Such employee has the option of refusing work when it is made available to her, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.
- 2.03 Whenever the feminine pronoun is used in this agreement, it includes the masculine pronoun, where the context so requires and vice-versa. Where the singular is used, it may also be deemed to mean the plural and vice-versa.
- 2.04 Work of the Bargaining Unit

- (c) When it is decided to not fill a position following an employee's resignation, the Home will provide the rationale in writing for this decision to the Union. The Union may request a meeting to make representations on this matter.

The Employer agrees to employ sufficient registered staff and health care aides/ Personal Support Workers to meet the staffing needs that may be set from time to time by statute and/or regulation. - (b) It is agreed that members of the Grievance Committee may require a reasonably brief period of time during the day to fulfill their duties as Committee members as set out in a) above. Where the Labour Relations Officer is the designated Union representative, the Employer shall advise the Labour Relations Officer and arrange a time for the interview.

6.06 Health & Safety

- (a) The Employer and the Union agree that they mutually desire to maintain standards of safety and health in the Home, in order to prevent injury and illness and abide by the *Occupational Health and Safety Act* as amended from time to time.
- (b) A Joint Health and Safety Committee (JHSC) shall be constituted in accordance with the Act, which shall identify potential dangers, recommend means of improving the health and safety programs and obtaining information from the Employer or other persons respecting the identification of hazards and standards. The committee shall meet at least every three months or more frequently if the committee decides.

The Employer agrees to accept as a member of its Joint Health and Safety Committee at least one (1) ONA representative selected or appointed by the Union from the Employer.

Where an inspector makes an inspection of a workplace under the powers conferred upon him or her under the *Occupational Health and Safety Act*, the employer shall afford a certified committee member representing workers the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof. Where a worker certified member is not on-site and available, the Employer shall afford a worker health and safety representative if any, or a worker selected by a Union, because of knowledge, experience and training, to represent it, the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof.

(l) Infectious Diseases

The Employer and the Union desire to arrest the spread of infectious diseases in the nursing home.

To achieve this objective, the Joint Health and Safety Committee may review and offer input into infection control programs and protocols including surveillance, outbreak control, isolation, precautions, worker education and training, and personal protective equipment.

The Employer will provide training and ongoing education in communicable disease recognition, use of personal protective equipment, decontamination of equipment, and disposal of hazardous waste.

6.07

Violence in the Workplace

- (a) The parties agree that violence shall be defined as any incident in which an employee is abused, threatened or assaulted while performing his or her work. The parties agree it includes the application of force, threats with or without weapons and severe verbal abuse. The parties agree that such incidents will not be condoned. Any employee who believes he/she has been subjected to such incident shall report this to a supervisor who will make every reasonable effort to rectify the situation. For purposes of sub-article (a) only, employees as referred to herein shall mean all employees of the Employer notwithstanding Article 2.12.
- (b) The Employer agrees to develop formalized policies and procedures in consultation with the Joint Health and Safety Committee to deal with workplace violence. The policy will address the prevention of violence and the management of violent situations and support to employees who have faced workplace violence. These policies and procedures shall be communicated to all employees.
- (c) The Employer will report all incidents of violence as defined herein to the Joint Health and Safety Committee for review.
- (d) The Employer agrees to provide training and information on the prevention of violence to all employees who come into contact with potentially aggressive persons. This training will be done during a new employee's orientation and updated as required.
- (e) Subject to appropriate legislation, and with the employee's consent, the Employer will inform the Union within three (3) days of any employee who has been subjected to violence while performing his/her work. Such information shall be submitted in writing to the Union as soon as practicable.

6.08

The parties agree that if incidents involving aggressive client action occur, such action will be recorded and reviewed at the Occupational Health and Safety Committee. Reasonable steps within the control of the Employer will follow to address the legitimate health and safety concerns of employees presented in that forum.

It is understood that all such occurrences will be reviewed at the Resident Care Conference.

- 6.09 It is recognized that the Labour Relations Officer is the signing authority for any documents which would form part of or amend the Collective Agreement.
- 6.10 The Union may hold meetings on the Employer's premises providing permission has been first obtained from the Employer.

ARTICLE 7 – UNION SECURITY

- 7.01 The Employer shall deduct monthly from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each such employee. Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings, within that month. The Union shall notify the employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted. When arrears or adjustments are submitted retroactively, the dues month and an explanation will accompany any such dues.
- 7.02 The Employer shall provide the Union with a list showing the first and last names and Social Insurance Numbers of all employees from whom deductions have been made. The report will identify the name of the facility and the month from which the dues are remitted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNs) and status (i.e. full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. On a quarterly basis, the Home will also provide the members' current addresses and phone numbers, shown on the Employer's personnel records. The Employer will endeavour to provide information in electronic format if the Employer has the technology.
- The Union may forward any questions with respect to individual employees in writing (or e-mail) to the Administrator (or designate). The employer will respond to such requests with any information it has which is readily available, within two weeks.
- 7.03 The Employer shall provide each employee with a T4 Supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is or becomes readily available through the employer's payroll system.
- 7.04 The Union shall indemnify and save the Employer harmless with respect to dues so deducted and remitted.

ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURE

- 8.01 The parties to this agreement believe it is important to adjust complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Director of Care or designate at the first opportunity.
- 8.02 In all steps of this grievance procedure an aggrieved employee, if she so desires may be accompanied by or represented by her employee representative. At Step 1 of the grievance procedure a representative of the Ontario Nurses' Association may be present at the request of either party.

- 8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, the employee or union representative will bring it to the attention of the immediate supervisor to settle such differences within ten (10) days of the occurrence.

Step No. 1

If further action is to be taken, then within ten (10) days of the discussion, the employee, who may request the assistance of her employee representative and/or Labour Relations Officer, shall submit the written grievance to the Administrator or designate. A meeting will be held between the parties within ten (10) days. The Administrator shall give a written decision within ten (10) days of the meeting to the Bargaining Unit President or her designate with a copy to the Labour Relations Officer.

Step No. 2

Should the Administrator fail to render his decision or failing settlement of any grievance under the foregoing procedure, including any questions as to whether a matter is arbitrable, the grievance may be referred to arbitration by either party. If no written notice of intent to submit the matter for arbitration is received within ten (10) days after the decision under Step No. 1 is received, the grievance shall be deemed to have been settled or abandoned.

- 8.04 A written grievance will indicate the nature of the grievance and the remedy sought by the grievor. Union grievances shall be set out on the union grievance form. Alternately, the parties may agree to an electronic version of this form and a process for signing.
- 8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.
- 8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.

8.07 Group Grievance

Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Administrator or her designate within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.08 Discharge Grievance

- (a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance. As a good labour relations practice, the Home agrees to provide written reasons within seven (7) calendar days to the affected employee in the case of discharge or suspension.
- (b) Such grievance shall proceed directly to Step No. 1 of the grievance procedure and must be presented in writing, dated and signed within ten (10) days following the discharge.

- 8.09 (a) If an employee is to be reprimanded or disciplined, she may have an employee representative present if she so requests.
- (b) If an employee is to be suspended or discharged, the Employer shall notify her of this right prior to the outset of the meeting.
- (c) The employee representatives undertake to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when an employee representative is unavailable, the employee representative will endeavour to provide an alternate representative.

8.10 Policy Grievance – Union Grievance

The Union may institute a grievance alleging a general misinterpretation or violation of this Agreement by the Employer by submitting a written grievance at Step No. 1 within twenty (20) days after the circumstances have occurred. This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

8.11 Policy Grievance – Employer Grievance

The Employer may institute a grievance alleging a general misinterpretation or violation by the Union or any employee by filing a written grievance with the Bargaining Unit President, with a copy to the Labour Relations Officer within twenty (20) days after the circumstances have occurred. A meeting will be held between the parties within ten (10) days. The Union shall reply within ten (10) days after the meeting, and failing settlement, the matter may be referred to arbitration.

- 8.12 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration, and the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee,

- (a) The Employer shall pay its share of the health and welfare benefits for the calendar month in which the leave commences and in the month immediately following.
- (b) If the leave of absence exceeds thirty (30) consecutive calendar days, benefit coverage may be continued by the employee, provided that she pays the total cost of the premiums to the Employer for each monthly period in excess of the thirty (30) consecutive calendar days leave of absence except as modified by (a).
- (c) Benefits will accrue from the date of return to employment following such leave of absence.
- (d) The employee's anniversary date for salary increases shall be adjusted by the period of time in excess of the thirty (30) continuous calendar days, and the new anniversary date shall prevail thereafter.
- (e) Seniority, service, vacation credits or any other benefits under any provision of the collective agreement or elsewhere will not accumulate, but will remain fixed at the amount held at the commencement of the leave.
- (f) Notwithstanding the above, the Employer shall continue to pay its share of the premium for the benefit plans for employees who are on paid leave of absence or WSIB, and will continue to pay its share of the premium for the benefit plans in accordance with the *Employment Standards Act* for employees who are on pregnancy/parental leave (currently a maximum of twelve (12) months) or family medical leave (currently a maximum of eight (8) weeks) or emergency leave (currently a maximum of ten (10) days per year). It is understood that the obligation of the employer to pay its share of the health and welfare benefits while an employee is on WSIB shall continue only so long as the employment relationship continues or thirty months, whichever occurs first unless prohibited by legislation.

