ARTICLE 1 – PURPOSE

1.01 The general purpose of this Agreement is to establish mutually satisfactory employment relations as set out herein between the Employer and the nurses covered by this Agreement.

1.02 It is recognized that nurses wish to work together with the Employer to secure the best possible nursing care and health protection for residents.

ARTICLE 2 – RECOGNITION

2.01 The Employer recognizes the Ontario Nurses’ Association as the exclusive bargaining agent for all registered and graduate nurses employed in a nursing capacity by the County of Grey at its Grey Gables Home for the Aged (formerly operating as Grey Owen Lodge) in the Town of Markdale, save and except Director of Care and persons above the rank of Director of Care.

2.02 All references to officers, representatives and committee members of the Association in this Agreement, who are employed by the Employer shall be deemed to mean members of these Bargaining Units.

2.03 All references to Representatives of the Ontario Nurses’ Association shall be deemed to mean staff representatives of the Association.

2.04 All correspondence concerning these Bargaining Units shall be sent by the Employer to the designated Local representative of the particular Bargaining Unit involved, and to the Representative of the Ontario Nurses’ Association designated to the Employer by the Association.

2.05 For the purposes of interpretation whenever used herein, the feminine includes the masculine where the context so requires. Similarly, where the singular is used, it may also be deemed to mean plural.

2.06 In order to protect the standard of nursing care, the Employer agrees that no one outside of the Bargaining Units shall perform the work normally performed by members of the Bargaining Units except for the purpose of instruction or experimentation or on a once only basis where the immediate health of a resident requires it.

The above will not apply to Special Nurses employed by a resident or others permitted by statute.

2.07 The Employer recognizes the right of the nurses or Employer to have in attendance a Representative of the Ontario Nurses’ Association for the purpose of assisting nurses and/or Employer in the administration of this Agreement; for this reason, the Employer shall provide written notice to the designated local representative, of any meetings the Employer calls with the nurses, including the purpose thereof, at least five (5) working days in advance of the meeting. In the absence of the designated person either party shall designate another person to receive this notice.
ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Association recognizes that the management of the Homes for the Aged and the direction of the working force are fixed exclusively in the Employer and shall remain solely with the Employer except as specifically limited by the provisions of this Agreement. The Association acknowledges that it is the exclusive function of the Employer, without restricting the generality of the foregoing to:

(a) maintain order, discipline and efficiency;

(b) hire, assign, retire, discharge, direct, promote, demote, classify, transfer, lay-off, recall and suspend or otherwise discipline nurses, provided that a claim of discharge or discipline without just cause may become the subject of a grievance and be dealt with as hereinafter provided;

(c) determine, in the interest of efficient operation and highest standard of service, job rating or classification, the hours of work, work assignments, methods of doing the work and the working establishment for any service;

(d) determine the number of personnel required, the services to be performed and the methods, procedures and equipment to be used in connection therewith;

(e) make and enforce and alter from time to time reasonable rules and regulations to be observed by the nurses. However, prior to effecting any change in such rules and regulations which would affect nurses covered by this Agreement, the Employer shall first discuss such proposed changes with the Association.

3.02 It is agreed that these rights shall not be exercised in a manner inconsistent with the provisions of the Agreement.

ARTICLE 5 - NO DISCRIMINATION

5.01 The Employer and the Association agree that there shall be no discrimination, interference, restriction or coercion exercised or practised by either of them or any of their representatives with respect to any nurse by reason of age, sex, marital status, race, creed, colour, political or religious affiliation, nationality, ancestry, place of origin, sexual orientation, residence or other factors not pertinent with respect to employment, placement, promotion, salary determination or other terms of employment or by reason of her/his membership in or activities on behalf of the Association or any of its affiliated organizations or by reason of exercising any rights under the Collective Agreement, or set out in any applicable legislation as amended from time to time.

5.02 (a) The Employer agrees to take all reasonable measures to provide a working environment free from sexual harassment.

(b) A nurse may initiate a grievance under this clause. Grievances under this clause will be handled with all possible confidentiality and dispatch.

ARTICLE 6 - STRIKES AND LOCK-OUTS

6.01 There shall be no strikes or lock-outs so long as this Agreement continues to operate. The words "strike" and "lock-out" shall be as defined in The Labour Association dues designated by the Association. Such deduction shall be made from the second [2nd] pay each month and such monies shall be forwarded to the Association’s Business Office at its Toronto Office not later than fifteen (15) days after deduction.
7.02 The remittance in Article 7.01 hereof shall be accompanied by a list showing names, Social Insurance Numbers, whether the nurse is full-time or part-time and amount of deduction of all nurses covered by this Agreement who have been employed at any time during the period of the said deduction.

