N.4 Each job-sharer may exchange shifts with her or his partner, as well as with other employee(s) as provided by the Collective Agreement.

- N.5 The job-sharers involved will have the right to determine which partner works on scheduled paid holidays and job-sharers shall only be required to work the number of paid holidays that a full-time employee(s) would be required to work.
- N.6 (a) It is expected that both job-sharers will cover each other's incidental illnesses. If because of unavoidable circumstances, one cannot cover the other, the Hospital must be notified to book coverage. Job-sharers are not required to cover their partner in the case of prolonged or extended absences.
- (b) Vacation, Maternity Leave and Other Leaves Pursuant to Article 11 of the Central Agreement
- In the event that one (1) member of the job-sharing arrangement goes on any of the above leaves of absence, the remaining partner may either take all of her or his partner's shifts or fill in up to the regular part-time commitment. In the latter case, the remaining shifts will be filled in accordance with Article F.2 of the Local Collective Agreement.
- (c) Job-sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on days when neither job-share partner is scheduled or when staffing needs continue to exist after the conditions of Article F.2 have been satisfied. For clarity, job-sharers will be called for additional unscheduled tours after part-time employee(s) have been called for the tour.
- N.7 All other provisions covering job-sharing are contained in the Central Agreement.
- N.8 Implementation
- Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- N.9 An incumbent full-time employee(s) who has had her or his request for job-sharing approved by the Director, Patient Services may do so without having her or his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- N.10 If one of the job-sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the posted position, the remaining employee(s) will revert to her or his former position. If the remaining employee(s) was previously part-time, then the shared position would revert to a full-time position and be posted according to the Collective Agreement.
- N.11 Discontinuation
- Either party may discontinue the job-sharing arrangement with ninety (90) days' notice. Upon receipt of such notice, a meeting shall be held between the parties within thirty (30) days to discuss the discontinuation.
