## **ARTICLE 1 – PURPOSE**

It provides the means for prompt settlement of grievances and establishes salaries, hours of work and other conditions of employment.
- 1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for residents.
- 1.03 The Employer undertakes that he will not enter into any other agreement or contract with those employees for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this Agreement.

## **ARTICLE 2 – SCOPE & DEFINITIONS**

- 2.01 The Employer recognizes the Ontario Nurses Association as the bargaining agent for all registered nurses and registered nurses with a temporary certificate of registration engaged in a nursing capacity at St. Joseph's Villa in Sudbury, Ontario, save and except Director of Care and persons above the rank of Director of Care.
- 2.02 (a) A full-time employee shall mean an employee covered by this Agreement who is committed to and regularly works the full work period of seventy-five hours biweekly (or, in the case of extended tours, seventy-five hours biweekly averaged over the 6 week nursing schedule) exclusive of overtime.
- (b) A regular part-time employee is one who is committed to and regularly works less than the full prescribed bi-weekly hours of work.
- (c) A casual part-time employee means an employee who is called to work on a call in basis, but who does not work a regular schedule, or does so only for a specified period. Such employee has the option of refusing work when it is made available to her, however, it is also understood that a casual part-time employee cannot unreasonably or consistently refuse to work shifts.
- 2.03 Whenever the feminine pronoun is used in this agreement, it includes the masculine pronoun, where the context so requires and vice-versa. Where the singular is used, it may also be deemed to mean the plural and vice-versa.
- 2.04 **Minimum Staffing**
- The Employer agrees to employ sufficient registered staff and non-registered staff to meet the staffing needs that may be set from time to time by statute and/or regulation. In the event that there is insufficient staffing to meet this undertaking, the Employer will post vacancies so that any unmet care undertaking will be satisfied.

- 2.05 For purposes of this agreement and the benefits contained herein, including insurance coverage, dependent coverage is available to the employee to cover her or his same sex partner and their dependents, in accordance with the terms and conditions of the plans.
- 2.06 A nurse who holds a Temporary Class Certificate of Registration issued by the College of Nurses of Ontario must obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate. If the nurse fails to obtain her or his General Class Certificate of Registration prior to the expiry of her or his Temporary Class Certificate of Registration she or he will be deemed to be not qualified for the position of registered nurse and she or he will be terminated from the employ of the Home. Such termination shall not be the subject of a grievance or arbitration.
- A nurse who holds a Temporary Class Certificate of Registration will be classified, for purposes of salary in accordance with the level set out in Appendix "A".
- 2.07 All references to officers, representatives and committee members of the Union in this Agreement shall be deemed to mean officers, representatives and committee members of the bargaining unit who are employed by the Employer.

### **ARTICLE 3 – MANAGEMENT RIGHTS**

- 3.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Employer and without limiting the generality of the foregoing; it is the exclusive function of the Employer:
- (a) To determine and establish standards and procedures for the care, welfare, safety and comfort of the residents in the facility.
  - (b) To maintain order, discipline and efficiency and in connection therewith to establish and enforce reasonable rules and regulations.
  - (c) To hire, transfer, lay-off, schedule, recall, promote, demote, classify, assign duties, discharge, suspend or otherwise discipline employees for just cause, provided that a claim of discriminatory transfer, promotion,

demotion of classification or a claim that an employee has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as hereinafter provided.

- (d) To have the right to plan, direct, and control the work and direction of employees and the operation of the facility. This includes the right to introduce new and improved methods, facilities, equipment and to control the amount of supervision necessary, work schedules, the combining or splitting up of departments, and the increases or reduction of personnel in a particular area or on the whole.

3.02 The Employer will exercise these rights in a manner consistent with the Collective Agreement and apply the provisions of the Collective Agreement in a reasonable manner.

#### **ARTICLE 4 – RELATIONSHIP**

The Employer and the Union are committed to providing a positive environment for staff. All individuals have the right to be treated with respect and dignity. Each individual has the right to work in an atmosphere which promotes respectful interactions and is free from discrimination, harassment and aggression.

4.01 The Employer and the Union agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any employee because of her membership or non-membership in the Union or activity or lack of activity on behalf of the Union or by reason of exercising her rights under the Collective Agreement.

4.02 There shall be no discrimination on the part of the Employer, the Union or any employees covered by this Agreement by reason of race, creed, colour, ethnic origin, marital status, family status, sex, citizenship, ancestry, sexual orientation, disability, place of origin, residence, age, political or religious affiliation, gender identity, gender expression, record of offences, or other factors not pertinent to performance with respect to employment, placement, promotion, salary determination or other terms of employment.

The employee rights set out above shall be interpreted within the context of the Ontario Human Rights Code.

4.03 The Union and the Employer agree to abide by the Ontario Human Rights Code.

4.04 "Harassment" means engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome". ref: *Ontario Human Rights Code, Sec. 10 (1)*

- (a) "Every person who is an employee has a right to freedom from harassment in the workplace by the Employer or agent of the Employer or by another employee because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, age, record of offences, marital status, same-sex partnership status, family status or disability". ref: *Ontario Human Rights Code, Sec. 5 (2)*.

