

# Help Windsor-Essex County Public Health Nurses Help Others:

## *Join your nurses in a Diaper Donation Drive*

As nurses at the Windsor-Essex County Health Unit who have been forced to strike, we want to continue to support the communities and families we serve. Since we are unable to provide our normal services during the strike, we have planned a campaign to collect diapers to donate to The Downtown Mission, which will then distribute them to the families that need them the most.

Along with our families, friends, and members of our community, we invite you to join us in our diaper drive and others.

We are so thankful for the overwhelming support we have received from the community. Please support us and those in need.

**If you wish to donate, we suggest baby diapers in sizes 3, 4, or 5. All donations are welcome!**

To participate, please contact any of us, or visit us on the picket line at 1005 Ouellette Ave., Windsor, to drop off your donation from 7:30 am to 2:30 pm on Thursday, March 14 or 11:00 am to 3:00 pm on Friday, March 15.
