staff is a legitimate recruitment issue, there shall be no violation of this Agreement. The Employer will make reasonable efforts to recruit a replacement and will provide the Union with an outline of recruitment activities.

(d) Further, if there is a reduction in beds, occupancy levels or CMI or its equivalent below the levels in effect as of June 30, 2012, a reduction in the complement shall not constitute a breach of this Agreement, as long as the reduction is proportionate.

(e) If there is any other reason for the failure to staff in accordance with this article, the Union and Employer will attempt to find a resolution and if unable to do so, the matter may be referred to Arbitration.

(f) The Arbitrator/Arbitration Board will have authority to determine whether the reduction in staffing was appropriate and shall have jurisdiction to award an appropriate remedy.

2.07 For purposes of this agreement and the benefits contained herein, including insurance coverage, dependent coverage is available to the employee to cover her or his same sex partner and their dependents, in accordance with the terms and
conditions of the plans.

2.08 A nurse who holds a Temporary Class Certificate of Registration issued by the College of Nurses of Ontario must obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate. If the nurse fails to obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration she or he will be deemed to be not qualified for the position of registered nurse and she or he will be terminated from the employ of the Home. Such termination shall not be the subject of a grievance or arbitration.

8.01 The parties to this agreement believe it is important to address complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint formally with the Director of Care or designate at the first opportunity.

8.02 In all steps of this grievance procedure an aggrieved employee, if she so desires may be accompanied by or represented by her employee representative. At Step 1 of the grievance procedure a representative of the Ontario Nurses' Association may be present at the request of either party.

8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, the employee or union representative will bring it to the attention of the immediate supervisor to settle such differences within ten (10) days of the occurrence.

Step No. 1

A meeting will be held between the parties within ten (10) days. The Chief Executive Officer shall give a written decision within ten (10) days of the meeting to the Bargaining Unit President or her designate with a copy to the Labour Relations Officer.
Step No. 2

8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.

8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.

8.07 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Chief Executive Officer or her designate within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

(a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance.

(b) Such grievance shall proceed directly to Step No. 1 of the grievance procedure and must be presented in writing, dated and signed within ten (10) days following the discharge.

8.09 (a) If an employee is to be reprimanded or disciplined, she may have an employee representative present if she so requests.

8.10 Policy Grievance – Union Grievance

The Union may institute a grievance alleging a general misinterpretation or violation of this Agreement by the Employer by submitting a written grievance at Step No. 1 within twenty (20) days after the circumstances have occurred. This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

8.11 Policy Grievance – Employer Grievance

The Employer may institute a grievance alleging a general misinterpretation or violation by the Union or any employee by filing a written grievance with the Bargaining Unit President, with a copy to the Labour Relations Officer within twenty (20) days after the circumstances have occurred. A meeting will be held between the parties within ten (10) days. The Union shall reply within ten (10) days after the meeting, and failing settlement, the matter may be referred to arbitration.

8.12 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration, and the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

(b) Within thirty (30) calendar days of the receipt of notice referred to in Article 8.12(a) above, either party may require a process for a sole arbitrator where the grievance concerns:

i) a job posting
ii) a short term layoff
iii) responsibility pay, premiums, overtime and call-in pay
iv) entitlement to leave
v) scheduling issues
vi) any other grievance as mutually agreed.
All references in Article 8 to an Arbitration Board shall be taken to include a sole arbitrator.

Once appointed the sole arbitrator shall have the power to mediate/arbitrate the grievance, including the power to impose a settlement in accordance with Article 8.17.

The parties agree that, where an informal process is initiated, presentations proceeding under this dispute resolution mechanism shall include a comprehensive opening statement and thereafter, shall be as short and concise as possible. The parties agree to make limited reference to authorities during such submissions.

Article 8.20 will apply to this Article, except where specifically modified by this Article.

8.13 The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it.

8.14 The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairperson shall govern.

8.15 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned.

8.16 The Board of Arbitration shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement. The Board of Arbitration may make such decision as it may, in the circumstances, deem just and equitable and may vary or set aside any penalty or discipline imposed by the Employer relating to the grievance in question.

8.17 The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.

8.18 Each of the parties shall pay its own expenses including pay for witnesses and the expense of its own nominee and one-half of the expenses and fees of the Chairperson.

8.19 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issue(s) in dispute and assist the parties in resolving grievances.

By mutual agreement the parties may extend the time limits and utilize the services of a Mediator.

The cost of the Mediator will be shared between the parties.

8.20 The parties may, by written agreement, substitute a sole Arbitrator for the Board of Arbitration and the Arbitrator shall possess the same powers and be subject to
the same limitations as a Board of Arbitration.

8.21 It is understood and agreed that the Union (and not any individual or group of individuals) has carriage of all grievances throughout the grievance and arbitration procedure (save and except the complaint stage prior to Step 1). All agreements reached under the grievance procedure, (save and except those reached at the complaint stage prior to Step 1) between the representatives of the Employer and the representatives of the Union, will be final and binding upon the Employer, Union and employee(s).

No agency or new hires will be used when there is an employee on layoff provided that the employees on layoff will meet the staffing requirements of the Home.

An employee will not be laid off out of seniority order if her lack of qualification for a junior employee’s shift can be remedied by a three (3) day orientation to that shift. (a) shall notify the Director of Care, as soon as possible, when required to serve under any of the above circumstances;

(b) presents proof of service requiring her attendance;

(c) deposits with the Employer an amount equal to the jury duty attendance fees received by the employee in any above cases but not any expenses paid by the employee and received from the authorities for necessary travel, accommodations and meals;

(e) will not be required to work on the night shift prior to such duty. Where the employee’s presence is required in court past 1700 hours, she shall not be required to attend work for her night shift commencing later that day.

(f) Where the Home requires an employee to attend any meetings in preparation for a case or legal proceedings or as a result of a compliance inspection which either arises from an employee’s employment with the Home or otherwise involves the Home, the Home will make every
reasonable effort to schedule such meetings at the Home during the employee’s regularly scheduled hours of work. If the employee is required to attend such meetings outside of her or his regularly scheduled hours, the employee shall be paid for all hours spent in such meetings in accordance with Articles 15 and 16.

11.07 Employees seeking to be appointed by the Province as classifiers shall have their applications co-signed by the Employer. Subject to operational requirements employees offered such assignments by the Province will be granted leave without pay. On the basis that the Employer will be fully reimbursed for any such leave by the Ministry of Health, the Employer will maintain the employee’s regular straight time wages and will provide full accumulation of seniority and service and as well as all other benefits under the collective agreement. If such leave is not fully funded by the Ministry of Health, it shall be without pay and subject to the effect of absence language.

11.08 Family Medical Leave

(a) An employee is entitled to family medical leave in accordance with the provisions of the Employment Standards Act.

(b) An employee who is on Family Medical Leave shall continue to accumulate seniority and service and the Home will continue to pay its share of the premiums of the subsidized employee benefits, including pension (if permitted by the Plan and matched by the employee) in which the employee is participating during the leave.

(c) Subject to any changes in an employee’s status which would have occurred had he or she not been on Family Medical Leave, the employee shall be reinstated to her former position.

11.09 Military Leave

(a) The Employer shall pay its share of the health and welfare benefits for the calendar month in which the leave commences and in the month immediately following.

