- 3.01 Except where specifically abridged by the terms of this Agreement, the management of the City of Greater Sudbury's operations and the selection and direction of the work force of nurses will continue to be vested exclusively with the Employer.

The Parties are committed to cooperate to organize training events for Nurses aimed at educating Nurses on the definitions above and the contents of the Harassment and Discrimination Policy and the Workplace Violence and Harassment Prevention Policy. It is important that all Nurses and Management Staff are made aware of what constitutes discrimination and harassment and of the procedures and resources in place for dealing with allegations. Time spent at the training event will be time worked.

#### **ARTICLE 5 - NO STRIKES OR LOCKOUTS**

5.01 In view of the orderly procedures established herein for the disposition of the nurse's complaints and grievances, the Employer agrees that it will not cause or direct any lockout of its nurses for the duration of this Agreement.

- 6.02 The Employer agrees to deduct dues from the earnings of each nurse in the amount certified by the Association.
- 6.03 The Employer agrees to deduct the amount of dues each month from the first payroll period of each month and remit the amount of dues so deducted to the Association no later than the last day of the month in which the dues are deducted.

- (b) The Employer agrees to give representatives of the Ontario Nurses' Association access to the premises of the Employer for the purpose of attending Labour-Management meetings or Grievance meetings, provided prior arrangements are made with management.

7.03 The Employer acknowledges the right of the Association to appoint or otherwise select a Grievance Committee, which will be employees of the Employer, of not more than two (2) members referred to as Nurse representatives. The Association agrees to notify the Employer annually, in writing, the names of the members of the Grievance Committee under this Article or upon any change thereto.

- 7.04 (a) In order to attend Association Grievance meetings up to and including Stage Two of the Grievance Procedure, such Nurse Representative(s) shall not leave their regular duties without first obtaining permission from their Immediate Supervisor. - (a) The Employer and the Association agree that they mutually desire to maintain standards of safety and health in the Home in order to prevent accidents, injury and illness. The Joint Health and Safety Committee shall concern itself with all matters relating to violence to staff. The Employer, in conjunction with the Joint Health and Safety Committee will immediately and thoroughly investigate all acts and reports of potential/actual violence.

- (d) The Employer agrees to cooperate reasonably in providing necessary information to enable the Committee to fulfil its functions.
- (e) Meetings shall be held every second month, with the exception of July and August, or more frequently at the call of the Chair, if required. The Committee shall maintain minutes of all meetings and make the same available for review.

- (h) All time spent by a member of the Joint Health and Safety Committee attending meetings of the Committee and carrying out the duties, shall be deemed to be work time for which members shall be paid by the Employer at the regular rate and shall be entitled to such time off from work as is necessary to attend scheduled meetings.
- (i) No nurse shall be disciplined for acting in compliance with the applicable Acts, Regulations and Health and Safety Manual, or for seeking enforcement of the provisions of the Acts, Regulations and Health and Safety Manual.
- (j) All nurses shall immediately report unsafe acts, unsafe conditions and injuries/illnesses resulting from workplace accidents to their immediate Supervisor. The Supervisor will investigate, report and take corrective action as required and the Employer will report to the Joint Health and Safety Committee in accordance with legislation and policy.

7.06 The Employer will reimburse for damages incurred to the nurse's personal property as a result of being assaulted while performing his or her work.

## **ARTICLE 8 - GRIEVANCE PROCEDURE**

8.01 At any stage of this grievance procedure, a nurse has the right to be accompanied or represented by a nurse representative.

8.02 (a) Within the terms of this Agreement, a Grievance shall be defined as a difference arising between a nurse, the Association, or both, and the Employer as to the interpretation, application, administration or the alleged violation of the provisions of this Agreement.

(b) Grievances shall be dealt with in the following manner and all grievances shall be in writing and may be submitted provided that no more than twenty (20) calendar days have elapsed since the occurrence of the alleged grievance.

(c) An individual grievance must be signed by the nurse, a nurse group grievance must be signed by the aggrieved nurses, and a policy grievance must be signed by the appointed executive of the Association or designate.

