ARTICLE 1 - PURPOSE

1.01 The general purpose of this Agreement is to establish mutually satisfactory employment relations between the Employer and the Association. It is to provide means for the settlement of grievances and for the final settlement of disputes. Wages, hours of work and other conditions of employment are established by mutual agreement. It is recognized that nurses wish to work cooperatively with the Employer to provide the best possible community health service and care.

ARTICLE 2 - RECOGNITION

2.01 The Employer recognizes the Ontario Nurses' Association as the bargaining agent for all Registered and Graduate Nurses and Registered Practical Nurses and Nurse Practitioners employed by the Victorian Order of Nurses for Canada-Ontario Branch, Porcupine Site - Highway 11 and the City of Timmins, save and except the Supervisors and persons above the rank of Supervisors.

2.02 The Employer recognizes the geographic areas and teams set out below. Nurses are hired to work anywhere within the geographic area serviced by the Site. Notwithstanding this, the Employer will make every effort to assign nurses to work in the primary area to which they were assigned at the time of hire. The Employer will not assign nurses in the visiting nursing program in area (b) or (c) to work in the area (a).

   (a) Timmins
       i) Nurse Practitioner Wellness Program
       ii) Foot Care Program
       iii) Diabetes Program

   (b) VON Highway 11
       i) Visiting Nursing Program

   (c) Kirkland Lake
       i) Visiting Nursing Program

Temporary assignment between areas (b) and (c) will be by mutual agreement between the manager and the nurse.

ARTICLE 3 - MANAGEMENT RIGHTS

3.01 The Association recognizes that the Employer has retained and shall possess and exercise all rights, functions, powers, privileges and authority that it possessed prior to the execution of this Collective Agreement except those that are relinquished or restricted by this Collective Agreement.
3.02 The rights set out in Article 3.01 above will not be exercised in a manner inconsistent with the provisions of the Collective Agreement and will not be exercised in an unreasonable manner.

ARTICLE 4 - DEFINITIONS

4.01 (a) A full-time nurse is one who is normally scheduled to work the standard full-time hours as specified in the Collective Agreement. This does not constitute any guarantee of any hours of work per day or per week.

(b) A part-time nurse is one who is scheduled on a part-time basis and regularly works as scheduled less than the standard full-time hours per week as specified in the Collective Agreement. This does not, however, constitute any guarantee of any hours of work per day or per week.

(c) A casual nurse is one who is employed to work on an occasional basis as and when required by the Employer and subject to the nurse’s availability. The nurse may decline to work when requested to do so.

(d) A Registered Nurse is defined as a nurse who is registered by the College of Nurses of Ontario in accordance with the Regulated Health Professions Act, and The Nursing Act.

(e) A Registered Practical Nurse is defined as a nurse who is registered by the College of Nurses of Ontario in accordance with the Regulated Health Professions Act, and The Nursing Act.

(f) Registered Nurses and Registered Practical Nurses are required to provide to the employer by February 15th each year a current Certificate of Competence or proof of payment thereof.

(g) A Graduate Nurse is defined as a nurse with registration incomplete, who is a graduate of a programme acceptable to the College of Nurses of Ontario and is either in the process of being certified by the College of Nurses of Ontario or is completing certification requirements. This certification shall be completed within 24 months following the date of hire. Where a nurse fails to complete such certification requirements, she may be terminated and such termination will not be the subject matter of a grievance or arbitration procedure.

(h) The word "nurse" when used throughout this Agreement shall mean persons included in the above-described bargaining unit.
Whenever the feminine pronoun is used in this Agreement, it includes the masculine pronoun, where the content so requires. Where the singular is used it may also be deemed to mean the plural.

4.02 (a) The Employer will not assign bargaining unit work to anyone outside the bargaining unit except in the case of an emergency, unforeseen circumstances or, in the case that no bargaining unit staff is available, work may be assigned to the staff of the Victorian Order of Nurses, Porcupine Site, Highway 11 and City of Timmins. No staff member will be assigned work in the other bargaining unit without her agreement.

(b) The parties agree that upon the resignation, leave of absence, sick leave, etc., of a member of the bargaining unit, shifts will be replaced by a nurse if the work is still available.