7.03 The Employer will deduct from the pay of all newly employed nurses an amount equal to the monthly dues commencing from the first [1st] deduction date following date of employment.

7.04 The Employer shall provide each nurse with a statement of dues deduction for income tax purposes (T-4 Supplementary Slip).

7.05 The Association shall indemnify and save harmless the Employer with respect to all dues so deducted and remitted.

7.06 The Association shall notify the Employer from time to time as changes occur of the amount of the Association's monthly dues.

7.07 During the first two (2) weeks of employment a local representative of the Association shall be allowed up to fifteen (15) minutes of time within working hours to interview all newly employed nurses. Such interview shall take place on the Employer's premises at a time and place mutually agreed upon by the new nurse, the representative and the Director of Care. The purpose of said interview is to discuss the duties and benefits of Association membership and to give out Collective Agreements, membership forms and other relevant Association material. Nurses will be allowed to join the Association at any time.

ARTICLE 8 - ASSOCIATION REPRESENTATION

8.01 For the purpose of administration of this Collective Agreement, the Employer agrees to recognize a designated representative from the Bargaining Units and the following committee members of the Association.

(a) Negotiating Committee composed of two (2) nurses selected by the Bargaining Unit provided that the Committee shall be composed of one (1) part-time and one full-time nurse.

(b) Grievance Committee for each Home will be composed of up to three (3) nurses selected by the nurses at Grey Gables provided that the Committee shall be composed of bargaining unit employees from each classification of nurses for the Home.

(c) Occupational Health and Safety Committee pursuant to the provisions of the Occupational Health and Safety Act, RSO 1980, c321.

8.02 The Association agrees that Local representatives and committee members have their regular duties to perform on behalf of the Employer and that they will not leave their regular duties without first receiving permission from their immediate supervisor. Such permission shall not be unreasonably withheld.

8.03 The Employer shall pay designated representatives and committee members of the Negotiating Committee, Grievance Committee and Nurse-Management Committee
their respective salaries, inclusive of applicable benefits, for all regular on-duty time used in processing grievances, negotiating renewal of this Agreement and while attending all meetings of the Nurse-Management Committee with the Employer. In the renewal of an Agreement the payment will be up to, but not including conciliation and arbitration. The Union agrees to reimburse the employer for the salaries and applicable benefits as maintained by the employer.

8.04 The Local Association will provide the Employer with a list, revised when changes occur, of its officers, representatives and committee members.

ARTICLE 9 - GRIEVANCE AND ARBITRATION PROCEDURE

9.01 In all steps of the Grievance Procedure an aggrieved nurse may be accompanied or represented by a representative of the Ontario Nurses’ Association. In the case of suspension or discharge, the Employer will notify the nurse of this right in advance.

9.02 In order to ensure that complaints of nurses shall be remedied as quickly as possible, the parties agree that the procedure for submitting and dealing with grievances shall be as follows.

Step #1

If a nurse has a complaint, she/he shall discuss it with the Director of Resident Care within fifteen (15) calendar days of becoming aware of the circumstances. The Director of Resident Care shall communicate her/his reply to the complainant within five (5) working days and if not satisfied, the complainant may file a written grievance in the following manner and sequence:

Step #2

Within five (5) working days, the nurse, with the assistance of a member of the Grievance Committee, shall submit the written grievance signed by her/him to the Administrator of the Home, who will hold a meeting within seven (7) days, with the Grievance Committee and a representative of the Ontario Nurses’ Association to discuss the grievance. The Administrator will give his decision in writing to the grievor, the Chairperson of the Grievance Committee and the Association representative within five (5) working days from the date following the meeting. If the nurse is not satisfied with the decision, then she/he may proceed to Step 3.

Step #3

Within five (5) days following the decision at Step 2, the grievance may be submitted in writing to the Chief Administrative Officer or his designate. A meeting will be held between the Chief Administrative Officer or his designate, the grievor, the Grievance Committee and a representative of the Ontario Nurses’ Association within seven (7) days of the submission of the grievance at Step 3. The Chief Administrative Officer shall give his decision in writing to the grievor, the Chairperson of the Grievance Committee and the Association representative within five (5) days of the meeting. If the nurse is not satisfied with the decision, then she/he may proceed as stated in Article 9.07
9.03 Policy Grievance

A grievance arising directly between the Employer and the Ontario Nurses' Association concerning the interpretation, application or alleged violation of this Agreement, shall be originated under Step #2. However, it is expressly understood that the provisions of this paragraph may not be used by the Association to institute any individual grievance directly affecting a nurse which such nurse could her/himself institute and the regular Grievance Procedure shall not be thereby bypassed. The grievance must be signed by the Home's Director or the designated Local representative respectively, or their designates.