For purposes of this provision, it is understood and agreed that any absence under Article 14.01 shall be considered a leave with pay.

- (g) It is understood that an employee who chooses to continue benefits under (a), (b) or (f) above shall provide the employer with payment for the amount required on or before the first day of the month in which payment is due.

- (h) Notwithstanding 11.10 (e), when an employee is on an educational leave under Article 11.03 above, she will continue to accumulate seniority for up to one (1) academic year. The employee will have the option of remaining in the benefits plans provided she pays the total cost of such benefit premiums subject to clause (a) above. Seniority for part-time will be based on average hours over the last twenty-six (26) weeks prior to Leave of Absence.
- (i) In cases of absences for pregnancy and parental leave under the *Employment Standards Act*, seniority and service shall accrue for the duration of the leave and the Employer will maintain its share of the insured benefit premiums provided the employee issues a cheque to the Employer covering her portion of the premiums each month in advance.

The Union and the Employer agree to abide by the *Human Rights Code*.

Premium pay for time worked will be paid, as required by the Collective Agreement, on the holiday named in the collective agreement. A lieu day off will be the substitute day in accordance with Article 12.04.

Honouring such request shall be subject to the operational requirements of the Home. Where a full-time employee is required to work the substitute day, she will receive a lieu day off with pay.

- 12.02 Holiday pay for full-time employees will be computed on the basis of the number of hours the employee would otherwise work had there been no holiday at her regular rate of pay.
- 12.03 (a) In order to be eligible for a paid holiday, a full-time employee must have worked her last scheduled shift immediately preceding, and her first scheduled shift immediately following, the holiday; provided an employee shall not lose holiday pay if she is absent on any such days, and such absence is a scheduled day off, is a vacation day, is excused by the Home, or is the result of an illness or injury confirmed by a physician's certificate, if requested, or is on approved leave of absence. Employees shall not be entitled to holidays with pay which fall during the period of Pregnancy, Parental, WSIB, or unpaid leave of absence over thirty (30) days.

- 12.04 An employee who is required to work on any of the above named holidays shall be paid at the rate of time and one-half (1½) her regular straight time rate of pay for all hours worked on such holiday. In addition, a full time employee will receive a lieu day off with pay in the amount of her regular straight time hourly rate of pay times the number of hours in a normal daily shift.
- 12.05 A shift that begins or ends during the twenty-four (24) hour period on the day of the above holiday, where the majority of hours worked falls within the holiday, shall be deemed to be work performed on the holiday for the full period of the shift.
- 12.06 (a) If a paid holiday falls during a full-time employee's vacation, her vacation shall be extended accordingly, unless the employee and the Employer agree to schedule a different day off with pay on a mutually agreeable day within a period of eight (8) weeks after the holiday, providing the employee qualifies for the holiday pay.
- (b) If a paid holiday falls on a full-time employee's regular day off, another day off with pay shall be scheduled on a mutually agreeable day within a period of eight (8) weeks after the holiday, providing the employee qualifies for the holiday pay.

12.08 *(Full-Time)*

Employees shall be allowed to request up to five (5) lieu days off at a time. Requests for lieu days off shall not be unreasonably denied.

ARTICLE 13 – VACATIONS

13.01 All employees who are regularly scheduled seventy-five (75) hours on a bi-weekly basis shall receive vacations with pay based on length of full-time continuous service as follows:

- (a) Employees who have completed less than one (1) year of full time continuous service (as of the date and methods for determining vacation entitlement in the individual Home) shall be entitled to a vacation on the basis of 1.25 days for each completed month of service with pay in the amount of six percent (6%) of gross earnings.

If an employee who is regularly scheduled seventy-five (75) hours on a bi-weekly basis, works less than 1500 hours in the vacation year, she shall receive vacation pay as a percentage of gross earnings in accordance with Article 13.02 below.

13.02 All employees who are regularly scheduled less than seventy-five (75) hours on a bi-weekly basis, shall be entitled to vacation pay based upon the applicable percentage of their gross earnings provided in accordance with the vacation entitlement for employees who are scheduled seventy-five (75) hours on a bi-weekly basis on the following basis:

3 week entitlement	– 6%
4 week entitlement	– 8%
5 week entitlement	– 10%
6 week entitlement	– 12%
7 week entitlement	– 14%

Casual part-time employees will be paid vacation pay in accordance with the above entitlement on gross earnings. Equivalent years of service will be based on the casual part-time employee's seniority established under Article 9.01 and will be calculated on the basis that 1500 hours of part-time service shall equal one (1) year of full-time service and vice-versa.

13.03 (a) For the purpose of vacation entitlement service for employees who transfer from part-time to full-time or vice versa, shall mean the combined service as a part-time and full-time employee employed by the Home and accumulated on a continuous basis.

Those Employers with no computer capability will endeavour to implement bi-weekly vacation pay if there is no significant administrative burden, by the start of the next vacation year or earlier. If the Employer does not so implement, it will provide reasons in writing to the Union.

Where possible without extensive programming changes, the amount of vacation pay will be separately identified on the pay stub.

13.05 Part-time employees must take at least two (2) calendar weeks of vacation per year in blocks of not less than one (1) week, in accordance with the vacation scheduling provisions of the collective agreement. Absent the employee's co-operation in this regard, the Employer will schedule the employee's two (2) weeks of vacation.

13.06 An employee who leaves the employ of the Home for any reason shall be entitled to receive any unpaid vacation pay which has accrued to her or him to the date of her or his separation, it being understood and agreed that the employee will provide at least two (2) weeks' notice of termination.

13.07 Vacations – Interruption

- (a) Where an employee's scheduled vacation is interrupted due to a serious illness which requires hospitalization and commenced before and continues into the scheduled vacation period, the period of such illness shall be considered sick leave provided the employee provides satisfactory documentation of the hospitalization.
- (b) Where a vacationing employee becomes seriously ill requiring her to be an inpatient in a hospital, the period of such illness shall be considered sick leave provided that the employee provides satisfactory documentation of the hospitalization.
- (c) The portion of the employee's vacation which is deemed to be sick leave under the above provisions will not be counted against the employee's vacation credits.
- (d) Where an employee's scheduled vacation is interrupted due to bereavement, the employee shall be entitled to bereavement leave in accordance with Article 11.04.
- (e) The portion of the employee's vacation which is deemed to be bereavement leave under the above provisions will not be counted against the employee's vacation credits.

13.08 *The vacation year for scheduling purposes shall be July 1st to June 30th of each year.*

13.09 (a) *Employees shall indicate their vacation preference by March 31st of each year and the Employer shall post the final vacation schedule by April 15th of each year. Choice of vacation period shall be based on seniority but shall be determined by the Director of Resident Care or designate having due regard to the proper operation of the Home.*

Vacation requests made after the posting of the vacation schedule shall be determined by the Director of Resident Care or designate having due regard to the proper operation of the Home on a first-come-first-serve basis, not on the basis of seniority.

For the purpose of clarity, only the amount of vacation time off for part-time employees, without pay, will be based on the vacation level of each employee on February 28th in each year.

- (b) *Requests for vacation shall not be unreasonably and/or arbitrarily withheld.*
- (c) *Employees may request, pursuant to Article 13.09 (a), to have the weekend off prior to or following their vacation. The Employer will endeavour to schedule such request, subject to the following:*

- i) *Where the weekend off is granted and the employee was otherwise scheduled to work on those days, such extra days will be deemed to be vacation days;*
 - ii) *The employee must have such vacation entitlement available; and*
 - iii) *The weekend off being requested must be contiguous with (i.e., consecutive with) the employee's original vacation.*
- (d) *Prior to leaving on vacation, an employee shall be notified of the date and time on which to report back for work following vacation if the posted work schedule does not cover the employee's vacation period, if the information is known by the Employer.*

- (c) *During the first year of employment, a full-time employee with at least six (6) months of service may be granted up to five (5) days vacation in advance of their entitlement date if requested and at the Employer's discretion.*
- 13.12 *Normally, at least five (5) days of vacation must be taken at any one time. An employee may, however, take up to five (5) days of her vacation in single days. Single vacation days will be considered after full week requests.*
- To ensure that equitable opportunities exist for all employees to enjoy a vacation during prime time (June 15th to September 15th), vacation requests will be subject to the Employer's Vacation Guidelines.*
- 13.13 *Full-time employees may not waive a vacation and draw double pay.*

ARTICLE 14 – DISABILITY INCOME PROTECTION PLAN

- 14.01 Income protection is payable when a full-time employee is absent from work due to legitimate personal illness or injury which is not compensable under the *Workplace Safety and Insurance Act*. It is understood that payment of income protection is for the sole and only purpose of protecting employees against the loss of income during time of such illness. Seniority and service will accrue and the Employer shall continue to pay its share of the premium for the benefit plans during the period of the income protection noted in this provision.
- (a) i) The Employer will pay seventy percent (70%) of the full-time employees straight-time scheduled wages lost as a result of

legitimate personal illness or injury up to the third day of such illness or injury.