(d) A written grievance shall state the Article of the Collective Agreement violated, the nature of the grievance, and the redress being sought for the settlement of the grievance. Failure to do so shall not thereby invalidate the grievance.

8.03 Complaints

(a) It is agreed and understood that a nurse has no Grievance until the nurse has first given his or her immediate Supervisor an opportunity to adjust his or her complaint. In discussing the complaint, the nurse may be accompanied by a nurse representative.

(b) Any nurse's complaint which is not settled by his or her Immediate Supervisor within ten (10) calendar days of the presentation of the complaint, shall then commence at Stage One of the Grievance Procedure provided

that no more than twenty (20) calendar days have elapsed since the occurrence of alleged grievance.

## 8.04

Grievances(a) STAGE ONE

The aggrieved nurse shall submit through the union the written grievance to the Director of North East Centre of Excellence for Seniors' Health or designate provided that no more than twenty (20) calendar days have elapsed since the occurrence of the alleged grievance. A meeting shall take place within ten (10) calendar days after the presentation of the grievance with a Grievance Committee representative accompanied by the aggrieved nurse. The Employer shall make a written response to the grievance, forward the same to the Grievance Committee representative within ten (10) calendar days of the said meeting. It is understood that any resolution reached at this Stage of the Grievance Procedure is without precedent or prejudice. Failing settlement at this Stage, then Stage Two may be invoked.

(b) STAGE TWO

Provided that not more than ten (10) calendar days have elapsed since the delivery of the reply at Stage One, the Grievance may be submitted to the Director of Human Resources and Organizational Development or designate.

A meeting will then be held between the Director of Human Resources and Organizational Development or designate and a Grievance Committee representative. A representative of the Ontario Nurses' Association and the grievor may be present at the meeting. An answer shall be given within ten (10) working days from the meeting to the Labour Relations Officer and the Grievance Committee representative(s) who attended the meeting. Failing settlement of the grievance at Stage Two, the matter may then be referred to Arbitration in accordance with the *Ontario Labour Relations Act*, as amended, provided that not more than thirty-six (36) calendar days have elapsed since the written decision by the Employer has been submitted to the Union at this Stage.

## 8.05

Policy Grievance

A Policy Grievance shall be any difference arising between the Association and the Employer from the interpretation, application or administration of the provisions of this Agreement. Policy Grievances may be submitted in writing by either party to the other at Stage Two of the Grievance Procedure, provided no more than sixty (60) calendar days have elapsed since the occurrence of the alleged Policy Grievance.

## 8.06

Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing identifying each nurse who is grieving to the Director of Human Resources and Organizational Development or designate provided not more than fifteen (15) calendar days have elapsed since the occurrence of the alleged grievance. The grievance shall then be treated as being initiated at Stage Two and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

## 8.07 Arbitration

- (a) Any grievance not settled at Stage Two may, before thirty-six (36) calendar days have elapsed since the written decision at Stage Two has been submitted, proceed to Arbitration in accordance with the provisions of *The Ontario Labour Relations Act*, as amended from time to time.
- (b) Each of the parties hereto shall bear the expenses of the nominee appointed by it, and the parties hereto shall jointly bear equally the expense of the Arbitrator, and any cost of the place of hearing of such Arbitration, if and when the necessity arises.
- (c) The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- (d) By mutual agreement of the parties, a grievance referred to arbitration under this article can be heard by a sole arbitrator.
- (e) If no written request is received by mail within thirty-six (36) calendar days after the decision under Stage Two is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) days after the decision under Stage Two, it will be deemed to have been received within the time limits.