(b) If the leave of absence exceeds thirty (30) consecutive calendar days, benefit coverage may be continued by the employee, provided that she pays the total cost of the premiums to the Employer for each monthly period in excess of the thirty (30) consecutive calendar days leave of absence except as modified by (a).
(c) Benefits will accrue from the date of return to employment following such leave of absence.

(d) The employee's anniversary date for salary increases shall be adjusted by the period of time in excess of the thirty (30) continuous calendar days, and the new anniversary date shall prevail thereafter.

(e) Seniority, service, vacation credits or any other benefits under any provision of the collective agreement or elsewhere will not accumulate, but will remain fixed at the amount held at the commencement of the leave.

(f) Notwithstanding the above, the Employer shall continue to pay its share of the premium for the benefit plans for employees who are on paid leave of absence or WSIB, and will continue to pay its share of the premium for the benefit plans in accordance with the Employment Standards Act for employees who are on pregnancy/parental leave (currently a maximum of twelve (12) months) or family medical leave (currently a maximum of eight (8) weeks) or emergency leave (currently a maximum of ten (10) days per year). It is understood that the obligation of the employer to pay its share of the health and welfare benefits while an employee is on WSIB shall continue only so long as the employment relationship continues or thirty months, whichever occurs first unless prohibited by legislation.

For purposes of this provision, it is understood and agreed that any absence under Article 14.01 shall be considered a leave with pay.

(g) It is understood that an employee who chooses to continue benefits under (a), (b) or (f) above shall provide the employer with payment for the amount required on or before the first day of the month in which payment is due.

(h) Notwithstanding 11.10 (e), when an employee is on an educational leave under Article 11.03 above, she will continue to accumulate seniority for up to one (1) academic year. The employee will have the option of remaining in the benefits plans provided she pays the total cost of such benefit premiums subject to clause (a) above. Seniority for part-time will be based on average over the last twenty-six (26) weeks prior to Leave of Absence.

(i) In cases of absences for pregnancy and parental leave under the Employment Standards Act, seniority and service shall accrue for the duration of the leave and the Employer will maintain its share of the insured benefit premiums provided the employee issues a cheque to the Employer covering her portion of the premiums each month in advance.

The Union and the Employer agree to abide by the Human Rights Code.

**ARTICLE 12 – PAID HOLIDAYS**

12.01 (a) A full-time employee who otherwise qualifies hereunder shall receive the following paid holidays:
In addition full time employees are entitled to a floating holiday to be taken at a time mutually agreeable to the employer and the employee.

(b) If another Federal, Provincial or Municipal holiday should be proclaimed during the term of this Agreement, such additional proclaimed holiday will replace one of the above named holidays as agreed by the parties. The intent is that there will be no more than twelve (12) paid holidays per calendar year for the duration of this agreement.

(c) In order to qualify for the float holidays, a newly hired employee must have completed their probationary period to be eligible.

(d) **Accommodations of Spiritual or Cultural Observances**

Where an employee observes a cultural/spiritual day other than those listed above, the employee shall submit their request in January of each year for the twelve (12) month period following March 1st, identifying the required date they need off.

Such day, if granted, will be deemed to substitute for one of the holidays listed above. The employee and employer will agree on the substituted day, in writing. Premium pay for time worked will be paid, as required by the Collective Agreement, on the holiday named in the collective agreement. A lieu day off will be the substitute day in accordance with Article 12.04.

Honouring such request shall be subject to the operational requirements of the Home. Where a full-time employee is required to work the substitute day, she will receive a lieu day off with pay.

12.02 Holiday pay for full-time employees will be computed on the basis of the number of hours the employee would otherwise work had there been no holiday at her regular rate of pay.

12.03 (a) In order to be eligible for a paid holiday, a full-time employee must have worked her last scheduled shift immediately preceding, and her first scheduled shift immediately following, the holiday; provided an employee shall not lose holiday pay if she is absent on any such days, and such absence is a scheduled day off, is a vacation day, is excused by the Home, or is the result of an illness or injury confirmed by a physician’s certificate, if requested, or is on approved leave of absence. Employees shall not be entitled to holidays with pay which fall during the period of Pregnancy, Parental, WSIB, or unpaid leave of absence over thirty (30) days.
A full-time employee who is absent as a result of legitimate illness or accident which commenced within a calendar month of the date of the holiday will be eligible for the holiday(s), to a maximum of two (2) holidays in any period of illness.

Full-time employees who are not required to work on any of the foregoing holidays shall be given the day off with pay.

(b) An otherwise eligible full-time employee, who is scheduled to work on one of the designated holidays but does not report to work and work as scheduled, shall forfeit her holiday pay for the particular holiday unless absent for a bona fide reason.

12.04 An employee who is required to work on any of the above named holidays shall be paid at the rate of time and one-half (1½) her regular straight time rate of pay for all hours worked on such holiday. In addition, a full time employee will receive a lieu day off with pay in the amount of her regular straight time hourly rate of pay times the number of hours in a normal daily shift.

12.05 A shift that begins or ends during the twenty-four (24) hour period on the day of the above holiday, where the majority of hours worked falls within the holiday, shall be deemed to be work performed on the holiday for the full period of the shift. The holiday commences at the beginning of the 2230h night shift the night prior to the holiday.

12.06 (a) If a paid holiday falls during a full-time employee's vacation, her vacation shall be extended accordingly, unless the employee and the Employer agree to schedule a different day off with pay on a mutually agreeable day within a period of eight (8) weeks after the holiday, providing the employee qualifies for the holiday pay.

(b) If a paid holiday falls on a full-time employee's regular day off, another day off with pay shall be scheduled on a mutually agreeable day within a period of eight (8) weeks after the holiday, providing the employee qualifies for the holiday pay.

(c) Failing such mutual agreement in either (a) or (b) above, the full-time employee shall be paid in accordance with Article 12.02. Notwithstanding the foregoing, if the Home is unable to offer any lieu day to the employee, the period of time for scheduling such days will be repeated.

12.07 Paid Holidays – Long Weekends

(a) When an employee is scheduled to work a weekend where a paid holiday falls on the Monday or the Friday, the Employer shall endeavour to also schedule the employee to work the paid holiday.

(b) When the employee is scheduled off on a weekend where a paid holiday falls on the Monday or the Friday, the Employer shall endeavour to schedule the employee off the paid holiday.
(c) In the event of a scheduling conflict, 12.07 (a) will be the deciding provision.

12.08 Generally lieu days will be taken at a mutually agreeable time within a period of eight (8) weeks following the holiday. Full-time and the grandfathered employees identified in Appendix "A" may bank up to three lieu days which may be taken at a time mutually agreeable (either individually or consecutively) to the Employer and the employee.

ARTICLE 13 – VACATIONS

13.01 All employees who are regularly scheduled seventy-five (75) hours on a bi-weekly basis shall receive vacations with pay based on length of full-time continuous service as follows:

(a) Employees who have completed less than one (1) year of full time continuous service shall be entitled to a vacation on the basis of 1.25 days for each completed month of service with pay in the amount of six percent (6%) of gross earnings.

(b) Employees who have completed one (1) or more years of full-time continuous shall be entitled to an annual vacation of three (3) weeks at their current rate.