- ii) The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering legitimate personal illness or injury from the 4th day of illness to the end of the second calendar week of such illness or injury. Payment under weekly indemnity will be seventy percent (70%) of straight-time scheduled wages lost. It is understood and agreed that the employer may self-insure coverage if it so chooses and shall notify the Union of any change in practice.
- (b) The employee shall apply for E.I. sick leave for weeks 3 through 17 of any legitimate illness or injury. The Employer will top-up these benefits to seventy percent (70%) of straight time wages. In the event the employee does not qualify for E.I. Sick Leave benefits by reason of lack of adequate contributions, she shall receive seventy percent (70%) of her straight time wages for weeks 3 through 17 of any legitimate illness or injury but shall not be eligible for benefits under (c) below. The employee will endeavour to provide a copy of the Employment Insurance cheque stub within two (2) weeks of receipt of the employee's EI benefit.
 - (c) The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering legitimate personal illness or injury for weeks 18 through 30 of such illness or injury. Payment under weekly indemnity will be seventy percent (70%) of scheduled straight-time wages lost.

It is understood, that this benefit commences like all other insurances, after the third month of employment.

14.02 The parties agree that sub-article 14.01 (a) (i-ii) will be applied in the following manner during the employer self insured period:

- (a) For any absence for which sick pay is claimed, an employee must provide the Employer with a certificate, in the form attached hereto as Schedule "A", signed by the employee and confirming that personal illness or injury has prevented the employee's attendance at work on those days.
- (b) The employee will be required to provide the Employer with a medical certificate as set out in Schedule "B", confirming that the employee's personal illness or injury prevented the employee's attendance at work, if:
 - i) The employee has been absent for at least three consecutively scheduled shifts, and the Employer has requested such certificate; or
 - ii) The employee has an established pattern of absenteeism, and the Employer has given the employee written notice that he or she must provide such a certificate.
- (c) The employee will be required to provide the Employer with a medical certificate as set out in Schedule "B", confirming that the employee's personal illness or injury prevented the employee's attendance at work, if the Employer requests that the employee provide a certificate from his or

her physician (or nurse practitioner or midwife, in the context of the employee's pregnancy) that he or she is sufficiently recovered from the personal illness which caused his or her absence and is capable of performing his or her former duties and responsibilities; the employee's reinstatement after sick leave will be conditional on his or her supplying such certificate.

- (d) The Employer reserves the right to require a medical certificate at the Employer's expense in special circumstances, such as:
- i) when the information provided in the standard form is insufficient to substantiate illness or injury; or
 - ii) when additional information is required to establish that the employee is medically able to return to work with or without accommodation; or
 - iii) under other circumstances, subject to a reasonable rationale.

It is understood that the Employer is not entitled to request or receive a medical diagnosis, except or unless it is required by a statutory or regulatory body or organization, but is entitled to request and receive a prognosis concerning the employee's medical condition.

14.03 If the WSIB does not approve a claim for benefits, the employee may apply for benefits under Article 14.01 notwithstanding the delay inherent in awaiting the ruling from WSIB and notwithstanding any procedural rules of any insurance carrier administering the benefit.

- 14.04
- (a) Convert existing sick banks to a frozen dollar bank, based on the wage rates in the expiring Collective Agreement after the addition of pay equity adjustments of May/June, 1999, effective the date of implementation of the plan in Article 14.01 by HRDC. This bank can only be used for purposes set out in this Article (i.e. 14.04).
 - (b) Within one (1) month of the implementation of this plan and annually thereafter, the Employer will advise each employee, in writing, of the remaining dollar value for cash out purposes, of her or his sick leave bank.
 - (c) Divide the sick leave bank by six (6) and multiply that number by seventy-five percent (75%).
 - (d) This payment will be paid on a date agreed to by the Employer and the employee. In the absence of such agreement, the payment will be made on each anniversary date of the date of the approval of the sick leave plan by HRDC. It is understood that this payment will be paid subsequent to the employee's return from pregnancy/parental or sick leave. Employees will receive as a lump sum payment the amount calculated in item (c) above. This payment shall be made annually for six (6) years as long as the employee remains actively at work.

14.05 The Employer agrees that employees may pay, through payroll deductions, for full premium costs of the ONA sponsored benefit program, provided the Employer's system can accommodate this. The ONA sponsored benefit plan will provide the Employer with an administrative rebate, if any.

The Employer will make no payroll deductions for such benefits in months in which the employee has insufficient earnings. In this circumstance, the employee is responsible for making the full payment to the ONA sponsored benefit plan.

The Union agrees to indemnify and save harmless, the Employer against any claims or liabilities arising or resulting from the operation of this Article.

The parties agree to give the Employer appropriate time to establish the payroll deduction process. Once established, the payroll deduction process for benefits through the ONA sponsored program will be communicated to the Union and the employees. The Employer will facilitate access to employees by providing available benefit literature and other communications, as appropriate.

- 14.06 An employee who will be absent on the afternoon or night shift due to personal illness must notify the Employer at least two (2) hours prior to the commencement of the shift unless impossible. An employee who will be absent on the day shift due to personal illness must notify the Employer at least one and one-half (1½) hours prior to the commencement of the shift unless impossible. Late notice does not cause forfeiture of sick pay benefits.
- 14.07 Full-time employees who, having completed at least one-half (1/2) of their scheduled shift, return home for reasons of sickness or accident will be paid their regular rate for the balance of the shift.
- 14.08 (a) All employees, as a condition of employment, will obtain examinations as required by the Nursing Homes Act. Employees may have this examination completed by their family physician.
- (b) The Employer will reimburse the employee for the physician's fees for such examinations not covered by the employee's insurance.

ARTICLE 15 – HOURS OF WORK & SCHEDULING

- 15.01 The normal hours of work for an employee are not a guarantee of work per day or per week, or a guarantee of days of work per week. The normal hours of work shall be seven and one-half (7½) hours per day, and seventy-five (75) hours in any bi-weekly period.
- 15.02 The normal daily shift shall consist of seven and one-half (7½) consecutive hours, exclusive of a one-half (½) hour unpaid meal period. Employees shall be entitled to a fifteen (15) minute paid break during each half of the normal daily shift, at a time designated by the Employer.
- 15.03 Employees required for reporting purposes shall remain at work for a period of up to fifteen (15) minutes which shall be unpaid. Should the reporting time extend beyond fifteen (15) minutes however, the entire period shall be considered overtime for the purposes of payment.
- 15.04 Requests for change in posted work schedules must be submitted in writing and co-signed by the employee willing to exchange days off or shifts and are subject to the discretion of the Administrator or her designate. In any event, it is understood that such a change initiated by the employee and approved by the

Employer shall not result in overtime compensation or payment or any other claims on the Employer by any employee under the terms of this Agreement.

15.05 Where there is a change to Daylight Savings from Standard Time or vice-versa, an employee who is scheduled and works a full shift shall be paid for a seven and one-half (7½) hour shift rather than the actual hours worked.

15.06 In the event that a meal period is interrupted requiring an employee to attend to a work related problem, then the balance of the unused meal period will be taken within two (2) hours of the interruption. If the employee is unable to reschedule such time, she shall be paid time and one-half (1½) her regular straight time hourly rate for all time worked in excess of her normal daily hours, in accordance with Article 16.01.

15.07 Extended Tours/Hybrid Schedules

The Employer and the Union may agree to implement extended tours or hybrid schedule (mix of extended and normal tours). For clarity, a hybrid schedule may include extended tours on weekends and normal tours during the week. The following will apply:

- (a) Each facility/unit must have sixty-six and two thirds percent (66⅔%) agreement of the full-time and part-time employees who work in the facility/unit.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The Extended Tour/Hybrid Schedule may be cancelled by either party on giving ten (10) calendar weeks' notice to the other in writing of its desire to terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the cancellation.

Extended tours may be discontinued by the Union in any facility/unit when sixty percent (60%) of the full-time and part-time employees in the facility/unit so indicate by secret ballot to the Union.

- (c) With the exception of the specific variations set forth in this Article, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

(d) Hours of Work

i) Where employees are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.

ii) The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid meal time. For hybrid schedules, there will be scheduled

normal daily tours of seven and one-half (7½) hours and 11.25 consecutive hours per day.

- iii) Employees working an extended tour shall be entitled, subject to the exigencies of resident care, to paid relief periods during the tour of a total of forty-five (45) minutes. For hybrid schedules, there will also be shifts that provide for relief periods in accordance with Article 15.02.
 - iv) Scheduling issues will be resolved at the local level.
 - v) Where the union and the employer have agreed to or agree to an extended daily tour or hybrid schedule that differs from the normal daily extended tour, the proportion of unpaid time to hours of work shall maintain the same ratio as set out in paragraph ii) and iii) of this Article.
- (e) Payment for bereavement leave is based on 11.25 hours for extended tours. For hybrid schedules, the payment for bereavement leave shall be based on the length of scheduled shift.
 - (f) Payment for vacation and paid holidays for full-time employees is based on the equivalent to the 7.5 hour entitlement. For clarity, payment for lieu days as a result of a paid holiday for full-time employees is paid at 7.5 hours.
 - (g) Shift and weekend premiums as per Article 16.07 will be paid for the same hours as applied to seven and one half (7.5) hour tours, the intention being that the total amount of shift or weekend premium will not change because of the move to extended tours or hybrid schedules.
 - (h) Overtime premium as set out in Article 16.01 shall be paid for all hours paid in excess of 11.25 hours on a scheduled extended tour or 75 hours bi-weekly averaged over the duration of a six (6) week schedule.

