ARTICLE 1 – PURPOSE

- 1.01 The general purpose of this Agreement is to maintain collective bargaining relations between the Home and its employees and to provide for the prompt and equitable disposition of grievances, and to establish and maintain mutual satisfactory working conditions, hours and wages for all employees who are subject to the provisions of this Agreement.
- 1.02 It is recognized that the parties wish to work together to secure the best possible nursing care and health protection for residents.

ARTICLE 2 – RECOGNITION

- 2.01 The Employer recognizes the Ontario Nurses' Association as the sole and exclusive bargaining agent for all Registered and Graduate Nurses employed in a nursing capacity by the Municipal Corporation of the County of Hastings, at Bancroft, save and except the Director of Nursing, and persons above that rank, and persons regularly employed for not more than twenty-four hours.
- 2.02 No Other Agreement
- No employee shall be required or permitted to make any written or verbal agreement with the Employer or his representatives which conflict with the terms of this Collective Agreement.

ARTICLE 3 – DEFINITIONS

- 3.01 "Employer" - the Employer is the Corporation of the County of Hastings, also referred to as the Corporation or the Home.
- 3.02 (a) "Full-Time Nurse" - a full-time nurse is an employee who regularly works thirty-seven and one half (37-1/2) hours per week.
- (b) "Regular Part-Time Nurse" - a regular part-time nurse is an employee who regularly works less than thirty-seven and one half (37-1/2) hours per week on a predetermined schedule.
- (c) "Casual Part-Time Nurse" - a casual part-time nurse is an employee who is employed to work on an occasional basis as and when required by the Employer subject to the employee's availability and does not normally have a predetermined schedule.
- (d) Casual part-time nurses may occasionally be prescheduled only when regular part-time nurses are not available to replace nurses on vacation, statutory holidays, sick leave, pregnancy, parental leave or other leaves of absence.
- Upon accepting a schedule in these circumstances a casual part-time nurse loses her right to decline shifts in that schedule.
- 3.03 A registered nurse is defined as a person who is registered by the College of Nurses of Ontario, in accordance with the *Regulated Health Professions Act* as

amended. Wherever the Collective Agreement makes reference to "registered nurses" such reference shall be amended to reflect the appropriate designation established by the *Regulated Health Professions Act*. A registered nurse is required to present to the Director of Nursing by February 15th of each year, her or his current certificate of competence.

- 3.04 "Her" throughout this Agreement, will read "his" or "her". Where the singular is used, it may also be deemed to mean the plural.
- 3.05 New employees shall be on probation for a period of four hundred and fifty (450) hours worked. The employment of probationary employees may be terminated at any time at the discretion of the Employer. The Employer in exercising this right however, shall not act in a discriminatory, arbitrary or bad faith manner. On completion of the probationary period, the employee shall be credited with seniority back to the date she or he was hired. Subject to the above, a probationary employee may grieve their termination.
- 3.06
- (a) The Employer will assign at least the same number of bargaining unit tours that were scheduled on each shift of each day of the last week ending prior to March 31, 1999.
 - (b) In the event the Employer cannot meet their commitment, it shall so notify the Union and fully disclose the reasons thereof.
 - (c) If the failure to staff is a legitimate recruitment issue, there shall be no violation of this Agreement. The Employer will make best efforts to recruit a replacement.
 - (d) Further, if there is a significant reduction in beds, occupancy levels or funding below the levels in effect as of March 31, 1999, a reduction in the complement shall not constitute a breach of this Agreement, as long as the reduction is no greater than necessary to offset the funding reduction.
 - (e) It is understood that this provision does not restrict the exercise of management's rights to make staffing and work assignment decisions on a day-to-day basis.
 - (f) If there is any other reason for the failure to staff in accordance with this article, the Union and Employer will attempt to find a resolution and if unable to do so, the matter may be referred to Arbitration.
 - (g) The Arbitrator/Arbitration Board will have authority to determine whether the reduction in staffing was appropriate and shall have jurisdiction to award an effective remedy.
 - (h) The assignment of patient care duties, including the delegation or direction of duties by members of the bargaining unit to other health care providers, shall be in accordance with the *Regulated Health Professions Act* and related statutes and regulations and in accordance with the guidelines established by the College of Nurses of Ontario from time to time and any Employer policy related thereto shall meet those requirements.

