ARTICLE A - RECOGNITION

- A-1 This Agreement shall apply to all registered and graduate nurses employed in a nursing capacity by The South Huron Hospital at Exeter, save and except the Director of Nursing and persons above the rank of the Director of Nursing.
- A-2 The Hospital agrees to recognize the Ontario Nurses' Association as the sole collective bargaining agent for all employees covered by the said Certificate and Decision in respect to hours of work, wages, and working conditions.

ARTICLE B - ASSOCIATION INTERVIEW

- B-1 The time and place of the interview referred to in Article 5.06, shall be scheduled within the first month of the employee's employment on hospital premises and at a time mutually agreed by the Union. The Hospital will advise the Bargaining Unit President or designate of all employees to be interviewed prior to the interview.

ARTICLE C - MANAGEMENT RIGHTS

- C-1 The Association acknowledges that it is the exclusive function of the Hospital to manage and direct its operations and affairs in all respects and, without limiting or restricting that function:
- (a) To maintain order, discipline and efficiency, and to make, alter and enforce reasonable rules and regulations to be observed by the employees, provided the same are not inconsistent with the provisions of this Agreement;
 - (b) To hire, retire, classify, direct, promote, demote, transfer, discipline, suspend and discharge employees, and to assign employees to shifts and to increase and decrease working forces, provided that a claim of discipline or suspension, or a claim by an employee that she has been discharged without reasonable cause, may become the subject of a grievance and be dealt with as hereinafter provided;
 - (c) To determine the number and location of the Hospital establishments, the services to be rendered, the methods, the work procedures, the kinds and locations of machines, tools, instruments and equipment to be used; to select, control and direct the use of all materials required in the operation of the Hospital; to schedule the work and services to be provided and performed, and to make, alter and enforce regulations governing the use of materials, equipment and services as may be deemed necessary in the interests of safety and well-being of the Hospital patients and the public.
- C-2 These rights shall not be exercised in a manner inconsistent with the provisions of this Agreement.

ARTICLE D - REPRESENTATION

- D-1 There shall be no more than three (3) employee representatives in the Hospital's employ on the various committees (one to be the Bargaining Unit President).
- D-2 Two (2) full-time [one (1) of whom may be a part-time employee] employees appointed to act on the Association Hospital Committee on behalf of the Local Association.
- D-3 A total of three (3) employees may be absent from work at any one time on Association business providing that no more than two (2) employees requesting such leave are from the same department or unit.
- D-4 The Hospital will endeavour to hold Hospital/Union meetings requiring the attendance of the Bargaining Unit President during the Bargaining Unit President's scheduled shift. Where this is not possible, the Hospital agrees to pay the Bargaining Unit President or designate at straight time rates for attendance at such meetings. When required to attend meetings during her scheduled shift, the Hospital will adequately replace the Bargaining Unit President on her unit.
- The Bargaining Unit President, or designate, will identify to the Hospital at each H.A.C. Meeting those committee members who require payment under Article 6.03 (e) of the central Collective Agreement.
- D-5 In accordance with Article 9.02, there shall be a Professional Development Committee of not more than three (3) Bargaining Unit Representatives. Meetings of this Committee may be held in conjunction with Hospital/Association Committee meetings. Necessary payment for attendance will be as per Article 9.02 (a).
- D-6 There shall be one (1) nurse representative and one (1) alternate on the Joint Health and Safety Committee.
- D-7 The Hospital agrees to grant leaves of absence without pay, to nurses elected to the position of Local Coordinator. Subject to reasonable notice, it is understood and agreed that a Local Coordinator shall be granted such leave(s) as she may require fulfilling the duties of the position.
- D-8 The Employer will pay the Bargaining Unit President or designate at her regular straight time hourly rate for the equivalent of one (1) tour per month to attend to union business.

ARTICLE E - HOURS OF WORK

- E-1 Employees accumulating approved overtime under Article 14.09 of the Central Collective Agreement and who elect to take time off in lieu, must take the time off at a time mutually agreed to between the employee and the Hospital. It is understood that payment may be made to supplement wages as well as to replace scheduled tours.

It is agreed that the accumulation of lieu time shall not exceed forty-five (45) hours. All time in excess of forty-five (45) hours will be paid to the nurse in the pay period it is earned. Employees may request payout of lieu time provided the request is made three (3) days prior to the end of the pay period.