(c) The Employer agrees that no one outside the bargaining unit shall perform the work that is exclusive to the Registered Nurse and Registered Practical Nurse members of the bargaining unit in accordance with the Regulated Health Professions Act, except for the provisions listed in 4.02 (a) above.

ARTICLE 5 - NO DISCRIMINATION

5.01 The Employer and the Association agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practiced by any of their representatives with respect to any nurse because of her membership, or non-membership in the Association or activity or lack of activity on behalf of the Association or by reason of exercising her rights under the Collective Agreement or any applicable legislation.

5.02 It is agreed that there will be no discrimination on the basis of race, creed, colour, national origin, sex, sexual orientation, marital status, handicap, age, political or religious affiliation or any other factor which is not pertinent to the employment relationship.

5.03 (a) "Every person who is an employee has a right to freedom from harassment in the workplace by the employer or agent of the employer or by another employee because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, age, record of offences, marital status, family status or handicap". ref: Ontario Human Rights Code, Sec. 5 (2)

(b) "Every person who is an employee has a right to freedom from harassment in the workplace because of sex by his or her employer or agent of the employer or by another employee". ref: Ontario Human Rights Code, Sec. 7 (2)
(c) "Every person has a right to be free from,

i) a sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome; or

ii) a reprisal or threat of reprisal for the rejection of a sexual solicitation or advance where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the person". ref: *Ontario Human Rights Code*, Sec. 7 (3)

(d) A nurse who believes that she has been harassed contrary to this provision may file a grievance under Article 9 of this agreement.

NOTE: "'Harassment' means engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome". ref: *Ontario Human Rights Code*, Sec. 10 (1)

5.04 (a) The parties agree that sexual harassment of any person employed by the employer will not be tolerated in the workplace.

(c) Grievances under this clause will be handled with all possible confidentiality and dispatch.

(d) Where sexual harassment is alleged in a grievance, the grievor has the right to discontinue contact with the alleged harasser without incurring any penalty pending final determination of the grievance. Where sexual harassment is found to have occurred, the grievor has the right to discontinue contact on a permanent basis, with the harasser being
transferred, in addition to any other measures or remedies which may be taken or ordered.

**ARTICLE 6 - NO STRIKE, NO LOCKOUT**

6.01 The Association agrees that there will be no strikes, and the Employer agrees that there will be no lockouts so long as this Agreement continues to operate. The term "strike" and "lockout" shall bear the meaning given them in the *Ontario Labour Relations Act*, R.S.O. 1980 and amendments thereto.

**ARTICLE 7 - ASSOCIATION SECURITY**

7.01 The Employer will deduct in the first pay period in each month, from each nurse covered by this Agreement an amount equal to the regular monthly Association dues designated by the Association. Where a nurse does not have earnings in the first pay period but does have earnings in the next pay period, the deduction shall be made in that payroll period. In remitting such dues, the Employer shall provide a list of nurses from whom deductions were made, including the names of all nurses absent due to an injury compensable under the Workplace Safety and Insurance Act and those absent due to an extended leave of absence.

7.02 Such dues shall be deducted monthly and, in the case of newly employed nurses, such deductions shall commence in the month following their date of hire. There shall be no deduction from a part-time nurse in a month in which the nurse does not work.

7.03 The amount of the regular monthly dues shall be those as authorized by the Association and the Vice-President, Finance of the Association shall notify the Employer of any changes therein and such notification shall be the Employer's conclusive authority to make the deduction specified. In the case of any local dues levies, notification will be made by the local treasurer and such notification shall be the Employer’s conclusive authority to make the deduction specified.

7.04 The amounts so deducted shall be remitted monthly to the Vice-President, Finance of the Association, no later than the end of the month following the month in which the dues were deducted. In remitting such dues, the Employer shall provide a list of nurses from whom deductions were made, including deletions (indicating terminations) and additions from the preceding month and their social insurance numbers. A copy of this list will be sent to the local and provincial Association.

7.05 In consideration of the deducting and forwarding of Association dues by the Employer, the Association agrees to indemnify and save harmless the Employer against any claims for liability arising or resulting from the operation of this Article.

VONPS01.C16
7.06 The Employer shall annually provide each nurse with a T-4 Supplementary Slip showing the dues deducted in the previous year.

During such interview, membership forms may be provided to the nurse. These interviews shall be scheduled in advance by the Employer and may be arranged collectively or individually.