- (b) "Every person who is an employee has a right to freedom from harassment in the workplace because of sex by his or her Employer or agent of the Employer or by another employee," [ref: *Ontario Human Rights Code, Sec. 7 (2)*].
- (c) Every person who is an employee has a right to freedom from workplace harassment in accordance with *Occupational Health and Safety Act, Sec. 1 (1)*.

The employee rights set out above shall be interpreted within the context of the *Ontario Human Rights Code*.

An employee who believes that she has been harassed, contrary to this provision shall be encouraged by both parties to follow the Employer's policy on harassment and process. Failing resolution, an employee may follow the process set out in the Complaint, Grievance and Arbitration procedure in Article 8 of the Collective Agreement. The employee shall be encouraged by both parties to exhaust these processes prior to filing a complaint with the Ontario Human Rights Commission.

#### 4.05

##### Return to Work

- (a) The parties recognize the duty of reasonable accommodation for individuals under the *Human Rights Code of Ontario* and agree that this Collective Agreement will be interpreted in such a way as to permit the Employer and the Union to discharge that duty. To that end, the Home and the Union agree to cooperate in complying with the *Ontario Human Rights Code*.
- (b) The Home and the Union agree to ongoing and timely communication by all participants. For the purposes of expediting communication the Home and the Union agree that participants will use electronic communication where available.
- (c) If an employee becomes disabled, including WSIB, with the result that she is unable to perform the regular functions of her position, the Employer may determine a special classification and salary, with the hope of providing an opportunity for continued employment.

Positions established under this Article will not constitute new classifications and shall lapse upon the termination, resignation, or retirement of the employee in question.

- (d) Prior to any disabled employee returning to work from a disability including WSIB to a modified/light/alternate work program, the Employer will notify and meet with members of the bargaining unit executive to consult on a back to work program for the worker. Any agreement

resulting from these discussions which conflicts with the Collective Agreement shall, subject to agreement by the Union, prevail over any provision of this Agreement in the event of a conflict. The inability of the parties to meet regarding a modified return to work will not unreasonably delay a member's return to work.

Nothing in this language obligates the Employer to establish a modified/light/alternative work program, except as required by law.

## **ARTICLE 5 – NO STRIKES OR LOCKOUTS**

5.01 The Union agrees there will be no strikes and the Employer agrees there will be no lockouts during the term of this Agreement. The term "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act, as amended.

Minutes of these meetings shall be maintained and signed by both parties. The role of Chairperson shall rotate between the parties.

6.04 (a) The Employer shall pay representatives and Committee members their respective salaries for all time lost from regularly scheduled hours investigating and/or processing grievances, up to but not including the arbitration stage, negotiating the Collective Agreement and renewals thereof, up to and including conciliation, and while attending meetings with the Employer. Employees on the evening and night shift shall receive paid time off for the actual day of the negotiating meeting.

(b) It is agreed that members of the Grievance Committee may require a reasonably brief period of time during the day to fulfill their duties as Committee members as set out in a) above. However, it is further agreed that members of the Grievance Committee have their regular duties and responsibilities to perform for the Employer and shall not leave their regular duties without first obtaining permission from their immediate supervisor or designate. Such permission shall not be unreasonably withheld.

- (c) The Employer shall provide the time from work with pay and all related tuition costs and expenses necessary to certify the worker representative.

Where an inspector makes an inspection of a workplace under the powers conferred upon him or her under the *Occupational Health and Safety Act*, the Employer shall afford a certified committee member representing workers the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof. Where a worker certified member is not on-site and available, the Employer shall afford a worker health and safety representative if any, or a worker selected by a Union, because of knowledge, experience and training, to represent it, the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part of parts thereof.

- (d) Two (2) representatives of the Joint Health and Safety Committee, one (1) from management and one (1) from the employees, shall make monthly inspections of the work place and shall report to the health and safety committee the results of their inspection. The members of the Committee who represent the workers shall designate a member representing workers to inspect the workplace. Where possible that member shall be a certified member. The Employer shall provide the member with such information and assistance as the member may require for the purpose of carrying out an inspection of the workplace. Scheduled time spent in all such activities shall be considered as time worked.

- (e) The Joint Health and Safety Committee and the representatives thereof shall have access to Incident/Accident Report Form required in *S.51, S.52 and S.53* of the *Act* and the annual summary of data from the WSIB relating to the number of work accident fatalities, the number of lost workday cases, the number of lost workdays, the number of non-fatal cases that required medical aid without lost workdays, the incidence of occupational injuries, and such other data as the WSIB may decide to

- (f) The Union will use its best efforts to obtain the full co-operation of its membership in the compliance of all safety rules and practices.
- (g) The Employer will use its best efforts to make all affected direct care employees aware of residents who have serious infectious diseases. The nature of the disease need not be disclosed. Employees will be made aware of special procedures required of them to deal with these circumstances. The parties agree that all employees are aware of the requirement to practice universal precautions in all circumstances.
- (h) The parties further agree that suitable subjects for discussion at the joint Labour Management Committee will include aggressive residents.