9.04 Discharge/Discipline Grievances

(a) A claim by a nurse that she/he has been unjustly discharged, shall be treated as a grievance if a written statement of such grievance setting out the nature of the grievance and the specific remedy sought is lodged at Step #2 of the Grievance Procedure.

(b) A claim by a nurse that she/he has been unjustly suspended or otherwise formally disciplined shall be treated as a grievance by setting out the nature of the grievance, the specific remedy sought and lodged at Step #2 of the Grievance Procedure.

(c) Any formal discipline of a nurse by the Employer shall be done in the presence of the designated Local representative, if requested by the nurse or Employer.

(d) Should the Employer suspend, discharge or formally discipline a nurse, a copy of the notification by the Employer to such nurse shall be sent to the designated Local representative by registered mail.

(e) Formal discipline shall mean a record inserted in the nurse's personnel file.

9.05 The time limits set out in the Grievance and Arbitration Procedures, Step #1, Step #2 and Step #3, are to be complied with and failure to comply, except by written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject to the provisions of the Labour Relations Act, R.S.O. 1980 c228. Where no answer is given by the Employer within the time limits specified in the Grievance Procedure, the grieving party shall be entitled to submit the grievance to the next step of the Grievance Procedure.

9.06 All agreements reached under the Grievance Procedure between the parties will be final and binding upon the Employer and the Ontario Nurses' Association and the nurses.

Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application or alleged violation of this Agreement, or any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration. If no written request for arbitration is received within fifteen (15) calendar days after the decision under Step #3 of Article 9.02 is given, it shall be deemed to have been settled.
If either party requests that a grievance as provided for in Article 9.02 or 9.05 be submitted to Arbitration, the request shall be made in writing addressed to the other party of this Agreement and the party making the request shall name a nominee.

Within ten (10) calendar days thereafter, the other party shall name a nominee and notify the other party. The two (2) nominees so named shall, within ten (10) calendar days of the nomination of the latter of them, attempt to settle by agreement the selection of the third [3rd] person to be a member and Chairman of the Arbitration Board. If they are unable to agree on such a Chairman, they shall then request the Minister of Labour for the Province of Ontario to appoint a Chairperson.

No person may be appointed to an arbitration board who has been involved in an attempt to negotiate or settle the grievance.

The Arbitration Board shall not have jurisdiction to amend, alter, modify, or add to any of the provisions of this Agreement, or to substitute any new provisions in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this Agreement. This provision does not affect the Board's statutory authority to modify or set aside any disciplinary penalties.

Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, either of the parties may, after exhausting any Grievance Procedure established by this Agreement, notify the other party in writing of its desire to submit the difference or allegation to arbitration and the notice shall contain the name of the first party's nominee to an Arbitration Board. The recipient of the notice shall within ten (10) days inform the other party of the name of its nominee to the Arbitration Board.

The two (2) nominees so selected shall, within ten (10) days of the appointment of the second [2nd] of them, name a third [3rd] party who shall be Chairman. If the recipient of the notice fails to appoint a nominee, or if the two (2) nominees fail to agree upon a Chairman within the time limits, the appointment shall be made by the Minister of Labour of Ontario upon the request of either party. The Arbitration Board shall hear and determine the difference or allegations and shall issue a decision and the decision is final and binding upon the parties and upon any nurse or Employer affected by it. The decision of a majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairman governs.

Each of the parties will bear the fee and expenses of the nominee appointed by it and the parties will equally share the fees and expenses of the Chairman of the Arbitration Board.

(a) The time limits fixed in Article 9, including its clauses may be extended by written mutual consent of the parties to this Agreement.

(b) Any Step of the Grievance Procedure may be waived by written mutual consent of the parties to this Agreement.

In all Steps of the Grievance Procedure an aggrieved nurse may be accompanied or represented by a Representative of the Ontario Nurses' Association.
ARTICLE 10 - PROFESSIONAL COMMITTEES

10.01 Nurse-Management Committee

(a) The Employer recognizes a Nurse-Management Committee composed of up to three (3) representatives of the Employer and up to three (3) representatives from each of the Bargaining Units whose functions shall be:

(c) The Chairperson for the first [1st] quarterly meeting shall be selected by the Association and such person shall remain the Chairperson of the Committee until the next quarterly meeting of the Committee when the Chairperson shall be elected by the Employer. Thereafter, the Chairperson shall alternate in the above manner.