ARTICLE 4 – RELATIONSHIP

4.01 No Discrimination

- (a) The Employer and the Union agree that there shall be no discrimination, interference, restriction or coercion exercised or practiced with respect to any employee, because of her or his membership or non membership in the Union or activity or lack of activity on behalf of the Union or by reason of exercising her or his rights under the Collective Agreement.
- (b) The Employer and the Union agree that there shall be no discrimination, harassment, interference, restriction or coercion exercised or practised with respect to any employees by reason of age, race, creed, colour, national origin, religion, political affiliation, sexual orientation, sex, marital status or any other grounds prohibited by the *Human Rights Code of Ontario*.

4.02 Union Activity

The Union will not engage in union activities during working hours or hold meetings at any time on the premises without the permission of the Administrator or designate.

ARTICLE 5 - STRIKES OR LOCKOUTS

- 5.01 The Union agrees that there will be no strikes and the Employer agrees that there will be no lockouts during the term of this Agreement. The term "strike" and "lockout" shall bear the meaning given them in the *Labour Relations Act, R.S.O. 1980, C.228*, as amended.

ARTICLE 6 - MANAGEMENT RIGHTS

6.01 The Union agrees that it is the exclusive function of the Employer to:

- (a) To maintain order, discipline and efficiency and to establish, revise from time to time and enforce reasonable rules and regulations to be observed by the employees (such rules to be posted by the Employer and a copy sent to the Union).
- (b) To hire, discharge, direct, transfer, classify, promote, demote, suspend or discipline employees, and increase or decrease the working force.
- (c) To generally manage its Homes for the Aged.
- (d) To introduce new and improved facilities, equipment and methods to improve the efficiency of the Home for the Aged.
- (e) The Employer agrees that these functions shall be exercised in a manner consistent with the general purpose and intent of this Agreement, and that a claim by the Union of unjust rules or regulations, discrimination, discharge, suspension or discipline may be the subject of a grievance under this Agreement.

ARTICLE 7 - UNION SECURITY

7.01 The Employer shall deduct from the pay due to each employee who is covered by this Agreement a sum equal to the monthly Union dues of each employee. The Union shall notify the Employer, in writing, the amount of such dues from time to time. The Employer shall send to the Ontario Nurses' Union monthly, following such deductions, its cheque for the dues so deducted, along with a list of the names and the amount of such deduction for each employee.

The list shall show the Social Insurance Number of each employee, terminations, new hires, and employees who are on leaves of absence.

7.02 The Employer will provide on each employee's annual T4 report the amount of dues deducted in the previous taxation year.

ARTICLE 8 – GRIEVANCE

8.01 A grievance shall be defined as any matter arising out this Agreement or concerning the interpretation, application, administration or alleged violation of this Agreement. The grievance shall be in writing and shall only be considered if it is filed within ten (10) days of the event giving rise to the grievance. In the case of an employee who is prevented from submitting a written grievance within the time limits prescribed above, because of illness or authorized absence, such time limit will be extended for a period of five (5) days following the date of her or his return to work.

Any time limits referred to in the Grievance and Arbitration Procedure shall be exclusive of Saturdays, Sundays, and Paid Holidays observed by the Employer.

8.02 Any employee may present a complaint without recourse to the formal written procedure contained therein.

At any step of the grievance procedure, including the complaint stage, the employee may be accompanied by her or his union representative.

Step 1

An employee, or the Union may present a written grievance within ten (10) working days to the Director of Nursing who shall have ten (10) working days in which to render a decision. Failing a satisfactory settlement after this period, within ten (10) working days, the second step of the grievance procedure may be invoked as follows:

Step 2

The employee, or the Union, may submit the written grievance to the Administrator of the Home or designate, who shall have ten (10) working days in which to render a decision. If a satisfactory settlement cannot be reached within ten (10) working days, the third step of the grievance procedure may be invoked as follows:

Step 3

The Grievance Committee shall then take the matter up with the Administrator of the County, his designated representative, or at his discretion, representatives of the Personnel Committee of the County, who shall call a meeting of the Grievance Committee within fourteen (14) working days. The Administrator shall reply in writing within ten (10) working days of such meeting to the Chairperson of the Grievance Committee with a copy of his reply to the Labour Relations Officer (LRO) of the Ontario Nurses' Association. If the decision is unsatisfactory to the employee(s) or the Union, it may be referred to Arbitration.