For a hybrid schedule, the overtime premium as set out in Article 16.01 shall be paid for all hours in excess of the scheduled shift length on that day or 75 hours bi-weekly averaged over the duration of the scheduling period unless otherwise agreed between the local parties.

- (i) Shift exchanges will be in accordance with Article 15.04.
- (j) Should the Employer refuse to grant a request under this Article, it shall provide to the Union its reasons orally.
- (k) 4 on / 5 off

Where the Union and the Employer agree to implement an extended tour arrangement in accordance with the above provisions, the parties can further agree to specific scheduling language related to a "4 On/5 Off" schedule that will be negotiated locally by the Home and the Union subject to the following principles:

- i) There shall be an initial trial period as negotiated by the local parties prior to the implementation of a permanent schedule.

- ii) All "4 on/5 off" schedules will be done on the basis that each full-time employee will be scheduled for 1,950 hours per calendar year, unless Articles 2.02 (a) or 15.08 applies.
- iii) All other scheduling issues (e.g. scheduling of paid holidays, weekends off, Christmas time off, etc.) shall be negotiated by the local parties.

15.08 Individual Special Circumstance Arrangements

Notwithstanding Article 2.02, the Home and the Union may agree in certain circumstances, to adjust the schedule of an individual full-time employee who normally works seventy five (75) hours bi-weekly, to enable an average bi-weekly work assignment of sixty (60) to seventy five (75) hours.

- (a) Such an arrangement shall be established by mutual agreement of the Home and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position. The parties will agree to the scheduling provisions that will apply to the employee including that no additional shifts will be scheduled for employees working Individual Special Circumstances Arrangements.
- (b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid holidays and benefit coverage will be determined by the Home and the Union. The employee will retain full-time status, including but not limited to seniority and service.
- (c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.
- (d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

15.09 Innovative Scheduling

Schedules which are inconsistent with the Collective Agreement provisions may be developed in order to improve quality of working life, support continuity of resident care, ensure adequate staffing resources, and support cost-efficiency. The parties agree that such innovative schedules may be determined locally by the Home and the Union subject to the following principles:

- (a) Such schedules shall be established by mutual agreement of the Home and the Union;
- (b) These schedules may pertain to full-time and/or part-time employees;
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the local parties. Such schedules may be discontinued by either party with notice as determined through local negotiations;

- (d) Upon written agreement of the Home and the Union, the parties may agree to amend collective agreement provisions to accommodate any innovative unit schedules;
- (e) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.
- (f) It is understood and agreed that these arrangements can be utilized for temporary job postings for seasonal coverage (e.g. weekend workers, etc.).

15.10

Four on, Two off Schedule

In an effort to maximize full-time employment opportunities, the local parties may agree to a “four on, two off” innovative schedule, subject to the following principles:

- (a) The introduction of such schedules and trial periods, if any, shall be determined by the local parties;

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66 $\frac{2}{3}$ % agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- (b) The implementation of such schedules shall be established only by mutual agreement of the Employer and the Union;
- (c) Notwithstanding the definition for full-time employee under Article 2.02, employees who participate in this schedule will normally be scheduled for thirty-five (35) hours per week on average and will be considered a full-time employee for all purposes of the collective agreement;
- (d)
 - i) Notwithstanding Article 16.01, for the purposes of bi-weekly overtime, the normal weekly full-time hours shall remain at seventy-five (75) hours per bi-weekly average over a six (6) week period. In each bi-weekly pay period the employee will be paid for all hours worked. At the end of the six (6) week period, entitlement for bi-weekly overtime will be calculated and paid.
 - ii) Notwithstanding Article 16.01, for the purposes of daily overtime, the normal daily hours shall remain at seven and a half (7.5) hours per day. In each bi-weekly pay period the employee will be paid for all hours worked including daily overtime, if any.
- (e) For the purposes of vacation entitlement, the current collective agreement provisions shall apply using thirty-five (35) hours per week;
- (f) Each facility/unit must have eighty percent (80%) agreement of the full-time and part-time employees who work in the facility/unit;
- (g) The Four on, Two off schedule, may be discontinued by either party upon receipt of twelve (12) weeks' notice to the other in writing of its desire to

terminate. A meeting shall be held within two (2) weeks of receipt of such notice to discuss the reasons for the discontinuation.

The Four on, Two off schedule, may be discontinued by the Union in any facility/unit when sixty percent (60%) of the employees in the facility/unit so indicate by secret ballot to the Union.

15.11

Job Sharing / Time Sharing

- (a) Job sharing shall be interpreted to mean two employees sharing one full-time position (10 shifts bi-weekly).
- (b) Time sharing shall be interpreted to mean two employees sharing one full line (14 shifts bi-weekly).

Clarifying Note: One full-time and a regular part-time "shadow" does not constitute a time sharing arrangement.

- (c) The introduction of job/time sharing arrangements in a Home will be subject to mutual agreement between the Union and the Employer.

Job/time sharing requests shall be considered on an individual basis. Such approval will not be unreasonably withheld.

- (d) The employees involved in job share/ time sharing are entitled to all the regular part-time provisions except those which are modified as follows:
 - i) Schedules and scheduling language shall be established by the mutual agreement of the Union and the Home. This will include the division of hours between the job/time sharers.
 - ii) Each job/time sharer may exchange shifts with her or his partner as well as other employees as provided by the Collective Agreement.

Employees who are currently in a job/time sharing arrangement and are full-time will retain that status and be covered by the full-time provisions of the collective agreement. For clarity, this grandparents employees in time sharing arrangements, not positions. When individuals leave these positions, the vacant position will be posted under (d) and (e) below.

- (e) Absences and Leaves

In the event that one member of the job/time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the absences, she or he must inform the Director of Resident Care or designate.

- (f) Implementation

- i) Where the job/time sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that there are no successful applicants, then both job/time sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

- ii) An incumbent full-time employee wishing to share her or his position may do so without having her or his half of the position posted. The other half of the job/time sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- iii) It is understood and agreed that the arrangement is for a trial period of six (6) months for the full-time employee originating the request. Once the trial period is over, the employee cannot revert to her former position except under (v) below.
- iv) Where two (2) full-time employees wish to job/time share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the collective agreement.
- v) If one of the job/time sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the remaining employee will revert to her or his former status. If the remaining employee was previously full-time, the shared position will become her/his position. If the remaining employee was previously part-time and there is no part-time position available, she or he shall exercise her or his layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(g) Discontinuation

Either party may discontinue the job/time sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job/time sharing, the employees currently working those arrangements will revert to their former status.

Where an employee does not have a former position to return to, the layoff and recall provisions of the collective agreement will apply. Where there remains a vacancy after employees revert to their former position, the vacancy will be posted in accordance with the collective agreement.

15.12

Weekend Worker

A weekend schedule may be developed in order to meet the Home's need for weekend staff, and individual employees' preference for a weekend work schedule.

A weekend schedule is defined as a schedule in which a full-time employee works a weekly average of thirty (30) hours and is paid for 37.5 hours at her or his regular straight time hourly rate. The schedule must include two 11.25 hour tours, which fall within a weekend period as determined by the Home and the Union. An

employee working a weekend schedule will work every weekend except as provided for in the provisions below.

The Employer and the Union may agree to implement weekend schedule if sixty-six and two thirds percent (66⅔%) of the full-time and part-time employees who work in the facility/unit are in agreement. The introduction of that schedule and the manner in which the position(s) are filled, shall be determined by the local parties. This schedule may be discontinued by either party with notice as determined by the local parties. The opportunity for an individual employee to discontinue this schedule shall be resolved by the local parties.

Notwithstanding the voting mechanism above, a three (3) month trial period (or longer period, where agreed by the Home and the Union) for a weekend worker arrangement may be implemented without a vote in circumstances where the following additional conditions apply:

- An RN (or RNs) volunteers or applies for a weekend worker position and the Home and the Union agrees to accept the request.
- The work schedule will be modified to accommodate such a request provided there is no reduction in the regularly scheduled hours of the other RNs in the bargaining unit.
- Prior to the conclusion of the trial period, representatives of the Home and of the Union will evaluate and discuss the outcomes.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

(a) Weekend and shift premiums shall not be paid;

(b) Vacation Bank

Vacation entitlement is determined by Article 13. For the purposes of Article 13, hours worked or credited as paid leave will be based on an accelerated rate of 1.25 hours credit for each hour worked. Mechanism for the vacation bank is determined by current local practices.

Drawing from the vacation bank will occur at an accelerated rate of 1.25 paid hours for every hour taken as vacation (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

Vacation must be taken as a full weekend off (i.e. Saturday and Sunday). The maximum number of weekends off cannot exceed the week entitlement level determined by Article 13.