Where an employee has no earnings during the first payroll period, the deduction shall be made in the next payroll period where the employee has earnings, within that month. The Union shall notify the Employer in writing of the amount of such dues from time to time. The Employer will send to the Union its cheque for the dues so deducted in the month following the month in which the dues are deducted. When arrears or adjustments are submitted retroactively, the dues month and an explanation will accompany any such dues.

The report will identify the name of the facility and the month from which the dues are remitted. The Employer will also identify job classification (where the bargaining unit includes classifications, employees paid less than RNs) and status (i.e. full-time, part-time) of the employees, all terminations, newly hired employees (including start date, where the existing system allows for the information without cost), and employees on Leaves of Absence. At least twice per calendar year, the Employer will provide the Union with a list which includes the addresses, shown on the Employer's personnel records, of all

## **ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURE**

- 8.01 The parties to this Agreement believe it is important to adjust complaints and grievances as quickly as possible as provided for herein. The employee or Union shall first discuss any individual complaint informally with the Director of Care or designate at the first opportunity.
- 8.02 In all steps of this grievance procedure an aggrieved employee, if she so desires may be accompanied by or represented by her employee representative. At Step 1 of the grievance procedure a representative of the Ontario Nurses' Association may be present at the request of either party.
- 8.03 Should any dispute arise between the Employer and an employee, or between the Employer and the Union, as to the interpretation, application, administration or alleged violation of any of the provisions of this Agreement, the employee or union representative will bring it to the attention of the immediate supervisor to settle such differences within ten (10) days of the occurrence.

A meeting will be held between the parties within ten (10) days. The Director of Human Resources shall give a written decision within ten (10) days of the meeting to the Labour Relations Officer.

### **Step No. 2**

Should the Director of Human Resources fail to render his decision or failing settlement of any grievance under the foregoing procedure, including any questions as to whether a matter is arbitrable, the grievance may be referred to arbitration by either party. If no written notice of intent to submit the matter for arbitration is received within ten (10) days after the decision under Step No. 1 is received, the grievance shall be deemed to have been settled or abandoned.

- 8.04 A written grievance will indicate the nature of the grievance and the remedy sought by the grievor. Union grievances shall be set out on the union grievance form. Alternately, the parties may agree to an electronic version of this form and a process for signing.
- 8.05 Time limits fixed in the grievance and arbitration procedures may be extended only by written, mutual consent of the parties. Should the Employer not respond within the time limit(s) fixed, such failure to respond shall be deemed to be a denial of the grievance. Should a grievance not be submitted within the various time limits specified in this Agreement, unless mutually extended, it shall be considered to have been settled or abandoned.
- 8.06 Saturday, Sunday and designated paid holidays shall not be counted in determining the time within which any action is to be taken or completed under the grievance procedure.
- 8.07 Group Grievance
- Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing signed by each employee who is grieving to the Director of Human Resources or her designate within ten (10) days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 8.08 Discharge Grievance
- (a) An employee shall only be discharged from the employment for just cause, except that an employee who has not completed the probationary period may be released based on a fair and proper assessment against reasonable standards of performance and suitability. An allegation of action contrary to this clause may be taken up as a grievance.
- (b) Such grievance shall proceed directly to Step No. 1 of the grievance procedure and must be presented in writing, dated and signed within ten (10) days following the discharge.
- 8.09 (a) If an employee is to be reprimanded or disciplined, she may have an employee representative present if she so requests.
- (b) If an employee is to be suspended or discharged, the Employer shall notify her of this right prior to the outset of the meeting.
- (c) The employee representatives undertake to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when an employee representative is unavailable, the employee representative will endeavour to provide an alternate representative.

8.10 Policy Grievance – Union Grievance

The Union may institute a grievance alleging a general misinterpretation or violation of this Agreement by the Employer by submitting a written grievance at Step No. 1 within twenty (20) days after the circumstances have occurred. This section shall not apply to disciplinary grievances or application of competitive clauses under this Agreement.

8.11 Policy Grievance – Employer Grievance

The Employer may institute a grievance alleging a general misinterpretation or violation by the Union or any employee by filing a written grievance with the Bargaining Unit President, with a copy to the Labour Relations Officer within twenty (20) days after the circumstances have occurred. A meeting will be held between the parties within ten (10) days. The Union shall reply within ten (10) days after the meeting, and failing settlement, the matter may be referred to arbitration.

- 8.12 (a) Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any questions as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting the grievance procedure established by this Agreement, notify the other party in writing of its decision to submit the difference or allegation to arbitration, and the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the Arbitration Board. The two appointees so selected shall within ten (10) days of the appointment of the second of them, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint a nominee, or if the two nominees fail to agree upon a Chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.
- (b) Within thirty (30) calendar days of the receipt of notice referred to in Article 8.12(a) above, either party may require a process for a sole arbitrator where the grievance concerns:
- i) a job posting
  - ii) a short term layoff
  - iii) responsibility pay, premiums, overtime and call-in pay
  - iv) entitlement to leave
  - v) scheduling issues
  - vi) any other grievance as mutually agreed.

All references in Article 8 to an Arbitration Board shall be taken to include a sole arbitrator.

Once appointed the sole arbitrator shall have the power to mediate/arbitrate the grievance, including the power to impose a settlement in accordance with Article 8.17.