8.03 Policy Grievance

The Union or the Employer may institute a grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of this Agreement within ten (10) working days after the circumstances giving rise to the grievance has occurred. Such grievance shall be originated at Step #2 of the Grievance Procedure.

8.04 Group Grievance

Where a number of employees have similar grievances they may present a group grievance in writing to the Administrator of the Home or designate within fourteen (14) working days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employees. Such grievance shall be filed at Step #2 of the Grievance Procedure.

Should the Employer discharge or suspend any employee(s), notification by the Employer to such employee(s) shall be made in the presence of a union representative if one is available at work. The employee(s) and the Union shall be provided with written reasons for a discharge or suspension. Such grievance shall be filed within fourteen (14) working days at Step #3 of the Grievance Procedure.

ARTICLE 9 – ARBITRATION

- 9.01 (a) Before any grievance is submitted to arbitration, the parties may meet with a Grievance Mediator in order to attempt to resolve such grievance. The parties may refer any number of outstanding grievances to the Grievance Mediator for possible resolution. Each party shall pay one half (1/2) of the fees and expenses of the Grievance Mediator.
- (b) When either party requests that a grievance be submitted to arbitration, the grievance shall be submitted to one of the following panel of sole Arbitrators:

Felicity Briggs
Jane Devlin
Paula Knopf
Louisa Davie

If a grievance has already been submitted to one of the Panel of Arbitrators, then any subsequent grievances shall be submitted to the

next Arbitrator on the Panel. In order to accept an appointment, the Arbitrator must agree to render an award within thirty (30) days of the last day of hearing.

- (c) In the event that the parties mutually agree to refer a grievance to a tripartite Arbitration Board, the party requesting arbitration shall advise the other of its nominee to the Arbitration Board. Within ten (10) days thereafter, the other party shall answer in writing, indicating the name and address of its appointee to the Arbitration Board. The Chair shall be selected from the Panel of Arbitrators set out in paragraph 9.01(b) above.
- (d) Once appointed the Arbitration Board or single Arbitrator shall have all the powers set out in Section 50 of the *Labour Relations Act* including the power to mediate/arbitrate the grievance and to limit evidence and submissions.

9.02 Failure to Appoint

If the recipient of the notice fails to appoint a nominee to the Arbitration Board, or if the two appointees fail to agree upon a chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

9.03 Board Procedures

The Arbitration Board shall hear and determine the difference or allegation, and shall issue a decision, and the decision is final and binding upon the parties and upon any employee affected by it.

9.04 Decisions of the Board

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the chairperson shall be the decision of the Board. The decision of the Board of Arbitration shall be final and binding and enforceable upon all parties but in no event shall the Board of Arbitration have the power to change this agreement or to alter, modify or amend any of its provisions. However, the Board shall have the power to dispose of any discharge or discipline grievances by any arrangement which in its opinion it deems just and equitable.

9.05 The time limits fixed in both the grievance and arbitration procedure may be extended by consent of both parties to this agreement. Should any grievance not be submitted within the time limits specified, the employee shall be entitled to submit the grievance to the next stage including arbitration.

9.06 All reasonable arrangements will be made to permit the conferring parties or the arbitrator(s) to have access to the Employer's premises or to review any working conditions which may be relevant to the settlement of the grievance.

9.07 Time limits fixed in the complaint, grievance and arbitration procedures may be extended by mutual consent of the parties.

9.08 The parties may agree to waive or extend any of the time limits established in the grievance procedure. Such agreement shall be expressed in writing and acknowledged by the parties.

ARTICLE 10 - EMPLOYEE FILE

10.01 Use of Personnel Files

Provided an employee has an eighteen (18) month discipline free record, any disciplinary records (letters of reprimand, suspensions or other sanctions) shall be removed from the employee's personnel file.