## **ARTICLE 9 - DISCIPLINE, SUSPENSION OR DISCHARGE**

- 9.01 A nurse who is being suspended or discharged will be advised of such prior to the discussion and is entitled to have a nurse representative present during such meeting. Following such meeting, the nurse will be advised, in writing, of the reasons for such action by the Employer.
- 9.02 If a nurse is discharged or suspended and believes unjustifiably discharged, disciplined or suspended, the nurse shall have the grievance processed under the Grievance Procedure commencing at Stage Two, if presented in writing within twenty (20) calendar days after the date of discharge or suspension.
- 9.03 A grievance claiming discipline, suspension or discharge may be settled by confirming the Employer's action or by reinstating the nurse or by any other arrangement that is just and equitable in the opinion of the conferring parties or an Arbitration Board.
- 9.04 Any disciplinary notation or suspension of three (3) days or less will be removed from the record of a nurse eighteen (18) months following the receipt of such notation or suspension, provided that the nurse's record has been discipline-free for such eighteen (18) month period.  
  
Leave of Absence in excess of sixty (60) continuous calendar days will not count towards the period referenced above.
- 9.05 The Employer will notify the Nurse when it reports her or him to the College of Nurses of Ontario, and refer them to the Union as a resource.

## **ARTICLE 10 – SENIORITY**

- 10.01 (a) Seniority for full-time nurses shall be defined as the length of continuous employment since the latest date of hire. Continuous employment shall mean all attendance and leaves of absence with pay, but shall not include leaves of absence without pay in excess of thirty (30) continuous calendar days.

Seniority will accrue during pregnancy and/or parental leave in accordance with the Employment Standards Act.

- (b) Seniority and service for part-time nurses shall be based on paid shifts (or their equivalent) since date of last hire. For purpose of this Agreement, fifteen hundred (1500) hours is equal to one (1) year of full-time seniority and service and vice versa.

Seniority will accrue during pregnancy and parental leave in accordance with the Employment Standards Act. Similarly, service will accrue during such leaves in accordance with the Employment Standards Act. For the purposes of application of this clause, accrual will be based on the average weekly hours of work in the six (6) month period immediately prior to the commencement of the pregnancy or parental leave.

- (c) A nurse who accepts a promotion with the Employer to a permanent position outside the bargaining unit shall retain, but not accumulate his or her seniority held at the time of the promotion. In the event that the promotion is unsatisfactory for either the nurse or the Employer or the nurse is unable to perform the duties of the position during a six (6) month trial period, he or she shall be returned to the classification held immediately preceding such job posting and the nurse shall not suffer any loss of seniority or benefits covered by this Agreement. When a nurse remains in a permanent position outside the bargaining unit for greater than six (6) months, she or he will lose all seniority. It is agreed that a nurse who accepts a promotion with the Employer to a permanent position outside the bargaining unit is not covered by the terms and conditions of this Agreement and will not be required to pay union dues for any complete calendar month during which no bargaining unit work is performed.

- 10.02 (a) The Employer will maintain a seniority list for full-time and part-time nurses and the same shall be posted on the three (3) bulletin boards. For information purposes only, the names of all full-time and part-time probationary nurses shall be included in the seniority list. The seniority list will be revised every six (6) months and the Employer will provide a copy of the revised seniority list to the Association electronically.

- (b) Protests in regard to a nurse's seniority standing must be submitted in writing to the Co-ordinator of Human Resources by the affected nurse within ninety (90) calendar days from the date the Seniority List is posted on Bulletin Boards. When proof of error is established by the nurse or the nurse's representative, such error will be corrected and the proper information inserted in the seniority list. No other changes in the seniority status of a nurse or other information required on the seniority list shall be made by the Employer without prior notice of said changes being given to the affected nurse and the Association.

- 10.03 (a) A newly employed nurse shall be subject to a probationary period of three (3) months duration for full-time or four hundred and fifty (450) hours for part-time. Upon the successful completion of the probationary period, seniority shall be established, as of the date of hire. The parties recognize that ongoing feedback about the nurse's progress is important to the probationary nurse. There will be a progress report made prior to the expiration of the probationary period.
- (b) Persons on probation may be terminated at the discretion of the Employer provided that any such person so terminated shall have recourse to the Grievance Procedure. It is understood that the onus of proof on the Employer shall be less onerous than just cause. Where the Employer requests an extension of the probationary period, it will provide notice to the Union prior to the expected date of expiration of the initial probationary period.

