ARTICLE 9 – GRIEVANCE PROCEDURE

9.01 If a nurse believes she has a complaint concerning the interpretation, application or administration of this Collective Agreement and makes an allegation that the Collective Agreement has been violated, an earnest effort to settle the dispute shall be made. It is understood that a nurse will first give her Manager an opportunity to adjust her complaint.

A nurse having a complaint or one designated member of a group having a complaint shall, within ten (10) days after the circumstances giving rise to the complaint has occurred, first verbally take up the complaint with the immediate Manager who will attempt to adjust it.

A nurse may request the immediate Manager to call the nurse representative to handle a specified complaint with the immediate Manager and the immediate Manager will send for the nurse representative without undue delay for further discussion of the complaint.

(a) Step 1

If the complaint is not adjusted by the immediate Manager within five (5) days, the nurse may submit a written grievance signed by the nurse involved to the immediate Manager within five (5) days after the period allowed to the immediate Manager to adjust the complaint. The immediate Manager will deliver her decision in writing to the nurse and nurse representative within five (5) days following the day on which the grievance was presented to her. Failing settlement, then:

(b) Step 2

The grievance may be submitted by the nurse alone or with a nurse representative within five (5) days thereafter to the Executive Director or her designate who shall call a meeting with the Grievance Committee which meeting shall be held within five (5) days of the submission of the grievance at Step 2 unless extended by written agreement of the parties. It is agreed that a representative of the Ontario Nurses' Association may be present at the meeting. The decision of the Employer shall be delivered in writing to the nurse and the nurse representative within five (5) days following the date of such meeting. If the decision is unsatisfactory to the nurse, it may be referred to arbitration.

9.02 Either the Employer or the Association may require that the nurse or a member of the group of nurses involved in the grievance being appealed shall be present at the Step 2 meeting.

9.03 All grievance forms shall contain only one (1) grievance. A written grievance shall contain a clear and concise statement concerning the complaint, the nurses involved, the date on which the alleged grievance occurred, and the relief sought if practicable. Grievances shall be on the form set out in Appendix 2.

9.04 Arbitration

Should any grievance fail to be satisfactorily settled on the foregoing procedure, the Association may within fifteen (15) days following receipt of the answer from the Executive Director or her designate, notify the Employer in writing of its desire to submit the difference or allegation to arbitration accompanied by the written consent of the nurse. The Association and the Employer may agree upon a sole arbitrator to hear the matter and for this purpose will exchange nominations.

Failing agreement between the Association and the Employer within ten (10) days as to a sole arbitrator to be appointed, the matter may be referred within four (4) days thereafter to a Board of Arbitration composed of three (3) members, and either the Association or the Employer may inform the other in writing of its desire to submit the matter to arbitration by a three-person Board, and the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall within ten (10) days advise the other party of the name of its appointee to the Arbitration Board. The two (2) appointees so selected shall within five (5) days of the appointment of the second of them, appoint a third person who shall be Chairman. If either party fails to make the required appointments within the time designated, either or both parties may request the Minister of Labour for Ontario to fill the vacancies.

No person may act as an arbitrator who is a member of the Association or the Employer's Board of Directors or an employee of either the Association or the Employer or who has been directly involved in attempts to negotiate or settle the grievance.

The Arbitration Board shall hear and determine the difference and shall issue a decision and the decision shall be final and binding upon the parties and upon any nurse affected by it. The decision of the majority shall be the decision of the Arbitration Board, but if there is no majority, the decision of the Chairman shall govern. The decision shall be discussed by the Arbitration Board with all members of the Board present before it is rendered to the parties involved.

If the grievance is not referred to arbitration within the said fifteen (15) day period, the grievance will be deemed to have been finally abandoned.

9.05 Time Limits

No grievance may be processed to arbitration unless it has been properly processed through the grievance procedure and within the time limits established by this Collective Agreement.

Time limits shall be computed by excluding Saturdays, Sundays and paid holidays listed in this Agreement. If a grievance which has been introduced into the grievance procedure is not processed with any of the time limits set down by this Agreement, this specific grievance may not be re-introduced as a new grievance. Failure of the Employer to meet its time limits shall permit the aggrieved nurse to take the grievance to the next succeeding Step, provided she presents the grievance at this next Step within five (5) days after the expiration of the said time limit.

The time limits fixed in both the Grievance and Arbitration Procedures may be extended by consent in writing by the Executive Director or her designate and the Chairman of the Grievance Committee.

9.06 Authority of Arbitration Board

It is understood and agreed that the Arbitration Board shall have authority only to settle disputes under the terms of this Agreement and may only interpret and apply this Agreement to the facts of the particular grievance involved. Only grievances arising from the interpretation, application, administration or alleged violation of this Agreement, including a question as to whether a matter is arbitrable, shall be arbitrable.

The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement, nor to give any decision inconsistent with it, nor shall any practices or customs become binding unless they are acknowledged in writing between the Executive Director and the Association.

9.07 Compensation of Arbitration Board

The Association and the Employer shall each be responsible for the fees and expenses of its own nominee and one-half (1/2) of the fees and expenses of the Chairman or of a single arbitrator.

9.08 Place of Hearing

Arbitrations shall be heard at Thunder Bay, Ontario, or at such other places as may be agreed upon by the Association and the Employer.

