- 2.01 The Employer recognizes the Ontario Nurses' Association as the bargaining agent for all Registered and Graduate Nurses of the Regional Municipality of Durham employed in a nursing capacity at its Lakeview Manor in the Town of Beaverton, and its Fairview Lodge in the Town of Whitby, save and except Occupational Health Nurses, Resident Care Co-ordinators/Director of Care, Assistant Directors of Resident Care and persons in or above these ranks.

It is understood and agreed that Registered Nurses employed as Registered Practical Nurses or Health Care Aides are excluded from the bargaining unit.

- 2.02 Definition of Registered Nurse

A registered nurse is a nurse who holds certification with the College of Nurses of Ontario in accordance with the *Regulated Health Professions Act 1996* as amended.

- 2.03 (a) Full-Time Nurse

A regular full-time nurse is a nurse who is regularly scheduled to work the normal regular full-time hours referred to in Article 17.

- (b) Regular Part-Time Nurse

A regular part-time nurse is a nurse who is regularly scheduled to work less than the normal regular full-time hours referred to in Article 17. Such nurses shall be covered by all Articles in the Collective Agreement except where specifically excluded.

- (c) A temporary nurse is a nurse who is hired on a temporary basis for short-term relief. Such nurses are hired for a specific time period which may not be extended except by the mutual agreement of the parties. Such nurses are subject to the terms and conditions of the collective agreement except for the following Articles: Article 8 - Right to Grieve Termination; Article 9 - Seniority; Article 10 - Job Posting; Article 11 - Layoff & Recall; Article 12 - Employee Files; Article 13 - Leave of Absence -13.01, 13.02, 13.03, 13.04,

13.07, 13.11; Article 15 - Vacations with Pay; Article 16 - Sick Leave; Article 19 - Miscellaneous -19.02, 19.03, 19.06, 19.08; Article 20 - Benefit Plans & Article 21 - Pension Plan.

The nurse shall be credited with hours worked towards the probationary period provided in this agreement to a maximum two hundred and twenty-five (225) hours.

2.04 (a) Work of the Bargaining Unit

Nurses who are in supervisory positions excluded from the bargaining unit shall not perform duties normally performed by nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to nurses in the bargaining unit.

Nurses will be assigned duties and responsibilities and the delegation or direction of duties by members to RPN's, HCA's and PSW's and will be in accordance with the *Regulated Health Professions Act* and other applicable statutes and regulations thereto. The employer will not assign such duties and responsibilities to nurses not covered by this agreement unless those duties and responsibilities are appropriate to the position occupied by the person to whom the duties and responsibilities are being assigned and are consistent with quality patient care.

Unless otherwise agreed by the Union and the employer, work performed by full-time nurses will not be assigned to part-time nurses for the purpose of eliminating full-time positions.

Contracting out to an employer who is organized and who will employ the nurses of the bargaining unit who would otherwise be laid off, with similar terms and conditions of employment, is not a breach of this provision. This clause will not apply to the ad hoc use of agency or registry nurses or registered practical nurses for single shift coverage of vacancies due to illness or leaves of absence

- 8.03 "Days" in this Article shall refer to Monday to Friday excluding holidays.
- 8.04 All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Union will be final and binding upon the Employer and the Union and the nurses concerned.
- 8.05 Union grievances shall be on the form set out in Appendix "A".

- 8.08 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she/he has first given the Director of Care or his/her designate the opportunity of addressing the complaint. Any complaint shall be discussed with the Director of Care or his/her designate when she/he becomes aware of the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse. Failing settlement, it may then be taken up as a grievance within five (5) days of the decision of the Director of Care or his/her designate using the process set out below. The grievance form can be submitted electronically.

Step No. 1

The Union shall present the grievance in writing to the Home Administrator or his/her designate. He/she shall have the assistance of the member of the Grievance Committee if he/she so desires. If a settlement satisfactory to the nurse concerned is not reached within ten (10) days or any longer period which may be mutually agreed upon, the next step in the grievance procedure may be taken at any time within ten (10) days thereafter.