10.04 Loss of Seniority and Termination of Employment

Seniority previously accumulated will be lost in totality and employment will be terminated whenever a nurse:

- (a) Leaves of his/her own accord.
- (b) Is discharged and the discharge is not reversed through the grievance and/or arbitration procedure.
- (c) Is absent from employment for five (5) consecutive scheduled working days (three [3] consecutive working days for part-time nurses) without an explanation satisfactory to the Employer.
- (d) Fails to report to work within ten (10) calendar days after the mailing by Registered Mail to return to work after a lay-off.
- (e) After a lay-off extending for a period of more than thirty (30) months.
- 10.05 (a) If a full-time nurse's absence without pay exceeds thirty (30) continuous calendar days, the nurse will not accumulate seniority or service for any purposes under the Collective Agreement for the period of absence in excess of thirty (30) continuous calendar days unless otherwise provided. The nurse will become responsible for full payment of any subsidized employee benefits in which the nurse is entitled to participate during the period of absence. A nurse may arrange with the Employer to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty continuous calendar days to ensure continued coverage. Notwithstanding this provision. Seniority (but not service) will accrue if a nurse's absence is due to a disability resulting in WSIB benefits, Employment Insurance illness benefits or LTD benefits including the period of disability program covered by Employment Insurance.

Notwithstanding this provision, seniority (but not service) will accrue for a period of seventeen (17) weeks while a nurse is on pregnancy leave under Article 11.05; and for a period of up to thirty-five (35) weeks while a nurse is on parental leave under Article 11.06; and, for an adoptive parent or a

natural father, for a period of up to fifty-two (52) weeks while such nurse is on a parental leave under Article 11.06.

- (b) Seniority for part-time nurses shall accrue for absences due to a disability resulting in W.S.I.B. benefits, or illness and injury in excess of thirty (30) consecutive calendar days. The rate of accumulation will be based on the employee's normal weekly hours paid over the proceeding qualifying twenty-six (26) weeks. A qualifying week is a week where the nurse is not absent due to vacation, pregnancy, parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

10.06

- (a) Should circumstances require a reduction of nurses, probationary nurses in the bargaining unit shall be laid off first, and then commencing with those permanent nurses with the least seniority provided the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. The Employer shall maintain separate seniority lists for full-time and part-time nurses for the purposes of layoff and recall only.

When permanent nurses are laid off under this Article and jobs have reopened with the Employer, such nurses shall be recalled in the reverse order of lay-off.

Prior to eliminating any position or effecting any lay-off of nursing staff, the Employer will:

- i) meet with the ONA Labour Relations Officer and the Bargaining Unit President ninety (90) days prior to the issuance of any notice of layoff to review the reasons for the layoff, including the method of implementation, the area(s) to be reduced and nurse(s) to be laid off.
- ii) provide the nurse(s) concerned, with no less than sixty (60) days notice of such. Should the position being eliminated be vacant, there is no requirement on the Employer to provide notice of intent to eliminate.

10.07

#### Job Postings

- (a) Where skill, ability, experience and qualifications are relatively equal, seniority shall be the basis for promotions.
- (b) Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Employer, such vacancy shall be posted for a period of seven (7) consecutive calendar days. The posting shall identify the normal schedule and initial area of assignment. Nurses may make written application for such vacancy within the seven (7) day period referred to herein.

It is understood that any subsequent change of area and/or schedule will not trigger the layoff/bumping provisions of the collective agreement. The Employer may reallocate a position that no longer suits the desired organization of work, and may reassign that incumbent to a position which remains vacant following the reposting.

Where the skill, ability, experience and qualifications are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. If there are no qualified internal applicants, consideration shall be given to applications received from persons outside the scope of this Agreement.