Any accumulated lieu time remaining will be paid out to the nurse in the last pay of March except that a nurse may request and the Hospital may approve, in its discretion, a carry-over of some or an employee's entire lieu bank to the next fiscal year. Such requests must be submitted in writing to the Chief Nursing Executive or Delegate by March 1.

Part-time nurses may accumulate compensating time off on the same basis as full-time nurses.

- E-2
- (a) The Hospital will endeavour to schedule all employees fifty percent (50%) of their weekends off during their current posted working schedule.
 - (b) Should an employee work two (2) or more weekends in succession, she shall be paid at the premium rate (as defined in the Central Agreement) for the third consecutive and subsequent weekend worked save and except:
 - i) Such weekend has been worked by the employee to satisfy specific days off requested by such employee; or
 - ii) Such employee has requested weekend work; or
 - iii) Such weekend is worked as a result of exchanging shifts with another employee.

The Hospital shall not cancel the pre-booked weekend tours on a third (3rd) weekend that becomes a premium pay weekend as a result of coming in on previously scheduled weekend off. This does not preclude the hospital from cancelling tours according to seniority resulting from a decrease in the staffing requirements.

It is understood that a weekend consists of fifty-six (56) consecutive hours off work during the period following the completion of the Friday day shift until the commencement of the Monday day shift.

Where a full-time or regular part-time employee is scheduled or called in to work any hours during the fifty-six (56) hours stated above, such full-time or regular part-time employee will be considered as having worked the weekend.

- E-3
- Employees who are unable to report for their regular scheduled shift shall give the Hospital three (3) hours' notice for evening and night shifts and one (1) hour's notice for the day shift.

ARTICLE F – SCHEDULING AND GENERAL GUIDELINES

F-1 The Hospital agrees that it will not require an employee to work a schedule of more than seven (7) consecutive days without her consent.

F-2 The first shift of the day will be the day shifts, commencing at 0700.

Shift schedules shall be posted, except in cases of emergency, two (2) weeks in advance and shall cover a six (6) week period. Where the posted schedule would normally end on a holiday weekend, an additional week will be posted.

Schedules shall be posted as soon as possible on the day of posting.

Each unit, except those units where self-scheduling is used will have a master schedule, with a copy provided to the Union.

Requests for specific days off shall be submitted in writing two (2) weeks prior to the schedule being posted. Where the posted schedule would normally end on a holiday weekend, an additional week will be posted.

F-3 There will be not less than a period of sixteen (16) consecutive hours between shifts worked by an employee without the consent of such employee. For full-time employees, there shall not be less than seventy-two (72) hours scheduled off after the completion of a tour of night duty. For part-time employees, there shall not be less than thirty-six (36) hours scheduled off between the end of the night shift and the commencement of the evening shift and forty-eight (48) hours between the end of the night shift and the commencement of the day shift without the consent of such employee.

F-4 When, in the opinion of the Hospital, circumstances are such that the posted schedule cannot be adhered to, Department Heads and the employees concerned shall attempt to arrange a mutually satisfactory time table. In the event of disagreement regarding schedule of working hours in such cases, the Department Heads shall make the final decision.

F-5 Request for changes in the posted schedule must be submitted in writing or email with the date stated and co-signed by/copied to the nurse willing to exchange days off or tour.

Request for changes in the posted schedule with less than 24 hours notice must be submitted in writing or email with the date stated and co-signed by/copied to the nurse willing to exchange days off or tour. This will be reviewed/approved by a third party and supported by a Hospital Delegate. It is understood that both nurses must be capable of performing the required work of the unit.

It is understood that such changes in tour initiated by the nurse shall not result in overtime payment for that shift. Such requests shall not be unreasonably denied.

F-6 No nurse holding a Temporary Certificate of Registration shall be placed in charge of a Registered Nurse.

F-7 Each nurse shall be scheduled off at least five (5) days at either Christmas or New Years unless otherwise requested by an individual nurse. Christmas shall be defined as Christmas Eve, Christmas Day, and Boxing Day. New Year's shall be defined as New Year's Eve and New Year's Day shall include all hours after 0700 hrs on December 24th or all hours after 0700 hrs on December 31st. Scheduling regulations E-2(b), F-21 (i) (j), 4 (b) (LOU Innovative Schedule – Emergency Department) 3 (b) (LOU Innovative Schedule – Nursing Unit) will only be waived during the period from December 15th to January 15th in order to schedule a nurse five (5) consecutive days off over Christmas or New Year's if requested by the nurse. The union will be provided no later than October 30th with the name of those nurses who requested less than 5 days off at either Christmas or New Year's.