10.02 Professional Responsibility

In the event that the Employer assigns a number of residents or a work load to an individual nurse or group of nurses such that she/he or they have cause to believe that she/he or they are being asked to perform more work than is consistent with proper resident care she/he or they shall:

(a) i) Complain in writing to the Director of Care within five (5) calendar days of the alleged improper assignment who will render her/his decision in writing within five (5) calendar days of the complaint.

Failing resolution of the complaint, the Chairperson of the Nurse-Management Committee shall convene a meeting of the Committee within ten (10) calendar days of the receipt of the Director of Care’s decision. The Committee shall hear and attempt to resolve the complaint to the satisfaction of both parties.

ii) Failing resolution of the complaint within five (5) calendar days of the meeting of the Nurse-Management Committee, the complaint shall be forwarded to an Independent Assessment Committee composed of three (3) registered nurses; one (1) chosen by the Ontario Nurses'
Association, and one (1) chosen by the Home, and one (1) chosen from a panel of four (4) independent registered nurses who are well respected within the profession. The member of the Committee chosen from the panel of independent registered nurses shall act as Chairperson.

iii) The Independent Assessment Committee shall conduct a hearing into the complaint within fourteen (14) calendar days of its appointment and shall be empowered to investigate as is necessary and make whatever recommendations it finds appropriate in the circumstances. (b) i) The parties shall meet within fourteen (14) days of the signing of this Agreement and select a panel of independent registered nurses who are well respected in the profession. The members of the panel shall sit in rotation agreed upon by the parties. If a panel member is unable to sit within the time limit stipulated, the panel member next scheduled to sit will be appointed by the parties. If the parties are unable to agree upon the composition or rotation of the panel within sixty (60) days of the signing of this Agreement, these matters shall be remitted to a Board of Arbitration for determination.

ii) Each party will bear the cost of its own nominee and will share equally the fee of the Chairperson and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

10.03 Health & Safety

(a) The Employer and the Union agree that they mutually desire to maintain standards of safety and health in the Home, in order to prevent injury and illness and abide by the Occupational Health and Safety Act as amended from time to time.

(b) A joint management and employee health and safety committee shall be constituted in accordance with the Act, which shall identify potential dangers, recommend means of improving the health and safety programs and obtaining information from the Employer or other persons respecting the identification of hazards and standards. The committee shall meet at least every three months or more frequently if the committee decides.

The Employer agrees to accept as a member of its Joint Health and Safety Committee at least one (1) ONA representative selected or appointed by the Union from the Employer.

Scheduled time spent in such meetings is to be considered time worked for which representative(s) shall be paid by the Employer at his or her regular or overtime rate.
Minutes shall be taken of all meetings and copies shall be sent to the Committee members. Minutes of the meetings shall be posted on the workplace health & safety bulletin board.

(c) The Employer shall provide the time from work with pay and all related tuition costs and expenses necessary to certify the worker representative.

Where an inspector makes an inspection of a workplace under the powers conferred upon him or her under the Occupational Health and Safety Act, the employer shall afford a certified committee member representing workers the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof. Where a worker certified member is not on-site and available, the Employer shall afford a worker health and safety representative if any, or a worker selected by a Union, because of knowledge, experience and training, to represent it, the opportunity to accompany the inspector during his or her physical inspection of a workplace, or any part or parts thereof.

(d) Two (2) representatives of the Joint Health and Safety Committee, one (1) from management and one (1) from the nurses, shall make monthly inspections of the workplace and shall report to the health and safety committee the results of their inspection. The members of the Committee who represent the workers shall designate a member representing workers to inspect the workplace. Where possible that member shall be a certified member. The employer shall provide the member with such information and assistance as the member may require for the purpose of carrying out an inspection of the workplace. Scheduled time spent in all such activities shall be considered as time worked.

(e) The Joint Health and Safety Committee and the representatives thereof shall have access to Incident/Accident Report Form required in S.51, S.52 and S.53 of the Act and the annual summary of data from the WSIB relating to the number of work accident fatalities, the number of lost workday cases, the number of lost workdays, the number of non-fatal cases that required medical aid without lost workdays, the incidence of occupational injuries, and such other data as the WSIB may decide to disclose. It is understood and agreed that no information will be provided to the Committee which is confidential. This information shall be a standing item recorded in the minutes of each meeting.