Any objections as to the accuracy of the seniority list must be submitted in writing to the Director of Human Resources within fourteen (14) calendar days of the date the list was posted on the bulletin board. When proof of error is presented by the employee or her employee representative, such error will be corrected immediately and when so corrected the agreed upon correction will be final and a revised seniority list will be posted.

Employees may make written application to their Director of Care or designate for such vacancy within the posting period. Applicants will be considered in accordance with Article 9.08. The name of the successful applicant shall be posted by the Employer. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time employees such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy.
  - (b) A part-time employee who is awarded a temporary full-time position shall be deemed to retain her part-time status.
  - (c) If no internal applicant is qualified to perform the required work, the Employer may fill the vacancy from outside the bargaining unit.
  - (d) The employee shall have the right to return to her former position upon return of the employee whose position she is filling.

9.08 In all cases of job postings under Article 9.06 above, the following factors shall be considered:

No agency or new hires will be used when there is an employee on layoff provided that the employees on layoff will meet the staffing requirements of the Home.

An employee will not be laid off out of seniority order if her lack of qualification for a junior employee's shift can be remedied by a three (3) day orientation to that shift. An employee will not be denied recall to a shift if her lack of qualification for the recall opportunity can be remedied by a three (3) day orientation to that shift.

- (b) Recall to a regular part-time or full-time position shall be in order of seniority. An employee will respond to a registered notice of recall within seven calendar days of receipt of same and shall be available for work within an additional fourteen (14) days unless otherwise agreed.

- (b) These schedules may pertain to full-time and/or part-time employees;
- (c) The introduction of such schedules and trial periods, if any, shall be determined by the local parties. Such schedules may be discontinued by either party with notice as determined through local negotiations;
- (d) Upon written agreement of the Home and the Union, the parties may agree to amend Collective Agreement provisions to accommodate any innovative unit schedules;

- (e) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.
- (f) It is understood and agreed that these arrangements can be utilized for temporary job postings for seasonal coverage (e.g. weekend workers, etc.).

#### 15.10 Job Sharing / Time Sharing

Job sharing shall be interpreted to mean two employees sharing one full-time job (10 shifts bi-weekly). Time sharing shall be interpreted to mean two employees sharing one full line (14 shifts bi-weekly).

Clarifying Note: One full-time and a regular part-time “shadow” does not constitute a time sharing arrangement.

- (a) The introduction of job/time sharing arrangements in a Home will be subject to mutual agreement between the Union and the Employer.

Job/time sharing requests shall be considered on an individual basis. Such approval will not be unreasonably withheld.

- (b) The employees involved in job/time sharing are entitled to all the regular part-time provisions except those which are modified as follows:
  - i) Schedules and scheduling language shall be established by the mutual agreement of the Union and the Home. This will include the division of hours between the job/time sharers.
  - ii) Each job/time sharer may exchange shifts with her or his partner as well as other employees as provided by the Collective Agreement.

Employees\* who are currently in a job/time sharing arrangement and are full-time will retain that status and be covered by the full-time provisions of the Collective Agreement. For clarity, this grandparents employees, not positions. When individuals leave these positions, the vacant position will be posted under (d) and (e) below.

- (c) Absences and Leaves

In the event that one member of the job/time sharing arrangement is off due to illness or injury or goes on any other leave of absence, the remaining partner will endeavour to cover all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the absences, she or he must inform the Director of Resident Care or designate.

(d) Implementation

- i) Where the job/time sharing arrangement arises out of the filling of a vacant full-time position, the full-time position will be posted first and in the event that there are no successful applicants, then both job/time sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- ii) An incumbent full-time employee wishing to share her or his position may do so without having her or his half of the position posted. The other half of the job/time sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- iii) It is understood and agreed that the arrangement is for a trial period of six (6) months for the full-time employee originating the request. Once the trial period is over, the employee cannot revert to her former position except under (v) below.
- iv) Where two (2) full-time employees wish to job/time share one (1) position, neither half will be posted providing this would create one (1) full-time position to be posted and filled according to the Collective Agreement.
- v) If one of the job/time sharers leaves the arrangement, her or his position will be posted. If there is no successful applicant to the position, the remaining employee will revert to her or his former status. If the remaining employee was previously full-time, the shared position will become her/his position. If the remaining employee was previously part-time and there is no part-time position available, she or he shall exercise her or his layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(e) Discontinuation

Either party may discontinue the job/time sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

The shared position would then revert to a full-time position and be posted according to the Collective Agreement. Should the Employer or the Union discontinue job/time sharing, the employees currently working those arrangements will revert to their former status.

Where an employee does not have a former position to return to, the layoff and recall provisions of the Collective Agreement will apply. Where there remains a vacancy after employees revert to their former position, the vacancy will be posted in accordance with the Collective Agreement.

## 15.11 Weekend Worker

A weekend schedule may be developed in order to meet the Home's need for weekend staff, and individual employees' preference for a weekend work schedule.

A weekend schedule is defined as a schedule in which a full-time employee works a weekly average of thirty (30) hours and is paid for 37.5 hours at her or his regular straight time hourly rate. The schedule must include two 11.25 hour tours, which fall within a weekend period as determined by the Home and the Union. An employee working a weekend schedule will work every weekend except as provided for in the provisions below.

