- iii) The Hospital will assign full-time nurses to a master by seniority line taking into consideration, skill mix, experience and skill distribution.
- iv) Notice to change the master schedule will be provided in writing 90 days in advance.

(2) Tours Less than 7.5 Hours

Where a part-time employee(s) is scheduled to work less than a normal tour (7.5 hours), Article I.1 in its entirety applies except as amended by the following:

- (a) The Hospital will endeavour to keep the number of tours comprised of less than 7.5 hours to a minimum, depending on the Unit needs-
- (b) Where a part-time nurse(s) is scheduled to work less than a normal tour (7.5 hours), Article I in its entirety applies except as amended by the following:
 - i) Nurses working shifts of less than 7.5 hours shall be granted a paid rest period.
 - ii) No part-time nurse will be scheduled solely on tours, which are comprised of less than 7.5 hours in any pay period, except where such arrangements are requested by the nurse.
 - iii) There shall be no scheduled tours less than four (4) hours.
 - iv) There shall be an equitable distribution of such tours among the part-time nurses expressing availability on the Unit.
 - v) Premium payment as per Article 14 of the Central Collective Agreement applies to all hours worked beyond the booked shift.

I.4 Job Sharing

The Employer and Union agree to a job sharing arrangement.

- (1) Job sharing request with regard to full-time positions shall be considered on an individual basis.
- (2) The division of hours or the schedule shall be determined by mutual agreement between the two (2) nurses and the Manager of Nursing Practice of the Unit. Job sharers shall not be pre-scheduled to work any tours outside of the tours of the full-time position.
- (3) The above schedule shall conform with the scheduling provisions of the full-time Collective Agreement.
- (4) Each job sharer may exchange shifts with her/his partner, as well as with other nurses, as provided by the Collective Agreement.
- (5) The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers shall only be required to work the number of paid holidays that a full-time nurse would be required to work.

(6) Coverage

- (a) For incidental illness and vacation the job share partners will first make every effort to replace each other. If, because of unavoidable circumstances one cannot cover the other the P.C.M. or designate must be notified to arrange for coverage.
- (b) Vacation, Maternity Leave, and other leaves pursuant to Article 11 of the central full-time and part-time agreements:

In the event that one member of the job-sharing arrangement goes on any of the above leaves of absence, the coverage will be negotiated with the unit supervisor, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

- (7) All other provisions covering job sharing are contained in the central part-time agreement.

(8) Implementation

A job sharing arrangement will arise out of the filling of a vacant full-time position only when the Employer is unable to fill the full-time position on that basis. It will then be posted as a job sharing position and selection will be based on the criteria set out in the Collective Agreement.

- (9) An incumbent full-time nurse wishing to share her/his position may do so without having her/his half of the position posted. The other half of the job sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement. Other job sharing arrangements will be considered on an individual basis, after the six (6) month trial period.

(10) If one of the job sharers leaves the arrangement, her/his position will be posted. If there is no successful applicant to the position, the remaining employee will revert to her/his former status. If the remaining employee was previously full-time, the shared position will become her/his or his position. If the remaining employee was previously part-time and there is no part-time position available on the same unit, she/he shall exercise her/his layoff bumping rights to obtain a part-time position. The shared position would then revert to a full-time position and be posted according to the Collective Agreement.

(11) Discontinuation

The job sharing arrangement may be discontinued with ninety (90) days' notice. Upon receipt of such notice, a meeting will be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary. Each job sharing arrangement will be reviewed annually by the incumbents and the Manager of Nursing Practice.

I.5 Self-Scheduling Guidelines

Self-scheduling is viewed by the Employer as scheduling by nurses in order to promote more flexible schedules that meet the needs of the nurses and patient care needs of the unit. Self-scheduling shall not result in additional cost to the Employer or violate any provisions of the Collective Agreement.