(f) The Union will use its best efforts to obtain the full co-operation of its membership in the compliance of all safety rules and practices.

(g) The Employer will use its best efforts to make all affected direct care nurses aware of residents who have serious infectious diseases. The nature of the disease need not be disclosed. Nurses will be made aware of special procedures required of them to deal with these circumstances. The parties agree that all nurses are aware of the requirement to practice universal precautions in all circumstances.

(h) The parties further agree that suitable subjects for discussion at the joint Nurse Management Committee will include aggressive residents.
The Employer will review with the Joint Health and Safety Committee written policies to address the management of violent behaviour. Such policies will include but not be limited to:

i) Designing safe procedures for nurses.
ii) Providing training appropriate to these policies
iii) Reporting all incidents of workplace violence.

(i) The Employer shall:

i) inform nurses of any situation relating to their work which may endanger their health and safety, as soon as it learns of the said situation;

ii) inform nurses regarding the risks relating to their work and provide training and supervision so that nurses have the skills and knowledge necessary to safely perform the work assigned to them;

When faced with occupational health and safety decisions, the Home will not await full scientific or absolute certainty before taking reasonable action(s) that reduces risk and protects nurses.

iii) ensure that the applicable measures and procedures prescribed in the Occupational Health and Safety Act are carried out in the workplace.

(j) A worker shall,

i) work in compliance with the provisions of the Occupational Health and Safety Act and the regulations;

ii) use or wear the equipment, protective devices or clothing that the worker’s employer requires to be used or worn;

iii) report to his or her employer or supervisor the absence of or defect in any equipment or protective device of which the worker is aware and which may endanger himself, herself or another worker; and

iv) report to his or her employer or supervisor any contravention of the Occupational Health and Safety Act or the regulations or the existence of any hazard of which he or she knows.

(k) Injured Workers Provisions

At the time an injury occurs, the injured worker’s employer shall provide transportation for the worker (if the worker needs it) to a hospital or a physician located within a reasonable distance or to the worker’s home. The employer shall pay for the transportation.

(l) Infectious Diseases

The Employer and the Union desire to arrest the spread of infectious diseases in the nursing home.
To achieve this objective, the Joint Health and Safety Committee may review and offer input into infection control programs and protocols including surveillance, outbreak control, isolation, precautions, worker education and training, and personal protective equipment.

The Employer will provide training and ongoing education in communicable disease recognition, use of personal protective equipment, decontamination of equipment, and disposal of hazardous waste.

(m) The Joint Health and Safety Committee will discuss and may recommend appropriate measures to promote health and safety in workplaces, including, but not limited to:

- Musculoskeletal Injury Prevention
- Needle Stick Injury Prevention
- Personal Protective Equipment
- Training designed to ensure competency under the Act for those persons with supervisory responsibilities.
- Nurses who regularly work alone or who are isolated in the workplace.

10.04 Violence in the Workplace

(a) The parties agree that violence shall be defined as any incident in which a nurse is abused, threatened or assaulted while performing his or her work. The parties agree it includes the application of force, threats with or without weapons and severe verbal abuse. The parties agree that such incidents will not be condoned. Any nurse who believes he/she has been subjected to such incident shall report this to a supervisor who will make every reasonable effort to rectify the situation. For purposes of sub-article (a) only, nurses as referred to herein shall mean all nurses of the Employer notwithstanding Article 2.01.

(b) The Employer agrees to develop formalized policies and procedures in consultation with the Joint Health and Safety Committee to deal with workplace violence. The policy will address the prevention of violence and the management of violent situations and support to nurses who have faced workplace violence. These policies and procedures shall be communicated to all nurses.

(c) The Employer will report all incidents of violence as defined herein to the Joint Health and Safety Committee for review.

(d) The Employer agrees to provide training and information on the prevention of violence to all nurses who come into contact with potentially aggressive persons. This training will be done during a new nurse’s orientation and updated as required.

(e) Subject to appropriate legislation, the Employer will inform the Union within three (3) days of any nurse who has been subjected to violence while performing his/her work. Such information shall be submitted in writing to the Union as soon as practicable.
The parties agree that if incidents involving aggressive client action occur, such action will be recorded and reviewed at the Joint Health and Safety Committee. Reasonable steps within the control of the Employer will follow to address the legitimate health and safety concerns of nurses presented in that forum.

It is understood that all such occurrences will be reviewed at the Resident Care Conference.

Note: Please refer to the County of Grey’s Workplace Violence Prevention Policy #11-150 for further information and guidance.