9.09 Agreements During Grievance Procedure

All agreements reached under the grievance procedure between the representatives of the Employer and the representatives of the Association will be final and binding upon the Employer and the Association and the nurses.

9.10 Discharge Grievances

If a nurse who has completed her probationary period believes she has been discharged without just cause, she may file a written grievance with the Executive Director within ten (10) calendar days after she has been given notice of discharge. Step 1 of the grievance procedure shall be omitted in that case, but all remaining provisions contained in Article 9 shall be applicable and complied with in the processing of a discharge grievance.

A discharge grievance may be settled under the grievance or arbitration procedure by:

- (a) confirming the Employer's action in dismissing the nurse; or
- (b) re-instating the nurse with full compensation for the time lost; or
- (c) by any other arrangement which is just and equitable.

9.11 At any Step in the grievance procedure, including the complaint stage, a nurse may be accompanied by a nurse representative.

ARTICLE 10 – ASSOCIATION AND EMPLOYER GRIEVANCES

10.01 A complaint or grievance arising directly between the Employer and the Association concerning the interpretation, application or alleged violation of the Agreement may be submitted in writing by either party within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. Employer grievances will be submitted to the Local President or her designate and Association grievances will be submitted to the Executive Director or her designate. The Employer and the Association shall have ten (10) days to try to resolve the grievance by discussion. Should the parties agree to extend the time limits for the resolution of a grievance under this Article, the party with whom the grievance was filed shall have five (5) working days from the holding of a meeting between the parties to deliver its written answer to the grieving party. If such grievance cannot be resolved by discussion, such grievance may be referred to arbitration pursuant to Article 9.04 except that the first sentence of 9.04 is amended for purpose of this Article to read:

"Should the grievance fail to be satisfactorily settled through discussion, the party grieving may within fifteen (15) days following the receipt of the answer in Article 10, notify the other party in writing of its desire to submit the difference or allegation to arbitration."

It is expressly understood, however, for purposes of an Association grievance, the provisions of this Article may not be used with respect to a grievance directly affecting a nurse which said nurse could herself institute and the regular grievance procedure shall not be thereby by-passed.

ARTICLE 11 – PROFESSIONAL RESPONSIBILITY AND ORIENTATION/IN-SERVICE

11.01 Professional Responsibility

In the event that the Employer assigns a number of patients or a workload to an individual nurse or group of nurses such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper patient care she or they may refer the matter in writing to the Professional Committee within thirty (30) calendar days. If such full-time or regular part-time nurse in a half-time or greater position returns from lay-off to a position in which she works fewer hours than in a half-time or greater position, Article 20.04 (b) shall apply to such nurse while

so employed and her participation in those benefits and benefit plans that applied to her when she was in a full-time or half-time or greater position shall be then terminated.

- (e) All full-time and regular part-time nurses represented by the Association who are on lay-off will be given a job opportunity in full-time and regular part-time positions before any new nurse is hired into either position.

- 13.06 (a) A nurse who obtains a position outside of the bargaining unit shall, subject to (b) below, retain but not accumulate her seniority held at the time of transfer. In the event the nurse returns to a position in the bargaining unit she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit.
- (b) In the event that a nurse obtains a position outside of the bargaining unit under (a) above for a specific task which does not exceed a period of six (6) months and is returned to a position in the bargaining unit, she shall not suffer any loss of seniority, service or benefits. It is understood and agreed that a nurse may decline such offer to assume the task. The six (6) month period referred to above may be extended by agreement of the parties.
- 13.07 Prior to laying off a full-time or regular part-time nurse for a duration of six (6) weeks or more, the Employer will first advise the Association and the nurse(s) to be laid off of the lay-off and meet to discuss the lay-off. Notice of lay-off to individual nurses shall be in accordance with the Employment Standards Act. A full-time or regular part-time nurse being laid off for a duration of six (6) weeks or more will receive at least three (3) weeks' notice of lay-off.
- 13.08 Notice of Termination of Employment
- Unless excused by the Employer, every nurse shall give at least four (4) weeks' notice of termination of her employment.
- 13.09 (a) All vacancies within the bargaining unit which the Employer decides to fill will be posted for at least seven (7) calendar days during which time any nurse may make written application for the position. The posting is waived for such vacancies when the vacancy is:
- (i) temporary with a duration of three (3) months or less.
- The Employer shall have the right to fill a posted vacancy on a temporary basis to allow for posting and a completion of arrangements to permit the nurse selected to fill the vacancy. A copy of the posting shall be sent to the Association. The name of the successful applicant shall be posted by the Employer. Unsuccessful applicants will be notified in writing by the Employer.
- (b) An application for transfer system will be established. Under such system, any nurse will be able to fill out an appropriate form indicating her interest in working in another geographic area and her application shall be considered as though she had made it at the time of posting a vacancy. Copies of all transfer applications shall be sent to the Association by the Employer.

- (c) Vacancies created by filling a posted vacancy shall be posted for three (3) working days which excludes Saturdays, Sundays and paid holidays.

13.10 Notices

Any notice to any employee under this Agreement may be given personally (either directly or by telephone) or by prepaid registered post addressed to the employee at her last address shown on the seniority list or on the payroll of the Employer and such notice shall be deemed to have been given when delivered to the postal authorities.