Introduction:

Self Scheduling may be introduced in areas in the Hospital for a six (6) month trial period where, by secret ballot conducted by the Hospital-Union Committee, seventy-five percent (75%) of the nurses in any unit indicate willingness to work within the Self Scheduling Guidelines set out in the collective agreement. Prior to voting for a six (6) month trial period, the Self Scheduling Guidelines shall be posted for four (4) weeks prior to voting. Following the six (6) month trial period, a secret ballot will be conducted by the Hospital Union Committee and where seventy-five percent (75%) of the nurses affected by the Self Scheduling arrangement indicate a desire to continue with Self Scheduling, Self Scheduling may be adopted on a permanent basis.

Notice Period for Discontinuation:

1. Either party may, upon twelve (12) weeks' notice, terminate the agreement with respect to adverse patient care and failure to make a workable schedule.
2. Self Scheduling shall be discontinued on any unit where seventy-five (75%) percent of the nurses effected by the Self Scheduling arrangement so indicate by secret ballot, conducted by the Hospital- Union Committee.
3. Self Scheduling will occur for twelve (12) months of the year.
4. Scheduling will be as per the Collective Agreement.

5. D/E and D/N shifts must be split 50% unless there is a prior agreement to work permanent shifts, such as evenings or nights.
6. Staff must work weekends in accordance with the collective agreement.
7. No splitting of weekends, e.g. Saturday and Sunday always same shift.
8. Staff will be divided into groups (number of groups depends on the total staff).
9. Each group will be assigned a captain, who will be responsible for assisting with scheduling and availability.
10. Group members will be supplied with their captain's name and phone number.
11. Each group will rotate into position where they will have first choice in choosing to work available shifts.
12. Each group will have up to 7 days to schedule their shifts, beginning with the first choice group, or they will lose the opportunity and must wait until the other groups have made their choices.
13. The seven (7) day time sign-up period for the leftover shifts will be implemented immediately following the last groups to schedule. At this second sign time the groups will rotate by seniority. Part-time group members will be notified of the shifts per person they can sign for.

Please note the two scheduling sheets. The first one is for booked shifts. This must be filled in pencil initially, at completion in ink. You are required to indicate your availability (by writing AV) for the left over shifts at the time of signing up. Clearly indicate those shifts you will not be available for (by writing an X).

Any leftover shifts will be assigned by the scheduling committee and based on availability, seniority and staffing needs.

In the event that a group member will not be available at sign-up time, it is their responsibility to speak to a group captain, to fill in scheduling requests by proxy. Scheduling out of turn will not be accepted.

Resolution of conflicts will be made by committee members/Patient Care Manager (P.C.M.) the P.C.M. will speak to staff not following the self-scheduling guidelines.

The P.C.M. may implement necessary changes in schedule to meet the requirements of the collective agreement, correct scheduling violations, and meet the staffing needs of the unit.

The P.C.M. will approve the finalized schedule. Changes to the posted schedule will require completion of a change of shift agreement form and approval of the P.C.M. or designate.

ARTICLE J - EXTENDED TOURS

J.1 Extended tours may be introduced in areas in the Hospital for a six (6) month trial period where, by secret ballot conducted by the Hospital - Union committee, seventy-five percent (75%) of the nurses in any unit indicate willingness to work within an extended tour schedule. - (f) The Employer will schedule fifty (50%) percent of weekends as weekends off.
- (g) Schedules will reflect a fifty (50%) percent distribution of shift.

J.3 Notice Period for Discontinuation

ARTICLE L – MODIFIED WORK

L.1 Early and Safe Return to Work

The Hospital and the Union are committed to a consistent, fair approach to meeting the needs of disabled workers, to restoring them to work which is meaningful and physically safe for them and valuable to the Hospital, and to meeting the parties' responsibilities under the law.

To that end, the Hospital and the Union agree to cooperate in facilitating the return to work of disabled employees. - (d) When a returning employee is in need of modified work or a permanent accommodation the Hospital will notify the RWC co-chairs and will provide to them the information obtained under (c) above.

- (e) As soon as practicable the co-chairs or their designates will meet with the affected employee and the manager and Occupational Health to create and recommend a return to work plan.