**ARTICLE 11 - ORIENTATION AND IN-SERVICE**

11.01 Both the Home and the Association recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Association supports the principle of its members’ responsibility for their own professional development. Annual mandatory education programs, to meet regulatory and home specific requirements will be identified by the Home. Members are required to complete the training within the specific timeframe.

(a) **In-Service**

When a nurse attends any in-service programme during her/his regularly scheduled working hours, she/he shall suffer no loss of pay. When a nurse is unable to do so, and attends the in-service programme outside her/his regularly scheduled hours, she/he shall be paid for all time attendance at her/his straight time rate of pay. If attendance is mandatory all applicable premiums will apply.

(b) When a nurse is required by the Employer to attend an in-service program at her/his regular place of employment and the nurse attends, the nurse shall be paid for all hours attended at the nurse’s regular straight time rate of pay.

(c) When a nurse attends any in-service or course outside the facility that is pre-approved by the employer, all associated costs will be paid by the employer including travel, materials, tuition, lodging and meals provided that receipts are provided. Such payment will be made where practicable within the pay period following the provision of receipts.

11.02 **Orientation**

The following process shall be observed in the orientation of a newly hired employee;

(a) She/he is to be orientated with the physical aspects of the building, the applicable policies and procedures of the employer, and the daily routine of the department in the Home;

(b) The period of orientation shall be for a minimum of three (3) days or such a period that the Employer deems sufficient;

(c) She/he shall be an additional employee to the usual staffing pattern.

In order to ensure that all nurses in the Bargaining Units have the opportunity to apply for transfers or promotions within the Bargaining Units the following procedure shall apply:

Self Insurance Short-Term Disability Benefit

(a) Under this plan, disability benefits, as per the schedule outlined below, commence on the 1st day of disability due to accident or sickness. Benefits are payable for a period of up to seventeen (17) weeks.

Employees disabled and collecting short-term or long-term disability benefits on the first working day of each calendar year, would not be entitled to their new allotment of one hundred percent (100%) weeks until they have returned to work on a medically certified full-time basis and are completely able to perform all the material and substantial duties of their regular occupation.

If an employee runs out of one hundred percent (100%) weeks, there would always be up to seventeen (17) weeks of disability coverage at sixty-six and two-thirds percent (66 ⅔ %) of earnings for any unrelated disability, due to accident or sickness. (d) In any case of prolonged illness, the employee shall submit periodic reports as set out in 16.01 (b), as the Home may require.

Home and the employee. Grievances arising from this clause may commence at Step #2 of the Grievance Procedure.

**Note:** Job related injuries would continue to be covered by Workplace Safety and Insurance Board and paid weeks would continue under the Short Term Disability Plan for up to seventeen (17) weeks in accordance with the employee's entitlement as provided in the schedule. In no case, will the employee receive less than the Home's recovery of base pay from Workplace Safety and Insurance Board. Termination of Workplace Safety and Insurance Board benefits after seventeen (17) weeks would result in the employee being placed on Long Term Disability provided the employee medically qualifies.

Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered overtime for the purpose of payment under Article 18.

(b) There will be two (2) fifteen (15) minute paid rest periods, and one (1) thirty (30) minute unpaid lunch period in each tour. If a nurse is recalled to duty during the meal time or a rest period, equal additional time will be provided later in the tour.

(d) For the purpose of clarity, four (4) hours or less of work equals a part or half (½) tour, while hours of work in excess of four (4) equals a full tour.

(e) The regular daily tours of duty of a full-time nurse shall average five (5) days per week over the nursing schedule determined by the Employer.

17.02 (a) For the purposes of clarity, the tours of work shall be defined as follows for the Home:

(b) The Employer will endeavour to schedule the same proportionate number of days, evening and night tours to each full-time and part-time nurse. The above to be accomplished over a reasonable period of time.

(c) Tour schedules and days off will be posted at least two (2) weeks in advance for a four (4) week period. These tours and/or days off may be changed by the Employer at any time with consent of the nurse(s), provided, however, that any changes made during the period shall mean that all nurses affected by the change will be compensated in accordance with provisions of 18.02 for the hours worked outside of the previous tour for all tours subsequent to
the change. This clause shall not apply to part-time nurses requested to work time in addition to that set out in the posted schedule.

(e) Schedules may be posted to provide for more than five (5) consecutive days of work, but not more than seven (7) days of work without days off provided a total of four (4) days off are scheduled each fourteen (14) days. In any two (2) week period, at least two (2) consecutive days off must be scheduled.