10.02 Access to Personnel Files

An employee, on advance request shall have the right to access and review her or his personnel file, in the work place, and shall have the right to respond in writing to any document contained therein. Such reply shall become part of the personnel record.

10.03 When any type of evaluation, performance appraisal, progress or assessment relating to job performance, nursing practice or other employment related matters is completed with respect to any employee, it is understood and agreed that such employee shall be given an opportunity to sign the document, indicate any area of disagreement and she or he shall also be provided with a copy of the document, upon request by the employee. It is understood that such signature does not necessarily constitute agreement of the contents of the document provided that the employee specifies the areas she or he disagrees with. Evaluations do not constitute disciplinary action against an employee.

ARTICLE 11 - UNION COMMITTEES

11.01 The Home will recognize the following:

- (a) Two (2) union representatives who shall also comprise the Grievance Committee;
- (b) A Negotiating Committee of two (2) employees, plus a Labour Relations Officer (LRO).

It is understood and agreed that the Labour Relations Officer (LRO) is the signing authority for the Ontario Nurses' Association, and therefore any Agreement reached between the parties is of no force and effect without the agreement and signature of the Labour Relations Officer (LRO).

- (c) A Union-Management Committee comprised of two (2) employees and an equal number of representatives of the Home. The committee shall meet every two (2) months unless otherwise agreed. The duties of the Chairperson and Secretary shall alternate between the parties. Where possible, agenda items will be exchanged in writing at least five (5) calendar days prior to the meeting. A record shall be maintained of matters referred to the committee and the recommended disposition, if any, unless agreed to the contrary. Copies of the record shall be provided to the committee.

11.02 The Union will advise the Administrator of the Home or designate of the personnel serving on committees, within thirty (30) days of any change of

personnel serving on these committees and the Home shall not be required to recognize any other committees.

11.03 Compensation for Union Committees

The Union acknowledges that the Union representatives will continue to perform their regular duties on behalf of the Home, and that such employees will not leave their duties without first obtaining the permission of their Director of Nursing or her or his delegate, and, on the completion of such duties shall report back to her, or to any job to which she or he has previously directed them. The union representatives shall advise her or his immediate supervisor of the type of meeting she or he will be attending.

Such representatives of the Union will not lose money for time spent in the processing of grievances, attendance at negotiation sessions, or at the Union Management Committee level at a time that the representatives were scheduled to work.

11.04 It is understood that such permission shall not be unreasonably withheld.

11.05 (a) The Employer agrees to pay members of the Negotiating Committee for time spent during regular working hours in negotiations up to and including mediation.

(b) Employees on the Negotiating Committee shall have the option of booking off for the evening or night shift of the preceding day, or the evening or night shift of the actual negotiating day, if scheduled to work these shifts.

11.06 (a) The Union shall appoint one (1) member of the bargaining unit to the Joint Occupational Health and Safety Committee in place at the Employer's premises.

The Union's member shall be paid her or his regular straight time hourly rate for all time spent at meetings of this Committee, it being understood that such time spent shall not be subject to call-in pay (Article 16.06).

(b) The parties agree that if incidents involving aggressive client action occur, such action will be recorded and reviewed at the Occupational Health and Safety Committee. Reasonable steps within the control of the Employer will follow to address the legitimate health and safety concerns of employees presented in that forum.

The parties further agree that suitable subjects for discussion at the Joint Labour Management Committee will include aggressive residents.

11.07 The Union shall have the right to have the assistance of representatives of, or consultant from, the Ontario Nurses' Association at any meeting with the Employer.

11.08 The Employer agrees to provide a representative of the Union with an opportunity of interviewing newly hired employees during their first week of employment for a period not to exceed fifteen (15) minutes.

- 11.09 All joint Employer Association meetings shall be scheduled where practical during the nurse's regular working hours. The Employer will provide replacement staff where operationally required.