ARTICLE 14 – LEAVE OF ABSENCE

- 14.01 (a) The Employer may grant a leave of absence with or without pay to any nurse. A request for leave of absence and reply under this paragraph must be in writing by both the Employer and the nurse. Such leave shall not be unreasonably denied.
- (b) A leave of absence for a period not to exceed three (3) years without pay and without loss of seniority may be granted to a nurse in order to attend a recognized College or University full time provided that the course of instruction is related to the nurse's employment opportunities with the Employer.
- If the programme in which the nurse is enrolled exceeds one (1) year, the nurse will provide the Employer with evidence that she is continuing in the programme. If the nurse withdraws from the programme, she shall notify the Employer as soon as possible and the leave will be cancelled.
- Only one (1) nurse may be off at a time on this leave. The nurse shall have completed one (1) year continuous service. Such leave shall be granted on the basis of seniority. The Employer shall return the nurse to her former position at the end of the leave unless her position has been deleted in which case she shall be given a comparable position.
- (c) If the leave of absence without pay does not exceed thirty (30) calendar days, the Employer will continue to make contributions towards subsidized nurse benefits in which the nurse is participating and the nurse's seniority will continue to accumulate.
- (d) If such leave of absence without pay exceeds thirty (30) continuous calendar days, the nurse will no longer accumulate seniority, (anniversary date to be adjusted accordingly), nor will she continue to accumulate service for the purposes of vacation entitlement and sick leave benefits for that period of the absence exceeding thirty (30) continuous calendar days. In addition, the nurse will become responsible for full payment of subsidized nurse benefits in which she is participating for that portion of the leave of absence without pay which is in excess of thirty (30) calendar days. This clause does not apply to a nurse on pregnancy/parental leave.
- (e) A nurse on leave of absence of two (2) months or more is required to give confirmation of the date of her return to work at least fourteen (14) calendar

days prior to her return except in unusual circumstances but in any event the nurse will make every effort to give at least thirty (30) calendar days notice.

14.02 In any case where a nurse is granted leave of absence without pay of one (1) week or greater, she shall not be required to work the weekend prior to or following the leave of absence.

14.03 After a leave of absence of four (4) months or more, the Employer will familiarize the nurse with any changes in policies and procedures prior to assigning her to her regular duties.

14.04 Leave of Absence for Association Business

The Employer will grant leaves of absence, without pay, to nurses selected by the Association to attend Association business including conferences, conventions and Provincial Committee meetings. Not more than two (2) nurses may be on leave at any one time. In the event the Employer experiences staffing problems by having two (2) nurses absent on Association business leave, the Employer may limit the number of absent nurses to one (1) nurse. The cumulative number of days in one (1) year for the whole bargaining unit shall not exceed thirty-five (35) working days off. Nurses requesting such leave will give thirty (30) days notice unless exceptional circumstances preclude such notice.

During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer and the Local Association agrees to reimburse the Employer, within a reasonable period of time, the amount of the daily rate of the nurse. The Employer will bill the Local Association within a reasonable period of time.

14.05 The Employer will grant a leave of absence without pay to the Local Co-ordinator to attend Association functions, provided that the total number of days does not exceed thirty-five (35) working days off in one (1) calendar year. There shall be no loss of service and seniority during such leave of absence. Leave of absence under this provision shall be in addition to the Association leave provided in Articles 14.04, 14.06 and 14.07.

14.06 A nurse who is elected to the Board of Directors of the Ontario Nurses' Association, other than to the Office of President, shall be granted, upon request, such leave(s) of absence as she may require to fulfil the duties of her position. Leave of absence under this provision shall be in addition to the Association leave provided in Article 14.04 above. A nurse requesting such leave must give at least fourteen (14) days' notice unless exceptional circumstances preclude such notice. If the Board position is an executive position, the number of days will be increased to one hundred (100). Notwithstanding Article 14.01, there shall be no loss of seniority or service during such leave of absence. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Employer and the Association agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits.

14.07 Upon application in writing by the Association on behalf of the nurse to the Employer, a leave of absence shall be granted to such nurse elected to the Office of President of the Ontario Nurses' Association. Notwithstanding Article 14.01, there shall be no loss of service or seniority during such leave of absence. During such leave of

absence, the nurse's salary and applicable benefits shall be maintained by the Employer and the Association agrees to reimburse the Employer in the amount of the full cost of such salary and applicable benefits. It is understood, however, that during such leave the nurse shall be deemed to be an employee of the Ontario Nurses' Association. The nurse agrees to notify the Employer of her intention to return to work at least four (4) weeks prior to the date of such return.

14.08 Compassionate Leave

- (a) If the parent, step-parent, guardian, spouse (including common-law or same sex spouse), child, step-child, mother-in-law, father-in-law, grandparent, grandchild, brother, sister, brother-in-law, sister-in-law, son-in-law or daughter-in-law of a full-time nurse dies, the nurse who is so related to such deceased person will be granted compassionate leave with pay up to a maximum of three (3) working days plus two (2) days for travel if required. The Employer may grant a similar leave for the critical illness of an above-mentioned relative.
- (b) If a parent, step-parent, guardian, spouse (including common-law or same sex spouse), child, step-child, mother-in-law, father-in-law, grandparent, grandchild, brother, sister, brother-in-law, sister-in-law, son-in-law or daughter-in-law of a regular part-time nurse dies, the nurse who is so related to such deceased person will not be required to attend at work during up to a maximum of three (3) working days which occur during the seven (7) continuous calendar days commencing from the day of the death of the relative, and the nurse will not suffer any reduction in pay as a result of her non-attendance at work for such three (3) working days under such compassionate leave. Such nurse is also entitled to two (2) days for travel if required as long as the travel time occurs within the said seven (7) continuous calendar day period. The Employer may grant a similar leave for the critical illness of an above-mentioned relative.