On or about October 1 in each year, the Hospital shall post a Christmas and New Year's preference sheet and each Nurse on the unit shall indicate her preference of holiday time to be scheduled off. The preference sheet shall be removed by October 15, and by November 15 the Hospital shall post the approved Christmas and New Year's schedule, taking into account as much as possible the Nurses' preferences. Where more Nurses have indicated the same holiday time off than the Hospital can reasonably grant, preference will be given to the Nurse who worked the holiday in the preceding year and the expectation to work alternating holidays in alternating years.

Vacation requests between December 15th and January 15th will be considered on an individual basis in accordance with Article I providing it does not interfere with time off of other employees over the Christmas and New Year's period, providing the employee is available to work either Christmas or New Year's as defined and providing it does not interfere with the efficient operation of the Hospital.

The shift schedules covering the Christmas and New Year's period shall be posted by November 15 of each year.

F-8 Employees shall be paid weekend premium in accordance with Article 14.15 for each hour worked between 2300 hours Friday and 2300 hours Sunday.

F-9 An employee shall be scheduled four (4) days off in any two (2) week pay period unless by mutual agreement. For full-time employees, at least two (2) of the four (4) days off will be consecutive.

F-10 (Applies to full-time only)

(a) Unless an employee requests otherwise, the following will apply: An employee who normally rotates shall not be scheduled to work more than two (2) consecutive weeks on evenings and/or night shifts at one time. After an employee has completed two (2) consecutive weeks on evenings or nights or a combination of the two (2), she shall be scheduled to work two (2) weeks on days.

- (b) At the request of the employee(s) and with the consent of the Hospital an employee could be scheduled to work two (2) shifts only. When an employee is scheduled to work two (2) shifts only the Hospital will endeavour to split shifts equally. Such requests will not be unreasonably denied.
- (c) An employee who requests to work a specific tour (except the day tour) on a permanent basis shall be granted such request whenever possible. However, all such employees may be assigned to the day shift from time to time for training, development, reorientation, and evaluation purposes.

If an employee working a permanent shift requests to return to rotating shifts, such request will not be denied provided the employee has been in the permanent shift for at least a period of six (6) months.

If an employee leaves a permanent shift rotation for any reason, or where an employee is displaced from a permanent shift rotation in a long term layoff, the permanent shift rotation will be reverted to a rotating shift position. The Employees on the affected unit will receive ninety (90) day's notice that their master rotations may be amended. The Hospital will attempt to revise the unit schedules with as little disruption to current master rotations as possible. Any conflicts related to choice of rotations will be settled by seniority.

F-11 Premium pay according to the Central Collective Agreement shall be paid to the employee for all shifts worked as a result of the Hospital's failure to comply with the scheduling provisions in Article E and/or F.

It is agreed that an employee's availability for additional tours and/or overtime at the Employer's request does not waive the employee's right to premium payment provided for under this agreement.

F-12 (Applies to part-time only)

Should work subsequently become available on a shift for which a part-time employee was cancelled, the part-time nurse who had the tour cancelled will be given the first opportunity to work that call-in shift. The offer is made when the call is placed.

F-13 (Applies to part-time only)

(a) Regular Part Time Commitment

- i) The regular part-time commitment referred to in Article 2.05 shall be to be available to work four (4) 7.5 hour tours or three (3) 11.25 hour tours in a bi-weekly pay period.
- ii) Available for scheduling twelve (12) months of the year unless the employee is on scheduled weeks of vacation or an approved leave of absence.

- iii) For 7½ Hour Tours – available to work three (3) weekends in every six (6) week period with a maximum of two (2) consecutive weekends worked;
- iv) Available to work on either the Christmas holidays (including December 24th night shift, December 25th and December 26th), or the New Year's holidays (including December 31st night shift and January 1st), and in addition, at least four (4) other holidays during the year, two (2) of which will be those that fall between the dates of May 15th and September 15th of each year.
- v) Leaves of absence granted under Article 11 of the Central Hospital collective agreement, may result in the regular part-time employee not being scheduled the minimum part-time commitment as identified above.
- vi) Regular part-time employees will not be required to work their full commitment in any pay period where a week of vacation is scheduled.
- vii) It is understood that part-time employees will be available all three shifts and will take standby/on-call shifts for any unit that has standby/on-call assignments.