Single vacation days may be taken on weekdays, which need not be in conjunction with the Saturday and Sunday. Vacation – Interruption does not apply.

(c) Paid Holiday Bank

Employees qualify in accordance with the collective agreement. The paid holidays are identified in the Collective Agreement.

Credit to the paid holiday bank will occur on the date of the holiday.

Drawing from the paid holiday bank will occur at an accelerated rate of 1.25 hours paid for every hour taken (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

If an employee works on a paid holiday as defined by the local parties, she or he will receive one and one-half (1½) times her regular straight time hourly rate of pay for all hours worked on a holiday. The employee will not receive a lieu day. Article 16.02 also applies.

The holiday bank can be used as income replacement for absences due to illness or for lieu time off on a weekday.

(d) Sick Leave

The employee is eligible for long term disability benefits if provided for in the Collective Agreement. An employee will not receive pay for the first two (2) weeks of any period of absence due to a legitimate illness. The employee may utilize the paid holiday bank as income replacement for absences due to illness, as described in Article (c) above. An employee who is eligible may apply for Employment Insurance for weeks three (3) through seventeen (17) for any absence due to a legitimate illness. The Home will provide the employee with Disability Income Protection as per Article 14.01 (c) for weeks eighteen (18) through thirty (30) for any absence due to a legitimate illness.

Employees may be required to provide medical proof of illness for any absence of a scheduled shift, which is neither vacation nor an approved leave of absence.

(e) Leaves of Absence

Article 11 applies for both paid and unpaid leaves. For the purposes of an unpaid 11.25 hour shift, the deduction from pay shall equate to 14.05 hours. For the purposes of an unpaid 7.5 hour shift, the deduction from pay shall equate to 9.375 hours.

(f) Tour Exchange

Weekend shift exchanges will be permitted only between weekend shift employees. Weekday shift exchanges will be permitted, provided the Home does not incur additional costs.

In all instances of tour exchange, the tour must be of the same duration.

(g) Overtime

Overtime will begin to accrue after sixty (60) hours in a two (2) week period averaged over the scheduling period determined by the local parties.

Overtime will apply if the employee works in excess of the normal daily hours.

Payment for overtime is as in Article 16.01.

(h) Scheduling Provisions

The scheduling and premium provisions relating to consecutive weekends off in Article 16 do not apply to employees who accept positions under this provision.

(i) Christmas Period

Article 16 relating to scheduling during this period will apply, except as modified to confirm that the weekend shift employee will continue to work weekends during this period.

(j) When a part-time employee works on a weekend normally worked by a weekend worker, all of the provisions of the Collective Agreement except 15.12 will apply.

15.13 Self Scheduling

The Home and the Union may agree to implement a self-scheduling process. Self-scheduling is the mechanism by which employees in a Home create their own work schedules. The purpose of self scheduling is to improve job satisfaction and quality of work life for the participating employees. Self scheduling requires a collaboration of employees and management to ensure proper coverage of the Home and to meet the provisions of the Collective Agreement. It is agreed that self scheduling will be negotiated locally by the Home and the Union and will include a trial period.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months. Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

15.14 (a) Scheduling

The Employer will schedule according to the following guidelines:

- i) At least every other weekend off.*
- ii) Schedules will be posted no less than four (4) weeks in advance and cover at least a four (4) week period.*
- iii) (Full-Time)*

On the posted schedule, an employee will be scheduled off at least one (1) period of two (2) consecutive days within a two (2) week period. Failure to do so will result in the employee being paid one and one-half (1 ½) times her regular rate for all hours worked until she receives at least two (2) consecutive days off.

The provisions of this Article do not apply when the employee is called-in in accordance with the call-in procedures or when the employee is required to work in accordance with Article 16.08 (b). In those circumstances, the employee will be paid in accordance with the provisions of Article 16.08 (b).

(Part-Time)

On the posted schedule, a part-time employee working an average of five (5) tours per week will be scheduled off at least one (1) period of two (2) consecutive days within a two (2) week period. Failure to do so will result in the employee being paid one and one-half (1 ½) times her regular rate for all hours worked until she receives at least two (2) consecutive days off.

The provisions of this Article do not apply when the employee is called-in in accordance with the call-in procedures or when the employee is required to work in accordance with Article 16.08 (b). In those circumstances, the employee will be paid in accordance with the provisions of Article 16.08 (b).

- iv) *At least fifteen and one-half (15 ½) hours will be scheduled off between shifts or changeover of shifts. An employee will be paid premium pay at the rate of time and one-half her straight time hourly rate for all time worked until fifteen and one-half (15 ½) hours has elapsed since the end of her last shift worked if the employee has not consented to the short change.*

- v) *(Full-Time)*

On the posted schedule, an employee will not normally be scheduled to work more than six (6) consecutive days without two (2) days off. Failure to do so will result in the employee being paid one and one-half (1 ½) times her regular rate for all hours worked until she receives at least two (2) consecutive days off.

The provisions of this Article do not apply when the employee is called-in in accordance with the call-in procedures or when the employee is required to work in accordance with Article 16.08 (b). In those circumstances, the employee will be paid in accordance with the provisions of Article 16.08 (b).

(Part-Time)

On the posted schedule, an employee will not normally be scheduled to work more than six (6) consecutive days without two (2) days off. Failure to do so will result in the employee being paid one and one-half (1 ½) times her regular rate for all hours worked until she receives at least two (2) consecutive days off.

The provisions of this Article do not apply when the employee is called-in in accordance with the call-in procedures or when the employee is required to work in accordance with Article 16.08 (b). In those circumstances, the employee will be paid in accordance with the provisions of Article 16.08 (b).

- vi) *(Full-Time)*
If an employee rotates on day tour and at least one (1) other shift, the Employer will endeavour to schedule at least fifty percent (50%) of the time worked on day shift. Employees will not be required to rotate on more than two (2) shifts.

Employees will normally be scheduled days/evenings or days/nights.

(Part-Time)

Employees shall not be required to rotate on more than two (2) shifts. All job postings must indicate days/evenings, days/nights or a permanent shift.

- vii) *Prior to the posting of the time schedule, an employee may make a request for specific time off, in writing, to the Employer. Such requests shall not be unreasonably denied. The Employer will respond, in writing, within a reasonable time.*

- viii) *The Employer shall give employees and the Union at least six (6) weeks' notice of any proposal to change scheduling rotations. If requested, the parties will meet to discuss the impact of the scheduling rotations.*

- ix) *Hours of Work*

The normal tour hours are as follows:

- (1) *For seven and one-half (7 ½) hour tours:*

*0700 – 1500 (day shift);
 1500 – 2300 (evening shift); or
 2300 – 0700 (night shift).*

The Employer shall give employees at least six (6) weeks' notice of any change to the normal hours of work.

- (2) *Night shift will be the first shift of the day.*

15.15 *(Part-Time)*

A regular part-time employee must make the following commitment to be available to be scheduled for work on a regular predetermined basis as referred to in clause 2.02 (b):

- (a) *at least four (4) shifts in a two (2) week period;*
 (b) *at least one (1) weekend in two (2);*
 (c) *over Christmas or New Year's;*
 (d) *during eleven (11) months of the year.*

The commitment that a regular part-time employee must make as specified herein is no guarantee that the employee will be scheduled to work according to this commitment. Further, the simple working of this commitment does not automatically transform a casual part-time employee into a regular part-time employee. Other part-time employees will be casual.

The Employer shall not schedule a regular part-time employee in excess of her commitment, without the employee's agreement.

15.16 (Part-Time)

- (a) *When all regular part-time employees have been given the opportunity to work up to their commitment, the Employer will offer additional tours to regular and casual part-time employees on the basis of seniority, subject to the following:*
- i) regular part-time employees;*
 - ii) casual part-time employees;*
 - iii) regular part-time employees who will be in overtime;*
 - iv) if no part-time employee is available at straight or premium pay, then the shifts may be offered to a full-time employee in order of seniority.*
- (b) *It is recognized that the Employer shall not be required to assign any hours which may result in overtime premium pay.*

ARTICLE 16 – PREMIUM & OTHER PAYMENT

- 16.01 Overtime shall be paid for all paid hours over seven and one-half (7½) hours on a shift or seventy-five (75) hours bi-weekly at the rate of one and one-half (1½) times the employee's regular straight time hourly rate of pay. Overtime is subject to authorization by the Director of Nursing or designate. Authorization shall not be unreasonably withheld. In the event of an emergency, authorization may not be required.
- 16.02 When an employee is required to work on a paid holiday or on a day for which she is entitled to receive time and one-half (1½) her regular straight time hourly rate and she is required to work additional hours following her normal seven and one-half (7½) hour shift on that day, she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.
- 16.03 If an employee reports for work at the regularly scheduled time and no work is available, such employee will be paid a minimum of four (4) hours pay at her regular straight time hourly rate, provided the employee has not previously received notification orally or in writing not to report.
- 16.04 Where call-in is requested within one-half (½) hour of the starting time of the shift and the employee commences work within one (1) hour of the call, then the employee will be paid as if the entire shift had been worked, provided she completes the shift for which she was called in.

