Additional tours are to be distributed between job sharers and regular part-time members on the basis of seniority. However, job sharers are only eligible for additional tours for when neither partner is scheduled on their full-time line.

- ii) Vacation, Maternity Leave, and other leaves pursuant to Article 11 of the Full-time and Part-time Agreements:

In the event that one member of the job-sharing arrangements goes on any of the above leaves of absence, the coverage will be negotiated with the Nursing Coordinator, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

Implementation:

- (g) Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- (h) Any incumbent full-time employee wishing to share her/his position, may do so without having her/his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- (i) If one of the job sharers leaves the arrangement, her/his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee will have the option of continuing the full-time position or reverting to a part-time position for which she/he is qualified. If she/he does not continue full-time, the position must be posted in accordance with the Collective Agreement.

Discontinuation:

Either party may discontinue the job-sharing arrangement with ninety (90) days notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

Should a job sharing arrangement be discontinued and one of the job sharers is the original owner of the full-time position, the nurse will have the option of reverting to her/his full-time status or remain regular part-time.

ARTICLE L - PRE-PAID LEAVE PLAN

Any employee who believes the situation to be abusive shall report this to the immediate supervisor who will take every precaution reasonable to rectify the abusive situation.

(b) Violence Policies and Procedures

The Employer agrees to develop in consultation with the JHSC formalized explicit policies and procedures to deal with violence. The policy will address the prevention of workplace violence, the management of violent situations, and support to employees who have faced violence. The policy and procedures shall be part of the employee's health and safety policy and written copies shall be provided to each employee at time of hire.

This training will be done during a new employee's orientation and updated on an annual basis for all employees.

(g) Damage to Personal Property

The employer will consider providing reimbursement for replacement or repair of damages incurred to the employee's personal property, such as eyeglasses, contact lenses or other prosthesis, ripped uniforms, personal clothing, as a result of being assaulted while performing his/her work.

The employer will consult with the JHSC in the development of notification procedures, and these measures and procedures will be re-evaluated annually in consultation with the JHSC.

(i) Staffing Levels to deal with Potential Violence

The Employer agrees that, where there is a risk of violence, an adequate level of trained employees should be present. The Employer recognizes that workloads can lead to fatigue and a diminished ability both to identify and to subsequently deal with potentially violent situations.