14.09 Pregnancy Leave

- (a) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision.
- (b) The nurse shall give written notification at least four (4) weeks in advance of the date of commencement of such leave and the expected date of return.
- (c) The nurse shall confirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Employer at least four (4) weeks in advance thereof. The nurse shall be reinstated to her former position unless the position has been discontinued in which case she shall be given a comparable job.

14.10 Parental Leave

- (a) A nurse who becomes a parent of a child is eligible to take a parental leave in accordance with the provisions of the Employment Standards Act, except where amended in this provision.

- (b) A nurse who has taken a pregnancy leave under Article 14.08, is eligible to be granted a parental leave of up to eighteen (18) weeks duration, in accordance with the Employment Standards Act. A nurse who is eligible for a parental leave who is a natural father or is an adoptive parent may extend the parental leave for a period of up to six (6) months duration, consideration being given to any requirements of adoption authorities. The nurse shall give written notification of the date of starting such leave and the expected date of return at least four (4) weeks in advance of the commencement of the leave. In cases of adoption, the nurse shall advise the Employer as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.
- (c) The nurse shall be reinstated to her former position, unless her former position has been discontinued, in which case she shall be given a comparable job.

14.11

Court Attendance

If a full-time or regular part-time nurse is required to serve as a juror in any court of law or is required by subpoena to attend a court of law (a Coroner's inquest shall be considered a court of law) in connection with a case arising from her duties with the Employer, she shall not lose her regular pay because of necessary absence from scheduled work due to such attendance, provided that she:

- (a) informs the Employer immediately upon her notification that she will be required to attend court;
- (b) presents proof of service requiring her attendance;
- (c) promptly repays the Employer the amount (other than expenses) paid to her for such services as a juror or attendance as a witness.

14.12

Pre-Paid Leave Plan

The Employer agrees to introduce a pre-paid leave program, funded solely by the nurse, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) year's salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.
- (b) The nurse must make written application to the Employer at least six (6) months prior to the intended commencement date of the program (i.e., the salary deferral portion), stating her wish to take a leave.
- (c) The number of nurses that may be absent at any one time shall be one (1) from each geographic area. The year for purposes of the program shall be July 1st of one year to June 30th the following year or such other twelve (12)

month period as may be agreed upon by the nurse, the Local Association and the Employer.

- (d) Written applications will be reviewed by the Executive Director or her designate. If more than the permitted number wish to be on leave at the same time, seniority shall govern so long as those who have not had a pre-paid leave have precedence over those who have already had such a leave.
- (e) During the four (4) years of salary deferral, twenty percent (20%) of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to her until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be determined by a committee comprised of one (1) Ontario Nurses' Association representative, one (1) management representative, and one (1) nurse representing the plan participants which shall meet at least once yearly in February to determine and give direction in the investment of the fund.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the nurse at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Employer and the nurse. If paid out in more than one (1) instalment, interest, if any, on the unpaid balance will continue to accrue to the benefit of the nurse.
- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. For any nurse other than full-time, the days counted towards seniority shall be pro-rated based on the nurse's average number of days worked over the last four (4) years. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of the leave. The nurse shall become responsible for the full payment of premiums for any health and welfare benefits which she continues to carry. Contributions, if any, to the Employer pension will continue to be made in accordance with the plan. The nurse will not be eligible to participate in the L.T.D. plan during year of the leave.
- (i) A nurse may withdraw from the plan at any time during the deferral portion provided three (3) months notice is given to the Executive Director. Deferred salary plus any accrued interest, if any, will be returned to the nurse, within a reasonable period of time.
- (j) If a nurse terminates employment, the deferred salary held by the Employer plus any accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.
- (k) The Employer will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Employer is unable to find a replacement, it may postpone the leave. The Employer will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the plan and rearranging the leave at a mutually agreeable time or of withdrawing from the plan and having the deferred salary and any

accrued interest, if any, paid out to her within a reasonable time. If the nurse chooses to reschedule her leave, it shall take precedence over any other leaves, under the pre-paid leave plan, planned for the year in which she reschedules her leave.

- (l) The nurse will be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.
- (m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Employer in order to authorize the Employer to make the appropriate deductions from the nurse's pay. Such agreement will include:
 - (1) A statement that the nurse is entering the pre-paid leave program.
 - (2) The period of salary deferral and the leave period for which the leave is requested.
 - (3) The manner in which the deferred salary is to be held.

The letter of application from the nurse to the Employer to enter the pre-paid leave program will be appended to and form part of the written agreement.