If an employee who is regularly scheduled seventy-five (75) hours on a bi-weekly basis, works less than 1500 hours in the vacation year, she shall receive vacation pay as a percentage of gross earnings in accordance with Article 13.02 below.

13.02 All employees who are regularly scheduled less than seventy-five (75) hours on a bi-weekly basis, shall be entitled to vacation pay based upon the applicable percentage of their gross earnings provided in accordance with the vacation entitlement for employees who are scheduled seventy-five (75) hours on a bi-weekly basis on the following basis:
3 week entitlement – 6%
4 week entitlement – 8%
5 week entitlement – 10%
6 week entitlement – 12%
7 week entitlement – 14%

Casual part-time employees will be paid vacation pay in accordance with the above entitlement on gross earnings. Equivalent years of service will be based on the casual part-time employee’s seniority established under Article 9.01 and will be calculated on the basis that 1500 hours of part-time service shall equal one (1) year of full-time service and vice-versa.

13.03 (a) For the purpose of vacation entitlement service for employees who transfer from part-time to full-time or vice versa, shall mean the combined service as a part-time and full-time employee employed by the Home and accumulated on a continuous basis.

(b) Part-time employees shall receive vacation entitlement on the basis of fifteen hundred (1500) hours paid equals one year of service.

13.04 Part-time Vacation Pay

If the Employer currently has the computer systems’ capability to implement bi-weekly vacation pay, they shall do so by the start of the next vacation year or earlier.

Those Employers with no computer capability will endeavour to implement bi-weekly vacation pay if there is no significant administrative burden, by the start of the next vacation year or earlier. If the Employer does not so implement, it will provide reasons in writing to the Union.

Where possible without extensive programming changes, the amount of vacation pay will be separately identified on the pay stub.

13.05 Part-time employees must take at least two (2) calendar weeks of vacation per year in blocks of not less than one (1) week, in accordance with the vacation scheduling provisions of the collective agreement. Absent the employee’s cooperation in this regard, the Employer will schedule the employee’s two (2) weeks of vacation.

13.06 An employee who leaves the employ of the Home for any reason shall be entitled to receive any unpaid vacation pay which has accrued to her or him to the date of her or his separation, it being understood and agreed that the employee will provide at least two (2) weeks’ notice of termination.

13.07 Vacations – Interruption

(a) Where an employee’s scheduled vacation is interrupted due to a serious illness which requires hospitalization and commenced before and continues into the scheduled vacation period, the period of such illness shall be considered sick leave provided the employee provides satisfactory
documentation of the hospitalization.

(b) Where a vacationing employee becomes seriously ill requiring her to be an inpatient in a hospital, the period of such illness shall be considered sick leave provided that the employee provides satisfactory documentation of the hospitalization.

(c) The portion of the employee's vacation which is deemed to be sick leave under the above provisions will not be counted against the employee's vacation credits.

d) Where an employee's scheduled vacation is interrupted due to bereavement, the employee shall be entitled to bereavement leave in accordance with Article 11.04.

(e) The portion of the employee's vacation which is deemed to be bereavement leave under the above provisions will not be counted against the employee's vacation credits.

13.08 Nurses shall, when practicable, be granted the vacation period preferred by the nurse subject to the operational requirements of the Employer. Preference in choice of vacation dates shall be given to senior nurses provided that the efficiency of operations of the Employer is not unduly interrupted thereby. A vacation request sheet for the summer vacation period (June 15th to September 15th) shall be posted by February 1st of each year and shall be taken down by April 1st. A final approved list shall be posted May 1st.

Vacation requests will be considered as follows:

(a) Vacation requests for the period of June 15th to September 15th shall be limited initially to three (3) weeks. For clarity, employees, subject to their vacation entitlement, may request vacation greater than fifteen (15) days during periods outside June 15 – September 15.

(b) For any unallocated vacation beyond the fifteen (15) days as noted in (a) above, vacation requests will be considered and approved according to seniority and shall not be unreasonably denied.

(c) Notwithstanding the forgoing, it is understood that special circumstances may develop which would make it desirable for a Nurse to take additional vacation during such prime time period. Such additional vacation request(s) will be dealt with on a case by case basis and may be approved by the Employer on the basis of seniority and shall not be unreasonably denied.

Any other vacation period requested must be requested in writing prior to the schedule in which the vacation being requested is posted. Approval of such requests shall be made by the Director of Care or designate.

13.09 An employee’s vacation entitlement must be taken before the end of the vacation year. In the event of unique personal circumstances the Employer will consider an employee request to carry over all or part of her vacation entitlement to the
following year provided the request is made at the time the vacation lists are being determined.

13.10 Full time employees may be granted vacation in single days, or multiples thereof, upon request. Requests shall be made in writing on the form provided by the Employer. Requests under this Article will be granted where operationally feasible, it being understood that requests will not be unreasonably denied.

Requests for single days or multiples thereof will not result in the denial of a full week of vacation to a less senior employee under Article 13.08.

Part time may be granted a maximum of one (1) week of their entitlement, based on their average week, as single days. These days must be taken individually.

ARTICLE 14 – SICK LEAVE

14.01 Full time nurses shall accrue one day sick leave credit (seven and one-half hours) per month to a maximum of 450 hours.

14.02 Full time nurses who have a minimum of twenty-four (24) days in their sick leave bank who have not had any sick leave in the previous calendar year are entitled to a sick pay bonus of three days (22.5 hours) pay at their regular straight time hourly rate of pay.

14.03 Full time employees will receive no sick benefit for the first two days of the fourth and subsequent illness period in a calendar year. The Administrator may approve exceptions based on individual circumstances.

14.04 (a) For any absence for which sick pay is claimed, an employee must provide the Employer with a certificate, in the form attached hereto as Schedule "A", signed by the employee and confirming that personal illness or injury has prevented the employee's attendance at work on those days.

(b) The employee will be required to provide the Employer with a medical certificate as set out in Schedule "B", confirming that the employee's personal illness or injury prevented the employee's attendance at work, if;

i) The employee has been absent for at least three consecutively scheduled shifts, and the Employer has requested such certificate; or

ii) The employee has an established pattern of absenteeism, and the Employer has given the employee written notice that he or she must provide such a certificate.

(c) The employee will be required to provide the Employer with a medical certificate as set out in Schedule "B", confirming that the employee's personal illness or injury prevented the employee's attendance at work, if the Employer requests that the employee provide a certificate from his or
her physician (or nurse practitioner) that he or she is sufficiently recovered from the personal illness which caused his or her absence and is capable of performing his or her former duties and responsibilities; the employee’s reinstatement after sick leave will be conditional on his or her supplying such certificate.

(d) The Employer reserves the right to require a medical certificate at the Employer’s expense in special circumstances, such as:

i) when the information provided in the standard form is insufficient to substantiate illness or injury; or

ii) when additional information is required to establish that the employee is medically able to return to work with or without accommodation; or

iii) under other circumstances, subject to reasonable rationale.

It is understood that the Employer is not entitled to request or receive a medical diagnosis, except or unless it is required by a statutory or regulatory body or organization, but is entitled to request and receive a prognosis concerning the employee’s medical condition.

14.05 If the Employer requires the employee to obtain a medical certificate, the employer shall pay the full cost of obtaining the certificate. A medical certificate will include a certificate from a nurse practitioner.