The Employer and the Union may agree to implement weekend schedule if sixty-six and two thirds percent (66 $\frac{2}{3}$ %) of the full-time and part-time employees who work in the facility/unit are in agreement. The introduction of that schedule and the manner in which the position(s) are filled, shall be determined by the local parties. This schedule may be discontinued by either party with notice as determined by the local parties. The opportunity for an individual employee to discontinue this schedule shall be resolved by the local parties.

Notwithstanding the voting mechanism above, a three (3) month trial period (or longer period, where agreed by the Home and the Union) for a weekend worker arrangement may be implemented without a vote in circumstances where the following additional conditions apply:

- An RN (or RNs) volunteers or applies for a weekend worker position and the Home and the Union agrees to accept the request.
- The work schedule will be modified to accommodate such a request provided there is no reduction in the regularly scheduled hours of the other RNs in the bargaining unit.
- Prior to the conclusion of the trial period, representatives of the Home and of the Union will evaluate and discuss the outcomes.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66 $\frac{2}{3}$ % agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

(a) Weekend and shift premiums shall not be paid;

(b) Vacation Bank

Vacation entitlement is determined by Article 13. For the purposes of Article 13, hours worked or credited as paid leave will be based on an accelerated rate of 1.25 hours credit for each hour worked. Mechanism for the vacation bank is determined by current local practices.

Drawing from the vacation bank will occur at an accelerated rate of 1.25 paid hours for every hour taken as vacation (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

Vacation must be taken as a full weekend off (i.e. Saturday and Sunday). The maximum number of weekends off cannot exceed the week entitlement level determined by Article 13.

Single vacation days may be taken on weekdays, which need not be in conjunction with the Saturday and Sunday. Vacation – Interruption does not apply.

(c) Paid Holiday Bank

Employees qualify in accordance with the Collective Agreement. The paid holidays are identified in the Collective Agreement.

Credit to the paid holiday bank will occur on the date of the holiday.

Drawing from the paid holiday bank will occur at an accelerated rate of 1.25 hours paid for every hour taken (i.e. 11.25 hours worked equals 14.05 hours paid; 7.5 hours worked equals 9.375 hours paid).

If an employee works on a paid holiday as defined by the local parties, she or he will receive one and one-half (1½) times her regular straight time hourly rate of pay for all hours worked on a holiday. The employee will not receive a lieu day. Article 16.02 also applies.

The holiday bank can be used as income replacement for absences due to illness or for lieu time off on a weekday.

(d) Sick Leave

The employee is eligible for long term disability benefits if provided for in the Collective Agreement. An employee will not receive pay for the first week of any period of absence due to a legitimate illness. The employee may utilize the paid holiday bank as income replacement for absences due to illness, as described in Article (c) above. An employee who is eligible may apply for Employment Insurance for weeks two (2) through sixteen (16) for any absence due to a legitimate illness. The Home will provide the employee with Disability Income Protection as per Article 14.01 (c) for weeks seventeen (17) through twenty-nine (29) for any absence due to a legitimate illness.

Employees\* may be required to provide medical proof of illness for any absence of a scheduled shift, for which neither vacation nor an approved leave of absence has been granted.

(e) Leaves of Absence

Article 11 applies for both paid and unpaid leaves. For the purposes of an unpaid 11.25 hour shift, the deduction from pay shall equate to 14.05

hours. For the purposes of an unpaid 7.5 hour shift, the deduction from pay shall equate to 9.375 hours.

(f) Tour Exchange

Weekend shift exchanges will be permitted only between weekend shift employees. Weekday shift exchanges will be permitted, provided the Home does not incur additional costs.

In all instances of tour exchange, the tour must be of the same duration.

(g) Overtime

Overtime will begin to accrue after sixty (60) hours in a two (2) week period averaged over the scheduling period determined by the local parties.

Overtime will apply if the employee works in excess of the normal daily hours.

Payment for overtime is as in Article 16.01.

(h) Scheduling Provisions

The scheduling and premium provisions relating to consecutive weekends off in Article 16 do not apply to employees who accept positions under this provision.

(i) Christmas Period

Article 16 relating to scheduling during this period will apply, except as modified to confirm that the weekend shift employee will continue to work weekends during this period.

(j) When a part-time employee works on a weekend normally worked by a weekend worker, all of the provisions of the Collective Agreement except 15.11 will apply.

15.12 Self Scheduling

The Home and the Union may agree to implement a self-scheduling process. Self-scheduling is the mechanism by which employees in a Home create their own work schedules. The purpose of self scheduling is to improve job satisfaction and quality of work life for the participating employees. Self scheduling requires a collaboration of employees and management to ensure proper coverage of the Home and to meet the provisions of the Collective Agreement. It is agreed that self scheduling will be negotiated locally by the Home and the Union and will include a trial period.

Each Home must have the majority agreement of the full-time and part-time employees who vote on the issue to agree on a trial period of up to six months.

Once the trial period is complete, each Home must have a minimum of 66⅔% agreement of the full-time and part-time employees who vote on the issue to continue with the new schedule on a permanent basis.