ARTICLE 15 – SICK LEAVE

- 15.01 Sick leave means the period of time when a full-time nurse, or regular part-time nurse who works in a half-time or greater position, is permitted to be absent from work with full pay due to sickness or accident rendering her unable to perform her duties and not compensable under the Workers' Compensation Act.
- 15.02 Sick leave will be granted to full-time nurses on the following basis:
- (a) one and one-half (1 1/2) days per month to a maximum of one hundred and twenty (120) working days;
 - (b) the unused portion of sick leave in any year will be cumulative up to a maximum of one hundred and twenty (120) working days;
 - (c) a nurse may be required to submit a physician's certificate with respect to any period of time she may be absent from her duties on sick leave. If a physician's certificate is required by the Employer, the Employer shall pay any fee for such certificate which is not payable by the nurse's Health Insurance Plan;
 - (d) sick leave benefits will cease on termination of employment or up to the nurse's seventieth birthday or on death;
 - (e) should a person become ill preceding her scheduled vacation period and should such illness continue into what would have been her vacation, all such time may be considered sick leave and the vacation period may at the option of the employee be rescheduled at a later day.

- 15.03 A nurse will not be entitled to sick pay:
- (a) when absent on pregnancy/parenting leave;
 - (b) during a period of lay-off or of leave of absence without pay;
 - (c) during a vacation period, subject to 19.11;
 - (d) for any day on which she is not scheduled to work.
- 15.04 Sick leave will be granted on a pro-rated basis in accordance with Article 15.02 to regular part-time nurses who work in a half-time or greater position.
- 15.05 There shall be no deduction from sick leave credits when a nurse has completed at least half (1/2) the hours of her shift.
- 15.06 A nurse must make every effort to notify her Manager promptly and in advance of her scheduled work day of her inability to report for work due to sickness so that service can be maintained. Managers will advise their staff of the appropriate reporting procedures to be followed.
- 15.07 The Employer will notify each nurse of the amount of unused sick leave in her bank annually.
- 15.08 Time granted for medical and dental appointments of one (1) day or more will be considered as sick leave. Time off for a shorter period may be granted at the discretion of the immediate Manager.
- 15.09 A full-time nurse or a regular part-time nurse who works in a half-time or greater position who transfers to a regular part-time position in which she regularly works on a predetermined and fixed schedule of less than eighteen and three-quarters (18 3/4) hours per week or to casual part-time status will be entitled to retain but not accumulate or utilize any unused accumulated sick days earned prior to such transfer and will only be entitled to utilize such sick days upon obtaining a full-time or a half-time or greater position.

ARTICLE 16 – HOURS OF WORK

16.01 Work Week

The following provisions are intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day or per week or of days of work per week.

- (a) The normal working hours for full-time nurses shall be seventy-five (75) hours for every two (2) week period being an average of thirty-seven and one-half (37 1/2) hours per week (exclusive of a one-half (1/2) hour unpaid meal period per day).
- (b) The normal hours of work per day for full-time nurses shall be seven and one-half (7 1/2) hours (exclusive of a one-half (1/2) hour unpaid meal period per day). A nurse may flex her start and finish times for day shift and her

start time for evening shift with the agreement of her immediate Manager, as long as it is understood that the evening shift ends at midnight.

- (c) The daily and weekly hours of work for regular part-time nurses, interim replacement nurses and casual part-time nurses may vary from day to day and week to week.
- (d) There will be two (2) fifteen (15) minute paid rest periods in each seven and one-half (7 1/2) hour work day.

16.02 A nurse shall not be scheduled more than seven (7) days in a row. Days off may be split providing she receives at least one (1) period of two (2) consecutive days off and a total of four (4) days off in a fourteen (14) day period.

A nurse will not be scheduled to work more than one (1) weekend in two (2).

Nursing schedules for full-time and regular part-time nurses will be posted at least four (4) weeks in advance of the first date in the time covered and will cover a four (4) week period.

16.03 A nurse will receive premium pay (time and one-half) for all hours worked on a second and additional, if any, consecutive and subsequent weekend, save and except where:

- (a) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
- (b) such nurse has requested weekend work; or
- (c) such weekend is worked as the result of an exchange of shifts with another nurse.

16.04 Requests for changes in posted schedules must be submitted in writing and co-signed by the nurse willing to change the assignment.

16.05 (a) If a nurse is required and authorized to work in excess of seven and one-half (7 1/2) hours per day or seventy-five (75) hours averaged over a two (2) week period, she shall receive compensating time off without loss of pay, calculated at one and one-half (1 1/2) times such overtime hours worked and taken at a mutually agreeable time or alternatively, overtime pay at one and one-half (1 1/2) times the regular straight time hourly rate for such overtime hours worked.

(b) Overtime premium will not be duplicated for the same hours worked in excess of the normal daily hours or in excess of the normal bi-weekly hours outlined in 16.01 (a) and (b), nor will it be pyramided with any other premium payable under this Agreement, subject to 16.04 (c).

(c) Where a full-time nurse or a regular part-time nurse is required to work on a paid holiday or on her scheduled day off and she is required to work additional hours following her full shift on that day, she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.