(b) Regular Part-time Scheduling

Nurses who wish to be considered for additional tours must indicate their availability in the manner prescribed by the Hospital.

Provided they are qualified, nurses may submit their availability to work additional tours to more than one unit, if to do so is in accordance with existing hospital practice.

Before the schedule is posted:

- i) All available work at the time of scheduling will be equitably distributed among the regular part-time employees up to their minimum commitment.
- ii) Once all regular part-time employees on the unit have been scheduled the minimum commitment, extra tours will then be offered to regular part-time employees on the unit equitably on the basis of seniority.
- iii) Any remaining tours after ii) above will then be offered to regular part-time employees from other units who have made themselves available for additional shifts on this unit, equitably on the basis of seniority.
- iv) Any remaining tours after iii) above will then be offered to casual part-time employees.

(c) Procedure for Offering Additional Shifts

Additional shifts that become available after the schedule is posted will be first offered in the following manner:

- i) Regular Part-time staff on this home unit who are not in premium position and have not been scheduled up to commitment are called and offered the shift at straight time, in order of seniority. If the shift is not accepted,

A tour will be deemed offered whenever a call is placed or message left.

The parties agree that when a tour becomes available on both days of the weekend, the Hospital will offer the tours on both days first to the nurse in the line for the call who has made themselves available for both days by calling one main number provided to the unit by the nurse.

It is understood that the Hospital will not be required to offer tours which would result in overtime premium pay.

PREMIUM PAY PROCESS:

Once the Hospital has decided to schedule or call in a nurse and has exhausted all part time nurses, including job sharers, in a non-premium pay situation, the hours will then be offered to nurses in a premium pay situation in the following order:

- i) All full-time nurses on the unit on the basis of seniority
- ii) All regular part-time nurses and job sharers on the unit on the basis of seniority
- iii) All casual nurses on the unit on the basis of seniority
- iv) The nurse currently working a tour may be offered an extension of that tour, if the shift is not filled.
- v) Staff from other units may then be called in the order listed above from a-d who are capable of performing the required work.
- vi) The Administration on call will be notified if this shift isn't filled.

F-14 Tours of less than 7.5 hours

- (c) Employees working shifts comprised of less than 7.5 hours shall be granted a paid rest period. If the shift is less than five (5) hours the paid break will be fifteen (15) minutes. If more than five (5) hours, the paid break will be thirty (30) minutes.
- (d) No part-time employee will be scheduled solely on tours which are comprised of less than 7.5 hours in any pay period, except where such arrangements are requested by the employee.
- (e) Employees working tours comprising of less than 7.5 hours, shall not be scheduled to work more than five (5) consecutive tours.
- (f) Premium Pay in accordance with the Central Collective Agreement shall be paid for all hours worked in excess of those hours scheduled.

The Hospital reserves the right to restrict the number of full time employees from one (1) area who can fill temporary vacancies at any one (1) time. A full time employee may make written request to be considered for temporary full time vacancies by utilizing the Request for Transfer Form. Such request shall become active on the date it is received and remain in effect until December 31 following. Such requests will be considered as applications for temporary vacancies of greater than six (6) months.

F-16 Prior to altering the starting or finishing times in any unit, or prior to introducing different tours on a unit, the Bargaining Unit President shall be notified and the employees in the unit consulted for input and comments. Normal tours of duty will not be changed without the express agreement of both parties. Such agreement will not be unreasonably withheld by either party. All agreed upon variations to normal tours on any unit will be identified in a Letter of Understanding appended to this collective agreement.

F-17 Standard Day - For overtime purposes, the Standard Day for all employees covered by this Agreement shall be defined as a twenty-four (24) hour period beginning at:

F-18 The day shift is the first shift of the day for all scheduling purposes.

F-19 There shall be equitable distribution of shift work amongst employees in a unit working the same shift rotation.

F-20 There will be no split shifts scheduled.