ARTICLE 12 - SENIORITY

12.01 Seniority Defined

Seniority shall be defined as the length of service with the Employer since the date of last hire. Seniority shall operate on a bargaining unit wide basis. Seniority for part-time employees shall be based on paid hours accumulated since date of last hire. It is recognized that paid hours up to March 12, 1989, shall accumulate at the rate of 1600 paid hours to equate to one year of full-time service. Paid hours on, and after March 12, 1989 shall accumulate at the rate of fifteen hundred (1500) paid hours to equate to one (1) year of full-time service.

12.02 Probationary Employees

The probationary period shall be sixty (60) paid tours of duty. Upon written agreement of the Union, the Employer and the employee involved, the probationary period may be extended for a further period of thirty (30) paid tours of duty. If retained after the probationary period, the employee shall acquire seniority and will be credited with total hours worked since last date of hire.

12.03 Seniority List

The Home shall maintain up to date seniority lists showing the date upon which an employee's seniority commenced. Where two or more employees commenced work on the same day, preference shall be in accordance with the date of application for employment.

A copy of the seniority lists shall be sent to the Union and posted on the bulletin boards in the employees' locker areas and outside the staff dining room in February of each year.

12.04 Seniority Retained and Accumulated

Seniority and service for nurses shall be retained and accumulated when an employee is absent from work for the following reasons:

- (a) When on approved leave of absence with pay;
- (b) When on an approved leave of absence without pay, not exceeding thirty (30) consecutive calendar days;
- (c) When on pregnancy or parental leave.
- (d) When an employee is loaned by the Employer to another agency (secondment);
- (e) When in receipt of WSIB benefits as the result of injury or illness incurred while in the employment of the Employer;
- (f) For full-time nurses, when in receipt of illness allowance including LTD;

- (g) For part-time nurses, when absent due to illness or injury in excess of thirty (30) consecutive calendar days.

The rate of accumulation of seniority and service for part-time nurses will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the nurse is not absent due to vacation, pregnancy/parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

12.05 Seniority will be retained but not accumulated when an employee is absent from work under the following conditions:

- (a) When on an approved leave of absence without pay not provided for in (b) above;
- (b) When absent due to layoff for a period of twenty-four (24) calendar months;

12.06 An employee shall lose all seniority and will be deemed to be terminated if she or he:

- (a) Resigns;
- (b) Is discharged and not reinstated;
- (c) Is absent for three (3) consecutive working days without notifying the Employer unless a satisfactory reason is given;
- (d) Is laid off for a period of longer than twenty-four (24) months;
- (e) Retires;

The Union and the Employer agree to abide by the *Human Rights Code*.

12.07 In the case of all vacancies, the Employer will post notice of such vacancy for seven (7) calendar days prior to making an appointment to any such position in order that any interested employee may apply. Postings will be filled in accordance with Article 12.08.

Notices of all postings shall be made at both Hastings Manor and Hastings Centennial Manor, it being understood that employees in the bargaining unit at the Home where the vacancy occurs shall have preference when the Employer fills the vacant position.

A transfer system will be established. Under such a system an employee will be able to indicate her or his interest (i.e. working in another location, or on a different shift), and the application will be considered as though s/he had made it at the time of posting.

An employee who transfers from one Home to the other will retain her or his seniority and service for all purposes of the Collective Agreement applicable to the bargaining into which the employee transfers.

If there are no suitable candidates from either Home for the Aged, the Employer may then hire a new employee. The name of the successful applicant will be posted by the Employer.

A full-time Employee who is absent due to leave of absence or illness shall have the right to return to her or his former position as shall the Employee(s) who fill temporary vacancies.

12.08 In all cases of transfer, promotion, the following factors shall be considered:

- (a) Skill, ability, qualifications and experience;
- (b) Seniority.

Where the factors in (a) are relatively equal, (b) shall govern.

The unsuccessful candidate shall be given reasons why she or he was not chosen for the transfer or promotion in writing from the Employer, if the unsuccessful candidate so requests.

12.09 Layoff and Recall

- (a) The layoff employees shall be in reverse order of seniority providing that employees remaining are qualified to perform the available work. Probationary employees shall be laid off first.

