 - (c) To recognize that both the employees and the employer wish to work together and provide the residents of the Home with the best possible care.

ARTICLE 2 - RECOGNITION

- 2.02 The Employer recognizes the following categories of nurses:
- (a) A Full-time Nurse is a nurse who is regularly employed for thirty-seven and one-half (37 ½) hours per week.

- 2.03 A Registered Nurse is defined as a person who is registered by the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act* as amended. A Registered Nurse is required to present to the Director of Nursing, by the 15th of February of each year, her or his current registration certificate.

2.04 A Graduate Nurse is defined as a nurse with registration incomplete who is a graduate of a program acceptable to the College of Nurses of Ontario and is either in the process of being registered by the College of Nurses of Ontario or is completing registration requirements. Failure to register within the time limit may result in dismissal, without recourse to the Grievance Procedure.

2.05 Minimum Staffing

- (a) The Employer will offer fifty-two (52) RN tours per calendar week (Sunday to Saturday). The additional five (5) tours will be evenings Monday to Friday. In the absence of RNs willing to work the additional tours the Employer shall not be required to fill two (2) of the tours offered. In addition, no premium payment will be associated with two (2) of the tours. Fifty (50) of the tours will be filled using the scheduling process currently in place.
- (b) In the event the Employer cannot meet their commitment, it shall so notify the Union and fully disclose the reasons thereof.
- (c) If the failure to staff is a legitimate recruitment issue, there shall be no violation of this Agreement. The Employer will make best efforts to recruit a replacement.
- (d) Further, if there is a significant reduction in beds, occupancy levels or funding, a reduction in the complement shall not constitute a breach of this Agreement, as long as the reduction is no greater than necessary to offset the funding reduction.
- (e) It is understood that this provision does not restrict the exercise of management's rights to make staffing and work assignment decisions on a day-to-day basis.
- (f) If there is any other reason for the failure to staff in accordance with this article, the Union and Employer will attempt to find a resolution and if unable to do so, the matter may be referred to Arbitration.
- (g) The Arbitrator/Arbitration Board will have authority to determine whether the reduction in staffing was appropriate and shall have jurisdiction to award an effective remedy.
- (h) The assignment of patient care duties, including the delegation or direction of duties by members of the bargaining unit to other health care providers, shall be in accordance with the *Regulated Health Professions Act* and related statutes and regulations and in accordance with the guidelines established by the College of Nurses of Ontario from time to time and any Employer policy related thereto shall meet those requirements.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Union recognizes that the management function of the Employer, and the direction of working forces, are fixed exclusively in the Employer and shall remain solely with the Employer except as specifically limited by the provisions of the Agreement, and without restricting the generality of the foregoing the Union acknowledges that it is the exclusive function of the Employer to:
- (a) Maintain order, discipline and efficiency;

Settling of Grievances

An earnest effort shall be made to settle grievances fairly and promptly in the following manner:

12.03 Short Term Plan

The Lodge will provide, at no cost to the employee, a Short Term Income Protection plan. Benefits shall be payable beginning with the first day of disability.

12.04 Benefits

12.05 Continuation of Other Benefits

Employees receiving Short Term Plan Benefits, as above, are considered to be active employees and benefits coverage under other Lodge plans will continue.

12.06 Recurring Disability

Successive periods of disability deemed by the employee's physician to be due to the same or related cause and separated by a return to active full time work (excluding vacation, statutory lieu days and paid leaves of absence) of twenty-one (21) days or less are considered to be the same disability.

Successive periods of disability deemed by the employee's physician to be entirely unrelated in cause and separated by a return to full time work of at least one full day are considered to be new disabilities.

12.07 Claims Procedure

Payments will be based on information supplied; therefore, it is important that each employee notify the Employer promptly of reason for absence. Medical proof of illness or injury may be required by the Lodge to substantiate absence.

12.08 Long Term Plan

The following information is intended only as a guide to the overall design of the Long Term Plan. Benefits under the Plan will be subject to the terms and conditions of the contract negotiated with the insurer selected to provide this coverage. The selection of an insurer and any changes in insurer from time to time will be made at the discretion of the Employer. Discussions will take place with the Union regarding any changes.

A Short Term and Long Term Plan will be integrated so that, on the 120th calendar day of continuous disability (i.e., the end of 17 weeks), the Long Term benefits will commence. An employee still having days in her or his Sick Leave Credit Bank will have the option of utilizing these days to extend the length of time that Short Term Plan benefits are payable.

12.09 Benefits

The Plan will pay 66-2/3% of the employee's basic monthly earnings to a maximum benefit of \$5000.00 per month. Some evidence of insurability may be required by the insurer. These benefits will be reduced by benefits received from other sources including government plans, other group insurance or retirement plans, employment income. The Benefit payable under the Plan is confirmed that the all-source income limitation will be 85% of net (after tax) predisability earnings.

12.10 Continuation of Health Benefits

The Employer will continue to provide health benefits, as are provided for in Schedule "C", thus, any employee covered by this agreement who is off work and receiving payments under the Long Term Plan, such employee will continue to be covered for the same health benefits. However, when an employee continues to receive payments under the Long Term Disability Plan at the beginning of the calendar year following commencement of Long Term Disability Plan payments, benefit entitlements such as Vacation & Recognized Holidays, will cease effective December 31st immediately prior to the beginning of that calendar year.

An employee who is disabled and collecting LTD benefits can elect a waiver of premiums with OMERS and continue to accrue credited service for OMERS purposes.

12.11 Duration

Benefits are paid, so long as an employee is totally disabled, until normal retirement at age sixty-five (65) or death or cessation of total disability, whichever occurs first.

12.12 Definition of Total Disability

During the first two years that benefits are paid, following one hundred and nineteen (119) days coverage under the Short Term Plan, an employee must be wholly and continuously disabled as a result of sickness or injury and prevented from performing her or his normal duty pertaining to her or his occupation. After payments of benefits for twenty-four (24) consecutive months, payments will continue to normal retirement age if the employee remains wholly and continuously disabled as a result of sickness or injury and is prevented from engaging in any and every occupation or employment for wage or profit for which she or he is reasonably qualified by education, training or experience. The employee must be under the regular care of a physician but house confinement is never required. Medical evidence to support a claim may be required on a reasonable schedule by the insurer.

12.13 Recurrence of Disability

After Long Term payments have commenced, successive periods of disability separated by less than six (6) months of continuous full time employment will be considered one period of disability and no additional waiting period will apply before benefits recommence. If the subsequent disability is due to a sickness or injury entirely unrelated to the cause of the previous disability and commence after return to full time employment, another waiting period will apply.

12.14 Pre-existing Conditions

There will be no limitations on benefits payable to an employee disabled after the effective date of the insurance contract even if the disability is as a result of a condition for which she or he was being treated prior to becoming insured.

12.15 Actively Employed Requirement

The Long Term Disability Plan will provide coverage to all full time employees who are actively employed, subject to the completion of three (3) consecutive months service requirement for recently hired employees noted under Eligibility above.

12.16 Rehabilitative Benefits

Although this Plan is intended to provide income protection only to employees who are totally disabled, an incentive is also provided to an employee able to engage in gainful rehabilitative employment during recovery.

12.17 Pregnancy

If an employee becomes totally disabled as a result of, or during the course of pregnancy, she or he is eligible for the benefits under this coverage. Benefits are suspended, however, during the period while on pregnancy leave. Any portion of such leave of absence may be applied towards meeting the 119-day qualifying period for Long Term Disability, if applicable.

12.18 Termination of Coverage

Eligibility for coverage under the Short Term and Long Term Disability Plans will terminate on the date of termination of employment.