- 16.06 Additional hours worked as a result of a change in scheduling at the request of a nurse or exchange of scheduled shifts by two (2) nurses will not be considered overtime. However, it is understood and agreed that any time worked in excess of a seven and one-half (7 1/2) hour shift and approved by the Employer will be paid at overtime rates.
- 16.07 (a) A nurse who is required to remain available for duty on standby shall receive standby pay in the amount of two dollars and thirty cents (\$2.30) per hour for the period of standby scheduled by the Employer. If a nurse is called in to work from standby, she shall receive time and one-half her regular straight time hourly rate for all hours worked or a minimum of three (3) hours pay at her regular straight time hourly rate.
- (b) No full-time nurses and no regular part-time nurses who have worked the day or evening shift or will work the next day or evening shift shall be required to take standby duty. Standby duty will be shared between part-time nurses willing to do standby.
- (c) Full-time and regular part-time nurses employed in Nursing Service will share the evening work on an equitable basis. Casual part-time nurses may be requested to do evening shifts as necessary. The evening shift will end at midnight. Nurses may, with the agreement of their Manager, set their own start times as long as the assigned work for the shift is completed. Pay for an evening shift which ends at midnight shall be seven and one-half (7 1/2) hours paid at the nurses' regular straight time rate. Any hours worked beyond midnight will be treated as overtime and paid in accordance with 16.05.
- In the event that the Employer decides to introduce a night shift, the Employer will negotiate this change with the Association.
- (d) A nurse shall be paid a shift premium of seventy-five cents (\$0.75) per hour for all hours worked on an evening shift between 1600 hours and 2400 hours.
- (e) A nurse shall be paid a weekend premium of seventy-five cents (\$0.75) per hour for each hour worked between 2400 hours Friday and 2400 hours Sunday.
- 16.08 (a) When a full-time or regular part-time nurse who is not on standby has completed her regularly scheduled shift and left work and is called back to work that same day or alternatively, is called back to work on her scheduled day off, she shall receive time and one-half her regular straight time hourly rate for all hours worked or a minimum of four (4) hours at her regular straight time hourly rate.
- 16.09 Where a nurse is called in to work less than two (2) hours prior to the commencement of the shift and arrives within one (1) hour of the commencement, she will be paid for a full tour provided that she works until the normal completion of the tour.
- 16.10 A nurse who reports for work as scheduled unless otherwise notified of cancellation of work by the Employer shall receive a minimum of three (3) hours' pay at her

regular straight time hourly rate of pay if her regular duties are not available. If her regular duties are not available, such nurse shall be required to perform any nursing duties assigned by the Employer.

16.11 Volume Fluctuations

- (a) The Employer will make a reasonable effort to schedule senior nurses for full shifts. If a senior nurse is assigned to work less than a full shift, she shall, subject to reasonable considerations of specific client needs and travel and providing the granting of such work does not impact on mandatory continuity standards, be assigned visits from the work list of the least senior nurse scheduled to work that day (up to a full day).
- (b) If it is not possible to assign a senior nurse to work a full shift, the nurse will be paid for all hours worked and may utilize compensatory time or vacation credits to provide a full day's pay or elect to take the time off without pay.
- (c) The parties agree that the operation of Article 16.11 does not constitute a lay-off.

ARTICLE 17 – SALARIES AND PROFESSIONAL CLASSIFICATIONS

17.01 Classification and salary ranges are attached hereto as Schedule "A" and form part of this Agreement.

ARTICLE 18 – PAID HOLIDAYS

18.01 (a) The Employer recognizes the following days as paid holidays for full-time nurses:

Good Friday	Christmas Day
Victoria Day	Boxing Day
Dominion Day	Nurse's Birthday
Civic Holiday	Family Day
Labour Day	

- (b) In the event the Province of Ontario proclaims a paid holiday other than those listed in (a), it will be substituted for the Nurse's Birthday holiday and the Nurse's Birthday holiday will be deleted from this Agreement.

18.02 When a nurse is scheduled to work the weekend of a paid holiday, the Employer shall endeavour to schedule her or him to work the paid holiday and to provide a long weekend off at a mutually agreeable time, subject to caseload and scheduling requirements.

18.03 The Employer will endeavour to equitably distribute paid holidays amongst the nurses.

18.04 In order to qualify for holiday pay, a full-time nurse must work her last scheduled shift immediately prior to the paid holiday and her first scheduled shift immediately following the paid holiday unless the nurse is absent on:

- (a) paid sick leave;
- (b) paid vacation;
- (c) paid leave of absence;
- (d) approved leave of absence without pay of fifteen (15) or fewer continuous calendar days.

It is agreed that a nurse off work on lay-off or a nurse off work receiving Worker's Compensation Disability Benefits or pension, or a nurse off work on an approved leave of absence without pay exceeding fifteen (15) continuous calendar days is not eligible for paid holidays or holiday pay from the Employer.

18.05 When a full-time nurse is required to work on the above holidays (not including the float holiday) she shall receive a day off in lieu without loss of pay from her regular earnings and be paid one and one-half (1 1/2) times her regular straight time hourly rate for all regular hours worked on such holiday.

18.06 If a holiday as defined in 18.01, other than the float holiday, falls on a nurse's scheduled day off, she shall be given another day off with pay at a mutually agreeable time. Lieu days for working on paid holidays shall be taken at a mutually agreeable time.

18.07 If one of the above-mentioned paid holidays occurs during a nurse's vacation period, the nurse will receive an additional day off with pay at a mutually agreeable time.

18.08 (a) A regular part-time nurse who works in a half-time or greater position will be entitled to holiday pay for each of the holidays listed in 18.01 (a) (including the float holiday) on a pro-rated basis on the condition that such nurse meets the qualifying conditions in Article 18.02. In addition, if she works on any of the ten (10) named holidays (not including the float holiday), she shall be paid one and a half (1 1/2) times her regular straight time hourly rate for all regular hours worked on such holiday.