Full-Time layoffs shall be separate from Part-Time layoffs. Notwithstanding this provision, when Full-Time or Part-Time employees choose to bump and there are no employees with less seniority on the applicable Full-Time or Part-Time seniority list as the case may be, then the lists will be merged for purposes of bumping.

Consistent with the opportunity to bump, all employees who are potentially impacted will be given notice of layoff at the outset of the process.

The decision of the employee to choose to bump must be given to the Employer in writing within seven (7) calendar days following notification of layoff. Employees failing to do so will be deemed to have accepted the layoff.

No agency or new hires will be used when there is an employee on layoff provided that the employees on layoff are qualified to perform the available work.

Recall to a regular Part-Time or Full-Time position shall be in order of seniority. Notice of recall will be sent by registered mail. An employee will respond within seven (7) calendar days and shall be available for work within fourteen (14) days unless otherwise agreed.

The Home and Union will meet and discuss the layoffs at the earliest opportunity. This discussion will include the service which the Home will undertake after the layoff.

(b) Layoff and Recall - Long Term

In the event of a pending layoff of a permanent or long term nature, the Home will:

- i) provide the union with at least ninety (90) days written notice.
- ii) Meet with the Union to review the following:
 - A) The reasons causing the layoff;
 - B) The service which the Home will undertake after the layoff;
 - C) The method of implementation, including areas of cutback and the employees to be laid off.

- (c) It is understood that permanent or long term nature means a layoff which will be longer than thirteen (13) weeks.

In the event of a layoff of a permanent or long-term nature, the Home shall:

- i) provide to the affected employee(s), if any, no less than ninety (90) days written notice of layoff, or pay in lieu thereof.
- (d) Severance pay will be in accordance with the provisions of the *Employment Standards Act*.

12.10 Transfer and Seniority Outside Bargaining Units

No employee shall be transferred to a position not covered by the provisions of the collective agreement with the Ontario Nurses' Association without her or his consent. If an employee is so transferred, she or he shall retain her or his seniority acquired at the date of leaving the unit, but will not accumulate any further seniority.

If such an employee later returns to a position covered by the provisions of the Collective Agreement with the Ontario Nurses' Association, she or he shall be placed in a job consistent with her or his seniority. Such return shall not result in layoff or bumping of an employee holding greater seniority.

- 12.11 All seniority, illness, vacation and other credits obtained under this Agreement shall be retained and transferred with the employee if she or he changes her or his status from full-time to part-time and vice versa. A part-time employee who changes her or his status to full-time will be given seniority credits on the basis of sixteen hundred (1600) paid hours of part-time being equivalent to one year of full-time service and vice versa (for hours paid before March 12, 1989), and on the basis of fifteen hundred (1500) paid hours of part-time being so equivalent (for hours paid on and after March 12, 1989).

ARTICLE 13 - LEAVE OF ABSENCE

13.01 (a) Request for Leaves

The Home Administrator or designate may grant a leave of absence for personal reasons, without pay or without loss of seniority or occupation classification, to any employee requesting such leave. Such request shall be in writing and each case shall be dealt with on its own merits. Such request shall not be unreasonably withheld.

- (b) All leaves of absence shall be requested in writing as far in advance as possible, and a written reply will be given within fourteen (14) days of such request, except in cases of emergency.

In addition, employees on leave of absence in excess of thirty (30) continuous calendar days will be responsible for the repayment of all premium costs under Article 21.

13.02 (a) Union Leave

Upon written request, leave of absence without pay shall be granted to employees for Union business, providing operational requirements can be met. Permission for such leave will not be unreasonably withheld.

Leave of absence will be granted according to the following:

- i) No more than two (2) employees shall be on leave at any one time.
- ii) The aggregate total shall not exceed forty (40) days in any Calendar year.
- iii) The Employer shall not be responsible for overtime payment for any employee who may be required to work in place of another employee who is absent on Union business.
- iv) The Union will give at least two (2) weeks' notice when possible.

(b) Leave of Absence for Workers on the Board of Directors of the Ontario Nurses' Association

An employee who is elected to the Board of Directors of the Ontario Nurses' Association other than to the office of President shall be granted leave of absence without pay as she or he may require to fulfil the duties of the position. Leave of absence for Board members of the Ontario Nurses' Association will be separate from the Union leave provided in (a) above.