- (c) The name of the successful applicant to a Job Posting shall be posted by the Employer.
- (d) A copy of Job Postings will be mailed to the Association.
- (e) Limited Job Postings
  - i) A Limited Position shall mean a position which is for a limited duration of time, not to exceed twelve (12) months or such longer period of time as may mutually be agreed upon between the Employer and the Association.
  - ii) A Limited Job Posting shall state the estimated probable duration.
  - iii) A permanent nurse filling a Limited Job Posting shall, upon termination of the said job posting, revert to the permanent classification held immediately preceding the selection.
  - iv) Permanent nurses filling a limited job posting shall not create a vacancy for subsequent job posting purposes. Such vacancies will be filled by selection by the Employer. Selection will be made in the spirit of selection as though the vacancy was being filled by the job posting procedure.
  - v) Notwithstanding the provisions of this Article, vacancies of forty-five (45) or less working days may be filled by the Employer without recourse to the Job Posting procedure.
  - vi) The parties agree to maintain the current language and practice of using a polling notice to fill vacancies created when a permanent nurse fills a limited position. In addition, the parties agree to discuss this issue at a future Labour-Management meeting to attempt to reach agreement on an alternative method of filling these vacancies.
- (f) Seniority for purposes of Job Posting shall include both full-time and part-time seniority. Nurses may transfer from full-time to part-time and vice versa and shall carry all seniority and service and be subject to the benefit provisions applicable to their new positions.
- (g) A nurse wishing to change work status from full-time to part-time or vice versa may submit in writing this intent to the Manager of Resident Care. These requests will only be considered for a job posting when a nurse is absent from work due to vacation or on a paid leave of absence of two (2) weeks or less. Any requests made under this article will be deemed expired on December 31st of the year the request is made.
- (h) Successful applicants to job postings within or outside the scope of this Agreement, if unsatisfactory or the applicant is unable to perform the duties of the position during a six (6) month trial period, shall be returned to the

classification held immediately preceding such job posting and the nurse shall not suffer any loss of seniority or benefits covered by this Collective Agreement.

- (i) Any nurse displaced because of another's return, as the result of Article 10.07(h), shall be returned to the former permanent position held immediately prior to the job move and without loss of seniority and benefits covered in this Collective Agreement.

10.08 All nurses who are on lay-off will be given job opportunities before any nurse is hired, provided that the nurses on lay-off are qualified to perform the normal requirements of the job.

## **ARTICLE 11 - LEAVE OF ABSENCE**

11.01 Written requests for a leave of absence will be considered on an individual basis by the Employer and on the Form as provided by the Employer. A request for a leave of absence shall be made at least fourteen (14) calendar days in advance of the commencement of the requested leave. The Employer will render a decision on a leave of absence request, in writing, to the applicant within seven (7) days of receipt of such request.

### 11.02 Bereavement Leave

- (a)
  - (i) In the case of the demise of a wife, husband, spouse, child or step child, permanent and probationary nurses shall be permitted a leave of absence with pay for up to five (5) consecutive working days.
  - (ii) In the case of the demise of a member of the Immediate family, permanent and probationary nurses shall be permitted a leave of absence with pay for up to three (3) consecutive working days. Immediate family shall mean father, step father, mother, step mother, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents or grandchild.
- (b) In the case of the demise of a brother-in-law or sister-in-law, permanent and probationary nurses shall be granted two (2) days leave of absence with pay and may opt to take a third day from any remaining Weekly Indemnity Bank Days.
- (c) Bereavement leave shall be taken immediately prior to, during, or immediately following the date of the funeral or memorial service (or equivalent).
- (d) The term "child", as used in Article 11.02 (a), includes adopted and foster children.
- (e) "Spouse" for the purpose of bereavement leave will be defined as an unmarried man and woman who have co-habited either:
  - i) for at least three (3) years continuous, or
  - ii) in a relationship of some permanence and if they are the parents of a child.

“Spouse” for the purpose of bereavement leave will also include a partner of the same sex.