F-21 Extended Tours

(a) The normal schedule for full-time extended tour employees shall be 1950 hours in a one year period. The hours of work for extended tour employees shall be averaged over a specific period to meet the needs of the scheduling requirements of each unit. Such averaging shall be agreed upon between the Hospital and the Union and is subject to approval by the Director of Employment Standards as required.

(b) Generally extended tours shall be defined as:

0700 – 1900 Days

- (j) An employee receives premium pay for all hours worked on a second consecutive and subsequent weekend, save and except where:
 - i) Such weekend has been worked by the employee to satisfy specific days off requested by such employee;
 - ii) Such employee has requested weekend work;
 - iii) Such weekend is worked as a result of an exchange of shifts with another employee.

Employees called in for weekend work will not have their posted schedule altered or cancelled as a result of the call-in.

The Employer shall not cancel the prescheduled weekend shifts which become a premium pay weekend as a result of being called in for work on the previous weekends off.

- (k) When an employee is off on the weekend, she will have sixty-four (64) consecutive hours off between the end of her scheduled Friday shift and the start of her next scheduled shift unless the employee agrees otherwise. Where an employee is scheduled to work, called into work or assigned to standby during any of these sixty-four (64) hours stated above, the employee shall be considered to have worked the weekend.
- (l) Regular part-time extended tour employees must be available for work at least three (3) extended tours within any biweekly pay period.
- (m) All provisions in Appendix 5 of the Collective Agreement will apply to employees working extended tours unless expressly amended herein.
- (n) All full-time and part-time employees shall be required to work extended tours in those areas where the compressed work week is scheduled.

ARTICLE G - EXTENDED TOURS

G-1 Introduction and Discontinuation of Extended Tours

- (a) An extended tour rotation shall be introduced on the following basis:
 - i) 70% of the full-time and regular part-time nurses assigned to the unit so indicate by secret ballot
 - ii) The Hospital agrees to implement the compressed work week. Such agreement shall not be withheld in an unreasonable, arbitrary manner.
- (b) An extended tour rotation may be discontinued on the following basis:
 - i) 60% of the full-time and regular part-time nurses assigned to the unit so indicate by secret ballot; or

- ii) the Hospital because of:
 - A) adverse effects on patient care,
 - B) inability to provide a workable staffing schedule
 - C) financial constraints, or
 - D) where the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary,

states its intention to discontinue the extended tour in the schedule.

- (c) When notice of discontinuation is given by either party in accordance with paragraph b) above, then:
 - i) the parties shall meet within two (2) weeks of the giving of notice to review the request for discontinuation; and
 - ii) where it is determined that the compressed work week will be discontinued, affected employees shall be given sixty (60) days' notice before the schedules are so amended.

G-2

If the Hospital and the Union agree to a Unit Weekend Schedule pursuant to Article 13.04 of the Central Collective Agreement, the following conditions will apply:

(a) Introduction and Discontinuation of Unit Weekend Schedule

- i) When eighty percent (80 %) of the full-time and regular part-time nurses assigned to the unit indicate, by secret ballot, their willingness to participate in a master schedule that accommodates the Unit Weekend Worker, the Union and the Employer will meet forthwith to arrange for such a trial. The secret ballot will be conducted solely by the Union and the Union will post the results.
- ii) The positions required to accommodate the Unit Weekend Schedule will be posted on the Unit and filled by seniority from amongst the full time employees on the unit. If the position is from a vacancy it will be filled in accordance with Article 10.06(a). The filling of such positions will not result in the lay off or loss of hours of any full time or regular part time employee.
- iii) A trial of the Unit Weekend Schedule will run for a six (6) month period agreed upon by the parties. After five (5) months of the trial period, a meeting will be held with the unit, Hospital and the Union to evaluate the trial period and to make recommendations to improve the schedules, if needed. A further vote will then be conducted on the Unit. Where the employees in the positions agree and at least eighty percent (80%) of the employees on the unit indicate their willingness to continue with the new master, the arrangement will continue.

(b) Discontinuation

- i) Employees in these positions may discontinue the Weekend Schedule with thirty (30) days notice. Such position will be posted in accordance with number 2 above. If there is no applicant, the Weekend Schedule will be discontinued.
- ii) Either party may discontinue the Weekend Schedule with ninety (90) days notice. Upon receipt of such notice, a meeting will be held between the parties to discuss the discontinuation. It is understood that such discontinuation shall not be unreasonable or arbitrary.
- iii) Should the Weekend Schedule be discontinued, the employees in these positions will revert back to their previous positions and the previous master rotation will be put in place.