ARTICLE 8 - REPRESENTATIVES AND COMMITTEES

8.01 The employer will recognize the following:

Nurse Representatives & Grievance Committee

(a) The Employer agrees to recognize two (2) nurse representatives to be elected or appointed from amongst nurses in the bargaining unit for the purpose of dealing with Association business as provided in this Collective Agreement.

(b) The Employer will recognize a Grievance Committee of two (2) nurses one of whom will be the Bargaining Unit President or designate.

8.02 Labour Management Committee

A Labour-Management Committee will be composed of two (2) representatives of the Employer and two (2) representatives of the Union. Meetings of this Committee shall be held every two (2) months unless otherwise agreed. Agenda items to be discussed shall be exchanged in writing at least five (5) days prior to the meeting. This Committee shall promote and provide for effective and meaningful communication of information and ideas and shall make joint recommendations on matters of concern with respect to the VON. Minutes of this meeting shall be kept and signed by both parties. The role of Chairperson shall rotate between the parties. The Committee shall not deal with matters which are or should be the subject of the grievance procedure.

8.03 Negotiating Committee

(a) The employer agrees to recognize a negotiating committee comprised of two (2) representatives to be elected or appointed from the bargaining
unit and the Labour Relations Officer for the purpose of negotiating the renewal of this Agreement.

(b) The Employer shall be required to pay nurses on the negotiating committee up to but not including conciliation.

8.04 The Association shall keep the Employer notified in writing of the names of the current nurse representatives, committee members and any other officers of the Local Association who are employed by the Employer.

8.05 (a) If a representative must leave her VON duties for any period of time in order to attend to Association business in the office, she will first obtain the permission of her supervisor and shall be paid at her rate of pay. Such permission will not be unreasonably withheld. Upon completion of her business, the Representative will report to her Supervisor and then return to work.

(b) Representatives of the Association shall be paid at their regular rate of pay for all time used during their regularly scheduled hours of work in attending meetings or for fulfilling other duties related to their responsibilities under the Collective Agreement.

8.06 The Association Committees shall have the right to have the assistance of representatives or consultants from or acting on behalf of the Ontario Nurses’ Association.

8.07 The Employer agrees to give representatives of the Ontario Nurses’ Association access to the premises of the Employer for the purpose of attending grievance meetings or otherwise assisting in the administration of this Agreement.

(a) The employer and the Association shall comply with the Occupational Health and Safety Act and any other federal, provincial or municipal health and safety legislation and regulations in order to prevent accidents, injury and illness.

(b) Recognizing its responsibilities under the applicable legislation, the Employer, agrees to accept as a member of its occupational health and safety committee, one representative selected or appointed by the Association from the bargaining unit.

(c) Such Committee shall identify potential dangers and hazards, institute means of improving health and safety programs and recommend actions to be taken to improve conditions relating to occupational health and safety.
(d) The Employer agrees to co-operate reasonably in providing necessary information to enable the Committee to fulfil its function including incident reports.

(e) Meetings shall be held quarterly or more frequently if mutually agreed to. The Committee shall maintain minutes of all meetings and make the same available for review.

(f) All time spent by a member of the Occupational Health and Safety Committee attending meetings of the committee shall be deemed to be time worked for which she shall be paid by the Employer at her appropriate rate and she shall be entitled to such time from her work as is necessary.

(g) The employer shall recognize one (1) ONA member as a certified worker pursuant to the Occupational Health and Safety Act.

ARTICLE 9 - GRIEVANCE AND ARBITRATION PROCEDURES

9.01 For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

9.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her nurse representative. In the case of suspension or discharge the Site shall notify the nurse of this right in advance.

9.03 It is the mutual desire of the parties to this agreement that differences shall be resolved as quickly as possible and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse. After the discussion, the supervisor shall confirm her response in writing. Failing settlement within nine (9) calendar days, it shall be taken up as a grievance within nine (9) calendar days following receipt of the immediate supervisor's decision.