(b) A regular part-time nurse who works less than half-time who works on any of the ten (10) named holidays in 18.01 (a) shall be paid one and a half (1 1/2) times her regular straight time hourly rate for all regular hours worked on such holiday.

(c) A casual part-time nurse and an interim replacement nurse will be paid one and a half (1 1/2) times her regular straight time hourly rate for all regular hours worked on any of the seven (7) paid holidays listed in the Employment Standards Act.

18.09 A nurse shall not be scheduled to work both Christmas Day and New Year's Day. If a nurse is scheduled to work Christmas Day or New Year's Day, the Employer will endeavour to schedule her off for at least four (4) consecutive days at either Christmas or New Year's.

- 18.10 Each full-time nurse may request up to three (3) personal unpaid leave days per year and each regular part-time nurse may request up to one and one-half (1 1/2) personal unpaid leave days per year.

- (d) a nurse who has completed twenty (20) or more years of continuous full-time service as of December 31st, shall be entitled to an annual vacation with pay of six (6) weeks.
- (e) a full-time nurse who has completed one (1) or more years of continuous service and who is absent for a period in excess of thirty (30) continuous calendar days in any vacation year shall have her vacation with pay entitlement calculated on the following basis:

$$\frac{\# \text{ days paid during vacation year} + 30}{260} \times \text{her annual proportionate vacation} = \text{vacation entitlement}$$

- 19.03
- (a) The Employer will endeavour to accommodate the requests of nurses with respect to vacation dates subject to the consideration of service needs. Vacation requests shall not be unreasonably denied. If there is a conflict in vacation requests in a geographic area, seniority shall be the deciding factor. Once a nurse has been granted a requested vacation period, she may not then exercise her seniority rights to change that vacation period.
 - (b) Applications for vacations for the months of July and August shall be submitted in writing by March 15th for nurses with seniority greater than five (5) years and by April 1st for nurses with seniority of five (5) years or less. The Employer will post the finalized vacation list by April 15th. All other vacation requests shall be submitted in writing at least one (1) month in advance of the time requested and the Employer shall reply to the request within one (1) week.
 - (c) A newly employed full-time nurse may not take any vacation during the first six (6) months of her employment.

19.04 Vacation Requests

The parties agree that Articles 19.03 (a) and (b) will be applied in the following manner as they apply to requests for vacation at Christmas time and March Break:

- (a) If there is a conflict in vacation requests for time off at Christmas, seniority shall be the deciding factor provided written requests are filed no later than July 16th in any year.
- (b) If there is a conflict in vacation requests for time off at March Break, seniority shall be the deciding factor provided written requests are filed no later than September 1st in any year.
- (c) Replies to requests for these times will be given one (1) week after the request deadline.
- (d) Requests made after the requested deadline for Christmas or March Break will be granted on a first-come-first-serve basis and seniority will not apply.
- (e) Requests for other times of year will be in accordance with Article 19.03.

19.05 Vacations are normally to be taken in the vacation year in which they are earned but vacation credits may be carried over to the next vacation year, subject to the following:

- (a) The nurse may carry over up to five (5) days to the following vacation year with the approval of her Manager.
- (b) A request to carry over more than five (5) days must be submitted in writing to the Executive Director by December 31st and must include a plan to take the carried over vacation within the first three (3) months of the new vacation year.
- (c) A reminder of any outstanding vacation days will be communicated to the nurse by early December.

19.06 The Employer will endeavour to schedule as a weekend off the weekend prior to a nurse's vacation.

19.07 The Employer will continue its present practice relative to pro-rated vacation entitlement for regular part-time nurses who work in a half-time or greater position. Equivalent years of service calculated on the basis of fifteen hundred (1500) hours of regular part-time service equals one (1) year of full-time service shall be used to determine continuous service for vacation entitlement purposes for a regular part-time nurse in a half-time or greater position, subject to 19.08.

19.08 For the purposes of vacation entitlement for those nurses whose status is changed from regular part-time to full-time, fifteen hundred (1500) hours of regular part-time service shall equal one (1) year of full-time service.

19.09 Any service towards vacation entitlement earned by a full-time or regular part-time nurse working in a half-time or greater position prior to November 21, 1985, will be

retained, but the accumulation of service for vacation entitlement purposes subsequent to ratification will be in accordance with Article 19.

- 19.10 A nurse who leaves the employ of the Employer for any reason shall be entitled to receive any unpaid vacation pay which has accrued to her to the date of her termination. If vacation has been received by the nurse in excess of the vacation earned by the nurse in the year of termination, there shall be deducted from the salary of the nurse or refunded to the Employer by the nurse, an amount equivalent to the pay for vacation received but unearned.
- 19.11 For nurses with paid sick leave entitlement, the following shall apply:
- (a) Where a nurse's scheduled vacation is interrupted due to serious illness which commenced prior to and continues into the scheduled vacation period, the nurse may opt to consider the period as sick leave.
 - (b) Where a nurse's scheduled vacation is interrupted due to serious illness requiring the nurse to be an inpatient in a Hospital, the nurse may opt to consider the period of hospitalization as sick leave.
 - (c) The portion of the nurse's vacation which is considered to be sick leave in (a) or (b) will not be counted against the nurse's vacation credits.

