- 2.01 The Employer recognizes the Ontario Nurses' Association as the bargaining agent for all Registered Nurses and Registered Nurses with a Temporary Certificate of Registration engaged in a nursing capacity at the Regional Municipality of Durham at Hillsdale Estates in the Town of Oshawa, save and except Occupational Health Nurses, Resident Care Coordinator/Director of Nursing, Assistant Directors of Resident Care, Infection Control Practitioners, Manager of Nursing Practice and persons in or above these ranks.
- 2.02 Definition of Registered Nurse
- A registered nurse is a nurse who holds certification with the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act 1996* as amended.
- 2.03 (a) Full-Time Nurse
- A regular full-time nurse is a nurse who is regularly scheduled to work the normal regular full-time hours referred to in Article 17.
- (b) Regular Part-Time Nurse
- A regular part-time nurse is a nurse who is regularly scheduled to work less than the normal regular full-time hours referred to in Article 17. Such nurses shall be covered by all Articles in the Collective Agreement except where specifically excluded.

- (c) A temporary nurse is a nurse who is hired on a temporary basis for short-term relief. Such nurses are hired for a specific time period which may not be extended except by mutual agreement. Such nurses are subject to the terms and conditions of the Collective Agreement except for the following Articles: Article 8- Right to Grieve Termination; Article 9 - Seniority; Article 10 - Job Posting; Article 11 - Layoff & Recall; Article 12 - Employee Files; Article 13 - Leave of Absence; Article 15- Vacations with Pay; Article 16 – Sick Leave; Article 19 - Miscellaneous-19.01 and 19.02; Article 20 - Benefit Plans & Article 21 - Pension Plan.

2.04

- (a) Work of the Bargaining Unit

Nurses who are in supervisory positions excluded from the bargaining unit shall not perform duties normally performed by nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to nurses in the bargaining unit.

Nurses will be assigned duties and responsibilities and the delegation or direction of duties by members to RPN's, HCA's and PSW's and will be in accordance with the Regulated Health Professions Act and other applicable statutes and regulations thereto. The employer will not assign such duties and responsibilities to nurses not covered by this agreement unless those duties and responsibilities are being assigned and are consistent with quality patient care.

Unless otherwise agreed by the Union and the employer, work performed by full-time nurses will not be assigned to part-time nurses for the purposes of eliminating full-time positions.

- (b) The employer shall not contract out of the work of a bargaining unit nurse if, as a result of such contracting out, any bargaining unit nurse, other than a part-time nurse, is laid-off

Contracting out to an employer who is organized and who will employ the nurses of bargaining unit who would otherwise be laid off, with similar terms and conditions of employment, is not a breach of this provision. ARTICLE 4 - NO DISCRIMINATION

- 4.01 The Employer and the Union agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practised by any of their representatives with respect to any nurse because of her membership or non-membership in the Union or activity or lack of activity on behalf of the Union or by reason

of exercising her rights under the Collective Agreement, or any applicable legislation.

Meetings of this Committee and the employer representatives may be held as mutually agreed. The establishment of this Committee is in no way intended to inhibit regular staff or individual meetings that may be required relating to the nursing program in its entirety. If the Committee and the Employer are unable to agree, the matter may be grieved as a Union grievance. Workload issues will be documented by ONA members on the attached form at Appendix "B".

6.10 (a) Occupational Health and Safety

It is a mutual interest of the parties to promote health and safety in the workplace and to prevent and reduce the occurrence of workplace injuries and occupational diseases. Accordingly, the parties fully endorse the responsibilities of the employers and employee under the *Ontario Occupational Health and Safety Act*.

(b) Infection Control

In the event there is an emergence of an infectious outbreak, as determined by the Employer, any nurse working at more than one health care facility will, upon the request of the Employer, provide information of such employment to the Home.

ARTICLE 7 - UNION SECURITY

7.01 The Employer shall deduct, in the second (2nd) payroll in each month, from the earnings of all nurses in the bargaining unit, a sum equal to the monthly union dues for each nurse. The deduction period for a nurse may be extended where the nurse does not receive pay in a particular month.