- 15.13 A weekend off shall be defined as at least fifty-six (56) consecutive hours off duty commencing at the conclusion of the day shift on the Friday.
- 15.14 Work schedules to be posted two (2) weeks in advance to cover a four (4) week period.
- 15.15 Requests for specific days off shall be submitted, in writing, to the Director of Resident Care, where possible, two (2) weeks, but no less than one week prior to the posting of the schedule. Approval for such requests will be at the discretion of the Director of Resident Care and will not be unreasonably denied.
- 15.16 (a) There will be an interval of not less than fifteen and one-half (15 ½) hours off between scheduled shifts on the posted work schedule unless the employee specifically requests otherwise, provided that this would not apply to extended tours or daylight savings changeover.
- (b) Normally full-time employees will not be scheduled to rotate over more than two different shifts during a week.
- 15.17 The day shift shall be the first shift of the day.
- 15.18 During each bi-weekly pay period there shall be four (4) days scheduled off on the posted work schedule of which two (2) shall be scheduled as consecutive days off. The Employer will endeavour to provide pre-posted schedules of not more than six (6) consecutive days. In any event, pre-posted schedules will not provide for more than seven (7) consecutive days except with the employee's consent. Full-time employees shall be scheduled every second weekend off.
- 15.19 Part-Time Commitment and Scheduling Principles
- (a) Regular Part-Time Employee Commitment
- A regular part-time employee must commit to be available to be scheduled to work forty-five (45) hours biweekly if so required by the Employer. It is understood that nothing in this Article or any other provisions of the agreement constitutes a guarantee of forty-five (45) hours of work for any regular part-time employee.
- (b) Scheduling of Part-time Employees on the Posted Work Schedule
- Where the Employer has available shifts to be filled prior to the posting of the work schedule, the Employer will assign ('pre-book') the available shift to regular part-time employees on their designated shift(s) in accordance with the following:
- i) To regular part-time employees on the basis of seniority up to a maximum of forty-five (45) hours bi-weekly.

Where the Employer still has additional shifts to fill after completing i) above, the Employer will offer the remaining additional shifts to part-time employees in accordance with the following:

- ii) First, on a seniority basis to regular part-time employees;
- iii) Second, on a seniority basis to job shares;
- iv) Third, on a seniority basis to casual part-time employees.

Notwithstanding any of the above (b) i)-iv), the Employer will bypass any employee in assigning or offering shifts where working the shift will result in overtime payment or premium payment or a violation of a scheduling provision.

(c) Call-in Process (Shifts That Become Available After the Posting of the Work Schedule)

Where shifts become available after the posting of the work schedule, the Employer shall offer the shifts to part-time in accordance with the following process:

- i) First, on a seniority basis to those regular part-time employees who were scheduled for less than forty-five (45) hours on the posted schedule to bring them up to their commitment;
- ii) Second, on a \*rotational seniority basis to regular part-time employees;
- iii) Third, on a \*rotational seniority basis to job sharers;
- iv) Fourth, on a \*rotational seniority basis to casual part-time employees.

(\*Rotational Seniority Basis means that each successive shift is offered to the next most senior employee to the one who accepted the preceding call-in shift).

Notwithstanding any of the above (c) i)-iv), the Employer will bypass any employee in offering a call-in shift where working the shift will result in overtime payment or premium payment or a violation of any provision of the Collective Agreement.

Where an employee accepts a call-in shift, the employee must report for that shift unless alternate arrangements are made.

It is understood that nothing in the above provisions constitutes a guarantee of forty-five hours of work biweekly or any other number of shifts to a part-time employee.

15.20 The Employer will endeavour to schedule each employee five (5) consecutive days off at either Christmas or New Year's on an alternating basis from year to year.

In the event that the employees can be granted both Christmas and New Year's Day off the most senior employee, on a rotating basis, who has requested these days off shall be given the opportunity to be scheduled both off.

For those employees who have been granted time off at Christmas, the Employer will endeavour to include the period from the beginning of the day shift on December 24<sup>th</sup>, December 25<sup>th</sup> and December 26<sup>th</sup> until the beginning of the day shift on December 27<sup>th</sup>. For those employees who have been granted time off at New Year's, the Employer will endeavour to include the period from the beginning of the day shift on December 31<sup>st</sup>, January 1<sup>st</sup> until the beginning of the day shift on January 2<sup>nd</sup>.

In the event of conflict, bargaining unit seniority shall be the decisive factor. Written requests for this time off must be received by the Director of Care by November 1<sup>st</sup>. Christmas and New Year's time off shall be posted by November 15<sup>th</sup>.

Regular scheduling may be waived from the December 15<sup>th</sup> to January 15<sup>th</sup> in order to accommodate the employees during this period. Furthermore to accommodate the granting of this time off, all full-time and part-time employees will be scheduled to work over either Christmas or New Year's.

At the request of the employee, five (5) consecutive days off may be scheduled during the period of December 15<sup>th</sup> to January 15<sup>th</sup> to facilitate their cultural differences replacing the days off noted above.

## **ARTICLE 16 – PREMIUM & OTHER PAYMENT**

16.01 Overtime shall be paid for all paid hours over seven and one-half (7½) hours on a shift or seventy-five (75) hours bi-weekly at the rate of one and one-half (1½) times the employee's regular straight time hourly rate of pay. Overtime is subject to authorization by the Director of Nursing or designate. Authorization shall not be unreasonably withheld. In the event of an emergency, authorization may not be required.