- (f) In the event that the death of a member of the nurse’s family as defined in Article 11.02 (a) and 11.02 (b) requires the nurse to travel more than three hundred and twenty (320) kilometres to attend at the funeral, an additional two (2) days without pay shall be allowed if requested in writing by the nurse, prior to departure.
- (g) A nurse may elect to defer one (1) day of bereavement leave entitlement to be used for attendance at the actual interment or equivalent service.

Notwithstanding the above, the Employer and the Union may make alternate arrangements in respect to salary and benefit continuation.

In cases of adoption, the nurse shall advise the Employer as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.
- (c) The nurse shall reconfirm intention to return to work on the date originally approved in subsection (b) above by written notification received by the Employer at least four (4) weeks in advance thereof. 13.03 Nurses will be given at least five (5) continuous days off at either Christmas or New Year's. This clause will take priority over vacation scheduling. For the purpose of this provision, the parties agree to waive all schedule regulations in the two pay periods corresponding to the time period between December 15<sup>th</sup> and January 15<sup>th</sup>.

Nurses who wish to have less than five (5) days off will advise their immediate supervisor in writing thirty (30) days prior to the posting of the schedule.

Such request shall be made within ten (10) calendar days after receipt of such notice from the Employer, of the new occupational classification and rate. Any change mutually agreed upon resulting from such meeting shall be retroactive to the date that such notice of the new rate was given by the Employer.

If the parties are unable to agree to the rate of pay, the matter may then be submitted to arbitration as provided for in this Agreement, provided application for arbitration is made within fifteen (15) calendar days of the said meeting. The decision of the Board of Arbitration (or Arbitrator, as the case may be) shall be based

The nurse concerned will be given the opportunity to sign the review form in question to indicate that its contents were read and explained and to indicate any areas of disagreement. Re: Staffing

- (a) Notwithstanding Article 2.02, Registered Practical Nurses will be scheduled by the Employer to do work which normally was performed by Registered Nurses, provided this will not lead to the layoff of any Registered Nurses. Notwithstanding the foregoing, nothing prevents the reduction of hours of casual part-time nurses.

- (c) In the event of a significant change in circumstance that may result in a review of this commitment, the employer agrees to a minimum of ninety (90) days notification if reasonable possible for discussion with the Ontario Nurses' Association local and staff bargaining representatives. A significant change in circumstances is deemed to include a change in status based on Ministry directives or, a significant change in the level of care.

Re: Bank Time Trial – Time Off in Lieu of Overtime Pay

The Parties agree to a Bank Time Trial subject to the following conditions for the life of the 2018 Collective Bargaining Agreement.

Permanent Full Time Nurses are required to indicate their intention to participate in the Program by the end of January each year.

- (1) A Nurse must decide whether to participate prior to the implementation date of the plan as stipulated above.
- (2) The maximum accrual of Bank Time is to be thirty-seven and a half (37.5) hours. Any overtime worked once the maximum accrual is reached, shall be paid out. The maximum accrual is a rolling balance, therefore should the accrual fall below the maximum, then any overtime worked shall be banked.
- (3) Banked Time shall be taken when it is mutually agreeable for a Nurse and the Employer. Bank Time may be used to top up approved WI benefits.
- (4) Cash payouts of any amount may be requested the last week in June. Any remaining time not taken or scheduled to be taken by November 30<sup>th</sup> will be paid out per item (5), below. It is understood that Nurses requesting a cash payout can continue to bank time throughout the year.
- (5) With reference to Item (4) above, pay in lieu of Bank Time not used shall be on a straight time basis as per the rate of pay at the time of accrual.  
i.e. one (1) overtime hour worked = one point five (1.5) hours banked time.
- (6) The Employer shall keep a record of the number of hours of overtime accrued and the applicable rates of pay for those hours. Employees who take their Bank Time off shall be paid at their current rate of pay.
- (7) Employees who receive pay for any unused Bank Time shall be paid at the rate of pay in effect at the time of its accrual.
- (8) Should the either Party determine that this trial is neither practical nor feasible, thirty (30) days notice shall be given and then those Nurses with accrued Bank Time shall be paid in accordance with the method as outlined in Item (5) hereof.

