Re: Article 13.04 – Unit Weekend Worker Schedule

Pursuant to Article 13.04 of the Collective Agreement, the parties agree that the Unit Weekend Worker Schedule will be implemented as follows:

Introduction and Discontinuation of Unit Weekend Worker Schedule

1. A Unit Weekend Schedule will be considered as follows:
 - (a) The Clinical Services Manager will notify the unit staff of their desire to create a Unit Weekend Schedule; or
 - (b) A Registered Nurse submits a request, in writing, to their Clinical Services Manager.
2. The Hospital shall develop a schedule that accommodates the Unit Weekend Worker schedule and further agrees to provide this schedule to the Scheduling Committee for approval prior to conducting the initial vote above. If the parties reach agreement, and the Unit Master Schedule would not be affected, then the weekend schedule will be implemented.
3. If the Unit Master Schedule would be affected by the introduction of the weekend schedule, then the Registered Nurses on the Unit will vote by secret ballot. The vote will be conducted by the Union. If eighty percent (80%) of the voting nurses indicate their willingness to have the Unit Master Schedule adjusted to accommodate the weekend worker, then the Unit weekend schedule will be implemented.
4. A vacant weekend worker position posted to accommodate the Unit Weekend Worker Schedule will be posted in accordance with Article 10 of the Collective Agreement.
5. Employees in the Unit Weekend Worker positions may discontinue the weekend schedules with sixty (60) days' notice to the Hospital. Such position will then be posted in accordance with #4 above. If there is no applicant the weekend schedule will be discontinued and the Unit will return to the method of scheduling in place prior to the introduction of the weekend worker.

- 6. Either party may discontinue the Unit Weekend Worker Schedule provided the employees affected are given at least sixty (60) days' notice of the discontinuation. Upon receipt of such notice, a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. Such discontinuation shall not be unreasonable or arbitrary.
- 7. If the Unit Weekend Worker schedule is to be discontinued, it is agreed that the unit affected will return to the scheduling method in place prior to the introduction of the weekend worker.
- 8. Should the Unit Weekend Schedule be discontinued, the employees in these positions will revert to their previous employment status.

9. Averaging of Hours

The Unit Weekend Worker Schedule shall provide a full-time employee with a weekly average of thirty (30) hours but must include two (2) 11.25 hour tours scheduled on each weekend. The remaining 7.5 hour shift shall be scheduled on a day to be mutually determined by the nurse and the Clinical Services Manager.