16.02 When an employee is required to work on a paid holiday or on a day for which she is entitled to receive time and one-half (1½) her regular straight time hourly rate and she is required to work additional hours following her normal seven and one-half (7½) hour shift on that day, she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.

16.03 If an employee reports for work at the regularly scheduled time and no work is available, such employee will be paid a minimum of four (4) hours pay at her regular straight time hourly rate, provided the employee has not previously received notification orally or in writing not to report.

16.04 Where call-in is requested within one-half (½) hour of the starting time of the shift and the employee commences work within one (1) hour of the call, then the employee will be paid as if the entire shift had been worked, provided she completes the shift for which she was called in.

16.05 It shall be the responsibility of the employee to consult the posted work schedule. Changes to the posted schedule required by the Employer shall be brought to the attention of the employee. Where less than twenty-four (24) hours notice is given to the employee personally, the employee will be paid four (4) hours straight time wages or six (6) hours straight time wages if an extended tour. It is understood that call-ins or call-backs are not covered by this provision.

16.06 If an employee works two consecutive shifts she shall be provided a meal by the Employer, or if a meal cannot be provided she shall receive a meal allowance of five dollars (\$5.00).

16.07 Shift and Weekend Premium

- (a) Effective December 19, 2017, an employee shall be paid a shift premium of two dollars and twenty-five cents (\$2.25) per hour for each hour defined as an evening shift and two dollars and sixty-five cents (\$2.65) for each hour defined as a night shift provided that such hours exceed two (2) hours if worked in conjunction with the day shift. Shift premium does not form part of the employee's regular straight time hourly rate of pay.

The evening shift is defined as 1500 to 2300 hours.

The night shift is defined as 2300 hours to 0700 hours.

- (b) Effective December 19, 2017, an employee shall be paid a weekend premium of two dollars and eighty cents (\$2.80) per hour for each hour worked between 2300 hours Friday and 2300 hours Sunday. Weekend premium shall not form part of an employee's regular straight time hourly rate of pay.

If an employee is receiving premium pay pursuant to any local scheduling regulation that may exist with respect to consecutive weekends worked, the employee will not receive weekend premium under this provision.

16.08 Standby and Call In

- (a) An employee who is required to remain available for duty on standby outside her or his regularly scheduled working hours shall receive standby pay in the amount of \$3.45 per hour for the period of standby scheduled by the Employer. Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of five dollars and five cents (\$5.05) per hour. Standby pay shall, however, cease where the employee is called in to work.
- (b) When an employee is required to work (in circumstances where the employee is on standby or where Employer asserts that the employee is not allowed to decline attendance) outside of regular hours, the minimum

payment will be equivalent to four (4) hours work or time and one-half (1½) her applicable hourly rate for hours worked, whichever is greater. Where the hours worked are continuous with the commencement of her regular shift, the minimum payment will not apply and she will receive payment at the rate of time and one-half (1½) for the hours worked prior to the commencement of her regular shift.

- (c) Where the employee is required to be on-standby outside her/his regular hours of work, she/he shall receive the on-call premium in accordance with Article 16.08 (a). When the employee's response to telephone calls from the Home does not necessitate travel, she/he shall be paid one and one-half times the regular hourly rate for a minimum of thirty (30) minutes or for the duration of the call (whichever is the more advantageous). The employee shall keep a log of all calls and submit it to the Director of Care or designate. The employee cannot receive pay for other calls received during the same thirty (30) minute period. However, if the employee must return to the Home, she/he shall be paid in accordance with 16.08 (b).
- (d) Standby tours will be offered on the basis of seniority in the following order:
  - i) Full-time nurses
  - ii) Regular part-time nurses (including temporary full-time)
  - iii) Job sharers
  - iv) Casuals

16.09 The Employer is not required by the seniority scheduling provisions of the Collective Agreement (if any) to assign work to senior employees that triggers premium pay. In the event that any such assignment would trigger premium pay and the Employer chooses to assign the shift to an employee, the seniority scheduling provisions (if any) shall apply.

This provision is applicable to all of Articles 15 and 16 except for 16.02.

16.10 Overtime premium will not be duplicated for the same hours worked under Article 15 nor shall any shift or weekend premium be included in the straight time hourly rate for compounding purposes for hours payable at time and one half. It is expressly agreed that where the employee qualifies for two or more of the following payments: time and one half, shift premium, weekend premium this is not considered pyramiding and each of the applicable payments is payable.

16.11 Where there is a violation of the scheduling provisions (if any) pertaining to consecutive days of work or time off between shifts on the pre-posted work schedule, the Employer will pay the employee premium pay of one and one-half times her regular straight time hourly rate for all hours worked for the following tour of duty subject to Article 16.01.

16.12 A weekend off shall be defined as at least fifty-six (56) consecutive hours off duty commencing at the conclusion of the employee's scheduled shift on the Friday immediately preceding. Where the employee is not scheduled to work on Friday, the fifty-six (56) hours will begin at the conclusion of the first Friday shift.