Step One

A nurse may submit a written grievance, dated and signed by the nurse to the Immediate Supervisor, or her designate who will deliver her decision in writing within (9) calendar days from the date on which the written grievance was presented to her. The parties may if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement then:

VONPS01.C16
Step Two

Within (9) calendar days following the decision in Step No. 1 the grievance may be submitted in writing to the Executive Director or her designate. A meeting will then be held within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a staff representative of the provincial Ontario Nurses' Association and the grievor may be present at the meeting and that the Employer may have such counsel and assistance as it may desire at such meeting. The decision of the employer shall be delivered in writing within nine (9) calendar days of such meeting. A copy of the second step grievance reply will be provided to the Labour Relations Officer.

9.04 A grievance arising directly between the Employer and Association concerning the interpretation, application or alleged violation of this Agreement shall be originated at Step 2 within fourteen (14) calendar days following the circumstances giving rise to the grievance. A grievance by the Employer shall be presented to the Chairperson of the Grievance Committee. The decision of the non-grieving party will be delivered in writing, within fourteen (14) calendar days.

9.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately, they may present a group grievance in writing signed by each nurse who is grieving, to the Executive Director or her designate at Step 2 within (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurses.

9.06 The Employer agrees to provide written reasons, within five (5) calendar days to a nurse who has been discharged.

A claim by a nurse that she has been discharged or suspended without just cause shall be treated as a special grievance if a written statement of such grievance is lodged by the nurse with the Employer at step 2 within fourteen (14) calendar days after the date the discharge or suspension is effectuated. Such special grievance may be settled under the Grievance or Arbitration procedure by:

(a) confirming the Employer's action in dismissing the nurse; or

(b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or

(c) by any other arrangement which may be deemed just and equitable.

9.07 A nurse shall be notified of her discharge or suspension in the presence of a nurse representative.
9.08 All agreements reached under the grievance procedure between the Employer and the Association will be final and binding upon the Employer, the Association and the nurses.

9.09 Failing settlement of any grievance under the foregoing procedure, such grievance may be submitted to arbitration. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step 2 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step 2, it will be deemed to have been received within the time limits.

ARTICLE 10 - ARBITRATION

10.01 When either party wishes to have a grievance referred to arbitration it shall give written notice of such referral to the other party within the time limits set out above, and at the same time appoint its nominee to the Arbitration Board. Within nine (9) calendar days, the other party shall appoint its nominee, provided that if such party fails to appoint its nominee, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application by the party invoking the arbitration procedure. The two nominees shall attempt to select, by agreement, a chairman of the Arbitration Board.

10.02 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

10.03 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

10.04 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to, or amend any part of this Agreement.

10.05 The proceedings of the Arbitration Board may be expedited by the parties hereto; and the decision of the majority shall be final and binding. Where there is no majority, the decision of the Chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.

10.06 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses of the chairman of the Arbitration Board.

10.07 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits, except by the written agreement of the parties, shall result in the grievance being deemed to
have been abandoned, subject only to the provisions of Section 44(6) of the Labour Relations Act.

10.08 Wherever Arbitration Board is referred to in this Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time the reference to arbitration and the other provisions referring to Arbitration Board shall apply accordingly.

ARTICLE 11 - EMPLOYEE FILES

11.01 Any letter of reprimand, suspension or other sanction will be removed from the record of a nurse eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such nurses’ record has been discipline free for the immediate preceding twelve (12) months during which she has worked.

11.02 When any type of evaluation, performance appraisal, progress report or assessment related to the job performance, nursing practice or other employment related matters is completed with respect to any nurse, it is understood and agreed that such nurse shall be given an opportunity to sign the document, indicate any area of disagreement and shall also be provided with a copy of the document. A copy of the completed performance appraisal will be provided to the nurse upon request. It is understood that such performance appraisals do not constitute disciplinary action by the Employer against the nurse.

11.03 Upon written request, a nurse may review her file in the presence of a supervisor or delegate and be provided with a copy of any document contained therein. Notwithstanding Article 11.02, upon review of the file, should the nurse believe that any counselling letter is no longer applicable, she or he may request that such documentation be removed. Such request shall not be unreasonably denied.

11.04 The Peer Feedback Process of the Quality Assurance Program Required by the College of Nurses of Ontario

The above referenced Peer Feedback is confidential information which the nurse is expected to obtain by requesting feedback from peer(s) of her or his choice, for the sole purpose of meeting the requirements of the Quality Assurance Program required by the College of Nurses of Ontario. The parties recognize the importance of supporting the confidential nature of the Peer Feedback component of the Quality Assurance Program. For further clarity, the above referenced Peer Feedback will not be used as a performance evaluation under Article 11.02.
ARTICLE 12 - JOB SECURITY

12.01 Seniority for full-time nurses shall be based on the length of continuous service with the employer since date of the last hire.