(f) i) For full-time nurses at least sixteen (16) hours’ time off shall be scheduled between a change of tours of duty, and at least forty-seven (47) hours time off shall be scheduled following night duty when two (2) or more consecutive night tours are worked.

ii) For part-time nurses at least twenty-three (23) hours off shall be scheduled following night duty of two (2) or more consecutive night tours worked.

A shorter period of time between changes of tour may be scheduled, however, should these regulations not be adhered to, such nurse will be paid time and one-half (1½) for the first tour worked, unless the part-time nurse on request of the Employer agrees to a shorter period of time. The nurse releases the Employer of the payment of one and one-half (1½) times for the first [1st] tour worked.

(g) A nurse is entitled to at least one (1) weekend off in three (3). Should a nurse be required to work more than two (2) weekends in four (4) weekends, she/he shall be paid time and one-half (1½) her/his basic rate for the third [3rd] weekend and every successive weekend worked until a weekend is scheduled off.

A weekend off consists of fifty-five and one-quarter (55¼) consecutive hours off work during the period 1515 hours Friday until 0700 hours of the following Monday. A part-time nurse who is requested by the Employer and agrees to work additional weekends, releases the Employer of the payment of one and one-half (1½) times for such weekends worked.

(h) The Employer will endeavour to avoid the scheduling of split tours as defined below:

(a) Such an arrangement shall be established by mutual agreement of the Home and the Union and the employee affected. The parties agree that the arrangement applies to an individual, not to a position.

(b) The parties shall determine the introduction of a special circumstance arrangement. Issues related to vacation, paid holidays and benefit coverage will be determined by the Home and the Union. The employee will retain full-time status, including but not limited to seniority and service.

(c) Any party may discontinue the special circumstance arrangement with notice as determined within the agreement. In the event that the employee affected resigns, transfers, is laid off or terminated, the arrangement will be deemed to be discontinued immediately, unless the parties mutually agree otherwise.

(d) It is understood and agreed that these arrangements are based on individual circumstances and each agreement is made on a without prejudice or precedent basis.

Whenever the Employer wishes to cancel the work schedule or part thereof of a part-time nurse it shall give notice of the cancellation at least twenty four (24) hours in advance of the scheduled reporting time of the nurse. In the event of failure to comply with this provision the nurse shall receive pay as set forth in Article 18.05.

18.07 Any nurse who arrives up to two (2) hours after the commencement of a tour because of being called with less than one (1) hour notice before the commencement of the tour shall be compensated for the full tour. Otherwise the nurse shall receive compensation for the hours actually worked.

Where such standby duty falls on a weekend or paid holiday, the employee shall receive standby pay in the amount of four ($4.00) per hour. Standby pay shall, however, cease where the employee is called in to work.

This provision will be deemed to have been met for any current reprimand, suspension or other such sanction as of the date of ratification and such documentation will be removed from the files of all nurses.

**ARTICLE 20 - BULLETIN BOARDS**

20.01 The Employer shall provide space on the Nursing Department bulletin board in each Home, for the sole use of the Association.

**ARTICLE 21 – MISCELLANEOUS**

21.01 A copy of this Contract, in booklet form, will be photocopied, paid for and issued by the Employer to all nurses covered by the Agreement.

21.02 When a nurse is unable to attend to work due to inclement weather, she or he will be entitled to substitute a vacation day, stat day, or banked time.

21.03 **Pay Days**

Wages shall be paid on applicable Fridays on a bi-weekly basis. Payroll deposit advice documents shall be available from their Department office or supervisor at any time after twelve noon.

If either party desires to modify or amend this Agreement, it shall give the other party notice in writing not earlier than ninety (90) days before expiry date of its election to do so.

ARTICLE 24 – COMPENSATION

24.01 (a) Full-time and part-time nurses shall be paid in accordance with the rates as set out in Appendix 3 attached to and forming part of this Agreement.

Hereinafter salary rates shall be adjusted to reflect any increase(s) negotiated or awarded provincially to hospital nurses. Any such increase shall be effective on the same date(s) as they would be effective for hospital nurses to maintain hospital parity.

(b) Part-time nurses shall be paid in accordance with the rates set out in Appendix 3 attached to and forming part of this Agreement, and includes thirteen percent (13%) in lieu of benefits.

The daily rate for part-time nurses shall be paid in accordance with the following formula:

Holiday pay is included in the percentage in lieu of benefits.