Step No. 2

The Union may submit the grievance to the Director of Long Term Care and Services for Seniors Division or his/her delegate who shall consider it in the presence of the person or persons presenting same and render his/her decision in writing. The aggrieved nurse shall have the assistance of the member of the Grievance Committee if she so desires. The said Grievance Committee may have the assistance of a representative of the Ontario Nurses' Association (ONA) if they so desire. Should no settlement satisfactory to the nurse concerned be reached within ten (10) days, the next step in the grievance procedure may be taken within ten (10) days thereafter.

Step No. 3

The Union may submit the grievance in writing to the Commissioner of Corporate Resources or his/her designate of the Regional Municipality of Durham. The Grievance Committee may be present at this stage at the request of either party. The said Grievance Committee may have the assistance of a representative of the Ontario Nurses' Association (ONA) if they so desire.

8.09 If a final settlement of the grievance is not completed within ten (10) days after the grievance has been submitted in writing at Step No. 3 of the grievance procedure, and if the grievance is one concerning the interpretation or alleged violation of this Agreement, or is a claim by a nurse that she has been discharged or disciplined without just cause, the grievance may be referred by either party to a Board of Arbitration at any time within ten (10) days thereafter, but not later.

8.10 Suspension & Discharge

A nurse who is to be suspended or discharged shall have a nurse representative at the time she is told of her discipline.

8.11 A claim by a nurse who has attained seniority that she has been suspended or discharged without cause shall be treated as a grievance if a written statement of such grievance is filed with the Home Administrator within five (5) days after the nurse is notified in writing of her discharge or suspension. All steps of the Grievance Procedure, prior to Step No. 2 shall be omitted in such cases. Such grievances may be settled by confirming the Employer's action in dismissing or suspending the nurse or by reinstating the nurse with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties. The grievance form can be submitted electronically.

8.12 Arbitration

Both parties to this Agreement agree that any dispute or grievance concerning the interpretation or alleged violation of this Agreement, which has been properly carried through all the steps of the grievance procedure and which has not been settled, may be referred to a Board of Arbitration at the request in writing, of either of the parties hereto.

8.13 The Board of Arbitration will be composed of one person appointed by the Employer, one (1) person appointed by the Union, and a third (3rd) person to act as Chairperson

chosen by the other two members of the Board. By mutual agreement, the parties may agree to have a single arbitrator to hear the grievance.

- 8.14 Within five (5) days of the request by either party for a Board, each party shall notify the other of the name of its appointee. Should the recipient of the above request fail to appoint an appointee within ten (10) days, the Minister of Labour of the Province of Ontario will be asked to appoint one on its behalf.
- 8.15 Should the person chosen by the Employer to act on the Board, and the person chosen by the Union, fails to agree on a third (3rd) person within ten (10) days of the notification mentioned in 8.14, the Minister of Labour of the Province of Ontario will be asked to appoint a person to act as Chairperson.
- 8.16 The decision of a Board of Arbitration, or a majority thereof, constituted in the above manner, shall be final and binding on both parties. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board.
- 8.17 The Board of Arbitration shall not have any power to alter or change any of the provisions of this Agreement or to substitute any new provisions for any existing provisions, nor to give any decision inconsistent with the terms and provisions of this Agreement.
- 8.18 Each of the parties to this Agreement will bear the expenses of the arbitrator appointed by it and of its own witnesses; and the parties will jointly bear the expenses, if any, of the Chairperson.
- 8.19 No person shall be selected as arbitrator who has been directly involved in attempts to negotiate or settle the grievance.

It is understood that Management may submit to the Union any complaint with respect to the conduct of the Union, its officers or members, or any complaint that a contractual obligation undertaken by the Union in this Agreement has been violated.

Such complaint, if not resolved by verbal discussion, shall be reduced to writing and delivered or forwarded to a representative of the Union, whereupon it shall be discussed at Step No. 3 of the grievance procedure. Failing a satisfactory settlement within ten (10) days after the filing of such grievance, the Employer may refer it to arbitration in accordance with the provisions of Article 8.09.

8.22 Association Grievance

The Union may file a grievance as defined in this Agreement which involves all or a substantial number of the nurses covered by this Agreement. Such grievance shall be submitted at Step No. 2 of the grievance procedure.

severance pay benefits are not reduced or increased by payments received under the plan.

The employer shall continue to pay the percentage in lieu of benefits for part time employees based on the employee's normal weekly hours for the portion of the parental leave for which SUB payments are being made, i.e. 12 weeks, in addition to pension contributions if applicable.