Seniority for part-time or casual nurses shall be based on paid hours accumulated since date of last hire. It is recognized that 1725 paid hours equals one (1) year of full-time service. Notwithstanding Article 26, effective June 30, 1997, 1500 hours will equal one year of full-time service.

12.02 (a) i) Newly hired nurses shall be considered to be on probation for a period of sixty (60) tours worked from date of last hire. For part-time and casual nurses, the probationary period will be 450 hours or six (6) months, whichever comes first. If retained after the probationary period, the full-time nurse shall be credited with seniority from date of last hire and the part-time and casual nurse shall be credited with seniority for the sixty tours (450 hours) worked. With the written consent of the Employer, the probationary nurse and the President of the Local Association or designate, such probationary period may be extended. Where the Employer requests an extension of the probationary period, it will provide notice to the Association at least fourteen (14) calendar days prior to the expected date of expiration of the initial probationary period. It is understood and agreed that any extension to the probationary period will not exceed an additional sixty (60) tours (450 hours) worked and, where requested, the Employer will advise the nurse and the Association of the basis of such extension.

ii) The parties recognize that ongoing feedback about the nurse’s progress is important to the probationary nurse.

(b) A nurse who transfers from full-time to part-time or casual status, or vice versa, shall not be required to serve another probationary period where such nurse has completed a probationary period since her date of last hire. If no such probationary period has been completed, the number of tours or hours worked immediately prior to the transfer shall be credited towards the probationary period.

12.03 (a) One seniority list shall be established for all full-time and part-time registered nurses covered by this agreement who have completed their probationary period. For information purposes only, the names of all full-time and part-time probationary registered nurses shall be included in the seniority list. Seniority on such lists will be expressed in terms of total hours worked.
(b) A seniority list shall be established for all casual registered nurses covered by this agreement who have completed their probationary period. For information purposes only, the names of all casual probationary registered nurses shall be included in the seniority list. Seniority on such lists will be expressed in terms of total hours worked.

(c) One seniority list shall be established for all full-time and part-time registered practical nurses covered by this Agreement who have completed their probationary period. For information purposes only, the names of all full-time and part-time probationary registered practical nurses shall be included in the seniority list. Seniority on such list will be expressed in terms of total hours worked.

(d) A seniority list shall be established for all casual registered practical nurses covered by this agreement who have completed their probationary period. For information purposes only, the names of all full-time probationary registered practical nurses shall be included in the seniority list. Seniority on such lists will be expressed in terms of total hours worked.

(e) Copies of the current seniority lists will be provided to the Association twice a year, in April and October, and before any lay-off. The Employer will also post the lists in a conspicuous place at the time they are forwarded to the Association.

12.04 A nurse whose status is changed from full-time to part-time or casual shall receive credit for her full seniority and service on the basis of 1725 hours worked for each year of full-time seniority or service. Notwithstanding Article 26, effective June 30, 1997, a nurse whose status is changed from full-time to part-time or casual shall receive credit for her full seniority and service on the basis of 1500 hours worked for each year of full-time seniority or service. A nurse whose status is changed from part-time or casual to full-time shall receive credit for her full seniority and service on the basis of one year of seniority or service for each 1725 hours worked. Notwithstanding Article 26, effective June 30, 1997, a nurse whose status is changed from part-time or casual to full-time shall receive credit for her full seniority and service on the basis of 1500 hours worked for each year of part-time seniority or service. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

12.05 Seniority shall be retained and accumulated when a nurse is absent from work under the following conditions:

(a) when on approved leave of absence with pay;

(b) when on an approved leave of absence without pay not exceeding thirty (30) continuous calendar days;
(c) when on pregnancy or parental leave

(d) when absent due to disability resulting in WSIB benefits or LTD benefits including the period of the disability program covered by Employment Insurance.

(e) when absent due to illness or injury in excess of thirty (30) consecutive calendar days

(f) For part-time nurses, the rate of accumulation will be based on the employee's normal weekly hours paid over the preceding qualifying twenty-six (26) weeks. A qualifying week is a week where the employee is not absent due to vacation, pregnancy-parental leave, WSIB, or illness or injury that exceeds thirty (30) consecutive calendar days.