7.02 The amount of regular monthly dues shall be those authorized by the Union and the Vice-President Finance of the Union shall notify the Employer of any changes therein and such notification shall be the Employer's conclusive authority to make the deduction specified.

7.03 The Union shall indemnify and save the Employer harmless with respect to all dues so deducted and remitted.

7.04 The total amount deducted pursuant to Article 7.02 above shall be remitted monthly to the Union no later than the fifteenth (15th) of the month following the month in which the dues were deducted. In remitting such dues, the Employer shall provide a list of nurses and the amounts deducted and their Social Insurance Numbers, if the

nurses provide written authorization to the Employer to release his/her Social Insurance Number. A copy of the above lists shall be provided to each of the Provincial and Local Unions.

ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURES

- 8.01 (a) For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- (b) The parties to this Agreement believe that it is important to adjust complaints and grievances as quickly as possible. Notwithstanding any provision contained in this Article, any nurse and/or the Union may present a complaint at any time without recourse to the formal written procedure described herein.
- 8.02 Any nurse(s) or the Union making a grievance(s) shall have the right to Union representation at any or all steps of the grievance procedure. The Employer shall inform the nurse(s) of this right.
- 8.03 "Days" in this Article shall refer to Monday to Friday excluding holidays.
- 8.04 All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer and the Union and the nurses concerned.
- 8.05 Union grievances shall be on the form set out in Appendix "A".
- 8.06 Time limits fixed in complaints, grievance and arbitration procedures may be extended by mutual consent of the parties.
- 8.07 The following shall be the procedure in processing and handling grievances and the Union acknowledges that the Employer may have present at any step, in addition to those members of management specifically mentioned below, any other staff or representatives which it feels may be of assistance in addressing the grievance.

Informal Complaint Process

8.08 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she/he has first given the Director of Care or his/her designate the opportunity of addressing the complaint. The nurse shall discuss the complaint with the Director of Care or his/her designate within five (5) days of when she becomes aware of the complaint or ought reasonably to become aware of the complaint. The Director of Care or his/her designate shall thereafter render a decision on the complaint. Failing resolution, the nurse may then take up the complaint as a written grievance within five (5) days of the decision of the Director of Care or his/her designate using the grievance process set out below. The grievance form can be submitted electronically.

8.09 Grievance Process

Step No.1

The Union shall present the grievance in writing to the Home Administrator or his/her designate within five (5) days of the completion of the informal complaint process. The nurse shall have the assistance of the member of the Grievance Committee if he/she so desires. The Home Administrator or his/her designate shall have ten (10) days thereafter to render her decision. If a settlement satisfactory to the nurse concerned is not reached, the next step in the grievance procedure may be advanced within ten (10) days thereafter.

Step No. 2

The Union may submit the grievance to the Director of Long Term Care and Services for Seniors Division or his/her delegate who shall meet with the nurse and render his/her decision in writing. The aggrieved nurse shall have the assistance of a member of the Grievance Committee and/or a representative of the Ontario Nurses' Association (ONA) if she so desires. The Director of Long Term Care and Services for Seniors Division or his/her designate shall have ten (10) days thereafter to render her decision. Should no settlement satisfactory to the nurse concerned be reached, the next step in the grievance procedure may be taken within ten (10) days thereafter.

Step No. 3

The Union may submit the grievance in writing to the Commissioner of Corporate Services or his/her designate. The Grievance Committee may be present at this stage at the request of either party.

The Grievance Committee may have the assistance of a representative of the Ontario Nurses' Association (ONA) if they so desire. The parties shall meet within ten (10) business days of the request for such a meeting. The decision shall be given within seven (7) business days from the date of such meeting.

8.10 If a final settlement of the grievance is not completed after Step No. 3 of the grievance procedure, and if the grievance is one concerning the interpretation or alleged violation of this Agreement, or is a claim by a nurse that she has been discharged or disciplined without just cause, the grievance may be referred by either party to a Board of Arbitration at any time within ten (10) days thereafter, but not later.