Re: Job Sharing

Job sharing is defined as an arrangement whereby two or more nurses share the hours of work of what would otherwise be one full-time position.

The Employer may introduce a job sharing arrangement under any of the following circumstances:

- 1) When a permanent full-time vacancy arises and there are no successful internal or external applicants.
- 2) When a permanent full-time nurse submits in writing to the Manager of Resident Care that they desire to enter into a job sharing arrangement.
- 3) When a limited full-time vacancy arises and there are no successful internal or external applicants, in which case the Employer may make a job sharing arrangement available to the part-time nurses.

When the Employer elects to proceed with a job sharing arrangement, any vacancies to be posted and filled will be in accordance with Article 10.07.

A full-time nurse wishing to share her/his position may do so without having her/his half of the position posted.

- (a) The other half of the job sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- (b) It is understood and agreed that the nurse may opt out of the job sharing arrangement and revert to her/his former position at anytime however must submit in writing a reason satisfactory to the Employer in order to be considered for a future job sharing arrangement

If the job sharer who holds the full-time position leaves the arrangement by either retiring, resigning or successfully bidding to another position, her or his full-time position will be posted according to the Collective Agreement. If the job sharer who does not hold the full-time position leaves the arrangement, their half of the job sharing arrangement will be posted. If there is no successful applicant to the job sharing position, the nurse who holds the full-time position will revert to her or his former full-time status. If the remaining employee was previously part-time they will return to their part-time status. If both job sharers are part-time employees and the job sharing arrangement is ended, the full-time position will be posted and filled in accordance with the Collective Agreement.

Either party may discontinue a job sharing arrangement with ninety (90) day's notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. Should the Employer discontinue job sharing the employees currently working those arrangements will have the option of reverting to their former status or remain part-time.

The nurses involved in a job sharing arrangement will be classified as part-time and will be covered by the provisions of this agreement applicable to part-time nurses except for those modified as follows:

- (a) Schedules will conform with Articles of the collective agreement which set out scheduling.
- (b) Total hours worked by each of the job sharers shall be equal and, in total, shall be equivalent to one (1) full-time position. Job sharers will have the option of determining between themselves which partner will work on a scheduled shift, however, all scheduled shifts must be covered. Such schedules will not be unilaterally imposed or changed by the Employer, but once the schedules are posted, they will not be changed without approval by the Manager of Resident Care.
- (c) Each job share position will be granted at least five (5) consecutive days off over either Christmas or New Year's period, with such days including Christmas and New Year's Day. When one or both of the job sharers work over Christmas, neither can be required to work over New Year's and vice versa, unless mutually agreed otherwise between the nurse and the Employer. Should job sharers on a job share position be assigned to work either Christmas or New Year's, they will be expected to work up to five (5) consecutive days. Where both job sharers request to work Christmas or New Year's or request to have either off and a conflict exists, then seniority shall be the deciding factor.
- (d) Job sharers will not be required to work, in total, more paid holidays than would one (1) full-time nurse, unless mutually agreed otherwise.
- (e) Each job sharer may exchange shifts with her/his partner as well as other nurses as provided by the collective agreement. A job sharer may exchange with nurses other than her/his partner only on scheduled shifts off for the full-time line in the master schedule.
- (f) It is expected that both job sharers will cover each other's incidental illnesses and vacations.
  - (i) If, because of unavoidable circumstances, one cannot cover the other, the Manager of Resident Care must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences. Job sharers shall be offered additional unscheduled shifts only if they have made their availability known. It is understood that they may only make themselves available on shifts where neither job share partner is scheduled and where such would not result in premium payment.
  - (ii) In the event that one member of the job sharing arrangement goes on vacation, maternity leave and any other leave of absence identified under Article 11 of the collective agreement in excess of thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the entire leave of absence, she/he must inform the Manager of Resident Care in writing at least six (6) weeks in advance of the scheduling period. If the employee cannot cover for her/his partner, the

vacancy will be offered in rotation by seniority to the part-time employee.