12.06 Seniority shall be retained but not accumulated when a nurse is absent from work under the following conditions:

(a) when on approved leave of absence without pay, exceeding thirty (30) continuous calendar days;

(b) when on layoff.

12.07 (a) A nurse who is transferred to a position outside of the bargaining unit for a period of not more than three (3) months, or is seconded to teach for an academic year shall not suffer any loss of seniority, service or benefits.

A nurse who is transferred to a position outside of the bargaining unit for a period of more than three (3) months, but not more than one (1) year shall retain, but not accumulate, her or his seniority held at the time of the transfer. In the event the nurse is returned to a position in the bargaining unit, she or he shall be credited with seniority held at the time of transfer and resume accumulation from the date of her or his return to the bargaining unit.

A nurse must remain in the bargaining unit for a period of at least three (3) months before transferring out of the bargaining unit again or she or he will lose all seniority held at the time of the subsequent transfer.

(b) In the event that a nurse is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, she or he will lose all seniority held at the time of transfer. In the event the nurse is returned to a position in the bargaining unit, the nurse's seniority will accrue from the date of her or his return to the bargaining unit.
(c) It is understood and agreed that a nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.

(d) The Employer agrees that it will not make work assignments that violate the purpose and intent of this provision. The Employer will advise the local Association of the names of any nurses performing the duties of positions outside of the bargaining unit pursuant to Articles 12.07, the date the assignment commenced, the area of assignment and the duration of such assignments.

12.08 When a nurse transfers from another VON Site she shall retain all service credits earned for purposes of vacation, benefits, pension and advancement on the salary grid.

iii) The employer will endeavour to schedule a nurse off for 5 consecutive days over Christmas or New Years. At least 3 consecutive days off will be scheduled. Such days shall be provided through a combination of designated holidays and regularly scheduled days off.

iv) "Christmas" shall include Christmas Day, and Boxing Day. "New Year's" shall include New Year's Eve day and New Year's Day.

(i) Part-time nurses shall be available on the following basis:

i) Five (5) tours per two-week period, exclusive of any approved leave of absence; and

ii) One weekend in two;

iii) designated holidays-which shall be equitably distributed among the part-time nurses in the bargaining unit; and
iv) up to five tours over Christmas or New Years.

(j) The Employer agrees to schedule part-time nurses up to their committed hours by seniority. Where extra tours become available, they will first be offered on the basis of seniority to regular part-time nurses; provided that no nurse will exceed her commitment as a result of being offered such extra tours where there are regular part-time nurses who have not been offered their commitment of shifts.

(k) Where no part-time nurse is willing to perform the available work, extra tours will be offered to casual part-time nurses on the basis of seniority and availability.

(l) i) It is expected that, in order to remain current, a casual nurse shall provide availability. Such availability shall be submitted at least two (2) weeks prior to the posting of the schedule, in accordance with 18.02 a).

ii) Casual nurses shall not be pre-scheduled on the work schedule when it is posted, but may be called in advance of the day on which they are needed if there are no part-time nurses available. However they may be pre-scheduled during the months of July and August and between December 15 and January 10 when no part-time nurse is available.

iii) Casual employees who have been offered and accepted shifts based on their availability cannot cancel such shifts and the process for exchanging a scheduled shift in Article 18.02 (f) is to be followed.

iv) Except in the case of an approved leave of absence, a casual nurse who has not provided availability, or has been offered shifts based on her identified availability and has not worked, for a period in excess of two (2) months, will be removed from the casual list.

(m) Cancellation Guidelines

i) The employer agrees that if a nurse is to be cancelled for all or part of a scheduled tour, as much notice as possible will be given to that nurse. When a nurse who is scheduled for a dayshift is to be cancelled, she will be notified prior to the close of business (1700 hours) on the previous day.

ii) If a nurse is to be cancelled for all or part of a scheduled shift due to lack of work, the most junior nurse (starting with casual, then part-time then full-time) on the applicable seniority list, who is
working in the affected team or geographic area, will be cancelled, subject to considerations of continuity of care, specific client needs and qualifications.