(c) Averaging of Hours

The Hospital, the weekend worker and the Union will meet to determine the scheduling of the additional seven point five (7.5) hour week day tour before the weekend schedule is put into place.

Notwithstanding, the parties agree that it is permissible for the nurse to work four (4) 11.25 hour tours over each six (6) week schedule rather than six (6) 7.5 hour tours.

(d) Paid Holiday Bank/Vacation Bank

Carry over provisions:

Employees in the Unit Weekend positions will be allowed to carry over paid holiday credits and their vacation bank credits.

(e) Scheduling Provisions

The Hospital and the Union will discuss the local scheduling objectives and determine their application to weekend worker and the effects on other employees before the implementation of the weekend worker schedule.

G-3

If the Hospital and the Union agree to Innovative Schedules pursuant to Article 13.03 of the Central Collective Agreement, the following conditions will apply:

(a) Introduction and Discontinuation of Innovative Schedules;

- i) When eighty percent (80 %) of the full-time and regular part-time nurses assigned to the unit indicate, by secret ballot, their willingness to participate in a master schedule that accommodates the Innovative Schedule, the Union and the Employer will meet forthwith to arrange for such a trial. The secret ballot will be conducted solely by the Union and the Union will post the results.

- ii) The positions resulting from the Innovative Schedule will be posted on the Unit and filled by seniority from amongst the full time employees on the unit. If the position is from a vacancy it will be filled in accordance with Article 10.06(a). The filling of such positions will not result in the lay off or loss of hours of any full time or regular part time employee.
- iii) A trial of the Innovative Schedule will run for a six (6) month period agreed upon by the parties. After five (5) months of the trial period, a meeting will be held with the unit, Hospital and the Union to evaluate the trial period and to make recommendations to improve the schedules, if needed. A further vote will then be conducted on the Unit. Where the employees in the positions agree and at least eighty percent (80%) of the employees on the unit indicate their willingness to continue with the new master, the arrangement will continue.

(b) Discontinuation

- i) Employees in these positions may discontinue the Innovative Schedule with thirty (30) days notice. Such position will be posted in accordance with number (a) ii) above. If there is no applicant, the Innovative Schedule will be discontinued.
- ii) Either party may discontinue the Innovative Schedule with ninety (90) days notice. Upon receipt of such notice, a meeting will be held between the parties to discuss the discontinuation. It is understood that such discontinuation shall not be unreasonable or arbitrary.
- iii) Should the Innovative Schedule be discontinued, the employees in these positions will revert back to their previous positions and the previous master rotation will be put in place.

G-4

Self-Scheduling

Self scheduling will occur when schedules are totally created by the staff employee and agreed to by the Employer. Full time and part-time classifications may choose to vote separately.

- (a) Self scheduling shall be introduced into any unit when:
 - i) eighty percent (80%) of the employees in the unit to indicate by secret ballot; and
 - ii) the Hospital agrees to implement self scheduling. Such agreement shall not be withheld in an unreasonably arbitrary manner.
- (b) Self scheduling will be discontinued when:
 - i) fifty-one percent (51%) of the employees in the unit indicate by secret ballot.

- (c) When notice of discontinuation is given by either party, then:
 - i) the parties shall meet within two (2) weeks of giving notice to review the reasons for discontinuation with a view to resolving any problems.
 - ii) where it is determined that the self scheduling will be discontinued, affected employees shall be given a minimum of sixty (60) days' notice before the schedules are amended.
- (d) Schedules established through self scheduling shall not violate the scheduling provisions set out in the Collective Agreement.

G-5

Master Rotations

- (a) Master rotations will not be changed without the agreement of the employees on the unit. Such agreement will be secured by a secret ballot vote of the employees. Where two (2) part-time employees share a full-time position in a job sharing arrangement, the regular part-time employees in the job sharing arrangement will be entitled to one (1) vote. The vote must equal or exceed eighty percent (80%) of the employees on the unit who vote on a master rotation for the master rotation to be changed.
- (b) Where a master rotation schedule is changed due to a permanent long-term layoff, or the addition of new full-time positions, the employee on the affected unit will be provided with 90 days' notice that their master rotation may be amended.