- 16.05 It shall be the responsibility of the employee to consult the posted work schedule. Changes to the posted schedule required by the employer shall be brought to the attention of the employee. Where less than twenty-four (24) hours' notice is given to the employee personally, the employee will be paid four (4) hours' straight time wages or six (6) hours' straight time wages if an extended tour. It is understood that call-ins or call-backs are not covered by this provision.
- 16.06 If an employee works two consecutive shifts she shall be provided a meal by the Employer, or if a meal cannot be provided she shall receive a meal allowance of five dollars (\$5.00).
- 16.07 Shift and Weekend Premium
- (a) Effective July 1, 2013 – shift premium 85¢/hour.
 - (b) Effective July 1, 2013, an employee shall be paid a weekend premium of one dollar (\$1.00) per hour for each hour worked between 2300 hours Friday and 2300 hours Sunday, or such other forty-eight (48) hour period as the local parties may agree upon or as defined in the Collective Agreement. If an employee is receiving premium pay pursuant to a local scheduling regulation with respect to consecutive weekends worked, the employee will not receive weekend premium under this provision.
- 16.08 Standby and Call In
- (a) An employee who is required to remain available for duty on standby outside her or his regularly scheduled working hours shall receive standby pay in the amount of three dollars and thirty cents (\$3.30) per hour for the period of standby scheduled by the Employer. Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of four dollars and ninety cents (\$4.90) per hour. Standby pay shall, however, cease where the employee is called in to work.
 - (b) When an employee is required to work (in circumstances where the employee is on standby or where Employer asserts that the employee is not allowed to decline attendance) outside of regular hours, the minimum payment will be equivalent to four (4) hours work or time and one-half (1½) her applicable hourly rate for hours worked, whichever is greater. Where the hours worked are continuous with the commencement of her regular shift, the minimum payment will not apply and she will receive payment at the rate of time and one-half (1½) for the hours worked prior to the commencement of her regular shift.
 - (c) Where the employee is required to be on-standby outside her/his regular hours of work, she/he shall receive the on-call premium in accordance with Article 16.08 (a). When the employee's response to telephone calls from the Home does not necessitate travel, she/he shall be paid one and one-half times the regular hourly rate for a minimum of thirty (30) minutes or for the duration of the call (whichever is the more advantageous). The employee shall keep a log of all calls and submit it to the Director of Care or designate. The employee cannot receive pay for other calls received during the same thirty (30) minute period. However, if the employee must return to the Home, she/he shall be paid in accordance with 16.08 (b).

- 16.09 (a) If an employee is required by the Employer to work a weekend in violation of the weekends off scheduling obligations of the collective agreement (if any), she will receive premium payment of time and one-half (1½) for all hours worked on that weekend. Time worked on that weekend will not be considered when determining future such premium obligations.
- (b) Premium pay is payable whenever a weekend is worked in excess of the consecutive weekends permitted by the collective agreement unless the assignment of the weekend shift to the employee was initiated by that employee or unless another provision of the agreement makes it clear that premium pay is not due.
- 16.10 The Employer is not required by the seniority scheduling provisions of the collective agreement (if any) to assign work to senior employees that triggers premium pay. In the event that any such assignment would trigger premium pay and the Employer chooses to assign the shift to an employee, the seniority scheduling provisions (if any) shall apply.
- This provision is applicable to all of Articles 15 and 16 except for 16.02.
- 16.11 Overtime premium will not be duplicated for the same hours worked under Article 15 nor shall any shift or weekend premium or responsibility allowance be included in the straight time hourly rate for compounding purposes for hours payable at time and one half. It is expressly agreed that where the employee qualifies for two or more of the following payments: time and one half, shift premium, weekend premium [subject to the limitation in 16.07 (b)] and responsibility allowance, this is not considered pyramiding and each of the applicable payments is payable.
- 16.12 When an employee, who ordinarily travels from her place of employment to her place of residence by means of public transportation, following the completion of her shift, is required to work overtime past the time when normal public transportation is available, the Employer will provide her with cab fare to cover from work to her place of residence.
- 16.13 An employee shall have the option of selecting compensating time off in lieu of overtime premium payment. Time off shall be at the appropriate premium rate (i.e. 1.5 hours off for each hour of premium overtime worked). Full-time employees may accumulate up to a maximum of two (2) lieu days in any year. Accumulated lieu days shall not be used for the purpose of extending vacation. Unless the Employer agrees otherwise, accumulated lieu time must be taken between January 6th and November 30th of the year in which it is accumulated failing which it will be paid out. Employees who wish to utilize a lieu day shall make their request in writing at least one week in advance of the next posting of the schedule. The scheduling of lieu days shall be finally determined by the Employer giving due consideration for the safe and efficient operation of the nursing home. Such requests shall not be unreasonably denied.
- 16.14 *The Employer shall schedule every other weekend off. A weekend shall be defined as at least fifty-six (56) consecutive hours off between the end of her tour worked on Friday to the commencement of her scheduled shift on Monday. Failure to do so will result in the employee being paid one and one-half (1 ½) times her regular rate for all hours worked in accordance with Article 16.09.*
- 16.15 *The Employer will schedule each employee five (5) consecutive calendar days off at either Christmas (to include December 24th, 25th and 26th) or at New Year's (to*

include December 31st, January 1st and January 2nd). In order to allow the scheduling of time off, the scheduling provisions may be waived from December 15th to January 15th.

At the request of the employee, the five (5) consecutive days off may be scheduled during the period of December 15th to January 15th to facilitate their cultural differences replacing the days off noted above.

- 16.16 *Where there is a violation of the scheduling provisions (if any) pertaining to consecutive days of work or time off between shifts, the Employer will pay the employee premium pay of one and one-half (1 ½) times her regular straight time hourly rate for all hours worked for the following tour of duty, subject to Article 16.02.*

The Union shall be provided with a current copy of the Master Policy. It is clearly understood that the Employer's obligation pursuant to this Collective Agreement is to provide the insurance coverage bargained for. Any problem with respect to the insurer acknowledging or honouring any claims is a matter as between the employee and the insurer. The Employer will notify the Union if it intends to change the Insurance Carrier.

Any grievance arising from the interpretation, application and/or administration of the health and welfare benefits shall be resolved as follows:

- (a) the Union or Employer shall file a written grievance within ten (10) days of its learning that an alleged problem exists. For insured benefits, a copy of the grievance shall be forwarded to the insurers.

- (h) the fees and expenses of the arbitrator shall be shared equally by the Employer and the Union in cases where the benefit is self-insured and by the insurers and the Union where the benefit is insured.
- (i) this process shall commence immediately for all self insured benefits. Upon the expiry of any contracts of insurance for benefits, this process shall then apply to insured benefits. It is the responsibility of the Employer to obtain insurance which includes an agreement by the insurer to be bound by the process. If the Employer fails to obtain the agreement of an insurer, the grievance shall proceed as though it is a self-insured benefit.
- (j) the parties agree that the decision of an arbitrator hereunder shall be final and binding and shall not be appealed or judicially reviewed by either party. The purpose of waiving any appeal rights or rights of judicial review is to avoid the cost and expense associated with the exercise of these rights.
- (k) the decision of the arbitrator shall not have any value as a precedent in a subsequent case.
- (l) if in the opinion of any party a grievance raises an issue which should be decided by the form of grievance arbitration provided by the Collective Agreement for all other grievances, upon the consent of all parties or if such consent is not forthcoming, with the approval of Norm Jesin, such approval

to be obtained by a conference call, the grievance shall be transferred to the ordinary grievance/arbitration process.

The above complaint resolution procedure shall not apply to the Long Term Disability provisions. It is understood that this is without prejudice to any existing enforcement rights contained in the Collective Agreement.

- 17.04 The Employer may substitute another carrier for any of the foregoing plans (other than O.H.I.P.) provided that the level of benefits conferred thereby are not decreased. The Employer will advise the Union of any change in carrier or underwriter at least sixty (60) days prior to implementing a change in carrier.
- 17.05 The Employer agrees, during the term of the Collective Agreement, to contribute on behalf of participating eligible full-time employees who have completed three (3) months of employment in the active employ of the Employer towards the premium coverage under the insurance plans set out above subject to their respective terms and conditions including any enrolment requirements. Should any plan have a longer service qualifier it shall be removed as soon as the plan is up for modification or renewal.
- 17.06 In the event of a layoff, provided the employee deposits with the Home her share of insured benefits for the succeeding month (save for weekly indemnity for which laid off employee are not eligible) the Employer shall pay its share of the insured benefits premium for a period of up to three (3) months from the end of the month in which the layoff occurs, or until the laid off employee is employed elsewhere, whichever comes first.

ARTICLE 18 – RETIREMENT INCOME PLAN

18.01 Retirement Income Plan

All present employees enrolled in the Healthcare of Ontario Pension Plan shall maintain their enrolment in the Healthcare of Ontario Pension Plan (HOOPP) subject to its terms and conditions. New employees and employees employed but not yet eligible for membership in the Plan shall, as a condition of employment, enrol in the Plan when eligible in accordance with its terms and conditions.