14.06 An employee who will be absent on the afternoon or night shift due to personal illness must notify the Employer at least three (3) hours prior to the commencement of the shift unless impossible. An employee who will be absent on the day shift due to personal illness must notify the Employer at least one (1) hour prior to the commencement of the shift unless impossible. Late notice does not cause forfeiture of sick pay benefits.

ARTICLE 15 – HOURS OF WORK & SCHEDULING

15.01 The normal hours of work for an employee are not a guarantee of work per day or per week, or a guarantee of days of work per week. The normal hours of work shall be seven and one-half (7½) hours per day, and seventy-five (75) hours in any bi-weekly period.

There will be an interval of not less than sixteen (16) hours off between scheduled shifts worked unless the employee specifically requests otherwise, provided that this would not apply to extended tours or daylight savings changeover.

15.02 The normal daily shift shall consist of seven and one-half (7½) consecutive hours, exclusive of a one-half (½) hour unpaid meal period. Employees shall be entitled to a fifteen (15) minute paid break during each half of the normal daily shift, at a time designated by the Employer.
15.03 Employees required for reporting purposes shall remain at work for a period of up to fifteen (15) minutes which shall be unpaid. Should the reporting time extend beyond fifteen (15) minutes however, the entire period shall be considered overtime for the purposes of payment.

15.04 Requests for change in posted work schedules must be submitted in writing and co-signed by the employee willing to exchange days off or shifts and are subject to the discretion of the Director of Care or her designate. In any event, it is understood that such a change initiated by the employee and approved by the Employer shall not result in overtime compensation or payment or any other claims on the Employer by any employee under the terms of this Agreement.

15.05 Where there is a change to Daylight Savings from Standard Time or vice-versa, an employee who is scheduled and works a full shift shall be paid for a seven and one-half (7½) hour shift rather than the actual hours worked.

15.06 In the event that a meal period is interrupted requiring an employee to attend to a work related problem, then the balance of the unused meal period will be taken within two (2) hours of the interruption. If the employee is unable to reschedule such time, she shall be paid time and one-half (1½) her regular straight time hourly rate for all time worked in excess of her normal daily hours, in accordance with Article 16.01.

15.07 Extended Tours/Hybrid Schedules

The Employer and the Union may agree to implement extended tours or hybrid schedule (mix of extended and normal tours). For clarity, a hybrid schedule may include extended tours on weekends and normal tours during the week. The following will apply:

(a) Each facility/unit must have sixty-six and two thirds percent (66⅔%) agreement of the full-time and part-time employees who work in the facility/unit.

   Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

   Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

(b) The Extended Tour/Hybrid Schedule may be cancelled by either party on giving ten (10) calendar weeks’ notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the cancellation.

   Extended tours may be discontinued by the Union in any facility/unit when sixty percent (60%) of the full-time and part-time employees in the facility/unit so indicate by secret ballot to the Union.
(c) With the exception of the specific variations set forth in this Article, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

(d) Hours of Work

i) Where employees are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.

ii) The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid meal time. For hybrid schedules, there will be scheduled normal daily tours of seven and one-half (7½) hours and 11.25 consecutive hours per day. In the event that an unpaid meal time is interrupted requiring an employee to attend to a work related problem, then the balance of the unused meal period will be taken within two (2) hours of the interruption. If the employee is unable to reschedule such time, she shall be paid time and one-half (1½) her regular straight time hourly rate for all time worked in excess of her normal daily hours, in accordance with Article 16.01.

iii) Employees working an extended tour shall be entitled, subject to the exigencies of resident care, to paid relief periods during the tour of a total of forty-five (45) minutes. For hybrid schedules, there will also be shifts that provide for relief periods in accordance with Article 15.02.

iv) Unless the Parties agree otherwise, extended tours shall be scheduled on weekends only.

v) Where the union and the employer have agreed to or agree to an extended daily tour or hybrid schedule that differs from the normal daily extended tour, the proportion of unpaid time to hours of work shall maintain the same ratio as set out in paragraph ii) and iii) of this Article.

(e) Payment for bereavement leave is based on 11.25 hours for extended tours. For hybrid schedules, the payment for bereavement leave shall be based on the length of scheduled shift.

(f) Payment for vacation and paid holidays for full-time employees is based on the equivalent to the 7.5 hour entitlement. For clarity, payment for lieu days as a result of a paid holiday for full-time employees is paid at 7.5 hours.

(g) Shift and weekend premiums as per Article 16.07 will be paid for the same hours as applied to seven and one half (7.5) hour tours, the intention being that the total amount of shift or weekend premium will not change because of the move to extended tours or hybrid schedules.
(h) Overtime premium as set out in Article 16.01 shall be paid for all hours paid in excess of 11.25 hours on a scheduled extended tour or 75 hours bi-weekly averaged over the duration of a six (6) week schedule.

Article 16.02 applies after 11.25 hours.

For a hybrid schedule, the overtime premium as set out in Article 16.01 shall be paid for all hours in excess of the scheduled shift length on that day or 75 hours bi-weekly averaged over the duration of the scheduling period unless otherwise agreed between the local parties.

(i) Shift exchanges will be in accordance with Article 15.04.

(j) Should the Employer refuse to grant a request under this Article, it shall provide to the Union its reasons orally.

15.08 Individual Special Circumstance Arrangements

Notwithstanding Article 2.02, the Home and the Union may agree in certain circumstances, to adjust the schedule of an individual full-time employee who normally works seventy five (75) hours bi-weekly, to enable an average bi-weekly work assignment of sixty (60) to seventy five (75) hours.

(a) Such an arrangement shall be established by mutual agreement of the Home and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position. The parties will agree to the scheduling provisions that will apply to the employee including that no additional shifts will be scheduled for employees working Individual Special Circumstances Arrangements.

(b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid holidays and benefit coverage will be determined by the Home and the Union. The employee will retain full-time status, including but not limited to seniority and service.

(c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.

(d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

15.09 Innovative Scheduling

Schedules which are inconsistent with the Collective Agreement provisions may be developed in order to improve quality of working life, support continuity of resident care, ensure adequate staffing resources, and support cost-efficiency. The parties agree that such innovative schedules may be determined locally by the Home and the Union subject to the following principles:
(a) Such schedules shall be established by mutual agreement of the Home and the Union;

(b) These schedules may pertain to full-time and/or part-time employees;

(c) The introduction of such schedules and trial periods, if any, shall be determined by the local parties. Such schedules may be discontinued by either party with notice as determined through local negotiations;

(d) Upon written agreement of the Home and the Union, the parties may agree to amend collective agreement provisions to accommodate any innovative unit schedules;

(e) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

(f) It is understood and agreed that these arrangements can be utilized for temporary job postings for seasonal coverage (e.g. weekend workers, etc.).