8.11 Suspension & Discharge

A nurse who is to be suspended or discharged shall have a nurse representative at the time she is told of her discipline.

8.12 A nurse who claims she has been unjustly discharged may institute an appeal at Step No. 2 of the grievance procedure within five (5) days of the effective date of discharge.

8.13 Arbitration

Both parties to this Agreement agree that any dispute or grievance concerning the interpretation or alleged violation of this Agreement, which has been properly carried through all the steps of the grievance procedure and which has not been settled, may be referred to a Board of Arbitration at the request in writing, of either of the parties hereto.

8.14 The Board of Arbitration will be composed of one person appointed by the Employer, one (1) person appointed by the Union, and a third (3rd) person to act as Chairperson chosen by the other two members of the Board. By mutual agreement, the parties may agree to have a single arbitrator to hear the grievance.

8.15 Within five (5) days of the request by either party for a Board, each party shall notify the other of the name of its appointee. Should the recipient of the above request fail to appoint an appointee within ten (10) days, the Minister of Labour of the Province of Ontario will be asked to appoint one on its behalf.

- 8.16 Should the person chosen by the Employer to act on the Board, and the person chosen by the Union, fails to agree on a third (3rd) person within ten (10) days of the notification mentioned in 8.15, the Minister of Labour of the Province of Ontario will be asked to appoint a person to act as Chairperson.
- 8.17 The decision of a Board of Arbitration, or a majority thereof, constituted in the above manner, shall be final and binding on both parties. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board.
- 8.18 The Board of Arbitration shall not have any power to alter or change any of the provisions of this Agreement or to substitute any new provisions for any existing provisions, nor to give any decision inconsistent with the terms and provisions of this Agreement.
- 8.19 Each of the parties to this Agreement will bear the expenses of the arbitrator appointed by it and of its own witnesses; and the parties will jointly bear the expenses, if any, of the Chairperson.

8.20 Management Grievance

It is understood that Management may submit to the Union any complaint with respect to the conduct of the Union, its officers or members, or any complaint that a contractual obligation undertaken by the Union in this Agreement has been violated. Such complaint, if not resolved by verbal discussion, shall be reduced to writing and delivered or forwarded to a representative of the Union, whereupon it shall be discussed at Step No. 3 of the grievance procedure. Failing a satisfactory settlement within ten (10) days after the filing of such grievance, the Employer may refer it to arbitration in accordance with the provisions of Article 8.10.

8.21 Association Grievance

The Union may file a grievance as defined in this Agreement which involves all or a substantial number of the nurses covered by this Agreement. Such grievance shall be submitted at Step No. 2 of the grievance procedure. Where the Association grievance does not involve all of the nurses in the bargaining unit, the Union shall identify the nurses involved on submission of the grievance.

ARTICLE 9 - SENIORITY

9.01 Service and seniority credits obtained under the agreement shall be retained and transferred with the nurse if she changes her status from full-time to part-time and vice versa.

(a) Full-Time

Seniority shall be defined as the last date of hire into the bargaining unit. Service shall be defined as length of service with the Employer since the last date of hire.

(b) Part-Time

Seniority for part-time nurses shall be based on hours worked accumulated since date of last hire as a bargaining unit member. It is recognized that fifteen hundred (1500) hours worked equals one (1) year of full-time seniority.

Service shall be defined as length of service with the Employer since the last date of hire.

9.02 Probation Period

(a) A newly hired nurse shall serve a probationary period of four hundred and fifty hours (450) where they independently provide nursing care. This period may be extended up to four hundred and fifty (450) additional hours upon written notification from the Director of Care or his/her designate to the designated nurse representative of the Local Association. A written assessment of the nurse's performance, ability etc. will be made by the Director of Care or his/her designate after three hundred (300) hours and before the end of four hundred (400) hours. The probationary nurse will meet with the Director of Care or his/her designate to discuss such assessments. During the probationary period, a nurse may be terminated or disciplined at the sole discretion of the Employer. If a nurse grieves such discipline or termination, the nurse shall be limited to arguing that any such discipline or termination was on the basis of discrimination.