- 18.02 Each Eligible Employee covered by this Collective Agreement shall contribute from each pay period an amount equal to four percent (4%) of applicable wages to the Plan. The Employer shall match such contributions, the amount being four percent (4%) of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

- 18.03 The employee and Employer contributions shall be remitted to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.
- 18.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute

towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

18.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, Ch P-8, as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records or otherwise. In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

The Employer will endeavour to provide the following information to the Administrator of the Plan in electronic format if the Employer has the technology.

- 19.01 The parties agree that resident care is enhanced if concerns relating to professional practice and workload are resolved in a timely and effective manner, as set out below;

In the event that the Home assigns a number of residents or a workload to an individual employee or group of employees, such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper resident care, she or they shall:

19.02

- (a) Employees are expected, as part of their regular duties, to provide leadership, supervision, guidance and advice to members of the health care team. Nothing in this clause amends, modifies or clarifies any interpretation under Article 2.01, nor does it prejudice the employees' continued membership in the bargaining unit or the employee's entitlement to qualify and receive benefits under Article 22.06.

- (b) Nurses may be required, as part of their regular duties, to supervise activities of nurses working with a temporary certificate of registration in accordance with the current College of Nurses of Ontario *Standards*. The Employer agrees to provide the Union with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS report for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS report on the staffing levels in the Home, quality resident care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues. The parties may invite additional participants to attend the meeting to support constructive review and discussion.

ARTICLE 20 – ORIENTATION AND IN SERVICE

- 20.01 An orientation and in service program will be provided to all employees. These programs shall be reviewed and discussed from time to time by members of the Union-Management Committee.
- 20.02 A newly employed employee shall not be placed in charge, until she has been fully oriented to the home.
- 20.03 The following minimums shall be observed in the orientation/familiarization of a newly hired employee:
- (a) She is to be familiarized with the physical aspects of the building, the applicable policies and procedures of the employer, and the daily routine of employees in the Home.
 - (b) The period of orientation/familiarization shall be for a minimum of five (5) days or such greater period that the Employer deems necessary.
 - (c) She shall be an additional employee to the usual staffing pattern.
 - (d) The employee or employees involved in the orientation/familiarization will confirm that it has been completed, and this will be noted on the newly hired employee's personnel file, which will be reviewed with such employee, and the employee shall also be able to comment.
 - (e) The employee may request up to three (3) additional days of paid orientation. When making her request, the employee will specify her learning needs and discuss with the Director of Care the development of the orientation learning plan. This request will not be unreasonably denied.
 - (f) Notwithstanding the above, orientation/familiarization when an employee is transferred to a new unit/shift will be provided as required.
 - (g) The Employer may, at its discretion, provide orientation in other circumstances.
- 20.04 Both the Employer and the Union recognize the joint responsibility and commitment to provide, and participate in, in-service education. The Union supports the principle of its members' responsibility for their own professional development and the Employer will endeavour to provide programmes related to the requirements of the Home.
- Programmes will be publicized and related material will be made readily accessible to staff in a timely manner.
- Any problems in accessing this information will be reported to the Union-Management Committee for resolution.
- 20.05
- (a) When an employee is required by the Employer to attend any in-service program or e-learning within the Home during her or his regularly scheduled working hours the employee shall suffer no loss of regular pay.
 - (b) When an employee is required by the Employer to prepare for in service or to attend meetings, in service and other work related functions outside her

regularly scheduled working hours, and the employee does attend same, she shall be paid for all time spent on such attendance at her regular straight time hourly rate of pay or at the employee's option, she shall receive equivalent time off.

When an employee is required by the Employer to complete an e-learning programme outside her regularly scheduled working hours, she shall be paid for all time spent completing such learning at her regular straight time hourly rate of pay or at the employee's option, she shall receive equivalent time off.

Part-time employees will be credited with seniority and service for all such hours paid as provided above while in attendance at in-services, meetings, and completing e-learning.

- (c) The Employer will endeavour where practical to schedule in-services at times which will facilitate the attendance of employees working outside the day shift.

20.06 When required by a certifying body to update an employee's qualifications, except where this matter is covered by another provision of the collective agreement, the Employer shall grant leave of absence without pay which shall include the time required to write any examinations.

20.07 The Employer undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Employer has decided to introduce which will significantly change the employment status of the employee(s) within the bargaining unit.

The Employer agrees to discuss with the Union the effect of such technological changes on the employment status of the employee(s) and to consider practical ways and means of minimizing the adverse effect, if any, on the employee(s) concerned.

Employees who are subject to layoff due to technological change will then be given notice of such layoff at the earliest reasonable time and in keeping with the requirements of the applicable legislation and the provisions of Article 9.11 to 9.16 will apply.

20.08 Provided that an employee provides thirty (30) calendar days notice in writing, an employee shall be entitled to leave of absence without pay from her or his regularly scheduled working hours for the purpose of writing exams arising out of the Quality Assurance Program required by the College of Nurses of Ontario. In the event the employee is scheduled to work the night shift immediately before the exams the Employer shall schedule the employee off.

20.09 The Employer will meet with the Union to discuss any remediation or continuing education required by the College of Nurses' of Ontario (CNO) to re-establish eligibility for clinical practice following an employee's return from an approved absence.

20.10 Liability Insurance

Should an employee, who is a Health Professional under the *Regulated Health Professions Act*, be required to provide her or his Regulatory College with proof of

the Employer's liability insurance, the Employer, upon request from the employee, will provide the employee with a letter outlining the Home's liability coverage for Health Professionals in the Home's employ.

It is understood and agreed that the provision of the above noted letter in no way obligates the employer to amend, alter or augment existing insurance coverage or to obtain or maintain insurance coverage beyond what is required by applicable LTC legislation or regulation.

20.11 *Where an employee is required to be absent from all or part of her scheduled shift in order to write the required examination on completion of a course of study relevant to geriatric care and which was recommended by the Manager, Hogarth Riverview Manor and approved by the Administrator, she shall receive her regular rate of pay for such period of absence.*

20.12 *Where computers and/or new computer technology (e.g., computer charting) are introduced into the workplace that employees are required to utilize in the course of their duties, the Employer agrees that necessary training will be provided at no cost to the employees involved.*

The parties agree that the English version of the template is the official version.

21.02 Each employee shall keep the Employer informed of changes to relevant employment information.

21.03 The Employer shall upon entry into the Service Agreement or the Long-Term Care Service Accountability Agreement (L-SAA) with the Ministry of Health and Long Term Care or the Local Health Integration Network (LHIN) in respect of residents cared for by members of this bargaining unit and provide copies of such agreements to the Union.

21.04 Influenza Vaccine

Upon recommendation of the Medical Officer of Health, all employees shall be required, on an annual basis to be vaccinated and or to take antiviral medication for influenza. If the costs of such medication are not covered by some other sources, the Employer will pay the cost for such medication.

If the employee fails to take the required medication, she may be placed on an unpaid leave of absence during any influenza outbreak in the home until such time as the employee has been cleared by the public health or the employer to return to the work environment. The only exception to this would be employees for whom taking the medication will result in the employee being physically ill to the extent that she cannot attend work. Upon written direction from the employee's physician of such medical condition in consultation with the Employer's physician, (if requested), the employee will be permitted to access their sick bank, if any, during

any outbreak period. If there is a dispute between the physicians, the employee will be placed on unpaid leave.

If the employee gets sick as a reaction to the drug and applies for WSIB the Employer will not oppose the application.

If an employee is pregnant and her physician believes the pregnancy could be in jeopardy as a result of the influenza inoculation and/or the antiviral medication she shall be eligible for sick leave in circumstances where she is not allowed to attend at work as a result of an outbreak.

21.05 Prior to effecting any changes in rules or policies which affect employees covered by this Agreement, the Employer will endeavour to discuss the changes with the Union and will provide copies to the Union, upon request.

21.06 Criminal reference checks for employees, that may be required by the employer pursuant to provincial legislation, will be paid by the Employer. It is understood that this provision does not apply to pre-employment criminal reference checks, and that any employee subsequently hired would not be eligible for reimbursement for any related costs.

21.07 The Employer will provide to each employee, upon request, upon termination of employment a letter detailing her or his employment dates, length of service and experience.

21.08 Errors on Paycheques

In the event of an error on an employee's pay, the correction will be made in the pay period following the date on which the underpayment comes to the Employer's attention. If the error results in an employee being underpaid by one (1) day's pay or more, the Employer will provide payment for the shortfall within three (3) business days from the date it is notified of the error.

If the Employer makes an overpayment of a day's pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day's pay, the Employer will be reimbursed based on a mutually satisfactory arrangement between the employee and the Employer.

21.09 *The Employer will provide bulletin board space for the purpose of the Union posting notices regarding meetings and other matters of interest. All such notices must be signed by a member of the Union executive. Notices must be approved by the Administrator or her designate prior to posting. Such approval shall not be unreasonably withheld.*

21.10 *Employees will be paid bi-weekly on every second Thursday for the pay period ending the previous Saturday.*

21.11 *Any notice to any employee under this Agreement may be given personally (either directly or by telephone) or pre-paid registered post addressed to the employee at her last address on the payroll of the Employer and such notice shall be deemed to have been given four (4) calendar days after delivery to the postal authorities.*

ARTICLE 22 – COMPENSATION

22.01 The salary rates shall be those set forth in schedule(s) attached to and forming part of this agreement.

22.02 Retroactivity

Except as expressly noted, all the terms and conditions shall be effective from the date of receipt of written notice of ratification or release of award. Provisions which are expressly made retroactive shall apply to all employees in the bargaining unit on or after the date specified.