15.10 Four on, Two off Schedule

In an effort to maximize full-time employment opportunities, the local parties may agree to a “four on, two off” innovative schedule (Appendix “C”), subject to the following principles:

(a) The introduction of such schedules and trial periods, if any, shall be determined by the local parties;

The Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, the Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

(b) The implementation of such schedules shall be established only by mutual agreement of the Employer and the Union;

(c) Notwithstanding the definition for full-time employee under Article 2.02, employees who participate in this schedule will normally be scheduled for thirty-five (35) hours per week on average and will be considered a full-time employee for all purposes of the collective agreement;

(d) i) Notwithstanding Article 16.01, for the purposes of bi-weekly overtime, the normal weekly full-time hours shall remain at seventy-five (75) hours per bi-weekly average over a six (6) week period. In each bi-weekly pay period the employee will be paid for all hours worked. At the end of the six (6) week period, entitlement for bi-
weekly overtime will be calculated and paid.

ii) Notwithstanding Article 16.01, for the purposes of daily overtime, the normal daily hours shall remain at seven and a half (7.5) hours per day. In each bi-weekly pay period the employee will be paid for all hours worked including daily overtime, if any.

(e) For the purposes of vacation entitlement, the current collective agreement provisions shall apply using thirty-five (35) hours per week;

(f) Each facility/unit must have eighty percent (80%) agreement of the full-time and part-time employees who work in the facility/unit.

(g) The Four on, Two off schedule, may be discontinued by either party upon receipt of twelve (12) weeks’ notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the discontinuation. The Four on, Two off schedule, may be discontinued by the Union in any facility/unit when sixty percent (60%) of the employees in the facility/unit so indicate by secret ballot to the Union.

15.11 Job Sharing / Time Sharing

Job sharing shall be interpreted to mean two employees sharing one full-time job (10 shifts bi-weekly). Time sharing shall be interpreted to mean two employees sharing one full line (14 shifts bi-weekly).

Clarifying Note: One full-time and a regular part-time “shadow” does not constitute a time sharing arrangement.

(a) The introduction of job/time sharing arrangements in the Home will be subject to mutual agreement between the Union and the Employer.

Job/time sharing requests shall be considered on an individual basis. Such approval will not be unreasonably withheld.

(b) The employees* involved in job/time sharing are entitled to all the regular part-time provisions except those which are modified as follows:

i) Schedules and scheduling language shall be established by the mutual agreement of the Union and the Home. This will include the division of hours between the job/time sharers.

ii) Each job/time sharer may exchange shifts with her or his partner as well as other employees as provided by the Collective Agreement.

*employees who are currently in a job/time sharing arrangement and are full-time will retain that status and be covered by the full-time provisions of the collective agreement. For clarity, this grandparents employees, not positions. When individuals leave these positions, the vacant position will be posted under (d) and (e) below.
(c) **Absences and Leaves**

In the event that one member of the job/time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner’s shifts for the duration of the absence. If the employee is unable to cover the absences, she or he must inform the Director of Resident Care or designate.

(d) **Implementation**

i) Where the job/time sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that there are no successful applicants, then both job/time sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

ii) An incumbent full-time employee wishing to share her or his position may do so without having her or his half of the position posted. The other half of the job/time sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

ii) It is understood and agreed that the arrangement is for a trial period of six (6) months for the full-time employee originating the request. Once the trial period is over, the employee cannot revert to her former position except under (v) below.

iv) Where two (2) full-time employees wish to job/time share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the collective agreement.

v) If one of the job/time sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the remaining employee will revert to her or his former status. If the remaining employee was previously full-time, the shared position will become her/his position. If the remaining employee was previously part-time and there is no part-time position available, she or he shall exercise her or his layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(e) **Discontinuation**

Either party may discontinue the job/time sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.
The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job/time sharing, the employees currently working those arrangements will revert to their former status.

Where an employee does not have a former position to return to, the layoff and recall provisions of the collective agreement will apply. Where there remains a vacancy after employees revert to their former position, the vacancy will be posted in accordance with the collective agreement.

15.12 **Weekend Worker**

A weekend schedule may be developed in order to meet the Home’s need for weekend staff, and individual employees’ preference for a weekend work schedule.

A weekend schedule is defined as a schedule in which a full-time employee works a weekly average of thirty (30) hours and is paid for 37.5 hours at her or his regular straight time hourly rate. The schedule must include two 11.25 hour tours, which fall within a weekend period as determined by the Home and the Union. An employee working a weekend schedule will work every weekend except as provided for in the provisions below.

The Employer and the Union may agree to implement weekend schedule if sixty-six and two thirds percent (66⅔%) of the full-time and part-time employees who work in the facility/unit are in agreement. The introduction of that schedule and the manner in which the position(s) are filled, shall be determined by the local parties. This schedule may be discontinued by either party with notice as determined by the local parties. The opportunity for an individual employee to discontinue this schedule shall be resolved by the local parties.

Notwithstanding the voting mechanism above, a three (3) month trial period (or longer period, where agreed by the Home and the Union) for a weekend worker arrangement may be implemented without a vote in circumstances where the following additional conditions apply:

- An RN (or RNs) volunteers or applies for a weekend worker position and the Home and the Union agrees to accept the request.
- The work schedule will be modified to accommodate such a request provided there is no reduction in the regularly scheduled hours of the other RNs in the bargaining unit.
- Prior to the conclusion of the trial period, representatives of the Home and of the Union will evaluate and discuss the outcomes.

The Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, the Home must have a minimum of 66⅔%
agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

(a) Weekend and shift premiums shall not be paid;

(b) **Vacation Bank**

Vacation entitlement is determined by Article 13. For the purposes of Article 13, hours worked or credited as paid leave will be based on an accelerated rate of 1.25 hours credit for each hour worked. Mechanism for the vacation bank is determined by current local practices.

Drawing from the vacation bank will occur at an accelerated rate of 1.25 paid hours for every hour taken as vacation (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid). Vacation must be taken as a full weekend off (i.e. Saturday and Sunday). The maximum number of weekends off cannot exceed the week entitlement level determined by Article 13.

Single vacation days may be taken on weekdays, which need not be in conjunction with the Saturday and Sunday. Vacation – Interruption does not apply.

(c) **Paid Holiday Bank**

Employees qualify in accordance with the collective agreement. The paid holidays are identified in the Collective Agreement.

Credit to the paid holiday bank will occur on the date of the holiday.

Drawing from the paid holiday bank will occur at an accelerated rate of 1.25 hours paid for every hour taken (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

If an employee works on a paid holiday as defined by the local parties, she or he will receive one and one-half (1½) times her regular straight time hourly rate of pay for all hours worked on a holiday. The employee will not receive a lieu day. Article 16.02 also applies.

The holiday bank can be used as income replacement for absences due to illness or for lieu time off on a weekday.

(d) **Sick Leave**

The employee is eligible for long term disability benefits if provided for in the Collective Agreement. An employee will not receive pay for the first two (2) weeks of any period of absence due to a legitimate illness. The employee may utilize the paid holiday bank as income replacement for absences due to illness, as described in Article (c) above. An employee who is eligible may apply for Employment Insurance for weeks three (3) through seventeen (17) for any absence due to a legitimate illness.
Home will provide the employee with Disability Income Protection as per Article 14.01 (c) for weeks eighteen (18) through thirty (30) for any absence due to a legitimate illness.

Employees may be required to provide medical proof of illness for any absence of a scheduled shift, which is neither vacation nor an approved leave of absence.

(e) Leaves of Absence

Article 11 applies for both paid and unpaid leaves. For the purposes of an unpaid 11.25 hour shift, the deduction from pay shall equate to 14.05 hours. For the purposes of an unpaid 7.5 hour shift, the deduction from pay shall equate to 9.375 hours.