(n) **Short Shifts**

i) Fluctuations in work volumes may require nurses to work shifts of less than the normal daily hours (short shift). If a work schedule is for a short shift, then it will be assigned to the most junior nurse on the applicable seniority list, who is working in the affected team or geographic area, subject to reasonable considerations of continuity of care, specific client needs and travel. Casual nurses would be cancelled first in reverse order of seniority.

ii) Where a nurse who has a short shift or has a period of time between the end of one (1) visit and the beginning of another is required to remain available to the Employer for reassignment, the Employer shall pay the nurse at straight time hourly rate for such waiting periods. The Employer may require that the nurse perform other related duties during the waiting period. Where the Employer does not require the nurse to remain available for reassignment, the nurse may choose to either not be paid for such waiting time and take this period as a personal off duty time, or to utilize compensatory time or vacation credits to provide a full day’s pay.

**ARTICLE 19 - OVERTIME AND PREMIUM PAYMENT**

19.01 (a) A nurse will not be scheduled or required to work in excess of normally scheduled hours or days without her consent. A full-time nurse shall have the option of selecting compensation or time off at the appropriate premium rate in lieu of payment. Time off must be taken within four (4) pay periods of the time owed. A part-time nurse will receive pay only. Premium payment shall be paid as follows:

i) work in excess of seven and one half (7.5) hours in a standard day or seventy-five (75) hours biweekly shall be compensated at the rate of time and one half (1½) of the nurse's regular straight time hourly rate;

ii) the nurse is pre-authorized by her Supervisor to work overtime;

iii) time up to and including fifteen minutes shall not be counted;

iv) time in excess of fifteen minutes shall be counted as total time worked;
v) Nurses shall not claim any overtime as a result of missing paid rest periods.

vi) Where a nurse works overtime as set out above, the nurse shall be paid one and one-half times the nurse’s regular straight time hourly rate for the overtime worked. Overtime premium shall not be duplicated for the same hours worked, nor shall overtime be pyramided with any other premiums payable.

(b) When a nurse calls for authorization of overtime, the Supervisor or designate will approve or deny the request at the time of the call.

(c) Notwithstanding 19.01(a) a nurse may, with the approval of her manager, flex the start time and length of tour, provided the needs of the caseload are met and the hours worked do not exceed the normal hours of work in a two (2) week period. Such daily flexing of length of tour shall not result in any overtime payment or compensatory time accumulation.

19.02 Call-In Pay

(a) Where an employee has arrived at her residence following the completion of her regular shift or where a nurse is called in from on-call and is required to report back to work before commencement of her next scheduled shift, the nurse shall be paid time and one-half (1½) her regular hourly rate for all hours worked with a minimum guarantee of three (3) hours pay at her regular straight time hourly rate except to the extent that such three (3) hour period overlaps or extends into her regularly scheduled shift. In such case, she would receive time and one-half (1½) her regular straight time hourly rate for actual hours worked up to the commencement of her regular shift. The guarantee of a minimum of three (3) hours pay will apply only to the first call out made by an individual nurse between 1630 and midnight and again between midnight and 0830. Any subsequent call outs between 1630 and midnight and midnight and 0830 will be paid at the rate of time and one-half (1½) for actual hours worked.

(b) A nurse who is required to remain available for duty on-call outside her regularly scheduled working hours shall receive on-call pay in the amount of two dollars ($2.00) per hour for the period of on-call scheduled by the Employer. Where such on-call duty falls on a paid holiday, the nurse shall receive on-call pay in the amount of two dollars and forty-five cents ($2.45) per hour. On-call pay shall, however, cease where the nurse is called in to work and works during the period of on-call.

(c) An employee on on-call who is called back to work shall be compensated in accordance with the call back provisions in Article 19.02 (a).
(d) A nurse who is required to remain on-call during her regularly scheduled working hours shall receive on-call pay in the amount of one dollar and eighty cents ($1.80) per hour for the period of on-call.

(e) On-call will be equitably distributed among all nursing staff.

19.03
(a) A nurse who is called in or reports for work as scheduled and is not required to work, shall receive a minimum of three (3) hours of pay at the regular straight time hourly rate. Nurses who are required to come into work by the Executive Director or the Nursing Supervisor or designate with less than one (1) hour's notice, and who are consequently unable to arrive for work until after the tour has commenced shall be paid as though they had worked from the beginning of the tour.