(b) A probationary nurse shall not accumulate seniority during his/her probationary period. However, should a nurse successfully complete his/her probationary period, the nurse will be credited with seniority equal to his/her probationary period and in-class orientation and job shadowing time.

9.03 The Employer will keep up to date seniority lists for full-time and part-time nurses, and post the same in a conspicuous place, and supply copies of the current list to the Union twice a year, January 31st and July 31st and prior to any lay off.

9.04 Seniority shall accumulate until the conditions in Article 9.05 commence with the exception of personal leaves of absence as provided for in Article 13.

9.05 Loss of Seniority

Seniority shall terminate and a nurse shall cease to be employed by the Employer when he/she:

- (a) resigns for any reason;
- (b) is discharged for just cause and is not reinstated;
- (c) is absent without pay for a period of two (2) years by reason of illness or accident;
- (d) is absent from work for more than three (3) consecutive working days without leave and without a satisfactory reason;
- (e) does not return to work after an approved leave of absence without giving a satisfactory reason;
- (f) is no longer registered under the *Health Professions Act*, or successor act;
- (g) is laid off and not recalled to work within a period of eighteen (18) months from the date of lay-off, or after having been laid off for less than eighteen (18) months fails to notify the employer of her intent to return to work within five (5) days after notice of recall has been sent to her by the Employer by registered mail to the last address of the nurse of which the Employer has a record; or
- (h) retires.

9.06 A nurse who is transferred to a position outside of the bargaining unit for a period of not more than three (3) months shall not suffer any loss of seniority.

- 9.07 A nurse who is transferred to a position outside of the bargaining unit for a period of more than three (3) months, but not more than twenty-four (24) months shall retain, but not accumulate, her seniority held at the time of the transfer, in the event the nurse is returned to a position in the bargaining unit, she shall be credited with seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit.
- 9.08 Any nurse presently in the bargaining unit, who elects to transfer to a position outside of the bargaining unit, may be rehired into the bargaining unit, after the Employer has complied with the job posting, and recall provisions. In such event, the returning nurse shall be given a seniority date as of her date of last entry into the bargaining unit, for purposes of job opportunity and layoff and other non monetary benefits and provisions. She shall retain her service with the Employer for the calculation of salary and monetary benefits. Should a nurse leave the employment of the Region, this provision does not apply.

ARTICLE 10 - JOB POSTING

10.01 Internal Postings

- (a) Where the Employer decides to fill a vacancy or a new regular position is created, the position will first be posted internally for a period of seven (7) calendar days.
- (b) In cases where more than one nurse is deemed qualified for the position and performance, ability, experience, skill and qualifications are approximately equal, seniority shall be the deciding factor.
- (c) The name of the successful applicant shall be posted by the Employer.
- (d) The job posting requirements apply, prior to the exercise of recall rights by laid off nurses.

10.02 External Postings

- (a) If, following the internal posting process set out in Article 10.01, no persons apply or, in the opinion of the Employer, no applicants have the necessary ability, experience, professional skill and/or qualifications, the Employer will post the vacancy or new regular position externally.

- (b) The name of the successful applicant shall be posted by the Employer.
- (c) In the case of part-time job postings, external job postings shall be posted at the same time as internal postings. If no person applies internally or in the opinion of the Employer, no applicants have the necessary ability, experience, professional skill and/or qualifications, the Employer will consider external applications.