Where a master rotation schedule is changed pursuant to the above, individual schedule rotations will be awarded on the basis of seniority. Where the master rotation contains a job sharing arrangement, the seniority of the two regular part-time employees sharing the full-time position will be added together and divided by 2 to determine the seniority to be used for the awarding of the rotations.

- (c) Individual lines on a master rotation shall not be changed without prior discussion between the employee affected and her immediate supervisor.

G-6

Voting Procedure

Where a vote is to be taken pursuant to Article G of the Collective Agreement, the following procedure will be followed:

- (a) A notice will be provided to all eligible voters indicating time and location for the vote to take place.
- (b) A voter's list of all full-time and regular part-time employees assigned to the unit or floor voting, will be prepared and agreed to by the Union and the Employer. Casual employees working in temporary full-time or temporary regular part-time positions will be excluded from the voter's list.

- (c) If an employee is currently on a leave of absence or illness, she may come into the Hospital to vote, but cannot vote by proxy.

Any relief employee who is not normally assigned to the unit or floor, and who is filling in for leaves of absence or illness, expected to exceed fifteen (15) weeks, is eligible to vote.
- (d) The ballot box will be manned during voting times by a person or persons agreed upon by the Union and the Employer.
- (e) To vote, the employee must sign her name beside her name on the voter's list, make an "X" beside her choice on the ballot, then deposit the ballot into the locked ballot box.
- (f) The vote will take place over a one (1) day period at times suitable to accommodate all changes of shifts.
- (g) The box will be opened and the votes counted in the presence of an ONA Executive representative and an Employer representative.
- (h) A vote in favour of implementation of innovative scheduling will result in a trial period being held prior to a second vote being taken. The trial period as per G-3 (a) iii) is six (6) months, but may be amended with the agreement of the parties.

Re: Article 13.03 – INNOVATIVE SCHEDULING – Emergency Department

Whereas the parties have had discussions regarding the Emergency Department staff working a combination seven and one-half (7.5) hour and eleven and one-quarter (11.25) hour tour schedule, the parties agree to the following:

1. A Master Schedule containing 7.5 hour tours, 11.25 hour tours and combination of 7.5/11.25 hour tours has been designed and discussed with the nurses in the Emergency Department. Such schedule was voted on and approved by 87% on December 11, 2009, in accordance with Article G-3.

Should the schedule require revisions, new schedules shall be prepared and discussed with the nurses. A new vote may be required at the request of the nurses. The vote will be conducted as per the Collective Agreement and the voting procedure which follows.

2. The Registered Nurses have indicated their desire to work either 7.5 hour tours only, or a combination of 7.5 hour and 11.25 hour tours.
3. Once the schedule has been approved, nurses in the Emergency Department will choose a schedule line, based on unit seniority and their choice.
4. The extended tour scheduling provisions of the Article F-21 will apply to all hours scheduled, called-in and worked by the nurses except for the following amended provisions:
 - a) A nurse shall not be required to work more than five (5) consecutive combined 7.5 hour and 11.25 hour tours. Premium pay will be paid for all hours worked on the sixth (6th) tour and all subsequent consecutive tours until a day off is received.
 - b) When an employee is off on the weekend, she will have fifty-six (56) consecutive hours off between the end of her scheduled Friday shift and the start of her next scheduled shift unless the employee agrees otherwise. Where an employee is scheduled to work, called into work or assigned to standby during any of these fifty-six (56) hours stated above, the employee shall be considered to have worked the weekend.
 - c) At least two (2) of the scheduled days off in each pay period will be consecutive days.

- d) Unless otherwise requested by the nurse in writing, there shall be eleven (11) hours off between scheduled tours of duty.
 - e) Employees working innovative scheduling will be scheduled off a minimum of forty-eight (48) hours when changing from a night tour to a day tour. Where a nurse is called for an additional tour that commences twenty-four (24) hours after a night tour the nurse may choose to accept the tour or not.
5. 7.5 hour tours will be scheduled according to the terms of the Collective Agreement unless amended in this Letter of Understanding.
6. Either party may discontinue this innovative scheduling arrangement following the procedure in Article G-3.