24.03 When the duties of a position covered by this Agreement are changed or when a new position appropriately covered by this Agreement is established, the salary shall be negotiated. If the parties are unable to agree such dispute may be submitted to Arbitration. The decision of the Arbitration Board shall be based on the relationship established by comparison with other classifications within the Home where possible. The salary shall be retroactive to the time the position was first filled by the nurse.

24.04 (a) When a full-time nurse is promoted to a higher classification she/he shall receive an increase in salary and be placed in the corresponding step in the new classification and her/his anniversary date shall be retained.

25.01 Except as specifically specified otherwise in this Collective Agreement, all nurses in the Bargaining Unit as of June 1st are entitled to retroactivity of all items of this Agreement which affect money payments by the Employer to individual nurses retroactive to the said dates.

For those nurses who are no longer in the employ of the Employer, the Employer shall give notice of their entitlement to retroactive increases by ordinary mail to the last place of residence recorded with the Employer. The Employer will provide the Association with a copy of each such notice sent. Former nurses will have thirty (30) days from the date of notification to claim retroactivity failing which individual claims will be deemed to have been abandoned.

ONA/LONG-TERM CARE PROFESSIONAL RESPONSIBILITY – WORKLOAD REPORT FORM
GUIDELINES AND TIPS ON ITS USE

The parties have agreed that resident care is enhanced if concerns relating to professional practice, resident acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner. The collective agreement provides a problem solving process for nurses to address concerns relative to resident care. This report form provides a tool for documentation to facilitate discussion and to promote a problem-solving approach.

PRIOR TO SUBMITTING THE WORKLOAD REPORT FORM PLEASE FOLLOW THE PROBLEM SOLVING PROCESS BELOW AND AS OUTLINED IN THE COLLECTIVE AGREEMENT ARTICLE 19 FOR NURSING HOMES OR AS IDENTIFIED IN YOUR COLLECTIVE AGREEMENT.

**PROBLEM SOLVING PROCESS**

1) At the time the workload issue occurs, discuss the matter within the Unit/Floor to develop strategies to meet resident care needs using current resources. Using established lines of communication, seek immediate assistance from an individual identified by the Employer (e.g. Charge Nurse/Assistant Director of Care/Director of Care/Administrator) who has responsibility for timely resolution of workload issues.

2) Failing resolution of the workload at the time of the occurrence, complete the form. Some Collective Agreements require the nurse to discuss the issue with the Manager (or designate) on the next day that both the Employee and Manager (or designate) are working or within the time frame stated in the Collective Agreement, however in the absence of this language, it is recommended and a good practice to discuss the concern with your Manager.

3) When meeting with the manager, you may request the assistance of a Union representative to support/assist you in the meeting. Every effort will be made to resolve the workload issues at the unit level. The Bargaining Unit Representative shall be involved in any resolution discussions at the unit level. All discussions and action will be documented.

4) The Nursing Home Professional Responsibility Clause assumes the Nursing Leader consulted in Steps 1 & 2 would be the same person consulted in the above Step 3 and therefore the Nursing Home Step 2 is: Failing resolution, submit the Professional Responsibility Workload Report Form to the Union-Management Committee within 20 calendar days from the alleged improper assignment. The Union-Management Committee will meet within 20 days of the filing of the complaint to attempt to resolve the complaint to the satisfaction of both parties. This is Step 3 in most of the other Collective Agreements. Please check your own Collective Agreement for accurate timelines. (SEE BLANK REPORT FORM ATTACHED TO THESE GUIDELINES.)

5) Prior to the complaint being forwarded to the Independent Assessment Committee (IAC), the Union may forward a written report outlining the complaint and recommendations to the Director of Resident Care and/or the Administrator.

6) If the issue remains unresolved it shall be forwarded to an IAC as outlined in the Collective Agreement within the requisite number of days of the meeting in 3) above.

7) The Union and the Employer may mutually agree to extend the time limits for referral of the complaint at any stage of the complaint procedure.

8) Any settlement arrived at under the Professional Responsibility Clause of the Collective Agreement shall be signed by the parties.
TIPS FOR COMPLETING THE FORM

1) Review the form before completing it so you have an idea of what kind of information is required.

2) Print legibly and firmly as you are making multiple copies.

3) Use complete words as much as possible. Avoid abbreviations.

4) As much as possible, you should report only facts about which you have first-hand knowledge. If you use second-hand or hearsay information, identify the source if permission is granted.

5) Identify the College of Nurses of Ontario (CNO) Standards/Practice Guidelines/Long-Term Care policies and procedures you believe to be at risk. The CNO Standards can be found at www.cno.org.

6) Do not, under any circumstances, identify residents.