16.13 Premium tours will be offered on the basis of seniority in the following order:

- i) Full-time nurses
- ii) Regular part-time nurses (including temporary full-time)
- iii) Job sharers
- iv) Casuals

16.14 The parties agree that a nurse in a premium position may be skipped in order to offer the hours to a nurse in the bargain unit (in the order set out in 16.07) who is not in a premium position.

17.03 The Home may substitute another carrier for any of the foregoing plans (other than OHIP) provided that the level of benefits conferred thereby are not decreased. The Home will advise the Union of any change in carrier or underwriter at least sixty (60) days prior to implementing a change in carrier. Full-time Bargaining Unit nurses who retire and wish to participate in the benefit plans outlined in Article 17.01 will provide advance payment of the benefits either through post-dated cheques provided on a yearly basis or through a preauthorized withdrawal process, where available.

- (a) i) At the time the workload issue occurs, discuss the issue within the Home to develop strategies to meet resident care needs using current resources.  
If necessary, using established lines of communication, seek immediate assistance from an individual(s) identified by the Home who has responsibility for timely resolution of workload issues.

Re: Supernumerary Positions

---

The Home may introduce supernumerary positions to be offered to newly graduated nurses. Where such positions are introduced, the following will apply:

1. The Employer may hire full-time supernumerary nurses, up to the maximum funding available as per the Ministry guidelines. The duration of such supernumerary appointments will be defined by the Nursing Graduate Guarantee rules and regulations.
2. Newly graduated nurses are defined by the Nursing Graduate Guarantee rules and regulations, currently defined as nurses who have graduated from a nursing program within the last year.
3. Supernumerary positions are defined as those positions offered to newly graduated nurses that are over and above the minimum staffing complement. Furthermore, supernumerary nurses will not be utilized to fill/backfill permanent and temporary vacancies.
4. No appointment will be made to a supernumerary position without prior discussion with the Union as to where the supernumerary nurse will be assigned, what will be expected of them, and what mentoring arrangement will apply. The parties agree to discuss this matter without undue delay following the Employer's initial request to meet.
5. All nurses hired under the new graduate initiative will be full-time and covered by all terms and conditions of the Collective Agreement. Such positions will not be subject to internal postings or request for transfer processes outlined in Article 9.06.
6. Such supernumerary nurses can apply for and transfer to positions after the initial twelve (12) week supernumerary period in the manner defined by the Nursing Graduate Guarantee Guidelines.
7. Where supernumerary nurses successfully post into positions (pursuant to # 6 above) there is the potential that Ministry funding pursuant to the Nursing Graduate Guarantee Program will not have been fully utilized. The Employer and the Union will meet to determine the distribution of the reinvestment initiative funding.

8. Notwithstanding paragraph 5 above, in the event of a layoff, the parties may require that the supernumerary nurse be laid off first.

Re: Mentorship

---

Nurses may, from time to time, be assigned a formal mentorship role for a designated nurse. Mentorship is a formal supportive relationship between two (2) nurses, which results in the professional growth and development of an individual practitioner to maximize their clinical practice. The relationship is time limited and focused on goal achievement. Orientation to the organization or general functioning of the unit does not constitute mentorship.

After consultation with the nurse being mentored and the mentor, the Home will identify the experiences required to meet the leaning needs, will determine the duration of the mentorship assignment and expectations of the mentor and appropriate training. During the consultation process, the Home will review the mentor's workload with the mentor and the nurse being mentored to facilitate successful completion of the mentoring assignment.

The Home will provide, on a regular basis, all nurses with an opportunity to indicate their interest in assuming a mentorship role, through a mechanism determined by the local parties. The Home selects and assigns the mentor for a given mentoring relationship. At the request of any nurse, the Home will discuss with any unsuccessful applicant ways in which she or he may be successful for future opportunities.

The Home will pay the nurse for this assigned additional responsibility a premium of sixty (60) cents per hour, in addition to their regular salary and applicable premium allowance.

Re: Bank Time Trial – Time Off in Lieu of Overtime Pay

---

The Parties agree to a Bank Time Trial for Permanent Full Time Nurses, subject to the following conditions for the life of the 2018-20 Collective Bargaining Agreement.

- (1) Overtime hours will be automatically paid out, unless the nurse indicates in writing on the appropriate form to bank the hours.
- (2) The maximum accrual of Bank Time is to be twelve (12) hours. Once the maximum accrual is reached any additional overtime hours shall be automatically paid out. The maximum accrual is a rolling balance, therefore should the accrual fall below the maximum, the Nurses would be allowed to bank any additional hours up to the 12 hour limit.
- (3) Banked Time shall be taken when it is mutually agreeable for a Nurse and the Employer.
- (4) Time taken shall be as one (1) overtime hour worked = one point five (1.5) hours banked time.
- (5) The Employer shall keep a record of the number of hours of overtime accrued. Employees who take their Bank Time off shall be paid at their current rate of pay. Utilizing bank time to replace scheduled days of work shall be silent for the purposes of overtime hours worked in the pay period.
- (6) All hours remaining in the employee's bank will be paid out on the first pay date in December.
- (7) Should either Party determine that this trial is neither practical nor feasible, thirty (30) days' notice shall be given and then those Nurses with accrued Bank Time shall be paid out at the current rate.