10.03

Temporary Vacancies

- (a) Full-time nurses, who are not already placed in a temporary full-time vacancy, shall be given the first (1st) opportunity to fill a temporary full-time vacancy, where the vacancy is expected to last in excess of thirty (30) days. Management will post an expression of interest outlining the conditions and duration of the temporary vacancy and full-time nurses must indicate their interest within seven (7) days of posting. Management will appoint the most senior and qualified nurse and that nurse will be expected to remain in that temporary vacancy for the lesser of the duration of the temporary vacancy or six months. If no one applies or management believes they do not have the requisite qualifications, management will post an expression of interest in accordance with Article 10.03(b).
- (b) Part-time nurses shall be given the first (1st) opportunity to fill:
1) any temporary full-time vacancy arising from a placement pursuant to Article 10.03(a); or
2) a temporary vacancy expected to last in excess of thirty (30) days that could not be filled pursuant to Article 10.03(a). Management will post an expression of interest outlining the conditions and duration of the temporary vacancy and part-time nurses must indicate their interest within seven (7) days of posting. Management will appoint the most senior and qualified part-time nurse and that nurse will be expected to remain in that temporary vacancy for the lesser of the duration of the temporary vacancy or six months unless she is successful to a regular full-time position. If no one applies or management believes they do not have the requisite qualifications, it will be posted through the posting process pursuant to Article 10.02.
- (c) It is understood that the Full-time and/or Part-time nurses who transferred to a temporary vacancy as outlined in Article 10.03(a) and (b) will return back to their original line/position,

unless that line/position has been discontinued or filled pursuant to a legislative requirement, in which case the nurse shall be given a comparable job.

- (d) A temporary vacancy may extend beyond its initial termination date. The Union shall be given notice of such an extension.

10.04 Reassignment

- (a) A nurse can make a written request to the Director of Care or designate for reassignment to another unit.
- (b) A request for reassignment will be considered before a vacancy is posted, but the decision to reassign will be made at the discretion of management and does not preclude management from exercising its rights under Article 3.01.
- (c) A request for reassignment becomes valid the date it is received and ceases December 31 of the year in which it is received. It is the responsibility of the Nurse to ensure requests are kept current.
- (d) A reassignment shall be considered pursuant to this Article based on the order in which the requests were made. If two nurses requested the reassignment on the same day, seniority shall be the determining factor.
- (e) Applications for reassignment will not result in an employee's status changing from part time to full time.
- (f) The above process applies to reassignments that are permanent in nature, or exceed 30 calendar days.

ARTICLE 11 - LAYOFF & RECALL

- 11.01 (a) Where the full-time complement is to be reduced in the Home, the junior full-time nurse within the Home shall be given the notice of lay-off.
- (b) Where the part-time complement is to be reduced in the Home, the junior part-time nurse within the Home shall be given the notice of lay-off.

- (c) The displaced full-time nurse may utilize his/her seniority to displace the most junior part-time nurse in the Home, provided the displaced full-time nurse has greater seniority.
- (d) In the event of a proposed lay-off that is anticipated to be greater than thirteen (13) weeks in duration, the employer will provide the nurses affected and the Union with ninety (90) calendar days of notice. During the period between the notice and the effective date of the lay-off, the employer will meet with the Union. Any written agreement between the employer and the Union will take precedence over the terms of this Article.
- (e) In the event of recall, positions will be filled in the reverse manner to the lay-off. A full-time nurse shall be recalled to only full-time positions and a part-time nurse shall be recalled to only part-time positions.
- (f) Where staffing levels are temporarily reduced as a result of a sudden or unexpected occasion or combination of events calling for immediate action (i.e. an emergency), such reductions will not be governed by this Article.
- (g) The Region shall retain the responsibility and the right to determine the methods through which municipal services are provided. However, in the event that a regular nurse with three (3) years' service is displaced from his job by technological change, the Region will take one or a combination of the following actions
 - i) The nurse may opt to fill a vacant position, for which she is qualified to perform the duties of, that has been posted via Article 10, and unfilled within the ONA bargaining unit.
 - ii) If (a) is not possible, but a position is available for which the nurse could be retrained within a period of four (4) months, the Region will facilitate such retraining.
 - iii) If (i) is not available, and it is necessary to terminate the employment of the nurse, provide her with six (6) month's notice of termination, or pay in lieu of such

notice, and provide her with a separation settlement of one (1) week's salary per year of service.