(c) Leave of Absence for the President of the Ontario Nurses' Association

An employee who is elected to the office of President of the Ontario Nurses' Association shall be granted upon request leave(s) of absence without loss of seniority and benefits.

- (d) The Employer agrees to keep the salary and benefits whole for all employees on Union Leave under clauses (a), (b) and (c) above, and will

bill the Union for such salary, as well as E.I., C.P.P., E.H.T. and W.C.B. premiums, and pension contributions. It is understood that employees accrue seniority and service for all purposes while on these Leaves. This clause is subject to any "effect of absence" clause, it being understood that the Union would make any prepayment of premiums under this provision, rather than the employee.

(e) Leave of Absence for Employees Who Serve as Local Coordinators for the Ontario Nurses' Association

An employee who serves as Local Coordinator for the Ontario Nurses' Association shall be granted leave of absence without pay up to a total of fifty-five (55) days annually. Leave of absence for Local Coordinators for the Ontario Nurses' Association will be separate from the Union leave provided in (a) above.

13.03 Educational Leave

- (a) The Employer may grant leave of absence without pay and without loss of seniority for a maximum of twenty-four months to attend educational courses provided such courses are nursing related. All such requests shall be in writing and shall be subject to the approval of the Employer, which approval shall not be unreasonably withheld.
- (b) On the prior approval of the County Administrator, the Employer agrees to reimburse the tuition fee of an employee who attends and successfully completes night school or special day courses or seminars that are job related.
- (c) Where the Employer requires the employee to take a course related to her or his employment with the Employer, upon the successful completion of the course, the employee shall be reimbursed for the total tuition cost of such course, and such employee shall suffer no loss of wages, benefits or seniority and service.
- (d) Education Reimbursement

Effective date of ratification Employees shall on the prior approval of the Director of Nursing and after successful completion of the course be entitled to receive reimbursement for employment related textbooks and/or course costs annually on presentation of receipt(s) for payment by the Director of Nursing or designate as follows:

Full-time employees	Up to \$100.00
Part-time employees	Up to \$50.00

Such payments shall be tax free if allowed by law.

13.04 Bereavement Leave

- (a) An employee shall be granted up to five (5) days leave without loss of pay or benefits in the seven (7) consecutive days immediately following the death of a spouse, fiancé, child/step child or parent (a parent may include a natural parent and/or step parent). "Spouse" for the purposes of bereavement leave will be defined as in the *Family Law Act*. "Spouse" for

the purposes of bereavement leave will also include a partner of the same sex. The Employer, in its discretion, may extend such leave with or without pay. Part-time employees will be credited with seniority and service for all such leave.

Harassment in the Workplace Policy

(Human Resource Policy No. 31)

The Corporation of the County of Hastings is committed to providing a work environment in which all individuals are treated with respect and dignity. It is crucial that, in the workplace, everyone, regardless of their role or position in the organization, conduct themselves in a respectful and professional manner.

Workplace harassment will not be tolerated from any person in the workplace. Everyone in the workplace must be dedicated to preventing workplace harassment. Department Heads, managers, supervisor and workers are expected to uphold this policy, and will be held accountable by the County of Hastings. Any workplace harassment will be regarded as a serious offence. A copy of this policy will be posted in the workplace.

Workplace harassment means engaging in a course of vexatious comment or conduct against a worker in a workplace – a comment or conduct that is known or ought reasonably to be known to be unwelcome.

Harassment may also relate to a form of discrimination as set out in the Ontario Human Rights Code, but it does not have to.

Workers are encouraged to report any incidents of workplace harassment.

All concerns, complaints or incidents of workplace harassment will be taken seriously. If the allegations constitute a violation of this Policy, management will investigate in a fair and timely manner while respecting workers' privacy as much as possible.

Nothing in this policy prevents or discourages a worker from filing an application with the Human Rights Tribunal of Ontario on a matter related to Ontario's Human Rights Code within one year of the last alleged incident. A worker also retains the right to exercise any other legal avenues that may be available.

This policy will be reviewed at least annually.