(f) Tour Exchange

Weekend shift exchanges will be permitted only between weekend shift employees. Weekday shift exchanges will be permitted, provided the Home does not incur additional costs.

In all instances of tour exchange, the tour must be of the same duration.

(g) Overtime

Overtime will begin to accrue after sixty (60) hours in a two (2) week period averaged over the scheduling period determined by the local parties.

Overtime will apply if the employee works in excess of the normal daily hours.

Payment for overtime is as in Article 16.01.

(h) Scheduling Provisions

The scheduling and premium provisions relating to consecutive weekends off in Article 16 do not apply to employees who accept positions under this provision.

(i) Christmas Period

Article 16 relating to scheduling during this period will apply, except as modified to confirm that the weekend shift employee will continue to work weekends during this period.

(j) When a part-time employee works on a weekend normally worked by a weekend worker, all of the provisions of the Collective Agreement except 15.12 will apply.
15.13 **Self Scheduling**

The Home and the Union may agree to implement a self-scheduling process. Self-scheduling is the mechanism by which employees in the Home create their own work schedules. The purpose of self-scheduling is to improve job satisfaction and quality of work life for the participating employees. Self-scheduling requires a collaboration of employees and management to ensure proper coverage of the Home and to meet the provisions of the Collective Agreement. It is agreed that self-scheduling will be negotiated locally by the Home and the Union and will include a trial period.

The Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, the Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

15.14 The first shift of the day is the night shift. Work schedules shall be posted 2 weeks in advance to cover an eight (8) week period. Once posted, schedules will not be changed without the employee’s consent.

15.15 Employees will not be scheduled to rotate over more than two (2) different shifts during the week.

15.16 The Employer will develop an availability list based on employee’s indications of their availability over the posted eight (8) week schedule. The Employer will call nurses on the availability list in order of their seniority for available work prior to calling other employees in the bargaining unit. In any event such calls would also be made by seniority.

It is understood that any nurse who would be in a premium situation should be passed over in the calling-in process until all other possible solutions have been exhausted.

15.17 An employee may exchange her or his scheduled tours of duty with another employee provided the request is submitted in writing, dated and signed by both employees, and is approved by the immediate Director of Care or designate concerned. Such requests will be permitted, provided the Home does not incur additional costs as a result of the exchange.

15.17 Requests for any other following days off

i) Holiday lieu days,

ii) Single vacation days requested outside the initial vacation process

Must be submitted in writing to the Director of Care or designate and will be granted based on date of request, and the operational requirements of the Home. If more than one (1) of these requests occur on the same date seniority will govern the granting of the request, based on the date the request is submitted.
15.19 Where premium (overtime) shifts become available such shifts shall be offered first to regular part-time employees on the basis of seniority, then full-time employees on the basis of seniority and then to casual part-time employees on the basis of seniority.

ARTICLE 16 – PREMIUM & OTHER PAYMENT

16.01 Overtime shall be paid for all paid hours over seven and one-half (7½) hours on a shift or seventy-five (75) hours bi-weekly at the rate of one and one-half (1½) times the employee’s regular straight time hourly rate of pay. Overtime is subject to authorization by the Director of Nursing or designate. Authorization shall not be unreasonably withheld. In the event of an emergency, authorization may not be required.

16.02 When an employee is required to work on a paid holiday or on a day for which she is entitled to receive time and one-half (1½) her regular straight time hourly rate and she is required to work additional hours following her normal seven and one-half (7½) hour shift on that day, she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.

16.03 (a) Full-time nurses shall be entitled to at a minimum alternate weekends off. Should a nurse work on a second or subsequent weekend, such nurse shall receive time and one-half (1½) of her or his basic straight time hourly rate for all hours worked on such additional weekends, save and except where:

(i) such weekend has been worked by a nurse to satisfy specific days off requested by such nurse; or

(ii) such nurse requested weekend work which has been negotiated with the parties and an LOU signed off; or

(iii) such weekend is worked as a result of an exchange of shifts with another nurse, or

(iv) such weekend is worked as a result of agreement by the nurse to work an additional weekend to accommodate the nurse's specific vacation requests.

(v) It is understood that a weekend consists of fifty-six (56) consecutive hours off work during the period following the completion of the last shift Friday until the commencement of the first shift Monday unless otherwise mutually agreed. It is understood that the fifty-six (56) hour period would be in accordance with the scheduling practices of each of the Homes on the following basis:

(a) 2230 Friday to 0630 Monday; or

(b) 0630 Saturday to 1430 Monday; or
(c) any other fifty-six (56) hour period that begins at the conclusion of the Friday scheduled shift.

The Employer will endeavour to schedule full-time and regular part-time nurses to be off the Friday evening before their weekend off and not to return to work on the Sunday night of their weekend off.

Time worked on that weekend referenced in the first paragraph will not be considered when determining future such premium obligations.

(b) Part-time nurses shall be entitled to at a minimum of one (1) in three (3) weekends off. Should a nurse work on a third or subsequent weekend, such nurse shall receive time and one-half (1½) of her or his basic straight time hourly rate for all hours worked on such additional weekends, save and except where:

(i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or

(ii) such nurse has requested weekend work which has been negotiated with the parties and an LOU signed off; or

(iii) such weekend is worked as a result of an exchange of shifts with another nurse, or

(iv) such weekend is worked as a result of agreement by the nurse to work an additional weekend to accommodate the nurse’s specific vacation requests.

(vi) It is understood that a weekend consists of fifty-six (56) consecutive hours off work during the period following the completion of the last shift Friday until the commencement of the first shift Monday unless otherwise mutually agreed. It is understood that the fifty-six (56) hour period would be in accordance with the scheduling practices of the Homes on the following basis:

(a) 2230 Friday to 0630 Monday; or

(b) 0630 Saturday to 1430 Monday; or

(c) any other fifty-six (56) hour period that begins at the conclusion of the Friday scheduled shift.

The Employer will endeavour to schedule full-time and regular part-time nurses to be off the Friday evening before their weekend off and not to return to work on the Sunday night of their weekend off.

Time worked on that weekend will not be considered when determining future such premium obligations.
16.04 If an employee reports for work at the regularly scheduled time and no work is available, such employee will be paid a minimum of four (4) hours pay at her regular straight time hourly rate, provided the employee has not previously received notification orally or in writing not to report.

16.05 Where call-in is requested within one-half (½) hour of the starting time of the shift and the employee commences work within one (1) hour of the call, then the employee will be paid as if the entire shift had been worked, provided she completes the shift for which she was called in.

16.06 It shall be the responsibility of the employee to consult the posted work schedule. Changes to the posted schedule required by the employer shall be brought to the attention of the employee. Where less than twenty-four (24) hours' notice is given to the employee personally, the employee will be paid four (4) hours' straight time wages or six (6) hours' straight time wages if an extended tour. It is understood that call-ins or call-backs are not covered by this provision.

16.07 If an employee works two consecutive shifts she shall be provided a meal by the Employer, or if a meal cannot be provided she shall receive a meal allowance of five dollars ($5.00).