(b) When a nurse is assigned standby and receives a telephone call that requires telephone consultation and does not require the nurse to attend to a patient, the nurse shall be paid her regular straight time hourly rate for the duration of any call exceeding fifteen (15) minutes, including the completion of related paperwork. Such telephone consultation will not be considered call-back nor be used to calculate hours of work earned toward overtime in the day/pay period.

In the case of unpaid leaves of absence because of pregnancy or parental leave or when a nurse is in receipt of WSIB benefits, the Employer will continue to pay its share of the premium of any subsidized employee benefits for a maximum of fifty-two (52) weeks in the case of pregnancy/parental benefits, unless the nurse indicates in writing that she does not wish to continue her participation in the benefit plans, and for a maximum of one (1) year in the case of WSIB benefits unless the nurse does not pay her share of the premiums.

20.04 The employee will provide a medical certificate upon return to work when she/he has been absent from work due to illness for three (3) or more consecutive days. The Employer will bear the costs associated with such requests.

It is understood that any such certificate is only required to state that the nurse was attended to by the medical practitioner and whether and when she is fit to work.

20.05 (a) All full-time nurses who are presently enrolled in the Employer's pension plan shall maintain their enrolment in the Plan subject to its terms and conditions. New full-time nurses and full-time nurses employed but not yet eligible for membership in the Plan, shall, as a condition of employment, enrol in the Plan when eligible in accordance with its terms and conditions.

Appendix 2

VON Commissioner Process

Grievance Commissioner

1.01 The Employer and Union may mutually agree in writing to invoke the Commissioner Process rather than proceed to arbitration as set out in this collective agreement. All cases referred to arbitration where an employee has a grievance concerning discipline will only be referred to a Grievance Commissioner if the Employer and the Union agree in writing on all of the facts. The parties may also agree to group grievances before a single Grievance Commissioner. A Grievance Commissioner (where more than one, acting in rotation) will set aside such time as may be requested by the Employer and the Union to consider and determine grievances referred to her/him hereunder. A Grievance Commissioner shall have the same powers and be subject to the same limitations as a Board of Arbitration hereunder, save and except as expressly provided in paragraphs 1.02 to 1.06 hereof.

1.02 Through the Grievance Commissioner, the parties desire the expeditious and effective disposition of grievances. The rules governing the summary proceedings of the Grievance Commissioner are set out as follows:

(a) The parties, when referring a grievance to the Grievance Commissioner shall provide her/him with a summary of facts agreed to or in dispute, the respective positions of the parties, the written grievance and the decision of the management representative at the final stage of the grievance process.

(b) The parties shall supply the Grievance Commissioner and each other with additional concise and brief written representations on which they intend to rely provided that they are emailed not less than five (5) working days before the commencement of the hearing.

(c) The purpose of the hearing is to clarify the issues or facts in dispute. At the hearing the parties may make such further representations or adduce such evidence as the Grievance Commissioner may permit or require but the Grievance Commissioner shall not be obligated to conform to the rules of evidence.

(d) The Grievance Commissioner must render her/his written decision, without reasons, to both parties within ten (10) working days of the conclusion of the hearing. Upon request by either party after her/his decision has been rendered, the Grievance Commissioner shall deliver brief reasons, but such reasons shall not form part of her/his decision.

(e) The decision of the Grievance Commissioner shall only be applicable to the case in question and shall not constitute a precedent nor be used by either party as a
precedent in future cases. Notwithstanding anything contained in this Agreement, the decision of the Grievance Commissioner shall:

i) be consistent with the provisions of this Agreement.

ii) be confined to the grievance(s) referred to her/him.

1.03 The Union and the Employer shall each be responsible for one-half (1/2) of the expense of and fees payable to the Grievance Commissioner.

1.04 Any matter referred to the Grievance Commissioner shall be heard by one of the Grievance Commissioners selected in rotation from the following panel:

Dana Randall
John Stout
Christine Schmidt

The Employer and the Union may upon written agreement add further names to the panel.

1.05 Any member of the panel who, having been requested in turn to act as the Grievance Commissioner, is unable or unwilling to act shall not again be requested to act as a Grievance Commissioner until his/her name comes up again on the regular rotation of the panel.

1.06 The parties agree that the Grievance Commissioner can hear more than one case on a single day.