Once an employee has been offered appropriate permanent accommodation she will be removed from the list of employees requiring permanent accommodation. The Hospital will advise the Union of offers of permanent accommodation.
- (i) The parties recognize that more than one employee requiring accommodation may be suitable for a particular position or arrangement. They may then balance additional factors including but not restricted to:
 - i) ability to acquire skills

- ii) If a vacancy is identified as suitable for accommodation purposes, the Recovery Program Coordinator and Human Resources may recommend holding the posting in consultation with the co-chairs to determine:
 - 1. Whether the unit, after considering all factors including the number of accommodated employees in the unit, the operational needs of the unit, safety of employees working in the unit, alternative resources, can reasonably accommodate an employee

- iv) In the event the accommodation placement is unsuccessful, the parties will meet to determine next steps.
- v) The parties may agree to a written agreement for temporary accommodations of extended duration.
- vi) The home position of an employee requiring permanent accommodation may be posted under the following circumstances:
 - 1. The employee is permanently accommodated in another position or arrangement;
 - 2. The weight of the medical evidence establishes that there is no reasonable prospect of a return to her original position in the foreseeable future;
 - 3. The Hospital may elect to fill the disabled employee's home position by posting a temporary to permanent vacancy
 - i) In so electing, the position will be filled in accordance with the job posting provisions of the collective agreement
 - ii) If and when it is confirmed that the disabled employee cannot return to her original position, the position may be offered to the incumbent on a permanent basis.

- iii) When a job offer is made for the vacancy, the successful applicant will be clearly advised of the temporary status of the position and of its potential permanency.
 - vii) Filling of a disabled employee's home position does not remove the Hospital's duty to accommodate that employee.
- L.2 When it has been medically determined that an employee is unable to return to the full duties of her/his position due to a disability, the Hospital will notify and meet with a staff representative of the Ontario Nurses' Association and a member of the Local Executive to discuss the circumstances surrounding the employee's return to suitable work.

Two (2) Day two (2) Night (DDNN) schedules may be introduced in areas of the Hospital for a six (6) month trial period, whereby secret ballot conducted by the Hospital – Union Committee, seventy-five percent (75%) of the nurses in any unit indicate willingness to work within a DDNN schedule. Prior to voting for a six (6) month trial period, the proposed schedule shall be posted for four (4) weeks. Following the six (6) month trial period, a secret ballot will be conducted by the Hospital – union Committee and where seventy-five percent (75%) of the nurses affected by the DDNN arrangement indicate a desire to continue the DDNN schedules, a DDNN work week may be adopted on a permanent basis. Nurses working on the unit prior to the initial vote who indicate a desire to continue a schedule other than DDNN shall be provided a master line outside of the DDNN schedule.

Scheduling

All schedules will be done on the basis that each full-time nurse will be scheduled nineteen hundred and fifty (1950) hours per calendar year. In order to schedule 1950 hours per calendar year, the parties will use either lieu days, vacation or additional shifts at a regularly hourly rate to fulfil the required hours.

The DDNN schedule agreed upon will not be altered to reflect a different schedule such as DDEE, NNNN, etc. without expressed written agreement of the parties.

The scheduling provisions contained in Article I are applicable save and except for the following:

- i) A full-time nurse will not be scheduled to work more than four (4) consecutive extended tours. Premium pay will be paid for all hours worked on a fifth (5th) scheduled tour and all subsequent scheduled tours until a day off is received.
- ii) Full-time nurses will be scheduled based upon the agreed upon DDNN schedule to work between three (3) and six (6) weekends in a row. Premium pay will be paid for all hours worked on a seventh (7th) consecutive weekend and all subsequent consecutive weekends until a weekend off is received save and except where
 - a) Such weekend has been worked by the nurse to satisfy specific days off required by such nurse.
 - b) Such weekend is worked as a result of an exchange of shifts with another nurse.

Notice period for discontinuation

Either party may, upon twelve (12) weeks' notice, terminate the agreement with respects to adverse effects on patient care or inability to provide a workable staffing schedule. DDNN schedule shall be discontinued on any unit where seventy-five (75%) of the nurses so indicate by secret ballot, conducted by the Hospital – Union Committee.