16.08 **Standby and Call In**

   (a) An employee who is required to remain available for duty on standby outside her or his regularly scheduled working hours shall receive standby pay in the amount of three dollars and forty cents ($3.40) per hour for the period of standby scheduled by the Employer. Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of five dollars ($5.00) per hour. Standby pay shall, however, cease where the employee is called in to work.

   (b) When an employee is required to work (in circumstances where the employee is on standby or where Employer asserts that the employee is not allowed to decline attendance) outside of regular hours, the minimum payment will be equivalent to four (4) hours work or time and one-half (1½) her applicable hourly rate for hours worked, whichever is greater. Where the hours worked are continuous with the commencement of her regular shift, the minimum payment will not apply and she will receive payment at the rate of time and one-half (1½) for the hours worked prior to the commencement of her regular shift.

   (c) Where the employee is required to be on-standby outside her/his regular hours of work, she/he shall receive the on-call premium in accordance with Article 16.08 (a). When the employee's response to telephone calls from the Home does not necessitate travel, she/he shall be paid one and one-half times the regular hourly rate for a minimum of thirty (30) minutes or for the duration of the call (whichever is the more advantageous). The employee shall keep a log of all calls and submit it to the Director of Care or designatee. The employee cannot receive pay for other calls received during the same thirty (30) minute period. However, if the employee must return to the Home, she/he shall be paid in accordance with 16.08 (b).
16.09 **Responsibility Pay**

(a) An employee who is designated in writing to relieve the Director of Care, shall be paid ten dollars ($10.00) per shift for each shift so worked, in addition to her regular rate of pay.

(b) Effective date of ratification, the Employer shall when no supervisor is on duty, designate one employee when employees are on duty, to be in charge on those evening, night or weekend shifts. Such employee shall receive one dollar and fifty cents ($1.50) per hour in addition to her regular rate of pay.

16.10 (a) Effective date of ratification, a nurse shall be paid a shift premium of one dollar and forty-five cents ($1.45) per hour for each hour worked which falls within the hours defined as an evening shift and shall be paid a shift premium of one dollar and sixty-five cents ($1.65) per hour for each hour worked which falls within the hours defined as a night shift, provided that such hours exceed two (2) hours if worked in conjunction with the day shift. Tour differential will not form part of the nurse’s straight time hourly rate. For purposes of this provision, the night shift and the evening shift each consist of 7.5 hours.

(b) Effective date of ratification, a nurse shall be paid a weekend premium of one dollar and seventy-five cents ($1.75) per hour for each hour worked between 2400 hours Friday and 2400 hours Sunday, or such other 48 hour period as the local parties may agree upon. If a nurse is receiving premium pay under Article 16.03, pursuant to a local scheduling regulation with respect to consecutive weekends worked, the nurse will not receive weekend premium under this provision.

16.11 (a) If an employee is required by the Employer to work a weekend in violation of the weekends off scheduling obligations of the collective agreement (if any), she will receive premium payment of time and one-half (1½) for all hours worked on that weekend. Time worked on that weekend will not be considered when determining future such premium obligations.

(b) Premium pay is payable whenever a weekend is worked in excess of the consecutive weekends permitted by the collective agreement unless the assignment of the weekend shift to the employee was initiated by that employee or unless another provision of the agreement makes it clear that premium pay is not due.

16.12 The Employer is not required by the seniority scheduling provisions of the collective agreement (if any) to assign work to senior employees that triggers premium pay. In the event that any such assignment would trigger premium pay and the Employer chooses to assign the shift to an employee, the seniority scheduling provisions shall apply.

16.13 Overtime premium will not be duplicated for the same hours worked under Article 15 nor shall any shift or weekend premium or responsibility allowance be included
in the straight time hourly rate for compounding purposes for hours payable at time and one half. It is expressly agreed that where the employee qualifies for two or more of the following payments: time and one half, shift premium, weekend premium [subject to the limitation in 16.07 (b)] and responsibility allowance, this is not considered pyramiding and each of the applicable payments is payable.

16.14 Christmas schedules will be posted no later than November 15 of each year. Requests for preference shall be submitted by each nurse by October 1 of each year. A nurse will be entitled to be off work for either Christmas (December 24, 25, 26) or New Year’s (December 31, January 1, 2) a Nurse’s request to work both Christmas and New Year’s will also be considered. The Employer will provide no less than four (4) consecutive days off over either Christmas or New Year’s. If the allocation of requests for time off does not allow the efficient operation of the Home, the Manager will adhere to the principle of rotation. In adhering to this principle, the rotation is based upon what the nurse would have been originally scheduled, not whether the nurse had actually worked. Where conflicts to this arise, seniority shall be the governing factor.

If, at the Employer’s sole discretion, a nurse can receive both the time off at Christmas and the time off at New Year’s, the offers will be made to nurses in descending order of seniority on a rotating basis from year to year. Once such an offer has been made to the most junior nurse, the next offer shall be made once again to the most senior Nurse.

The Scheduling articles in this agreement may be waived between December 15 and January 15 in order to facilitate nurses receiving their four (4) consecutive days off. Once the Holiday Season schedule is posted, any changes to the nurse’s schedule must be brought to her attention, and all such changes must be made in accordance with the collective agreement.

18.01 The Nursing Homes and Related Industries Pension Plan

In this Article, the terms used shall have the meanings as described:
“Plan” means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.
“Applicable Wages” means the basic straight time wages for all hours worked, including:

18.02 Each Eligible Employee covered by this Collective Agreement shall contribute from each pay period an amount equal to four percent (4%) of applicable wages to the Plan. The Employer shall match such contributions, the amount being four percent (4%) of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

18.03 The employee and Employer contributions shall be paid to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.

18.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer’s obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

18.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, CH P-5 as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records or otherwise. In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan.
the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

18.07 Employees may make additional voluntary contributions to their RRSP based on whole number percentages, (example 1%, 2%, etc.), up to the legal maximum. It is understood that such voluntary contributions will not be matched by the Employer.
Where legislation or the Plan prohibits an employee from contributing to a pension plan because of age, an amount equivalent to the deductions in Article 18.02 will be paid to the employee on their regular pay.

ARTICLE 19 – PROFESSIONAL RESPONSIBILITY

The parties agree that resident care is enhanced if concerns relating to professional practice and workload are resolved in a timely and effective manner, as set out below;

In the event that the Home assigns a number of residents or a workload to an individual employee or group of employees, such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper resident care, she or they shall:

(a) i) At the time the workload issue occurs, discuss the issue within the Home to develop strategies to meet resident care needs using current resources.

If necessary, using established lines of communication, seek immediate assistance from an individual(s) identified by the Home who has responsibility for timely resolution of workload issues.

ii) Failing resolution at the time of occurrence of the workload issue, complain in writing to the Union-Management Committee within twenty (20) calendar days of the alleged improper assignment. The chairperson of the Union-Management Committee shall convene a meeting of the Union-Management Committee within twenty (20) calendar days of the filing of the complaint. The member of the Committee chosen from the panel of independent registered nurses shall act as Chairperson.

vii) The Independent Assessment Committee shall set a date to conduct a hearing into the complaint, within twenty (20) calendar days of its appointment, and shall be empowered to investigate as is necessary to properly assess the merits of the complaint. The Independent Assessment Committee shall report its findings, in writing, to the parties within twenty (20) calendar days following completion of its hearing.