ARTICLE 20 – HEALTH AND WELFARE BENEFITS

During the term of this Collective Agreement, the Association shall supervise a vote of all bargaining unit members to determine if the nurses agree to transition to the VON Canada Benefit Plans effective January 1, 2014. A representative of the Employer will be available to provide information to the nurses and answer questions with respect to the VON Canada Benefit Plans. If the nurses decide to transition to the VON Canada Benefit Plans, the parties will meet to make the necessary amendments to Article 20.

 - (c) effective August 1, 1992, fifty-five percent (55%) of the billed premium for a dental plan (twenty-five dollars (\$25.00) single and fifty dollars (\$50.00)

20.03 The Group Insurance Plan which includes a Group Life, Accidental Death and Dismemberment and Long Term Disability Insurance Plan will be as described in Appendix 3, which forms part of this Collective Agreement. The Employer will pay one hundred percent (100%) of the insurance premium of the Group Life and AD&D insurance and the nurse will pay one hundred percent (100%) of the insurance premium for the L.T.D. plan. This Group Insurance Plan covers full-time and regular part-time nurses working in a half-time or greater position.

- 20.04 (a) Contributions in 20.02 for full-time nurses will be made on a pro-rated basis for regular part-time nurses who work in a half-time or greater position.
- (b) Regular part-time nurses working less than the hours in a half-time or greater position shall receive fourteen percent (14%) of the nurses' regular straight time hourly rate in lieu of all benefits listed in Articles 15, 18 (other than 18.06 (b) and (c) and 18.07), 19 (other than 19.01, 19.03 (a) and (b), 19.06 and 19.08), 20 (other than 20.04 (b)), 22.02 and A.08 and also in lieu of holiday pay and vacation pay under the Employment Standards Act. It is expressly agreed that this additional amount does not form part of the regular straight time hourly rate for purposes of calculating overtime premiums or any other monetary premium under this Agreement.

Regular part-time nurses who participate in the Pension Plan shall have the fourteen percent (14%) in lieu reduced to twelve percent (12%).

- (c) Casual part-time nurses and interim replacement nurses shall receive twelve percent (12%) of the nurses' regular straight time hourly rate in lieu of all benefits listed in Articles 15, 18 (other than 18.06 (b) and (c) and 18.07), 19 (other than 19.01, 19.03 (a) and (b), 19.06 and 19.08), 20 (other than 20.04 (b) and (c)), 22.02 and A.08 and also in lieu of holiday pay and vacation pay under the Employment Standards Act. It is expressly agreed that these additional amounts listed in 20.04 (b) and (c) do not form part of the regular straight time hourly rate for purposes of calculating overtime premiums or any other monetary premium under this Agreement.

Casual part-time nurses and interim replacement nurses who participate in the Pension Plan shall have the twelve percent (12%) in lieu reduced to ten percent (10%).

APPENDIX "A"

VON COMMISSIONER PROCESS

Grievance Commissioner

- 1.01 The Employer and the Union may mutually agree, in writing, to invoke the Commissioner Process rather than proceed to Arbitration as set out in this Collective Agreement. All cases referred to Arbitration where a nurse has a grievance concerning discipline will only be referred to a Grievance Commissioner if the Employer and the Union agree, in writing, on all the facts. The parties may also agree to group grievances before a single Grievance Commissioner. A Grievance Commissioner (where more than one (1) acting in rotation) will set aside such time as may be requested by the Employer and the Union to consider and determine grievances referred to her or him hereunder. A Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided in paragraphs 1.02 to 1.06 hereof.
- 1.02 Through the Grievance Commissioner, the parties desire the expeditious and effective disposition of grievances. The rules governing the summary proceedings of the Grievance Commissioner are set out as follows:
- (a) The parties, when referring a grievance to the Grievance Commissioner shall provide her or him with a summary of facts agreed to or in dispute, the respective positions of the parties, the written grievance and the decision of the management representative at the final stage of the grievance process.
 - (b) The parties shall supply the Grievance Commissioner and each other with additional concise and brief written representations on which they intend to rely provided that they are e-mailed not less than five (5) working days before the commencement of the Hearing.
 - (c) The purpose of the Hearing is to clarify the issues or facts in dispute. At the Hearing, the parties may make such further representations or adduce such evidence as the Grievance Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.
 - (d) The Grievance Commissioner must render her or his written decision, without reasons, to both parties within ten (10) working days of the conclusion of the Hearing. Upon request by either party after her or his decision has been rendered, the Grievance Commissioner shall deliver brief reasons but such reasons shall not form part of her or his decision.
 - (e) The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a precedent in future cases. Notwithstanding anything contained in this Agreement, the decision of the Grievance Commissioner shall:
 - (i) be consistent with the provisions of this Agreement.
 - (ii) be confined to the grievance(s) referred to her or him.

1.03 The Employer and the Union shall each be responsible for one-half (1/2) of the expenses of and fees payable to the Grievance Commissioner.

1.04 Any matter referred to the Grievance Commissioner shall be heard by one of the Grievance Commissioners selected in rotation from the following panel:

Dana Randall
John Stout
Christine Schmidt

The Employer and the Union may upon written agreement add further names to the panel.

1.05 Any member of the panel who, having been requested in turn to act as the Grievance Commissioner, is unable or unwilling to act shall not again be requested to act as a Grievance Commissioner until her or his name comes up again on the regular rotation of the panel.

1.06 The parties agree that the Grievance Commissioner can hear more than one (1) case on a single day.