- iv) Should there be any introduction of new equipment, due to technological change when advanced training is necessary, the Region will extend such training to the nurses in the classification involved, provided they are trainable.

- 11.02 No reduction in the hours of work for full-time nurses shall take place to prevent or reduce the impact of a lay-off without the consent of the Union and such consent will not be unreasonably withheld when it is shown to be in the best interest of the residents.

ARTICLE 12 - EMPLOYEE FILES

- 12.01 Where a written assessment is made in regards to a nursing practice, the nurse shall receive a copy and be provided with the opportunity to comment.
- 12.02 Upon written request, a nurse may review his/her file in Human Resources Division of the Department of Corporate Services.
- 12.03 Any discipline will be removed from the record of a nurse twenty-four (24) months following the receipt of such discipline provided that such nurse's record has been discipline free for twenty-four (24) months of active employment.

ARTICLE 13 - LEAVE OF ABSENCE

- 13.01 The Home may grant a leave of absence for personal reasons, of up to three (3) consecutive months, without pay and without loss of seniority, or service, or occupational classification, to any nurse requesting such leave. Such request shall be in writing and each case to be dealt with on its merit.
- 13.02 Except as otherwise stated, a nurse may only accumulate seniority and service during the first three (3) months of a granted leave of absence.
- 13.03 The Home may grant leave of absence of up to one (1) month without pay and without loss of seniority, or service, or occupational classification to allow a nurse to be a candidate in a federal, provincial or municipal election.

13.04 The Home may grant a leave of absence of up to two (2) years without pay and without loss of accrued seniority, or service, or occupational classification to a nurse to serve in a full-time position with the Ontario Nurses' Association. Such leave may be renewed every two (2) years upon request.

An employee on a leave of absence without pay that exceeds three (3) months, save and except pregnancy, parental/adoption leave or Family Medical Leave pursuant to the Employment Standards Act, 2000, will not accumulate sick leave credits for the duration of the leave of absence.
- 16.03 All regular full-time nurses shall be entitled to sick leave with pay up to the amount of their accumulated sick leave credits. Probationary nurses shall not be entitled to such credits until they become regular nurses, at which time sick leave credits will be established as of the date of hiring.

- 16.05 The Department of Corporate Services-Human Resources Division shall keep all records necessary to the carrying out of this plan, and the decision of the Commissioner of Corporate Services as to the

amount of sick leave gratuity to which a nurse is entitled shall be final.

- 16.06 In cases where absence is caused by accident or illness for which the nurse is receiving compensation from the Workers' Safety & Insurance Board, the period of absence to be charged against his sick leave credit shall be reduced to give effect only to the net salary paid by the Employer to such nurse with respect to such absence.
- 16.07 No wage payments shall be made to a nurse claiming compensation beyond the limit of her credit on sick leave, unless or until an award has been made by the Workers' Safety and Insurance Board.

- 17.02 The normal hours of work shall be seven and one-half (7.5) hours per day and, for full time nurses, seventy-five (75) hours in any bi-weekly period.
- 17.03 Owing to the inherent nature of part-time employment, it is understood that part-time nurses are subject to scheduling fluctuations that will not trigger the lay-off clause.
- 17.04 The introduction or discontinuance of a shift other than the normal daily seven and one-half (7.5) hours shall be negotiated by the parties.

17.05 Breaks

A nurse shall receive a paid fifteen (15) minute break in the first half (½) of the shift; a paid fifteen (15) minute break in the second half (½) of the shift; and, one unpaid one-half (½) hour lunch break.

A nurse shall be paid one half-hour (1/2) lunch break, at straight time, where no manager or other nurse is working during the nurse's shift.

(a) Work schedules shall be posted four (4) weeks in advance of their effective date on the bulletin boards in the area where the nurses affected work, although the schedules may be subject to change according to operational requirements with notice to the nurse.