(b) i) The list of Independent Assessment Committee Chairpersons is attached as Appendix “B”.

(c) i) Time limits fixed in this process may be extended only by written, mutual consent of the parties.

ii) In all steps of this process, either party may be accompanied by or represented by their Union or Employer representative.

19.02 (a) Employees are expected, as part of their regular duties, to provide leadership, supervision, guidance and advice to members of the health care team. The Employer agrees to provide the Union with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS report for the facility.

(e) The employee may request up to three (3) additional days of paid orientation. When making her request, the employee will specify her learning needs and discuss with the Director of Care the development of the orientation learning plan. This request will not be unreasonably denied.

20.04 Both the Employer and the Union recognize the joint responsibility and
commitment to provide, and participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Employer will endeavour to provide programmes related to the requirements of the Home.

Any problems in accessing this information will be reported to the Education Committee for resolution.

The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the employee(s) and to consider practical ways and means of minimizing the adverse effect, if any, on the employee(s) concerned.

Employees who are subject to layoff due to technological change will then be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of Article 9.11 to 9.16

The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that she cannot attend work. Upon written direction from the employee’s physician of such medical condition in consultation with the Employer’s physician, (if requested), the employee will be permitted to access their sick bank, if any, during any outbreak period. If there is a dispute between the physicians, the employee will be placed on unpaid leave.

If the Employer makes an overpayment of a day's pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day's pay, the Employer will be reimbursed based on a mutually satisfactory arrangement between the employee and the Employer.

Retroactivity if any, will be paid within four (4) full pay periods (approximately 8 weeks) of the date of the award or ratification. Retroactivity will be on the basis of hours paid. Retroactive pay will be paid on a separate cheque where the existing payroll system allows. Where the existing payroll system does not allow for such separate cheque, the Home may pay retroactivity as part of the regular pay. In such circumstances, the Home undertakes that the rate of income tax on the retroactivity will not change unless the retroactive pay changes the employee’s annual tax bracket.

NOTE: For greater clarity, recent related experience includes recent related RN experience out of province and out of country.

(3) ONA Rep
(4) ONA Member
(5) ONA LRO
The parties have agreed that resident care is enhanced if concerns relating to professional practice, resident acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner. The collective agreement provides a problem solving process for nurses to address concerns relative to resident care. This report form provides a tool for documentation to facilitate discussion and to promote a problem-solving approach.

PRIOR TO SUBMITTING THE WORKLOAD REPORT FORM PLEASE FOLLOW THE PROBLEM SOLVING PROCESS BELOW and AS OUTLINED IN THE COLLECTIVE AGREEMENT ARTICLE 19 FOR NURSING HOMES OR AS IDENTIFIED IN YOUR COLLECTIVE AGREEMENT.

**PROBLEM SOLVING PROCESS**

1) At the time the workload issue occurs, discuss the matter within the Unit/Floor to develop strategies to meet resident care needs using current resources. Using established lines of communication, seek immediate assistance from an individual identified by the Employer (e.g. Charge Nurse/Assistant Director of Care/ Director of Care/Administrator) who has responsibility for timely resolution of workload issues.

2) Failing resolution of the workload at the time of the occurrence, complete the form. Some Collective Agreements require the nurse to discuss the issue with the Manager (or designate) on the next day that both the Employee and Manager (or designate) are working or within the time frame stated in the Collective Agreement, however in the absence of this language, it is recommended and a good practice to discuss the concern with your Manager.

3) When meeting with the manager, you may request the assistance of a Union representative to support/assist you in the meeting. Every effort will be made to resolve the workload issues at the unit level. The Bargaining Unit Representative shall be involved in any resolution discussions at the unit level. All discussions and action will be documented.

4) The Nursing Home Professional Responsibility Clause assumes the Nursing Leader consulted in the above Step 1 & 2 would be the same person consulted in the above Step 3 and therefore the Nursing Home Step 2 is: Failing resolution, submit the Professional Responsibility Workload Report Form to the Union-Management Committee within 20 calendar days from the alleged improper assignment. The Union-Management Committee will meet within 20 days of the filing of the complaint to attempt to resolve the complaint to the satisfaction of both parties. This is Step 3 in most of the other Collective Agreements. Please check your own Collective Agreement for accurate timelines. (SEE BLANK REPORT FORM ATTACHED TO THESE GUIDELINES.)

5) Prior to the complaint being forwarded to the Independent Assessment Committee (IAC), the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.

6) If the issue remains unresolved it shall be forwarded to an IAC as outlined in the Collective Agreement within the requisite number of days of the meeting in 3) above.

7) The Union and the Employer may mutually agree to extend the time limits for referral of the complaint at any stage of the complaint procedure.

8) Any settlement arrived at under the Professional Responsibility Clause of the Collective Agreement shall be signed by the parties.

**TIPS FOR COMPLETING THE FORM**

1) Review the form before completing it so you have an idea of what kind of information is required.

2) Print legibly and firmly as you are making multiple copies.

3) Use complete words as much as possible. Avoid abbreviations.

4) As much as possible, you should report only facts about which you have first-hand knowledge. If you use second-hand or hearsay information, identify the source if permission is granted.

5) Identify the College of Nurses of Ontario (CNO) Standards/Practice Guidelines/Long-Term Care policies and procedures you believe to be at risk. The CNO Standards can be found at www.cno.org.

6) Do not, under any circumstances, identify residents.

Re: Secondments

The Home shall seek the Union’s agreement if it wishes to establish secondment arrangements. Such agreement shall not be unreasonably denied. The terms and conditions will be established by agreement of the parties.

An employee, who is seconded to another Employer, for a period not greater than one (1) year, shall not suffer any loss of seniority, service or benefits for the duration of the secondment.

Notwithstanding Article 2.04, the parties also agree that the Home may allow an employee from another Employer to be seconded to the home for a period not greater than one (1) year. It is understood that this employee remains the employee of the sending Employer and is subject to the terms and conditions of employment of that Employer. If the seconded employee is not covered by an ONA collective agreement, the Home will ensure that the Union receives the equivalent of the dues remittance for all such employees.

Re: Liability Insurance

Should an employee, who is a Health Professional under the Regulated Health Professions Act, be required to provide her or his Regulatory College with proof of the Employer’s liability insurance, the Employer, upon request from the employee, will provide the employee with a letter outlining the Home’s liability coverage for Health Professionals in the Home’s employ.

It is understood and agreed that the provision of the above noted letter in no way obligates the employer to amend, alter or augment existing insurance coverage or to obtain or maintain insurance coverage beyond what is required by applicable LTC legislation or regulation.

Re: Supernumerary Positions

The Home may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply:

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.

2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.

3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.

4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the employer’s initial request to meet.

5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the collective agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.

6. Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee Guidelines.

7. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The employer and the Union will meet to determine the distribution of the reinvestment initiative funding.

8. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.
9. Notwithstanding paragraph 5 above, if the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, she/he will be reclassified as casual part-time and this will not be considered a lay-off.

10. Any issues related to the new graduate initiatives may be discussed at the Union-Management Committee Meetings.

11. The Home bears the onus of demonstrating that such positions are supernumerary.

12. Where there is a dispute or timeliness issue, either party may raise the concern with the spokespersons for the central teams.