Retroactivity will be paid within four full pay periods (approximately 8 weeks) of the date of ratification or arbitration award. Retroactivity will be on the basis of hours paid. Retroactive pay will be paid on a separate cheque where the existing payroll system allows. Where the existing payroll system does not allow for such separate cheque, the Home may pay retroactivity as part of the regular pay. In such circumstances, the Home undertakes that the rate of income tax on the retroactivity will not change unless the retroactive pay changes the employee's annual tax bracket.

The Home will contact former employees at their last known address on record with the home, with a copy to the bargaining unit, within 30 days of the date of ratification or arbitration award to advise them of their entitlement to retroactivity.

Such employees will have a period of sixty (60) days from the date of the notice to claim such retroactivity and, if they fail to make a claim within the sixty (60) day period, their claim will be deemed to be abandoned.

22.03 Recognition of Previous Experience

(a) The Employer will recognize recent related RN experience on the basis of one (1) annual increment for each one (1) year of service up to the maximum of the grid. Part-time service shall be recognized on the basis of fifteen hundred (1500) hours paid in previous employment equals one (1) year of service. It shall be the responsibility of a newly hired employee to make a claim of recent and related experience within the probationary period in order to be considered for a salary increment. If she/he fails to make a claim in the specified time period or fails to provide reasonable proof of recent related experience, she/he shall not be entitled to recognition.

NOTE: For greater clarity, recent related experience includes recent related RN experience out of province and out of country.

(b) In addition to (a) above, where an RPN has acquired an RN certificate of registration and has accepted an RN position, the Employer will recognize recent related RPN experience on the basis of one (1) annual increment for each two (2) years of service up to a maximum of Year 3 of the wage grid. Part-time service shall be recognized on the basis of fifteen hundred (1500) hours paid in previous employment equals one (1) year of service. It shall be the responsibility of a newly hired employee to make a claim of recent and related experience within the probationary period in order to be considered for a salary increment. If she fails to make a claim in the

specified time period or fails to provide reasonable proof of recent related experience, she shall not be entitled to recognition.

NOTE: For greater clarity, recent related experience includes recent related RPN experience out of province and out of country.

NOTE: This provision shall apply to all current employees at July 1, 2009 with the understanding that there is no retroactivity.

22.04 An annual increment shall be paid on each full-time employee's anniversary date of employment and after each fifteen hundred (1500) hours paid in the case of part-time employees.

22.05 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with the Union, a grievance may be filed at Step No. 1 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Home and duties and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

22.06 Responsibility Pay

(a) An employee who is designated in writing to relieve the Director of Care, shall be paid ten dollars (\$10.00) per shift for each shift so worked, in addition to her regular rate of pay.

(b) The Employer shall, when no supervisor is on duty, designate one employee when employees are on duty, to be in charge on those evening, night, or weekend shifts. Such employee shall receive nine dollars (\$9.00) per shift in addition to her regular rate of pay.

22.07 An employee who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification which represents an increase above her current salary. She shall retain her service review date for purposes of wage progression.

22.08 Temporary Class Certificate of Registration Rate

An employee holding a Temporary Class Certificate of Registration upon presenting proof of current General Class Certificate of Registration by the College of Nurses of Ontario shall be given the salary of the registered staff nurse as

provided in this Article retroactive to the date of sitting the certification examination or the date of last hire, whichever is later.

Re: Transfers between Homes within Chain

The Employer agrees that employees may be permitted to transfer at the Employer's discretion from one nursing home to another for their own personal convenience and at their own expense, subject to the following conditions:

- (a) Employees wishing to transfer must notify, in writing, the Administrator of the Home to which they would like to transfer, prior to leaving employment at the former home. Such notice shall include the employee's qualifications, present position, scheduling preferences (if any), and when they would be able to commence work.

The Home shall seek the Union's agreement if it wishes to establish secondment arrangements. Such agreement shall not be unreasonably denied. The terms and conditions will be established by agreement of the parties.

The Home may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply:

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.
2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.
3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.
4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the employer's initial request to meet.
5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the collective agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.
6. Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee Guidelines.
7. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The employer and the Union will meet to determine the distribution of the reinvestment initiative funding.
8. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.

9. Notwithstanding paragraph 5 above, if the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, she/he will be reclassified as casual part-time and this will not be considered a layoff.
10. Any issues related to the new graduate initiatives may be discussed at the Union-Management Committee Meetings.
11. The Home bears the onus of demonstrating that such positions are supernumerary.
12. The Union will be provided with such written information as it may reasonably require so the Employer can realize the funding regarding such supernumerary position.
13. Where there is a dispute or timeliness issue, either party may raise the concern with the spokespersons for the central teams.

1. Only so many positions will be created as are covered by government funding for supernumerary positions.

Nursing Career Orientation Initiative (NCO) nurses are defined as those nurses who have initially (never before) registered with the College of Nurses (CNO) whose location of initial nursing education is outside of Canada. 2. Positions will be created on units/areas where the parties agree.

4. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.
5. Such nurses will be full-time and covered by the full-time collective agreement.
6. The duration of such supernumerary appointments will be for the period of funding (currently 7.5 months) or such other period as the parties may agree, provided such period is not less than twelve (12) weeks.
7. Such nurses can apply for posted positions after the probationary period is completed.
8. If the nurse has not successfully posted into a permanent position by the end of the supernumerary appointment, she/he will be reclassified as casual part-time and this will not be considered a layoff and the nurse will not be reassigned.
9. The Home bears the onus of demonstrating that such positions are supernumerary.
10. The Union will be provided with such written information as it may reasonably require so

the Employer can realize the funding regarding such supernumerary position.

Re: Grievance Commissioner System

This is to confirm the discussion of the parties during collective bargaining that they are committed to encouraging early discussion and resolution of labour relations issues at the local level and seek to resolve grievances in a timely and cost efficient manner.

To that end, this is to confirm that pursuant to Article 8, the parties agree that the Employer and Union at individual nursing homes may agree to utilize the following process in order to resolve a particular grievance through the utilization of a joint mediation-arbitration procedure:

1. The Employer and Union may mutually agree in writing to invoke the Grievance Commissioner process outlined in this letter rather than proceed to arbitration as set out in Article 8.12 of this collective agreement for an individual, group or policy/union grievance.
2. The Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided herein.
3. The Grievance Commissioner shall be mutually agreed upon by the Employer and Union.
4. The Employer and Union agree to make best efforts to ensure that the Commissioner mediation-arbitration dates are set so that this process is initiated in a much more accelerated rate than the normal arbitration process. To that end the parties agree to meet centrally to discuss the possibility of a central Grievance Commissioner roster and pre-scheduled dates that can be mutually shared throughout the year.
5. The location of any such hearing shall be agreed upon by the local parties.
6. The parties shall provide the Grievance Commissioner with a Statement of Facts Agreed and Not Agreed. In addition they shall provide the Grievance Commissioner and each other with brief written representations on which they intend to rely provided that such are emailed not less than ten (10) days before the commencement of the hearings of the Grievance Commissioner. This information will include the grievance and the Employer's response.
7. The purpose of the hearing is to clarify issues and/or facts in dispute. At the hearing the parties may make such further representations or adduce such evidence as the Grievance

Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.

8. The parties acknowledge that this is an expedited form of a med-arb process whereby the Grievance Commissioner, based on the evidence and representations provided by the parties during the med-arb session, will decide the grievance. The parties agree that no witnesses will be called throughout this process, except as required by the Grievance Commissioner. The Grievance Commissioner must render his/her written decision, without reasons, to both parties within ten (10) working days of the conclusion of the hearing.
9. If it becomes clear at any point during the process that due to exceptional circumstances the grievance is too complex for the Grievance Commissioner process, the parties may jointly agree to revert to traditional arbitration pursuant to Article 8 of the collective agreement.
10. The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a precedent in future cases.
11. Notwithstanding anything contained herein, the decision of the Grievance Commissioner shall be in accordance with Article 8.16.
12. The Union and Employer shall each be responsible for one-half (½) of the expenses (including any off-site location of the hearing) and fees payable to the Grievance Commissioner.
13. The parties agree that the Grievance Commissioner can serve as a mediator/ arbitrator for more than one grievance on a single day.

The parties agree that nothing in this letter prevents the parties at a nursing home from mutually agreeing to mediation for any other grievances pursuant to Article 8.19.

Re: Joint Advocacy

The Central parties agree to create a Central Committee to develop strategies for advocating to Government to increase and establish appropriate resources including RNs, to address the care needs for residents with aggressive and/or violent behaviours in Long Term Care Homes. The Committee will first meet in the final quarter of 2014 and then at least quarterly.

Strategies may include the following:

1. Maximizing the use of existing funding intended for the care of residents with responsive behaviours to enable staff, including RNs, to assess, develop and implement plans of care and manage potentially violent situations.