(b) Requests for change in posted work schedules must be submitted in writing and co-signed by the nurse willing to exchange days off or shifts. In any event, it is understood that such a change initiated by the nurse and approved by the Employer shall not result in overtime compensation or payment or any other claims on the Employer by any nurse under the terms of this Agreement. It is also understood that management retains the right to introduce a limit on the total number of shift exchanges permitted in the Home. Such limit will be based on management's assessment of operational needs in the Home from time to time. Such restrictions are not unreasonable or arbitrary.

(c) Requests for specific days off shall be in writing and made eight (8) calendar days in advance of the schedule being posted.

17.08 Nurses shall receive time off at Christmas or New Year's, alternating year to-year. Christmas off shall include Christmas Eve Day, Christmas Day and Boxing Day. It is understood that the nurses schedule may be adjusted during the holiday season (from December 15th to January 9th) and the adjustment will not trigger overtime pay.

17.09 Where there is a change to Daylight Savings from Standard Time or vice versa, a nurse who is scheduled and works a full shift shall be paid for the time she/he works.

17.10 The first (1st) shift of the day shall be the night shift.

17.11 There shall be no split shifts.

17.12 The employer will schedule every other weekend off for full-time nurses and one (1) weekend in three (3) off for part-time nurses. The parties agree that the current practice of scheduling every other weekend off for part-time nurses will continue as much as possible and where operationally required, part-time nurses may be scheduled off one (1) weekend in four (4). It is understood that this provision does not apply to nurses who request to work weekends.

17.13 It is understood that a weekend consists of fifty-six (56) consecutive hours off work during the period following the completion of the last shift Friday until the commencement of the first shift Monday unless otherwise mutually agreed. It is understood that the fifty-six (56) hour period would be in accordance with the scheduling practices of the Home.

The Employer will endeavour to schedule full-time and regular part-time nurses to be off the Friday evening before their weekend off and not to return to work on the Sunday night of their weekend off.

17.14 Individual Special Circumstances Arrangements

Notwithstanding Article 2.03, the Home and the Association may agree that the hours of work for an individual full-time nurse be modified. Such an arrangement shall be established by mutual agreement of the Home and the Association and the nurse affected. The parties agree that the arrangement applies to an individual, not

to a position. Such arrangement will be in writing and signed by all parties.

- 18.03 Where a nurse is not provided with a period of sixteen (16) consecutive hours off between periods of work, the nurse will be paid at time and one-half (1.5) her appropriate hourly rate for those hours between the time she starts work and the end of the sixteenth (16th) hour. Training, education or overtime hours worked during the sixteen (16) hour period will not trigger this premium.
- 18.04 Where call-in is requested and the nurse commences work within one (1) hour of the call-in, the nurse will be paid her regular rate from the time of the original call-in to the completion of the call-in shift.
- 18.05 It shall be the responsibility of the nurse to consult the posted work schedule. Changes to the posted work schedule required by the Employer shall be brought to the attention of the nurse. It is understood that call-ins are not covered by this provision.
- 18.06 Where a full-time nurse has completed his/her regularly scheduled shift and has left the Home and is called in to engage in compensable work outside his/her regularly scheduled working hours, such nurse shall receive time and one-half (1.5) his/her regular straight time hourly rate for all hours worked with a minimum guarantee of four (4) hours' pay at time and one-half (1.5) his/her regular straight time hourly rate except to the extent that such four (4) hour period overlaps or extends into his/her regularly scheduled shift. In such case, the nurse will receive time and one-half (1.5) his/her regular straight time hourly rate for actual hours worked up to the commencement of his/her regular shift.
- For part-time nurses, this premium will apply if called-back within sixteen (16) hours of the completion of his/her shift. This premium is not triggered for training or education within sixteen (16) hours of the completion of the part-time nurses' shift or commencement of their following shift.
- 18.07 There shall be no duplication or pyramiding of hours worked for the purpose of computing overtime or other premium payments.
- 18.08 If the nurse is scheduled to work in excess of seven (7) consecutive days, she shall be paid time and one-half (1.5) on all days scheduled in excess of seven (7) until a day off is scheduled.
